**Debtor-in-Possession Financing**

**WHEREAS**, the Company requires immediate access to additional liquidity.

**WHEREAS**, the Company, through the Independent Manager and Chief Restructuring Officer, has engaged with multiple potential lenders in the solicitation and negotiation of terms of a superpriority debtor-in-possession term loan facility (each, collectively including any related term sheets, credit agreements, security agreements, interim and final orders, and other related documents, a “Proposed DIP Credit Agreement”), which would be used to fund the operations of the Company and its affiliates that are debtors and debtors in possession in the ordinary course, fund the administration of the Chapter 11 Cases, and pay the claims of certain vendors, employees, tenants, and other stakeholders in the ordinary course of business during the Chapter 11 Cases.

**WHEREAS**, the Independent Manager has been advised of the material terms of the Proposed DIP Credit Agreements.

**NOW, THEREFORE, BE IT RESOLVED**, that the Independent Manager is authorized and empowered on behalf of the Company to finalize, execute, and deliver the Proposed DIP Credit Agreement that the Independent Manager selects as being in the best interests of the Company, its creditors, and other parties in interest (such Proposed DIP Credit Agreement, the “DIP Credit Agreement”).

**FURTHER RESOLVED**, that the Company’s execution and delivery of, and its performance of its obligations (including guarantees) in connection with the DIP Credit Agreement, are hereby, in all respects, authorized and approved.

**FURTHER RESOLVED**, that each of the Authorized Officers and Authorized Independent Persons, as applicable, is hereby authorized, empowered, and directed, in the name and on behalf of the Company, to take such actions as in its discretion is determined to be necessary, desirable, proper, or advisable to give effect to these resolutions and to negotiate, execute, deliver, file, perform, and cause the performance of the DIP Credit Agreement, the transactions contemplated thereby, and any and all other documents, certificates, instruments, real estate filings, recordings, security assignments, agreements, intercreditor agreements, petitions, motions, or other papers or documents to which the Company is or will be a party or any order entered into in connection with the Chapter 11 Cases, including, without limitation, any amendments, supplements, modifications, renewals, replacements, consolidations, substitutions, and extensions thereof (collectively with the DIP Credit Agreement, the “Financing Documents”) necessary to consummate the transactions contemplated by the DIP Credit Agreement, including providing for adequate protection to the Company’s existing secured lenders in accordance with section 363 of the Bankruptcy Code, in the form approved, with such changes therein and modifications and amendments thereto as any of the Authorized Officers or Authorized Independent Persons, as applicable, may in their sole and absolute discretion approve, which approval shall be conclusively evidenced by his or her execution thereof. Such execution by any

of the Authorized Officers or Authorized Independent Persons, as applicable, is hereby authorized to be by facsimile, engraved or printed as deemed necessary and preferable.

**FURTHER RESOLVED**, that each of the Authorized Officers and Authorized Independent Persons, as applicable, be, and hereby is, authorized and directed to seek authorization to enter into the DIP Credit Agreement and to seek approval of the use of collateral pursuant to a postpetition financing order in interim and final form with such changes therein, additions, deletions, amendments, or other modifications thereto as any Authorized Officer or Authorized Independent Person, as applicable, may in their sole and absolute discretion approve.

**FURTHER RESOLVED**, that the Company, as debtor and debtor-in-possession under the Bankruptcy Code be, and hereby is, authorized and directed to incur any and all obligations and to undertake any and all related transactions on substantially the same terms as contemplated under the Financing Documents (collectively, the “Financing Transactions”), including granting liens, guarantees, and providing equity pledges to secure such obligations.

**FURTHER RESOLVED**, that each of the Authorized Officers and Authorized Independent Persons, as applicable, be, and hereby is, authorized and directed to take all such further actions, including, without limitation, to pay or approve the payment of all fees and expenses payable in connection with the Financing Transactions and all fees and expenses incurred by or on behalf of each Company in connection with the foregoing resolutions, in accordance with the terms of the Financing Documents, which shall in their reasonable business judgment be necessary, proper, or advisable to perform the Company’s obligations under or in connection with the Financing Documents or any of the Financing Transactions and to fully carry out the intent of the foregoing resolutions.

**FURTHER RESOLVED**, that the Independent Manager hereby ratifies and confirms all of the acts and transactions relating to matters contemplated by the foregoing resolutions, which acts and transactions would have been authorized and approved by the foregoing resolutions except that such acts and transactions were taken prior to the adoption of such resolutions, be, and they hereby are, in all respects confirmed, approved, and ratified.

#### **General**

**NOW, THEREFORE, BE IT RESOLVED**, that, in addition to the specific authorizations heretofore conferred upon the Authorized Persons, each of the Authorized Officers and Authorized Independent Persons, as applicable, be, and hereby is, authorized and directed to do and perform all such other acts, deeds and things and to make, negotiate, execute, deliver and file, or cause to be made, negotiated, executed, delivered and filed, all such agreements, undertakings, documents, plans, instruments, certificates, registrations, notices or statements as such Authorized Person may deem necessary or advisable to effectuate or carry out fully the purpose of the foregoing resolutions, and the taking of such actions or the execution of such documents by any such Authorized Person shall be conclusive evidence that such Authorized Person deems such action or the execution and delivery of such document to be necessary or advisable and to be conclusive evidence that the same is within the authority conferred by the resolutions herein, and that any and all actions taken heretofore and hereafter to accomplish such

purposes, all or singular, be, and they hereby are, approved, ratified and confirmed, provided that nothing herein authorizes an Authorized Officer to act on a Conflict Matter without delegation from the Independent Manager.

**FURTHER RESOLVED**, that the Member has received sufficient notice of the actions and transactions relating to the matters contemplated by the resolutions herein, as may be required by the organizational documents the Company, or hereby waive any right to have received such notice.

**FURTHER RESOLVED**, that this written consent may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument, and that this written consent may be delivered via facsimile or electronic transmission with the same force and effect as if it had been delivered manually.

**FURTHER RESOLVED**, that the Member hereby ratifies and confirms all of the acts and transactions relating to matters contemplated by the foregoing resolutions, which acts and transactions would have been authorized and approved by the foregoing resolutions except that such acts and transactions were taken prior to the adoption of such resolutions, be, and they hereby are, in all respects confirmed, approved, and ratified.

**CASE NO.: 21-32351**

**(Joint Administration Requested)**

**DECLARATION OF MARK SHAPIRO IN SUPPORT OF  
CHAPTER 11 PETITIONS AND FIRST DAY MOTIONS**

I, Mark Shapiro, declare as follows:

1. I am a Senior Managing Director for GlassRatner Advisory & Capital Group LLC, d/b/a B. Riley Advisory Services (“**B. Riley**” or the “**CRO**”). On or about June 17, 2021, Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively, the “**Debtors**”) retained B. Riley as chief restructuring officer. I am the principal representative of B. Riley in its capacity as CRO.

2. I am a duly authorized representative of the Debtors for purposes of executing any and all documents in connection with the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”), including, without limitation, the Debtors’ respective chapter 11 bankruptcy petitions filed contemporaneously herewith (collectively, the “**Petitions**”), and representing the Debtors in the course of these Chapter 11 Cases and any related proceedings. I am authorized to submit this Declaration on behalf of the Debtors.

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

3. On July 12, 2021 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of Texas (the “**Court**”)—thereby commencing the Chapter 11 Cases. The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

4. I submit this Declaration in support of the Debtors’ Petitions and the First Day Motions (defined below). I am familiar with the Debtors’ businesses, day-to-day operations, and financial affairs. Except as otherwise indicated, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents and records created and maintained by the Debtors in the ordinary course of business, information provided to me by employees and consultants working under my supervision with personal knowledge of the veracity of such information, and/or my opinion based on experience, knowledge, and information concerning the Debtors’ operations and financial condition. If called upon to testify, I could and would testify competently to the facts set forth in this Declaration.

5. Part I of this Declaration provides a basic overview of the Chapter 11 Cases. Part II of this Declaration describes the Debtors’ businesses and organizational structure. Part III of this Declaration describes the circumstances that led to the Debtors’ filing of these Chapter 11 Cases. Part IV of this Declaration pertains to the relief sought in the First Day Motions.

## **I. OVERVIEW OF CHAPTER 11 CASES**

6. The Debtors own and operate an oil refinery (the “**Refinery**”) located on the island of St. Croix in the United States Virgin Islands (“**USVI**”). The Refinery is part of a 2,000-acre industrial complex located on the southern coast of St. Croix comprised of (a) the Refinery and

(b) an oil storage facility (or terminal) and docks (the “**Terminal**”) owned and operated by non-debtor affiliates of the Debtors (the “**Terminal Entities**”).<sup>2</sup> For the avoidance of doubt, the Terminal Entities are not debtors in these Chapter 11 Cases.

7. The Debtors and the Terminal Entities acquired the Refinery and Terminal, respectively, in or about December 2015. Since acquiring the Refinery, the Debtors have invested approximately \$4.1 billion in repairing, refurbishing and modernizing the Refinery to bring the operation into compliance with existing regulations. The Debtors restarted Refinery operations on or about February 1, 2021 following a preliminary restart in December 2020.

8. Despite years of planning and preparation, the Debtors began experiencing operational issues shortly after restarting the Refinery, which prompted investigations by the United States Environmental Protection Agency (the “**EPA**”) and Virgin Islands Department of Planning and National Resources (the “**DPNR**”), as well as a request from the United States Attorney for the Virgin Islands (the “**U.S. Attorney**”) to visit and tour certain operations at the Refinery. Then, on May 12, 2021, an incident occurred at the Refinery—causing a small amount of oil to disperse in certain areas downwind of the Refinery. In response, on May 13, 2021, the Debtors voluntarily ceased all refining operations at the Refinery on a temporary basis to investigate and remedy potential issues prior to any further incidences. Despite the voluntary cessation of operations, on May 14, 2021, the Debtors received an order from the EPA directing the Debtors to immediately cease any and all Refinery operations for a period of 60 days pending the completion of certain operational and compliance audits (as discussed further below).

---

<sup>2</sup> The Terminal Entities include Limetree Bay Terminal Holdings, LLC, Limetree Bay Terminal Holdings II, LLC, Limetree Bay Cayman, Ltd., and Limetree Bay Terminals, LLC.

9. As a result of the foregoing, and the Debtors' deteriorating liquidity position, the Debtors retained professionals to advise on potential strategies to address any compliance issues identified in the audits, address the Debtors' liquidity position, explore options to attract new capital, and restructure existing obligations in light of the shutdown and contemplated remediation efforts and expenses. Additionally, each of the Debtors also appointed an independent board member, who has extensive experience as a director for distressed companies, including in the context of evaluating strategies for maximizing stakeholder value, navigating potential stakeholder conflicts, and raising debtor in possession financing and other capital. On or about July 9, 2021, the Debtors' members and boards of directors, as applicable, adopted resolutions approving the commencement of the Chapter 11 Cases.

10. The Debtors filed these Chapter 11 Cases in an effort to maintain the *status quo* while pursuing the following key objectives: (1) obtaining new liquidity through the DIP Financing (as defined below) that will avoid the need for an immediate liquidation and that will be used to satisfy certain environmental, community, safety, employee, and administrative obligations of the Debtors; (2) pursuing other potential sources of financing and (3) in consultation with the EPA and DPNR, devising a plan to address the findings of the audits required under the EPA Order (defined below) and the Debtors' internal investigations. The successful accomplishment of these objectives should provide the Debtors with an opportunity to attract, develop, and hopefully effectuate a chapter 11 exit strategy that will be in the best interests of the Debtors' bankruptcy estates and their creditors.

## **II. DEBTORS' ORGANIZATIONAL STRUCTURE AND BUSINESSES**

### **A. Debtors' Organizational Structure**

11. A true and correct copy of the organizational chart for the Debtors is attached hereto as **Exhibit A** and incorporated herein by reference.

12. Limetree Bay Energy, LLC (“**LBE**”) is a Delaware limited liability company. LBE is the parent company of each of the Debtors (directly or indirectly through subsidiaries) as well as the Terminal Entities (directly or indirectly through subsidiaries). LBE, however, is not a debtor in these Chapter 11 Cases. From January 7, 2016 up until April 20, 2021, LBR (defined below) and its affiliates were sponsored by certain parties, which had acquired the Refinery through the 2015 Hovensa Chapter 11 Cases (as defined below). Because LBR was unable to complete the Refinery restart under prior ownership, a number of preferred equity investors were forced to equitize their interests pursuant to a consensual restructuring process that resulted in a new owner consortium acquiring a majority interest in the Refinery Entities and the Terminal Entities through LBE on April 20, 2021.

13. Limetree Bay Ventures, LLC (“**LBV**”), is a Delaware limited liability company. LBV is not a debtor in these Chapter 11 Cases. Prior to April 2021, LBS and LBC II (defined below) were wholly owned subsidiaries of LBV and, as such, LBV was the parent company of the Limetree Bay entities identified in Paragraphs 15 to 21 of this Declaration (collectively, the “**Refinery Entities**”). In April 2021, in conjunction with the restructuring, LBE replaced LBV as the holding company for the Refinery Entities through the acquisition of LBV’s interest in LBS and LBC II, as well as other assets and interests associated with the Refinery Entities, pursuant to the terms of that certain Share Transfer Agreement dated as of April 20, 2021 (the “**April 2021 Equity Restructuring**”).

14. Limetree Bay Services, LLC (“**LBS**”), is a Delaware limited liability company with its principal place of business at 842 West Sam Houston Parkway North, Houston, Texas 77024. LBS is a wholly owned subsidiary of LBE.

15. Limetree Bay Cayman II, Ltd. (“**LBC II**”) is a Cayman Islands exempted company. LBC II is a wholly owned subsidiary of LBE. LBC II is not a debtor in these Chapter 11 Cases.

16. Limetree Bay Refining Holdings, LLC (“**LBRH**”) is a limited liability company formed under the laws of the United States Virgin Islands with its principal place of business at 1 Estate Hope Christiansted, Virgin Islands 00820. LBRH is a wholly owned subsidiary of LBC II.

17. Limetree Bay Refining Holdings II, LLC (“**LBRH II**”) is a limited liability company formed under the laws of the United States Virgin Islands with its principal place of business at 1 Estate Hope Christiansted, Virgin Islands 00820. LBRH II is a wholly owned subsidiary of LBRH.

18. Limetree Bay Refining, LLC (“**LBR**”) is a limited liability company formed under the laws of the United States Virgin Islands with its principal place of business at 1 Estate Hope Christiansted, Virgin Islands 00820. LBR is a wholly owned subsidiary of LBRH II.

19. Limetree Bay Refining Marketing, LLC (“**LBRM**”) is a limited liability company formed under the laws of the United States Virgin Islands with its principal place of business at 1 Estate Hope Christiansted, Virgin Islands 00820. LBRM is a wholly owned subsidiary of LBR.

20. Limetree Bay Refining Operating, LLC (“**LBRO**”) is a limited liability company formed under the laws of the United States Virgin Islands with its principal place of business at 1 Estate Hope Christiansted, Virgin Islands 00820. LBRO is a wholly owned subsidiary of LBR.

21. I am informed and believe that the Debtors constitute affiliates, as that term is defined in Section 101(2) of the Bankruptcy Code and used in Bankruptcy Rule 1015(b).

**B. Acquisition and Historical Business Operations**

22. Based on my review of relevant documents, including documents filed in the HOVENSA Chapter 11 Case (defined below), I believe the following to be true and correct:

a. In or about September 1965, the USVI and Hess Oil Virgin Islands Corp. (“**HOVIC**”), a subsidiary of Hess Corporation (f/k/a Amerada Hess Corporation), entered into a Concession Agreement dated September 1, 1965 providing for the construction and operation of the Refinery and Terminal facilities on St. Croix. HOVIC continued operating the Refinery and Terminal until 1998, at which time HOVIC assigned its interests to HOVENSA—a joint venture of HOVIC and PDVSA V.I., Inc. (“**PDVSA**”), a subsidiary of the national oil company of Venezuela, Petróleos de Venezuela, S.A.

b. Since commencing operations, the Refinery has been an integral part of the St. Croix community and economy—providing hundreds of jobs (at times employing up to 25% of St. Croix’s workforce) and generating upwards of \$125 million per year in tax revenues for the USVI.

c. While the Refinery and Terminal have brought economic prosperity, the operation of an industrial oil refinery on a tropical island created dissonance with residents, federal and local environmental agencies, and non-governmental organizations concerned about the impacts of the operation on the local ecosystem and environment at large—a dissonance only amplified in recent decades as the Refinery aged amidst increasingly stringent environmental regulation.

d. Ultimately, adverse economic and regulatory climates, as well as increased competition in the region, resulted in HOVENSA’s refinery operations suffering losses totaling approximately \$1.3 billion between 2009 and 2011.

e. On or about February 16, 2012, HOVENSA idled the Refinery operations due to mounting losses and, in or about 2013, began marketing the Refinery and Terminal for sale.

f. In September 2015, HOVENSA and Limetree Bay Holdings, LLC (“**LBH**”) entered into a purchase and sale agreement for the Terminal, pursuant to which LBH agreed to serve as the stalking horse bidder for a sale through bankruptcy.

g. On September 15, 2015, HOVENSA filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the “**HOVENSA Chapter 11 Case**”) in the United States District Court for the Virgin Islands, Bankruptcy Division (the “**HOVENSA Court**”).

h. On or about December 1, 2015, the HOVENSA Court entered an order approving the sale of substantially all assets of HOVENSA to LBH, or its assignee, including, without limitation, the Terminal and Refinery. As consideration for the acquisition, LBH paid \$190 million in cash and assumed certain liabilities of HOVENSA.

23. In conjunction with the acquisition of the Refinery and Terminal, LBR and Limetree Bay Terminals, LLC (“**LBT**”) entered into operating agreements with USVI (as amended and supplemented, the “**Operating Agreements**”), which, among other things, granted the USVI certain entitlements and financial incentives in exchange for the right to acquire and operate the Refinery and Terminal; however, if the Refinery did not restart operations, the Operating Agreements obligated LBR to dismantle or deconstruct portions of the Refinery. Under the terms of the Operating Agreements, the USVI asserts a security interest in “all personal property of [LBR] required to operate” the Refinery “and Related Facilities....”

24. Following the sale of the Refinery and Terminal to LBH, Arclight and Freeport, through their investment in LBH, acquired a majority equity interest in LBV, the former parent company of LBH, and began seeking other investors to finance the refurbishment and

recommissioning of the Refinery and modernization of the Terminal. Arclight obtained commitments to invest approximately \$3 billion into the Refinery and Terminal, with the goal of processing 210,000 barrels of crude oil per day into gasoline, diesel and fuel oil to serve a variety of sectors, with a focus on South and Central America and an emerging market for low-sulfur fuels for the maritime transportation industry.

### C. The Refinery

25. The Refinery occupies 1,500 acres of the Limetree Bay facility. The Refinery operations are principally conducted at the East Refinery, which includes the crude units, a vacuum unit, a delayed coker unit, platformers, and hydrotreaters. In addition to facilities related to the refining operations, the Refinery includes office space, onsite housing for certain employees, as well as facilities ancillary to the refining operations, including a power generation complex, which provides power to the Refinery and related facilities. The Terminal occupies the remaining portions of the Limetree Bay facility.

26. In connection with the Refinery and Terminal operations, LBR and LBRM, on the one hand, and LBT, on the other hand, have entered into a series of agreements governing the use and occupancy of the Limetree Bay facility and business dealings between the Refinery and Terminal, including, without limitation, the Shared Services Systems Agreement dated as of November 30, 2018 (as amended and supplemented, the “**Shared Services Agreement**”). The Shared Services Agreement provides, in pertinent part, that the Refinery Entities and Terminal Entities authorize each other, subject to certain restrictions to avoid business interruption, to access and use the properties and facilities of the other for purposes of conducting the parties’ respective business operations. The Shared Services Agreement further provides that the Refinery Entities and Terminal Entities share certain services (e.g., water, power, wastewater, etc.), facilities (e.g.,

on-site office space, employee housing, parking lots, etc.), employees, and insurance coverage (some of which is maintained by LBE),<sup>3</sup> and allocate the costs of such services and facilities between the Refinery Entities and Terminal Entities. The Debtors and LBT are evaluating potential amendments and modifications to the Shared Services Agreement that would be appropriate in light of the suspension of operations at the Refinery.<sup>4</sup> Based on such discussions, the Debtors anticipate filing a motion to authorize certain amendments and modifications to the Shared Services Agreement following the Petition Date.

**D. Efforts to Refurbish the Refinery and Restart Operations**

27. Beginning in 2018, the Debtors began refurbishing the Refinery and preparing to restart operations. At the time, the Refinery was more than 50 years old and had been dormant since February 2012, following its idling by HOVENSA—rendering the task of restarting the Refinery a substantial undertaking by any measure.

28. Initially, the Debtors anticipated restarting operations of the Refinery in early 2020 with an investment of approximately \$2.1 billion. The projected completion date served one of the principal objectives of the Refinery refurbishment—establishing a Caribbean-based oil refinery capable of producing low-sulfur transportation fuels compliant with emerging International Marine Organization standards that were expected to come into full force and effect in the beginning of 2020.

29. As the project progressed, the Debtors encountered unanticipated impediments to completion, including, without limitation, issues with infrastructure and certain foundational

---

<sup>3</sup> As of the Petition Date, the Debtors are current on all obligations owing under its insurance policies and, as such, the Debtors do not anticipate having to make any postpetition payment on account of prepetition insurance obligations.

<sup>4</sup> It is my understanding that the Terminal Entities intend to appoint one or more independent directors with authority to address issues related to the Debtors and these Chapter 11 Cases.

systems. Identifying and correcting these issues caused the timeline to expand and budget for completion of the Refinery refurbishment to swell. The emergence of the COVID-19 virus in early 2020 only exacerbated the delay due to restrictions on available workers, access to the island and the Refinery, and the need to implement protocols to ensure the health and safety of employees.

30. Ultimately, the Debtors completed the refurbishment of the main process units of the Refinery in or about December 2020—nearly a year later than projected and more than \$1 billion over-budget. Shortly thereafter, the Refinery began producing small amounts of refined petroleum products, including, without limitation, approximately 216,000 barrels of naphtha, to test the facilities’ operational capabilities. The operational outlook based on the preliminary production runs was promising; accordingly, the Debtors continued to move forward preparing for a relaunch of the facility in early 2021. In January 2021, the Debtors began readying the Refinery to begin production of additional refined products—testing the operational capabilities of additional processes necessary to produce more refined products, such as gasoline.

#### **E. Funding of the Refinery Refurbishment Project and Existing Capital Structure**

31. Ultimately, the Debtors invested approximately \$4.1 billion into refurbishing the Refinery. The Debtors funded the project through a combination of equity contributions and debt financing. Between 2018 and 2021, the Debtors raised approximately \$2.5 billion from equity through capital contributions, issuance of membership interests, as well as subordinated shareholder loans. In addition to equity contributions, the Debtors incurred approximately \$1.6 billion in debt financing under three principal facilities—(a) a \$900 million term loan facility (the “**LBR Term Loan**”) from a consortium of lenders (collectively, the “**Term Lenders**”) with Goldman Sachs Bank USA (“**Goldman Sachs**”) serving as administrative agent and project collateral agent, (b) a \$50 million revolving line of credit (the “**Revolving LOC**”) from certain

lenders, with Goldman Sachs serving as administrative agent and project collateral agent, and (c) the LBRH II Holdco Loan (defined below).<sup>5</sup>

32. Under the LBR Term Loan, the lenders committed to lend to LBR, as borrower, up to \$900 million (after giving effect to the LBR Debt Restructuring referred to below). The LBR Term Loan is comprised of five (5) tranches—tranches A through E. Access to each tranche is dependent on satisfying certain conditions related to the Refinery refurbishment and restarting. As of the Petition Date, the Debtors have drawn the following amounts on the LBR Term Loan: (a) Tranche A, approximately \$518 million; (b) Tranche B, approximately \$110.47 million; (c) Tranche C, approximately \$29.46 million; and (d) Tranche D, approximately \$111 million. The Debtors have not drawn on Tranche E of the LBR Term Loan. In sum, the Debtors owe approximately \$768.9 million under the LBR Term Loan—leaving approximately \$131 million of committed capital available under Tranche E; however, the conditions precedent to accessing Tranche E of the LBR Term Loan have not been satisfied and the Debtors do not expect to be able to satisfy such conditions precedent. The obligations of LBR, as borrower, due under the LBR Term Loan are guaranteed by LBRM and LBRO. The LBR Term Loan matures on November 20, 2025.

33. LBR entered into certain hedging arrangements, including an ISDA Master Agreement dated as of January 18, 2019 (the “**J. Aron ISDA Agreement**”) with J. Aron & Company LLC (“**J. Aron**”) and certain transactions thereunder, to hedge interest rate risk associated with the LBR Term Loan. The J. Aron ISDA Agreement is a “Secured Hedge Agreement” under the terms LBR Term Loan. The J. Aron ISDA Agreement is not a J. Aron

Transaction Document described below. On or about June 28, 2021, J. Aron averred that one or more “Events of Default” had occurred with respect to LBR under the terms of the J. Aron ISDA Agreement and designated June 29, 2021 as the “Early Termination Date” under the J. Aron ISDA Agreement. On or about July 1, 2021, J. Aron submitted to LBR a notice stating that J. Aron had calculated that the amount due and payable by LBR in respect of the Early Termination Date was no less than \$1,804,000.00 (the “**J. Aron Early Termination Payment**”). The Debtors are evaluating the alleged Events of Default and calculation of the J. Aron Early Termination Payment. As of the Petition Date, the Debtors have not paid the J. Aron Early Termination Payment.

34. Under the Revolving LOC, the lenders committed to lend to LBRM, as borrower, up to \$50 million on a revolving line of credit. As of the Petition Date, the Debtors have drawn \$50 million on the Revolving LOC. The obligations due under the Revolving LOC are guaranteed by LBR and LBRO. The Revolving LOC matures on November 20, 2023.

35. In addition to the LBR Term Loan and Revolving LOC, the Debtors also borrowed funds via intercompany unsecured and subordinated loan transactions memorialized in certain subordinated promissory notes—classified in the Debtors’ records as the Original LBV Subordinated Notes and Supplemental LBV Subordinated Notes (collectively, the “**LBV Subordinated Notes**”). LBV was the promisee and LBR was the borrower under the LBV Subordinated Notes.

36. In December 2020, the Term Lenders, LBV and the Debtors agreed to a consensual restructuring of certain of LBR’s outstanding debt (the “**LBR Debt Restructuring**”), pursuant to which (a) approximately \$402 million of LBV Subordinated Notes, and (b) approximately \$349 million of then-outstanding LBR Term Loans, were, in each case, assigned by LBR to LBRH II and evidenced under a separate loan agreement with Wilmington Trust, National Association

(“**Wilmington Trust**”) serving as administrative agent and project collateral agent (the “**LBRH II Holdco Loan**”). In connection with (and prior to) the April 2021 Equity Restructuring, LBRV assigned all of its interests as a lender under the LBRH II Holdco Loan to LBC II. As of the Petition Date, the lenders under the LBRH II Holdco Loan include the Term Lenders and LBC II (collectively, the “**Holdco Lenders**”). The LBR Debt Restructuring was consummated and became effective on February 25, 2021. Since the effectiveness of the LBR Debt Restructuring, certain cash contributions made by the members of LBE to fund liquidity needs of the Debtors in connection with the Refinery have been via LBC II as advances to LBRH II under the LBRH II Holdco Loan. As of the Petition Date, LBRH II owes approximately \$782.56 million under the LBRH II Holdco Loan. The LBRH II Holdco Loan matures on November 20, 2025.

37. Goldman Sachs and the Term Lenders contend that the indebtedness under the LBR Term Loan, Secured Hedge Agreements (as defined therein), and Revolving LOC are secured by assets of the Debtors (the “**Senior Lenders’ Collateral**”) pursuant to that certain Security Agreement dated as of November 20, 2018 (the “**General Security Agreement**”) and that certain Pledge Agreement dated as of November 20, 2018 (the “**Pledge Agreement**”). Per the General Security Agreement, the Senior Lenders’ Collateral is comprised of certain tangible and intangible personal property assets of LBR and LBRM, including, without limitation, certain accounts, chattel paper, deposit accounts, documents, equipment, fixtures, general intangibles, instruments, intellectual property, investment property, letters of credit, commercial tort claims, and any supporting obligations or proceeds of any Senior Lenders’ Collateral. Per the Pledge Agreement, the Senior Lenders’ Collateral includes the equity interests of LBRH II in LBR, the wholly owned subsidiary of LBRH II.

38. Wilmington Trust contends that the obligations under the LBRH II Holdco Loan are secured by assets of LBRH II (the “**Holdco Lenders’ Collateral**”) pursuant to that certain Security Agreement dated as of April 6, 2021 (the “**Holdco Security Agreement**”) and that certain Pledge Agreement dated as of February 22, 2021 (the “**Holdco Pledge Agreement**”). Per the Holdco Security Agreement, the Holdco Lenders’ Collateral is comprised of the tangible and intangible personal property assets of LBRH II, including, without limitation, all accounts, chattel paper, deposit accounts, documents, equipment, fixtures, general intangibles, instruments, intellectual property, investment property, letters of credit, commercial tort claims, and any supporting obligations or proceeds of any Holdco Lenders’ Collateral. Per the Holdco Pledge Agreement, the Holdco Lenders’ Collateral includes the equity interests of LBRH in LBRH II, the wholly owned subsidiary of LBRH.

39. In the course of the Refinery project, the Debtors used the services of numerous vendors and contractors. Several vendors and contractors have asserted certain common law and statutory liens (e.g., construction liens) against certain assets of the LBR and LBT based on amounts purportedly due and owing for services rendered (collectively, the “**Construction Liens**”), including, without limitation, the following:

- a. On or about February 2, 2021, Cleaver-Brooks Sales and Service, Inc. filed a construction lien (the “**Cleaver Lien**”) against certain assets of LBR in the amount of \$120,738.00;
- b. On or about May 7, 2021, Great Southern Technologies, LLC filed a construction lien against certain assets of LBR and/or LBT in the amount of \$393,206.53;
- c. On or about May 12, 2021, InServ Field Services USVI, LLC filed a construction lien against certain assets of LBR “and its affiliates” in the amount of \$19,670,362.10;
- d. On or about May 14, 2021, AltairStrickland V.I., LLC filed a construction lien against certain assets of LBR in the amount of \$4,106,717.42;

- g. On or about June 21, 2021, Vivot Equipment Corporation filed a construction lien against certain assets of LBR and/or LBT in the amount of \$9,765,557.08;
- h. On or about June 21, 2021, Virgin Islands Industrial Services, LLC filed a construction lien against certain assets of LBR and/or LBT in the amount of \$4,466,993.76;
- i. On or about June 21, 2021, Panametrics LLC filed a construction lien against certain assets of LBR in the amount of \$21,844.00;
- j. On or about June 21, 2021, EXCEL Construction & Maintenance VI, Inc. (f/k/a Sun Constructors, Inc.) filed a construction lien against certain assets of LBR, LBT and LBE in the amount of \$24,943,041.69;
- k. On or about June 22, 2021, Cust-O-Fab, LLC filed a construction lien against certain assets of LBR and LBT in the amount of \$2,064,855.00;
- l. On or about June 22, 2021, Cust-O-Fab Specialty Services, LLC filed a construction lien against certain assets of LBR and LBT in the amount of \$3,284,871.07;
- m. On or about June 22, 2021, Enermech Mechanical Services, Inc. filed a construction lien against certain assets of LBR in the amount of \$501,059.41;
- n. On or about June 24, 2021, Worley Pan-American Corporation (f/k/a Jacobs Pan-American Corporation) filed a construction lien against certain assets of LBR in the amount of \$2,664,105.61;
- o. On or about June 24, 2021, Christiansted Equipment Ltd. filed a construction lien against certain assets of LBR in the amount of \$3,780,074.66;
- p. On or about June 29, 2021, Strategic Contract Resources, LLC filed a construction lien against certain assets of LBR in the amount of \$830,079.50;
- q. On or about July 6, 2021, HKA Enterprises, LLC filed a construction lien against certain assets of LBR in the amount of \$450,172.78; and

- r. On or about July 7, 2021, Complan USA LLC filed a construction lien against certain assets of LBR in the amount of \$1,409,410.13.

The obligations associated with the alleged Construction Liens total approximately \$105.11 million. The Debtors are investigating the validity of the alleged Construction Liens. While the investigation remains ongoing, it is my understanding that, with limited exception for the Cleaver Lien, (i) each of the Construction Liens was asserted after the Debtors incurred the obligations under the LBR Term Loan, Revolving LOC, LBRH II Holdco Loan, J. Aron Transaction Documents (defined below) with J. Aron (defined below), and LBV Subordinated Notes<sup>6</sup> and (ii) each of the Construction Liens was asserted in the 90-day period immediately preceding the Petition Date.

#### F. Funding for Refinery Operations

40. In addition to the funding required to completed the Refinery refurbishment and relaunch, the Debtors secured capital and certain liquidity arrangements to fund existing Refinery operations and future expansions thereof, obtain a stable source of and competitive price for feedstock and the off-take of refined products under commodity purchase and sale and marketing agreements, and to provide liquidity for the purchase of materials essential to Refinery operations, including, without limitation, catalysts used in the processing of refined products under an inventory financing agreement. This liquidity was secured through a series of agreements with BP Products North America Inc. (“BP”) as well as a supply and offtake agreement and other agreements relating to the purchase and sale by J. Aron of Feedstock (as defined below) and Product (as defined below) (collectively, the “**Safe Harbor Agreements**”), a monetization master agreement and a financing agreement (collectively, together with the Safe Harbor Agreements and

<sup>6</sup> The Cleaver Lien was asserted prior to the consummation of the LBR Debt Restructuring, but after the Debtors incurred the other obligations identified.

all other transaction documents associated therewith, the “**J. Aron Transaction Documents**”) with J. Aron.

41. In or about November 2018, the Debtors entered into a series of agreements with BP governing the supply of crude oil and additional investments in the Refinery, including a feedstock agreement (the “**BP Feedstock Agreement**”), a product off-take agreement (the “**BP Off-Take Agreement**”), and a tolling agreement (the “**BP Tolling Agreement**”). Under the terms of the BP Feedstock Agreement, BP agreed to provide crude oil (i.e., feedstock) and other materials to the Refinery. Per the BP Off-Take Agreement, BP agreed to market refined petroleum products from the Refinery. As consideration for a share in the net margin of the Refinery, BP agreed to invest up to \$533 million in the Refinery to complete improvements and expansions related to the manufacture of certain petroleum products, including low-sulfur transportation fuel. BP would recoup its investment under the Tolling Agreement via its share in the net margin generation of the Refinery. BP’s obligation to invest funds pursuant to the Tolling Agreement was subject to certain operational benchmarks.

42. On February 22, 2021, LBRM, LBR, and BP entered into an Amended and Restated Tolling Agreement (the “**A&R Tolling Agreement**” and, together with the BP Feedstock Agreement and BP Off-Take Agreement, each as amended, the “**BP Agreements**”) reflecting a renegotiation of certain operational benchmarks for the financing commitments and a further discounted price for the refined petroleum products available to BP under the BP Off-Take Agreement. BP’s investment obligation remains subject to those modified operational benchmarks contained in the BP Agreements. The Debtors do not believe that these conditions precedent have been satisfied as of the Petition Date.

43. On or about March 3, 2020, LBRM entered into the J. Aron Transaction Documents, pursuant to which: (a) J. Aron agreed to purchase and sell crude oil, crude oil blends, fuel oil, naphtha, debutanized natural gasoline and certain other feedstocks (each as more fully defined in the J. Aron Monetization Master Agreement (as defined below), the “**Feedstock**”), and certain refined hydrocarbon products (each as more fully defined in the J. Aron Transaction Documents, the “**Product**”) to LBRM (and LBRM agreed to purchase and sell Feedstock and Product from and to J. Aron, as applicable) pursuant to the Safe Harbor Agreements, and which also governed certain terms of purchases and sales of Feedstock and Product between J. Aron and third parties (including BP), in each case, subject to additional terms and conditions set forth in the J. Aron Transaction Documents; and (b) J. Aron advanced to LBRM a one-time term loan based on certain catalyst units that contain certain base metals and certain catalyst units that contain certain precious metals, which were, in each case, designed for use in refining or processing activities, pursuant to a financing agreement (the “**J. Aron Financing Agreement**”).

44. As of the Petition Date, the applicable Debtors were indebted to J. Aron in an amount of approximately \$24.97 million under the J. Aron Financing Agreement<sup>7</sup>. In addition, J. Aron has commenced the process of liquidating certain Feedstock and Products owned by it in connection with the J. Aron Transaction Documents. If J. Aron is unable to liquidate such Feedstock and Products, and/or incurs losses or costs as a result of such liquidation and termination of J. Aron’s rights and obligations under the Safe Harbor Agreements, LBRM, LBR and LBRO may be liable to J. Aron for such losses under the J. Aron Transaction Documents. Given that the liquidation of the Feedstock and Products has only recently commenced, the Debtors are unable to

<sup>7</sup> The amount due under the J. Aron Financing Agreement accounts for the principal due under the facilities as of July 9, 2021, based upon available information. To the extent necessary, the Debtors will update these balances prior to or during the hearing on the First Day Motions. The Debtors estimate that the potential liability under the Safe Harbor Agreements may be as much as \$221.95 million.

determine whether any additional amounts will be due on account of such liquidation. Further, under the J. Aron Transaction Documents, the Debtors may be liable to and owe J. Aron accrued (both before and after the Petition Date) and unpaid interest, fees, expenses and certain other obligations under the J. Aron Transaction Documents, to the extent permitted under such documents and the Bankruptcy Code. LBR and LBRO are guarantors under the J. Aron Transaction Documents.

45. J. Aron contends that the indebtedness due under the J. Aron Transaction Documents is secured by assets of LBRM (the “**J. Aron Collateral**”) pursuant to that certain Security Agreement dated as of March 3, 2020 (the “**J. Aron Security Agreement**”). Per the J. Aron Security Agreement, the J. Aron Collateral is comprised of certain tangible and intangible personal property assets of LBRM, including accounts, accounts receivable, hydrocarbons and other inventory, deposit accounts, instruments, chattel paper, documents, tax refunds, commercial tort claims, and replacements and proceeds of the J. Aron Collateral.

46. On or about June 25, 2021, J. Aron asserted that the Debtors were in default under the J. Aron Transaction Agreements and, as a result, J. Aron was no longer required to perform thereunder and, moreover, that J. Aron has the right to liquidate, and has commenced liquidation of, the Feedstock and Product purchased and owned by J. Aron pursuant to or in connection with any Safe Harbor Agreements.

#### **G. The Debtors’ Cash Management System**

47. The Debtors maintain a decentralized cash management system (the “**Cash Management System**”), which principally utilizes twenty (20) bank accounts (collectively, the

**“Bank Accounts”**) maintained by LBR, LBRM and LBRO<sup>8</sup> with Deutsche Bank Trust Company Americas (**“Deutsche Bank”**), Oriental Bank (**“Oriental Bank”**), and Citibank (**“Citibank”** and, together with Deutsche Bank and Oriental Bank, the **“Depositors”**).

48. The Cash Management System is maintained in accordance with the terms of (a) that certain Amended and Restated Depositary and Intercreditor Agreement, dated as of March 3, 2020 (as amended, amended and restated, waived, supplemented and/or modified from time to time, the **“Prepetition Depositary Agreement”**) between the LBR, LBRM, LBRO, LBRH II, Goldman Sachs (as (i) administrative agent for the Term Lenders (as defined therein), (ii) the Revolving Administrative Agent, and (iii) as collateral agent for the Project Secured Parties (as defined therein) (in such capacity, together with its successors and permitted assigns in such capacity, the **“Project Collateral Agent”**)), Deutsche Bank (the **“Depositary Agent”**), and J. Aron, (b) that certain Deposit Account Control Agreement dated as of January 24, 2019 (the **“Oriental Bank DACA”**), between LBR and LBRO, as grantors, the Bank of Nova Scotia (as predecessor to Oriental Bank), as depositary bank, and Goldman Sachs, as Project Collateral Agent; (c) that certain Deposit Account Control Agreement dated as of March 3, 2020 (the **“J. Aron DACA”**), among LBRM, as grantor, Oriental Bank, as depositary bank, and J. Aron, as secured party; and (d) a certain deposit account control agreement (the **“Citibank DACA”**) with Citibank, as depositary bank, and LBRH II, as the grantor, pertaining to an account of LBRH II, as specified therein, on deposit with Citibank.

49. Under the terms of the Prepetition Depositary Agreement, revenues from the Debtors’ operations are deposited in revenue accounts with Deutsche Bank (collectively, the

<sup>8</sup> Limetree Bay Services, LLC (**“LBS”**) maintains an account with Citibank (the **“LBS Account”**). The Debtors are not aware of any security interests in LBS Account.

“**Revenue Accounts**”) maintained by LBR and LBRM. Following receipt of the revenues, funds are disbursed to operating accounts with Oriental Bank (collectively, the “**Operational Accounts**”) maintained LBR and/or LBRM, from which LBR and LBRM pay operational expenses associated with the Refinery, either directly or through further distribution of revenues to affiliates in accordance with the provisions of the Prepetition Depositary Agreement.

50. As of the Petition Date, the Debtors have approximately \$3,479,722 of cash on hand, which amount is held in the Bank Accounts.<sup>9</sup>

#### **H. Permitting and Environmental Compliance**

51. In conjunction with the commencement of work on the Refinery, the Debtors filed an application in or about 2018 for a Plantwide Applicability Limit (PAL) permit (i.e., the EPA Permit) to modify existing operations without needing a Prevention of Significant Deterioration (PSD) permit as long as the Refinery operated within certain limits. On or about December 2, 2020, the EPA issued the EPA Permit for the Refinery. Following the change in administrations in January 2021, the EPA began reviewing permits issued under the prior administration, including the EPA Permit, to evaluate compliance with existing law and the environmental regulatory agenda of the new administration. On March 25, 2021, the EPA withdrew the EPA Permit.

52. With the exception of the EPA Permit (to the extent such permit is required), I am informed and believe that the Debtors possess all permits required to operate the Refinery, subject to the EPA Order and EPA Stipulation (defined below). Notwithstanding, the Debtors are not presently authorized to operate the Refinery. Under the terms of the EPA Order, the Debtors are prohibited from operating the Refinery for a period of 60-days from the date of the EPA Order.

---

<sup>9</sup> The stated balances in the Bank Accounts is based upon the balances in such accounts as of July 9, 2021. To the extent necessary, the Debtors will provide updated balances prior to or during the hearing on the First Day Motions.

While the EPA Order is scheduled to expire on or about July 13, 2021, the Debtors are presently in discussions with the EPA regarding the entry of a stipulated order (the “**EPA Stipulation**”), providing for the continued suspension of operations and conditioning any renewal of operations on the satisfaction of certain prerequisites.

### **III. EVENTS PRECIPITATING FILING OF CHAPTER 11 CASES**

53. Throughout, the Refinery project faced significant hurdles—from delays in construction resulting in substantial budget overruns to a global pandemic. Ultimately, the Debtors substantially completed the Refinery refurbishment in December 2020—a year late and more than \$1 billion over the initial budget—and, on February 1, 2021, the Refinery resumed operations and began producing certain refined products for commercial sale.

54. While the initial relaunch of the Refinery proved successful in many respects, the Refinery experienced intermittent operational issues and incidents of varying severity beginning shortly after the resumption of operations. In late April 2021, residents in the communities neighboring the Refinery began reporting a foul odor allegedly emanating from the Refinery, which prompted internal investigations as well as inquiries by the EPA and DPNR into the Refinery’s emissions of gaseous by-products of the refining processes. The Debtors cooperated with the EPA and DPNR in an effort to expeditiously identify the source of the odor and, moreover, ensure Refinery emissions comported with applicable standards. Although the investigation concluded that the odor was due, at least in part, to an exposed sewage access point on USVI government property, the investigation also uncovered irregularities in the emission of certain gases from the Refinery. In conjunction with the EPA and DPNR, the Debtors began creating a plan to remedy the issues and ensure emissions complied with applicable standards.

55. Before the Debtors were able to finalize and implement any remediation plan(s), on May 12, 2021, an incident occurred resulting in the release of small amount of oil from a flare located at the Refinery, which affected homes and property in the surrounding neighborhoods. The Debtors immediately began an incident response process and, on May 13, 2021, voluntarily suspended operations at the Refinery to permit a full and complete investigation of the incident and to address any contributing factors.

56. On May 14, 2021, the EPA issued a Clean Air Act Emergency Order (the “**EPA Order**”) for the Refinery. In the EPA Order, the EPA alleged that the Refinery failed to comply with certain aspect of the United States Clean Air Act pertaining to the emission of certain gaseous by-products of the refining processes. Based on these purported violations, the EPA ordered the Debtors to suspend all operations at the Refinery for a period of 60 days and retain independent auditors to investigate compliance with environmental regulations in the operations of the Refinery. Upon receipt, the Debtors immediately took action to comply with the EPA Order, including the continuation of the voluntary suspension of Refinery operations and engagement of qualified auditors to evaluate the Debtors’ operations and processes as well as the Debtors’ compliance with applicable regulations. The auditors concluded their audits and provided final reports simultaneously to the EPA and the Debtors on or about June 25, 2021.

57. As a result of the EPA Order, among other events, the Debtors’ investors and lenders began expressing concerns about the ability to restart the Refinery, which severely impacted the Debtors’ ability to access funding necessary to maintain operations and preserve the Refinery’s assets. Concerns were heightened further due to a June 11, 2021 request from the U.S. Attorney to visit and tour certain operations at the Refinery (the “**U.S. Attorney Request**”). Furthermore, certain Debtors and non-debtor affiliates have been named as defendants in multiple

class actions lawsuits (the “**Class Actions**”) alleging private causes of action related to purported pollution caused by the Refinery following the February 1, 2021 relaunch. As of the Petition Date, the Debtors are cooperating with the EPA, DPNR, and U.S. Attorney, and the Class Actions remain in the early stages of litigation.

58. Following the May 13, 2021 suspension of operations, the Debtors explored various options for renewing operations at the Refinery. The Debtors engaged financial advisors and counsel to advise on potential restructuring and recapitalization options, and retained the CRO to lead these efforts. Additionally, on or about July 4, 2021, each of the Debtors appointed Steven J. Pully (the “**Independent Director**”) as an independent director and/or member, as appropriate, vested with the authority to address matters pertaining to the restructuring of the Debtors, including the resolution of any conflicts that may arise between the Debtors and their officers, directors, members, and shareholders as well as their non-debtor affiliates of the Debtors, including the Terminal Entities. In selecting the Independent Director, the Debtors interviewed numerous qualified candidates. I am informed and believe that the Independent Director was selected due to his extensive experience as an independent director, chief restructuring officer, investment banker, and financial advisor, prior service as the chief executive officer for an oil and gas company following emergence from bankruptcy, as well as his prior experience as an attorney, which made the Independent Director qualified not only to serve as a director and/or member, as applicable, of the Debtors, but to fulfill his duty of identifying, investigating and evaluating any potential conflicts of interest that may arise in the context of these complex Chapter 11 Cases. Copies of the Independent Director’s resume and a non-exhaustive list of relevant experience are attached hereto as **Exhibit B** and incorporated herein by reference.

59. Regrettably, despite the involvement of qualified professionals to evaluate and pursue potential financing and restructuring options, the Debtors were unable to devise a plan to preserve the Refinery in operational condition without new capital. Indeed, the Debtors estimated that the Refinery would require at least \$150 million in additional funding to maintain operational capabilities, complete ongoing repairs and retrofitting, fund necessary repairs identified by the EPA audits, and establish a reserve for potential expenses pending the restart of the Refinery—which amount is exclusive of funds required for working capital and payment of outstanding obligations. The Debtors, however, lacked access to adequate financing.

60. Accordingly, the Debtors engaged with their investors and their primary lender constituencies to see if they would be willing to provide such new capital. However, due to, among other things, the suspension of operations under the EPA Order, the U.S. Attorney Request, and looming deadlines under the Debtors' agreement with BP, the Debtors have been unable to attract the new capital necessary to fund operational costs during the temporary shutdown and ultimately restart operations after remediating any alleged deficiencies.

61. As a result of the declining prospects for funding, on June 21, 2021, the Debtors announced that they were suspending indefinitely plans to restart the Refinery. Simultaneously, on June 21, 2021, LBRO, which employs the principal workforce of the Refinery, provided notice to its employees in accordance with the The Worker Adjustment and Retraining Notification (WARN) Act and, out of an abundance of caution, the Virgin Islands Plant Closing Act of its intention to reduce its workforce by 271 employees.

62. Since announcing the indefinite suspension of operations at the Refinery, the Debtors have worked diligently to idle the Refinery pending a sale or reorganization through these Chapter 11 Cases. In conjunction with the EPA, the Debtors have prepared portions of a plan to

purge hydrocarbons from the Refinery equipment (the “**Hydrocarbon Purge Plan**”), which is necessary before the Debtors may safely idle the facility. In early July 2021, the Debtors submitted to the EPA a proposal for the first phase of their Hydrocarbon Purge Plan, which is pending agency review and approval. The Debtors are in the process of preparing a proposal for the second phase of their Hydrocarbon Purge Plan, which the Debtors intend to submit to the EPA shortly. Additionally, the Debtors have provided for the anticipated expenses associated with the Hydrocarbon Purge Plan and other remedial and operational expenses under the DIP Facility (defined below) and associated budget for the use of the debtor in possession financing and cash collateral (the “**Budget**”).

63. In addition to the foregoing, the Debtors have been working with the citizens and government of the USVI to redress the potential environmental, safety and other impacts of the Refinery. Due to the Debtors’ belief in the importance of these payments and their relationship with the government of the USVI, and the potential impact on the value of the Debtors’ assets and any marketing and sales process, the Debtors are working with their lenders to provide for the payment of certain amounts to the citizens of the USVI in the Budget. As of the Petition Date, these discussions remain ongoing. Any proposed payments shall be subject to the Budget, the provisions of the DIP Financing, and any orders authorizing the use of the DIP Financing or cash collateral in these Chapter 11 Cases, unless otherwise ordered by this Court.

64. As the Debtors lack sufficient funds to implement the Hydrocarbon Purge Plan, pay operational expenses, or fund these Chapter 11 Cases without a new source of liquidity, the Debtors engaged in arms’ length negotiations with potential sources of debtor in possession financing in the weeks leading up to the Petition Date, and have secured a commitment for debtor

in possession financing in an aggregate amount of up to \$25 million, as described below, which is the subject of the DIP Motion (defined below).

65. On or about July 9, 2021, the boards of directors and/or managers, as applicable, of the Debtors adopted resolutions (collectively, the “**Resolutions**”) approving the commencement of these Chapter 11 Cases as well as other associated restructuring efforts, including, without limitation, obtaining the DIP Financing (defined below).

66. On the Petition Date, the Debtors filed their respective Petitions—thereby commencing these Chapter 11 Cases.

#### **IV. FIRST DAY MOTIONS AND EMERGENCY RELIEF**

##### **A. First Day Motions**

67. Concurrently with the filing of the Chapter 11 Cases, the Debtors have filed the following motions requesting relief, with the exception of the Lease Rejection Motion (defined below), on an emergency basis (collectively, the “**First Day Motions**”):

- a. Debtors’ *Emergency Motion Pursuant to Bankruptcy Rule 1015(b) and Local Rule 1015-1 for Order Directing Joint Administration of Chapter 11 Cases*;
- b. Debtors’ *Emergency Motion for Authority to (I) Pay Prepetition Wages, Benefits, and Employee Business Expenses; and (II) Continue the Postpetition Maintenance of Employee Benefit Programs, Policies, and Procedures in the Ordinary Course*;
- c. Debtors’ *Emergency Motion for Entry of Interim and Final Orders Pursuant to 11 U.S.C. §§ 105(a), 345(b), 363, and 364 Authorizing: (I) the Continued Use of the Debtors’ Prepetition Cash Management System, including Existing Bank Accounts, Business Forms, and Company Credit Cards; (II) Continued Use of Intercompany Arrangements and Historical Practices; and (III) Opening New Debtors-in-Possession Accounts, if Necessary*;
- d. Debtors’ *Emergency Motion for Entry of an Order (I) Approving the Debtors’ Proposed Adequate Assurance of Payment for Future Utility Services, (II) Prohibiting Utility Providers from Altering, Refusing, or Discontinuing Services, (III) Approving the Debtors’ Proposed Procedures*

*for Resolving Additional Assurance Requests, and (IV) Granting Related Relief;*

- e. *Debtors' Emergency Application for Order Appointing BMC Group, Inc. as Claims, Noticing, Solicitation, and Administrative Agent;*
- f. *Debtors' Motion to Reject Unexpired Lease of Real Property (842 West Sam Houston Parkway North, Houston, Texas 77024) (the "**Lease Rejection Motion**")*; and
- g. *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Post-petition Financing, (II) Authorizing the Debtor to Use Cash Collateral, (III) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (IV) Approving Adequate Protection to Pre-petition Secured Creditors, (V) Modifying the Automatic Stay, and (VI) Scheduling a Final Hearing (the "**DIP Motion**").*

68. I have reviewed each of the First Day Motions, including the attachments thereto, and believe the facts set forth therein are true and correct, to the best of my knowledge, information and belief. I believe that the relief sought in each of the First Day Motions is appropriate under the circumstances presented and necessary to preserve the assets and operations of the Debtors for the benefit of the estates and their creditors pending completion of a sale and/or confirmation of a plan of reorganization or liquidating in these Chapter 11 Cases. The bases for seeking the relief sought in the First Day Motions is described in more detail below:

- a. **Joint Administration.** The Debtors have filed a motion requesting entry of an order directing the joint administration of the Debtors' Chapter 11 Cases for procedural purposes only. I believe the joint administration of these Chapter 11 Cases will dispense with the need for duplicative notices, motions, applications, hearings, and orders and will save the Debtors and interested parties considerable time and expense. I believe the relief requested in this motion is in the best interests of the Debtors, their estates, and their creditors, and it will make the Debtors' transition into chapter 11 smoother, less costly, and more orderly.
- b. **Motion to Pay Prepetition Employee Obligations.** The Debtors have filed an emergency motion requesting the authority to pay certain pre-petition obligations due to the Debtors' employees. The Debtors request authority pay the employees' prepetition wages and honor certain employee policies (for example, paid time off, health and welfare obligations, and retirement plan obligations). The Debtors' next payroll date is July 16,

2021, and it is critical to the Debtors' ability to continue maintaining the Refinery and preserving estate assets that they pay their employees on that date. If the Debtors are not permitted to fulfill their obligations to employees, the employees will not receive full payment for services that have already been performed. I believe such a result would undermine the morale and loyalty of the Debtors' workforce, and substantially jeopardize the Debtors' bankruptcy efforts. I believe that the relief requested in this motion is in the best interests of the Debtors, their estates, and their creditors.

- c. **Motion to Continue Use of Cash Management System.** The Debtors have filed an emergency motion requesting that the Court authorize the Debtors to continue using their prepetition cash management system, including existing bank accounts and business forms. The motion also requests the authority to continue certain intercompany arrangements and historical practices. The Debtors maintain a cash management system in the ordinary course of the Debtors' businesses. This system allows the Debtors to identify the Debtors' cash requirements, transfer cash as needed, forecast cash needs, maintain accounting records, and pay necessary expenses. I believe that discontinuing the use of the Debtors' existing cash management system would require a significant amount of time and effort and could negatively impact the Debtors' ability to efficiently fund necessary expenses and preserve assets of the estates. These negative results would ultimately adversely affect the Debtors' ability to maximize the value of their estates for the benefit of all interested parties. I believe that the relief requested in this motion is in the best interests of the Debtors, their estates, and their creditors.
- d. **Utilities.** The Debtors have filed an emergency motion requesting that the Court determine that the Debtors have provided adequate assurance of payment for certain utility services and preclude these utility providers from altering, refusing, or discontinuing utility services. The monthly average cost of these utility services combined is approximately \$402,533.00. In my opinion, the continuity of these utility services is essential for the Debtors' to preserve and prevent damage to the value of the Debtors' estates. I believe a deposit payable to each utility provider in an amount equal to the Debtors' monthly average utility bill is appropriate adequate assurance of payment for these utility services. I believe that the relief requested in this motion is in the best interests of the Debtors, their estates, and their creditors.
- e. **Claims Agent.** The Debtors have filed an emergency motion requesting that the Court approve the Debtors' retention of BMC Group, Inc., as a claims and noticing agent. I believe the retention of a claims and noticing agent is necessary primarily to (i) handle the significant burden of noticing interested parties, including the Debtors' former customers and (ii) handle the potentially voluminous proofs of claim filed in these Chapter 11 Cases.

I believe that the relief requested in this motion is in the best interests of the Debtors, their estates, and their creditors.

- f. **Lease Rejection.** The Debtors have filed a motion requesting authority to reject a lease for certain non-residential real property located at 842 West Sam Houston Parkway North, Houston, Texas 77024 (the “**Houston Property**”). Due to the indefinite suspension of Refinery operations, the Debtors no longer require and, indeed, on or about July 1, 2021, vacated the Houston Property. Accordingly, the Debtors seek authority to reject the lease for the Houston Property effective as of the Petition Date. I believe that the relief requested in the Lease Rejection Motion is in the best interests of the Debtors, their estates, and their creditors.
- g. **Debtor in Possession Financing/Cash Collateral.** As detailed below, the Debtors require immediate access to funding to preserve the assets of the estates for the benefit of creditors and ensure the protection of the communities neighboring the Refinery through the responsible idling of the facility. The debtor in possession facility (the “**DIP Facility**”) provides the Debtors with initial availability of \$5.5 million upon entry of an Interim DIP Order (attached to the DIP Motion), with a committed financing facility up to \$25 million, to be considered at the Final Hearing (as defined in the DIP Motion), under the Credit Agreement (defined below). The proposed DIP Lenders (defined below) have no affiliation or financing history with these Debtors. The DIP Facility includes liens that prime prepetition liens, and provide the holders of the prepetition liens with adequate protection. The terms of the DIP Facility are described in more detail, below, and in the DIP Motion. For the reasons stated therein, I believe that the relief requested in the DIP Motion is in the best interests of the Debtors, their estates, and their creditors.

## B. The Terms of the DIP Facility

69. The DIP Motion requests authority for the Debtors to enter into that certain *Senior Secured Superpriority Debtor-In-Possession Credit Agreement* (the “**Credit Agreement**”), a copy of which is attached as an exhibit to the DIP Motion, between (i) LBR, as borrower, (ii) LBS, LBRH, LBRH II, LBRO, and LBRM, jointly, as guarantors, (iii) 405 Sentinel LLC, as administrative agent (the “**DIP Agent**”), and (iv) various lenders who will provide funding thereunder (the “**DIP Lenders**”). The DIP Facility provides the Debtors with an interim amount of \$5,500,000 (the “**Initial Availability**”), with a commitment of up to \$25 million (the “**Additional Availability**”), in total, upon final agreement to applicable terms and Court approval

(the “**DIP Financing**”). While the Debtors have obtained a commitment for a total of \$25,000,000 in financing, the conditions for such financing, particularly the DIP Lenders’ request for priming liens for amounts in excess of \$5,500,000, have not been finalized and are continuing to be discussed with the Debtors, the DIP Lenders, the Prepetition Lenders and their respective advisors.

70. The DIP Motion also seeks authority to grant to the DIP Agent, for the benefit of the DIP Lenders, (i) allowed superpriority administrative claims pursuant to Section 364(c)(1) of the Bankruptcy Code, subject to the Carve-Out and the Aron Rights (as those terms are defined in the Interim DIP Order) in respect of all DIP Obligations (as that term is defined in the DIP Motion), (ii) valid, enforceable, non-avoidable and automatically perfected first priority liens pursuant to Section 364(c)(2) on all unencumbered assets of the Debtors, subject only to the Carve-Out, (iii) valid, enforceable, non-avoidable and automatically perfected junior liens pursuant to Section 364(c)(3) of the Bankruptcy Code on the Inventory Financing Collateral, subordinate and subject to the Aron Rights and subject to the Carve-Out, and (iv) priming liens pursuant to Section 364(d) of the Bankruptcy Code, on all encumbered DIP Collateral (as defined in the Credit Agreement), subject and junior to the Carve-Out, valid, perfected and non-avoidable liens in existence on the Petition Date and senior in priority to any of the Prepetition Secured Parties’ (defined below) liens, and the Aron Rights.

71. The DIP Motion also seeks authority to grant adequate protection to prepetition secured lenders whose collateral will be primed by the liens under the DIP Facility (collectively, the “**DIP Liens**”), among other terms more fully described in the DIP Motion.

72. The Debtors have fully described in the DIP Motion all terms of the DIP Facility that address issues raised in Bankruptcy Rules 4001(b), (c) and (d), and the Procedures for Complex Chapter 11 Cases in the Southern District of Texas (the “**Highlighted Provisions**”), all

of which I believe are ordinary for debtor in possession financing obtained in a case such as this one, involving significant prepetition financing and a debtor in possession in the process of suspending the activities of its main business.

73. I believe the process for soliciting and selecting the DIP Facility was fair, reasonable and designed to obtain financing on the most advantageous terms available, under the circumstances presented. Over the past month, the Debtors contacted more than 50 lenders and financial institutions, including the Debtors' existing lenders, regarding extensions of existing credit arrangements, access to alternative and governmental funding sources, and the provision of distress or debtor in possession financing. The Debtors received interest from five (5) potential debtor in possession lenders; however, only two (2) entities submitted proposals that provided sufficient funding on commercially reasonable terms. Thereafter, the Debtors and the potential debtors in possession lenders negotiated the terms of the proposed facilities at arms' length through their respective representatives. Ultimately, the Debtors selected the DIP Facility based on the conclusion that the DIP Facility provided the funding required on the most advantageous terms available.

74. I believe immediate access to the DIP Financing is imperative. The Debtors are in the midst of a liquidity crisis. As of the Petition Date, the Debtors have approximately \$3,479,722 cash on hand. Aside from the proposed DIP Facility, the Debtors do not have access to funds for operational expenses through existing credit facilities, as such facilities are either fully drawn or the Debtors are unable to satisfy certain prerequisites to access additional funding. Unless the DIP Facility is approved on an interim basis, the Debtors will be unable to meet certain immediate obligations, including, without limitation, the payment of more than \$1.15 million in payroll on July 16, 2021.

75. The DIP Facility is the product of arms-length, good faith negotiations between the Debtors, the DIP Agent, and the Prepetition Secured Parties. The DIP Agent is not an insider, affiliate, or control person of the Debtors, but is a third-party lender.

76. While the DIP Facility contains the Highlighted Provisions, the DIP Agent and DIP Lenders would not have agreed to provide financing without the inclusion of the Highlighted Provisions in the DIP Documents, and, based on the Debtors' extensive solicitation and marketing efforts, I do not believe that the Debtors would have been able to obtain similar financing without such Highlighted Provisions. Based on their sound business judgment, the Debtors have concluded that the DIP Facility is the best debtor in possession financing option available to the Debtors and serves the best interests of the estates and interested parties.

77. The proceeds from the proposed DIP Facility will be used for, among other things, making payments integral to the Debtors' business operations. Indeed, the liquidity to be provided under the DIP Facility, combined with access to Cash Collateral, will enable the Debtors to fund immediate expenses following the Petition Date and sustain efforts to winddown the Refinery during the interim period, which providing the liquidity necessary to preserve assets and pursue sale or restructuring transactions to maximize the value of the estates and their assets for the benefit of all stakeholders.

78. In addition to the funds available under the DIP Facility, the Debtors require immediate access to cash collateral to maintain operations and ensure the continued preservation of the Refinery. The Prepetition Secured Parties assert security interests in the Debtors' Bank Accounts. Accordingly, prior to the Petition Date, the Debtors and the Prepetition Secured Parties negotiated terms for the use of the Cash Collateral of the Prepetition Secured Parties, which agreement is memorialized in the provisions of the Budget and the Interim DIP Order, including a

reservation of rights with respect to any future requests to use Cash Collateral other than as expressly permitted under the DIP Orders. In addition to the terms of the Budget, the Prepetition Secured Parties consented to the use of Cash Collateral subject to the following provisions, among others identified in the DIP Motion:

- a. valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition;
- b. monthly payments to reimburse the Prepetition Secured Parties' reasonable and documented professional fees;
- c. (i) in the case of the Prepetition Term Lenders, in lieu of cash payments of interest when and as required under any of the Prepetition Secured Debt Documents, all accrued and unpaid interest shall, on each applicable date when such interest payments are due under such documents, be paid in kind by adding the amount of such accrued interest to the outstanding aggregate principal balance of the term loans, and (ii) in the case of the Revolver Lenders and J. Aron, monthly payments in cash of an amount equal to all interest (other than default interest) accrued under the Revolver Transaction Documents and J. Aron Transaction Documents, as applicable;
- d. super priority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, with priority as provided therein, to the extent of any diminution in each Prepetition Secured Parties' respective Prepetition Collateral, and
- e. an acknowledgement of the unconditional right to credit bid the prepetition obligations under each Prepetition Secured Parties' respective Prepetition Secured Debt Documents in connection with any sale of their respective Prepetition Collateral.

79. Under the DIP Documents, the Debtors have agreed, subject to Court approval, to pay certain fees, expenses, and other payments to the DIP Secured Parties. The Debtors have also agreed to pay the fees and expenses of counsel and certain other professionals retained by the Prepetition Secured Parties, as provided for in the DIP Documents. The provisions regarding the payment of such fees and expenses were negotiated at arm's length through the parties' respective representatives. Further, the Debtors considered the amounts of such fees when determining, in

their sound business judgment, that the DIP Facility constituted the best terms on which the Debtors could obtain the postpetition financing necessary to continue their operations and administer these Chapter 11 Cases.

80. Under the DIP Documents, the Debtors have agreed to certain releases and exculpations for the DIP Agent and each DIP Lender (in any capacity) and the Prepetition Secured Parties, in form and substance satisfactory to such parties, respectively, including, without limitation, releases from any avoidance actions. Prior to agreeing to such provisions, the Debtors investigated potential claims against the Prepetition Secured Parties, including, without limitation, an investigation regarding the liens asserted by such parties, the current balances of the debt and payment history for the obligations, and the prior dealings between the parties, in order to determine whether the Debtors may have claims against the Prepetition Secured Parties. Based on the information obtained, it is my understanding that the Debtors do not have any claims against the Prepetition Secured Parties. No investigation was conducted with respect to the DIP Agent and DIP Lender, as the Debtors have not had any prior dealings with these entities.

81. Based on the Debtors' extensive marketing and soliciting efforts, and extensive negotiations over the past weeks with multiple potential lenders, I do not believe that financing with terms similar to those in the DIP Facility is available to the Debtors for lower fees or better terms overall.

82. I believe that the Debtors may suffer immediate and irreparable harm if the Interim DIP Order approving the DIP Facility is not entered sooner than 14 days after service of the Motion and if the Debtors are not permitted to access the up to \$5,500,000 of the DIP Facility prior to the Final Hearing (as defined in the DIP Motion) in order to, among other things, continue ongoing remediation and repairs to the Refinery, address any issues identified for remediation in the audits

under the EPA Order, pay employee wages and benefits, maintain the Refinery in operational condition to preserve the value of such assets, and fund expenses associated with the Chapter 11 Cases. Such relief is necessary for the Debtors to preserve and maximize the value of assets of the estates and, therefore, to avoid immediate and irreparable harm and prejudice to the Debtors' estates and parties in interest.

**C. Emergency First-Day Relief Requested**

83. With the exception of the Lease Rejection Motion, I believe that it is critical that the First Day Motions be heard as soon as practicable. If such motions are not considered on an expedited basis, it could threaten the Debtors' ability to satisfy their obligations to, among others, employees, customers, suppliers, and governmental agencies—leading to immediate and irreparable harm to the Debtors' businesses. Accordingly, I believe expedited consideration and approval of the emergency First Day Motions is vital to the continued viability of the Debtors and is in the best interest of all interested parties in these Chapter 11 Cases.

I declare under penalty of perjury that the foregoing is true and correct according to the best of my knowledge, information and belief.

debtor in possession financing on the most advantageous terms available. While the DIP Facility contains the Highlighted Provisions, the DIP Secured Parties would not have agreed to provide financing, and the Prepetition Secured Parties would not have agreed to the use of Cash Collateral, without the inclusion of the Highlighted Provisions in the Interim DIP Order or the other DIP Documents. Based on their sound business judgment, as determined by the Debtors independent manager, restructuring professional Steven J. Pully, the Debtors have concluded that the DIP Facility is the best debtor in possession financing option available to the Debtors and serves the best interests of the estates and interested parties. Accordingly, the Debtors submit that the Highlighted Provisions are appropriate under the facts and circumstances of the Chapter 11 Cases and, thus, the DIP Facility, including the Highlighted Provisions, should be approved.

Aron owns all right, title and interest in the IFF Property (as defined in the A&R Depositary and Intercreditor Agreement), which consists of Feedstock and Product owned by J. Aron. No Debtor has any right, title, or interest in the IFF Property, and accordingly, the IFF Property is not property of the estate under Section 541 of the Bankruptcy Code.

22. J. Aron Termination. On June 25, 2021 (the “**J. Aron Early Termination Date**”), as a result of certain events of default that had occurred and were continuing in respect of LBRM, LBR and LBRO, J. 23. J. Aron Safe Harbor Agreements. (a) J. Aron is a “forward contract merchant” (as such term is defined in the Bankruptcy Code and used in Section 556 of the Bankruptcy Code) and each purchase and sale agreed to under the Safe Harbor Agreements (as defined in the J. Aron Monetization Master Agreement, collectively, the “Safe Harbor Agreements”) constitutes a “forward contract” (as such term is defined in the Bankruptcy Code and used in Section 556 of the Bankruptcy Code); (b) J. Aron is a “master netting agreement participant” and each Safe Harbor Agreement constitutes a “master netting agreement” for all purposes as each such term is defined in sections 101(38A) and 101(38B) of the Bankruptcy Code and as used in Section 561 of the Bankruptcy Code; (c) J. Aron’s, as the Non-Defaulting Party, right to liquidate, collect, net and set off rights and obligations under the Safe Harbor Agreements, and liquidate the Safe Harbor Agreements is not stayed, avoided, or otherwise limited by the Bankruptcy Code, including sections 362(a), 547, 548 or 553 thereof, and J. Aron is entitled to the rights, remedies and protections afforded by and under, among other sections, sections 362(b)(6), 362(b)(17), 362(b)(27), 546(e), 546(g), 546(j), 548(d), 553, 556, 560, 561 and 562 of the Bankruptcy Code.

Amount (as defined in the J. Aron Supply and Offtake Agreement)), the Debtors would be liable and owe to J. Aron, without objection, defense, counterclaim or offset of any kind, an aggregate amount of not less than such aggregate losses or costs, taking into account any gains, incurred or realized by J. Aron as a result of such liquidations and terminations with respect to the J. Aron Transaction Documents. Given that the liquidation of J. Aron's IFF Property has only recently commenced, the S&O Settlement Amount (as defined in the J. Aron Supply and Offtake Agreement) cannot be determined at this time. Further, under the J. Aron Transaction Documents, the applicable Debtors are also liable to and owe J. Aron accrued (both before and after the Petition Date) and unpaid interest, fees, expenses and all other obligations under the J. Aron Transaction Documents, including attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable or reimbursable under the J. Aron Transaction Documents, plus Make-Whole Amounts (as defined in the J. Aron Monetization Master Agreement).

25. The Inventory Financing Collateral includes funds of those Debtors obligated under the terms of the Prepetition Loan Documents. The Oriental Bank DACA purports to grant Goldman Sachs a security interest in certain accounts of LBR and LBRO on deposit with Oriental Bank, as identified in the Oriental Bank DACA.

26. Similarly, LBRM, Oriental Bank, and J. Aron entered into the J. Aron DACA pursuant to the terms of the Monetization Master Agreement Documents. The J. Aron DACA grants J. Aron a security interest in certain accounts of LBRM on deposit with Oriental Bank, as identified in the J. Aron DACA.

**Lenders**”), and Wilmington Trust, National Association, as administrative agent and collateral agent (in such capacities, the “**Prepetition Holdco Agent**,” and the Prepetition Holdco Agent together with the Prepetition Holdco Lenders, the “**Prepetition Holdco Loan Secured Parties**”) are parties to that certain Credit Agreement, dated as of December 24, 2020 (as amended, amended and restated, waived, supplemented and/or modified from time to time, the “**Prepetition Holdco Credit Agreement**” and, together with the other Loan Documents (as defined in the Prepetition Holdco Credit Agreement), in each case, as amended, amended and restated, waived, supplemented and/or modified from time to time, the “**Prepetition Holdco Loan Documents**”), which provided for the issuance of certain mezzanine loans (the “**Prepetition Holdco Credit Facility**”). Pursuant to that certain Security Agreement, dated as of April 6, 2021 (as amended, amended and restated, waived, supplemented and/or modified from time to time, the “**Prepetition Holdco Security Agreement**”) and that certain Pledge Agreement, dated as of February 22 2021, the obligations owed to the Prepetition Holdco Loan Secured Parties are secured by first priority Liens (as defined the Prepetition Holdco Credit Agreement) (the “**Prepetition Holdco Financing Liens**”) on, and security interests in, all of the Collateral (as defined in the Prepetition Holdco Credit Agreement) (collectively, the “**Prepetition Holdco Financing Collateral**”).

28. As of the Petition Date, the Prepetition Holdco Loan Parties were indebted to the Prepetition Holdco Loan Secured Parties under the Prepetition Holdco Loan Documents in the aggregate principal amount of not less than \$782,558,090 on account of outstanding Advances (as defined in the Prepetition Holdco Loan Credit Agreement) (the “**Prepetition Holdco Loans**”), plus certain fees, expenses, indemnification obligations, guarantee obligations, reimbursement obligations, including, without limitation, any attorneys’, accountants’, consultants’, appraisers’ and financial and other advisors’ fees that are chargeable to or

reimbursable by the Prepetition Holdco Loan Parties, and all other Obligations (as defined in the Prepetition Holdco Loan Credit Agreement) (collectively, the “**Prepetition Holdco Loan Obligations**”).

29. Subordinated Notes. In addition to the foregoing, the Debtors also borrowed funds via intercompany unsecured and subordinated loan transactions memorialized in certain subordinated promissory notes—classified in the Debtors’ records as the Original LBV Subordinated Notes and Supplemental LBV Subordinated Notes (collectively, the “**LBV Subordinated Notes**”). Limetree Bay Ventures, LLC (“**LBV**”) was the promisee and LBR was the borrower under the LBV Subordinated Notes. In December 2020, the Prepetition Term Loan Lenders, LBV and the Debtors agreed to a consensual restructuring of certain of LBR’s outstanding debt (the “**LBR Debt Restructuring**”), pursuant to which (a) approximately \$402 million of LBV Subordinated Notes, and (b) approximately \$349 million of then-outstanding mezzanine financing, were, in each case, assigned by LBR to LBRH II and evidenced under a separate loan agreement with Prepetition Holdco Agent.

30. In or about April 2021, Limetree Bay Energy, LLC (“**LBE**”) replaced LBV as the holding company for the Refinery Entities through the acquisition of LBV’s interest in LBS and LBC II, as well as other assets and interests associated with the Refinery Entities, pursuant to the terms of that certain Share Transfer Agreement dated as of April 20, 2021 (the “**April 2021 Equity Restructuring**”).

#### **Solicitation of Debtor in Possession Financing Proposals**

31. Following an incident involving the aerosolized disbursement of hydrocarbons from a flare at the Refinery, the Debtors suspended operations at the Refinery on or about May 13, 2021, pending the completion of an investigation. On May 14, 2021, the Environmental Protection Agency served the Debtors with an order alleging purported violations of the Clean

Air Act and requiring the Debtors to suspend operations at the Refinery for a period of 60 days and conduct an audit of regulatory compliance and operational capabilities. Shortly after the suspension of operations, the Debtors commenced a process to evaluate potential restructuring options, including, without limitation, retaining a chief restructuring officer, appointing an independent manager, and engaging advisors to solicit proposals for traditional and debtors in possession financing.

32. Over the following month, the Debtors contacted more than 50 lenders and financial institutions, including the Debtors' existing lenders, regarding extensions of existing credit arrangements, access to alternative and governmental funding sources, and the provision of distress or debtor in possession financing. The Debtors received interest from five (5) potential debtor-in-possession lenders; however, only two (2) entities submitted proposals that provided sufficient funding on commercially reasonable terms. Thereafter, the Debtors and the potential debtors-in-possession lenders negotiated the terms of the proposed facilities at arms' length through their respective representatives. Ultimately, the Debtors selected the DIP Facility based on the conclusion that the DIP Facility provided the funding required on the most advantageous terms.

#### **Liquidity Needs and Proposed DIP Facility**

33. The Debtors are in the midst of an extreme liquidity crisis. As of the Petition Date, the Debtors have \$3,479,722.90 cash on hand. Aside from the proposed DIP Facility, the Debtors do not have access to funds for operational expenses through existing credit facilities as such facilities are either fully drawn or the Debtors are unable to satisfy certain prerequisites to access the funds. Unless the DIP Facility is approved on an interim basis, the Debtors will be unable to meet certain immediate obligations, including, without limitation, the payment of \$1,150,110.50 in payroll on July 16, 2021.

34. The DIP Facility will provide the Debtors with a \$5.5 million draw upon entry of the Interim DIP Order, with a committed financing facility up to \$25 million proposed by the Debtors to be considered at a subsequent hearing, subject to the terms and conditions described herein, and set forth in the Credit Agreement and Interim DIP Order.

35. The DIP Facility is the product of arms-length, good faith negotiations between the Debtors and the DIP Agent. The DIP Agent is not an insider, affiliate, or control person of the Debtors, but is a third-party lender.

#### **Basis for Relief Requested**

36. After evaluating available funding under existing facilities and a broad solicitation effort to obtain the most advantageous terms for debtor in possession financing, the Debtors have concluded, in the exercise of their sound business judgment, that the DIP Facility serves the best interests of the estates and creditors in the Chapter 11 Cases. Accordingly, the Debtors request that the Court authorize the Debtors to enter into the DIP Documents and access and utilize the DIP Facility and advances thereunder as well as Cash Collateral (as defined below) in accordance with the initial form of budget attached to the Interim DIP Order as **Exhibit B**, as modified from time to time in accordance with the DIP Orders and the DIP Credit Agreement (the “**Budget**”).

37. The proceeds from the proposed DIP Facility will be used for, among other things, making payments integral to the Debtors’ business operations. Indeed, the liquidity to be provided under the DIP Facility, combined with access to Cash Collateral, will enable the Debtors to (a) fund their operations during the course of this chapter 11 case, as well as an orderly suspension of activity at its refinery; (b) ensure that administrative costs, including Adequate Protection Obligations, are paid in full and value is preserved during the course of the

Debtors' Chapter 11 Cases; and (c) pursue sale or restructuring transactions that will help the Debtors maximize value for all of their stakeholders.

**A. The DIP Facility Satisfies Section 364 of the Bankruptcy Code and Represents a Sound Exercise of the Debtors' Business Judgment.**

38. The Debtors propose to obtain financing under the DIP Facility by providing the DIP Secured Parties with security interests, liens, and claims as set forth in the DIP Documents pursuant to Sections 364(c) and 364(d) of the Bankruptcy Code. Specifically, the Debtors propose to provide liens and superpriority administrative claims to the DIP Secured Parties as follows:

- a. **DIP Lender Superpriority Claim.** Subject to the Carve-Out, the Aron Rights (as defined in the Interim DIP Order), and the payment priority provisions set forth in the Interim DIP Order, the Debtors seek to grant the DIP Secured Parties an allowed superpriority administrative expense claim, pursuant to sections 364(c)(1) and 364(e) of the Bankruptcy Code in each of the Chapter 11 Cases or any Successor Cases (the "DIP Superpriority Claims") on account of the DIP Obligations. The DIP Superpriority Claims shall be payable from and have recourse to all pre- and postpetition property of the Debtors and their estates and all proceeds thereof, excluding Avoidance Actions (as defined below) but, subject to entry of the Final Order, including, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Obligations, Avoidance Proceeds;
- b. **Priming Lien Pursuant to Section 364(d)(1).** The Debtors seek to grant to the DIP Secured Parties a first priority, priming security interest in and lien on, pursuant to section 364(d)(1), all encumbered DIP Collateral, which shall be senior to any existing liens or claims, including, but not limited to, the Prepetition Secured Parties Liens (as defined in the Interim DIP Order), and subject and junior only to (i) the Carve-Out, (ii) valid, perfected, and non-avoidable liens on property of a Debtor that are in existence on the Petition Date and are senior in priority to any of the Prepetition Secured Parties Liens, and (iii) the Aron Rights;
- c. **First Priority Lien on Unencumbered Property Pursuant to Section 364(c)(2).** The Debtors seek to grant the DIP Secured Parties a first priority security interest in and lien on, pursuant to section 364(c)(2), all unencumbered DIP Collateral (the "Section 364(c)(2) Liens"), which Section 364(c)(2) Liens shall be subject only to the Carve-Out;
- d. **Junior Lien on Inventory Financing Collateral Pursuant to Section 364(c)(3).** The Debtors seek to grant the DIP Secured Parties a valid, binding, continuing, enforceable, fully-perfected, nonavoidable, automatically and properly perfected junior lien on and security interest in all Inventory Financing Collateral, which lien

and security interest shall be subordinate and subject to the Aron Rights and subject to the Carve-Out;

- e. **Junior Lien on Certain Encumbered Property Pursuant to Section 364(c)(3).** The Debtors seek to grant the DIP Secured Parties a junior security interest in and lien on, pursuant to section 364(c)(3) of the Bankruptcy Code, all other DIP Collateral that is subject to a Permitted Prior Lien (as defined in the Interim DIP Order) (the “Section 364(c)(3) Liens,”) which Section 364(c)(3) Liens also shall be subject to the Carve-Out;

### **1. Obtaining the DIP Facility is a Sound Exercise of the Debtors’ Business Judgment**

39. Courts give debtors in possession considerable deference in acting in accordance with their sound business judgment in obtaining such credit. *See, e.g., In re N. Bay Gen. Hosp., Inc.*, No. 08-20368 (Bankr. S.D. Tex. July 11, 2008) (approving postpetition-financing on an interim basis as an exercise of debtors’ business judgment); *In re Republic Airways Holdings Inc.*, No. 16-10429 (SHL), 2016 WL 2616717, at \*11 (Bankr. S.D.N.Y. May 4, 2016); *In re Los Angeles Dodgers LLC*, 457 B.R. 308, 313 (Bankr. D. Del. 2011) (“Debtors correctly posit that courts will almost always defer to the business judgment of a debtor in the selection of a lender.”); *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (“[C]ases consistently reflect that the court’s discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest.”).

40. To determine whether the business judgment test is met, “the court ‘is required to examine whether a reasonable business person would make a similar decision under similar circumstances.’” *In re Dura Auto. Sys. Inc.*, No. 06- 11202 (KJC), 2007 WL 7728109, at \*97 (Bankr. D. Del. Aug. 15, 2007) (internal citations omitted); *see also In re Monitor Dynamics, Inc.*, No. 10-51821, 2010 WL 4780371 (Bankr. W.D. Tex. June 11, 2010) (approving financing motion on interim basis as exercise of debtor’s prudent business judgment).

41. Here, the Debtors' decision to obtain debtor in possession financing under the terms of the DIP Facility is a sound exercise of their business judgment, as determined by their independent manager, seasoned business executive and restructuring professional, Steven J. Pully. There is no question that the Debtors require the immediate infusion of liquidity provided under the DIP Facility; absent the relief requested, the Debtors could not maintain operations and ensure ongoing efforts to protect the health and safety of the surrounding community. Furthermore, the failure to approve the DIP Financing would substantially diminish the value of the Debtors' assets, including the Refinery. Additionally, the DIP Facility was negotiated at arm's length, with each of the parties thereto utilizing disinterested counsel and advisors, and was approved by the Debtors' independent manager. Finally, the terms of the DIP Facility are fair and reasonable. The DIP Facility is "right sized" for the needs of the Debtors during the pendency of the Chapter 11 Cases. Accordingly, the Court should authorize the Debtor's entry into the DIP Documents as a reasonable exercise of the Debtor's business judgment.

**2. The Debtors Should Be Authorized to Grant the DIP Liens on Encumbered and Unencumbered Property as well as the DIP Superpriority Claims**

42. Section 364(c) of the Bankruptcy Code provides:

If the trustee is unable to obtain unsecured credit allowable under section 503(b)(1) of this title as an administrative expense, the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt— [¶] (1) with priority over any or all administrative expenses of the kind specified in section 503(b) or 507(b) of this title; [¶] (2) secured by a lien on property of the estate that is not otherwise subject to a lien; or [¶] (3) secured by a junior lien on property of the estate that is subject to a lien.

11 U.S.C. § 364(c). In evaluating whether a debtor has satisfied the requirements of Section 364(c) of the Bankruptcy Code, courts consider (a) whether the debtor made reasonable efforts to obtain unsecured credit under Sections 364(a) and 364(b) of the Bankruptcy Code, (b) whether the credit transaction benefits the debtor or are necessary to preserve estate assets, and (c) whether the terms of the credit transaction are fair, reasonable, and adequate, given the

circumstances of the debtor and proposed lender. *See In re Republic Airways Holdings Inc.*, 2016 WL 2616717, at \*11; *In re Los Angeles Dodgers LLC*, 457 B.R. at 312–13; *In re Beechgrove Redevelopment, L.L.C.*, Nos. 07-12057 and 07-12058, 2007 WL 4414777 (Bankr. E.D. La. Dec. 13, 2007); *In re Ames Dep’t Stores, Inc.*, 115 B.R. at 40.

43. Notwithstanding, Section 364 of the Bankruptcy Code “imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable.” *Bray v. Shenandoah Fed. Savs. & Loan Ass’n (In re Snowshoe Co.)*, 789 F.2d 1085, 1088 (4th Cir. 1986). A debtor need only demonstrate “by a good faith effort that credit was not available without” the protections afforded to potential lenders by Section 364(c) of the Bankruptcy Code. *Id.*; *see also In re Plabell Rubber Prods., Inc.*, 137 B.R. 897, 900 (Bankr. N.D. Ohio 1992); *In re Ames Dep’t Stores*, 115 B.R. at 37–39 (debtor must show that it made reasonable efforts to seek other sources of financing under section 364(a) and (b)). The Debtors have satisfied the requirements of Section 364(c) of the Bankruptcy Code and, thus, should be authorized to grant priming liens and superpriority claims provided under the DIP Facility.

44. The DIP Facility is the result of a robust solicitation process and arms’ length negotiations through qualified, disinterested representatives overseen by the Debtors’ independent manager. Following the suspension of operations at the Refinery, the Debtors commenced a process to evaluate potential restructuring options. To that end, the Debtors retained a chief restructuring officer, appointed an independent manager, and engaged advisors to solicit proposals for traditional and debtors in possession financing. All told, the Debtors contacted more than 50 potential financiers regarding extensions of existing credit arrangements, access to alternative and governmental funding sources, and the provision of distressed or debtor in possession financing. Debtors received interest from five (5) potential financier; however, only two (2) entities submitted proposals that provided the funding required on commercially

reasonable terms. Thereafter, Debtors and the potential debtors in possession lenders negotiated the terms of the proposed facilities at arms' length through their respective representatives. Ultimately, the Debtors accepted the terms of the DIP Facility, which provided the funding required on the most advantageous terms to the Debtors and their respective estates.

45. Further, the DIP Facility is necessary to preserve the Debtors' estates and protect the health and safety of the communities surrounding the Refinery. Subject to a recent Order of the U.S. Environmental Protection Agency, the Debtors have been engaged in a suspension of operations at their Refinery. Approval of the DIP Facility will permit the Debtors to continue this process, and protect the health and safety of surrounding communities, as well as the interests of all parties to the Chapter 11 Cases.

46. Based on the foregoing, the Debtors submit that the requirements of Section 364(c) of the Bankruptcy Code have been satisfied and, as such, the Court should authorize the Debtors to grant the DIP Secured Parties (i) superpriority administrative expenses status for the obligations under the DIP Facility as provided for in Section 364(c)(1) of the Bankruptcy Code and the DIP Orders, (ii) liens on the Debtors' unencumbered property pursuant to Section 364(c)(2) of the Bankruptcy Code and the DIP Orders, and (iii) junior liens on the Debtors' encumbered property pursuant to Section 364(c)(3) of the Bankruptcy Code and the DIP Orders.

### **3. Authorizing Debtors to Grant Priming Liens on Encumbered Assets is Appropriate**

47. Authorization to grant the DIP Secured Parties "priming" liens on certain assets of the Debtors is necessary and appropriate under the circumstances presented. Section 364(d)(1) of the Bankruptcy Code provides:

The court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if— [¶] (A) the trustee is unable to obtain such credit otherwise; and [¶] (B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(d)(1). Under the DIP Facility, the Debtors propose granting the DIP Secured Parties the following priming liens on certain encumbered assets. As set forth herein, the Debtors were unable to obtain postpetition financing on more advantageous terms than governing the DIP Facility. More specifically, the Debtors engaged in an extensive marketing campaign in an effort to locate potential distressed or debtor in possession financing. *In re Republic Airways Holdings Inc.*, 2016 WL 2616717, at \*11 (“Section 364(d) [of the Bankruptcy Code] ‘does not require that debtors seek alternative financing from every possible lender. However, the debtor must make an effort to obtain credit without priming a senior lien.’”). While the Debtors received multiple proposals, the only proposals containing reasonable market terms required the Debtors to grant “priming” liens as a prerequisite to funding the debtor in possession facility.

48. As set forth herein, the Prepetition Secured Parties have consented to the DIP Financing after extensive negotiation, in exchange for the bargained-for protections set forth in the Interim DIP Order (the “**Prepetition Secured Party Protections**”), including both adequate protection and certain other protections set forth in the Interim DIP Order, absent each of which the Prepetition Secured Parties would not have consented to such DIP Financing, and subject to the reservation of rights contained in paragraph 43 of the Interim Order. To the extent that the DIP Financing implicates section 364(d)(1)(B) of the Bankruptcy Code, the Debtors submit that the interests of senior lenders are adequately protected under the DIP Facility by virtue of these Prepetition Secured Party Protections. *See Anchor Savs. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 122 (N.D. Ga. 1989) (“[B]y tacitly consenting to the superpriority lien, those [undersecured] creditors relieved the debtor of having to demonstrate that they were adequately protected.”).

49. Based on the foregoing, the Debtors submit that the requirements for granting priming liens for the benefit of the DIP Secured Parties pursuant to Section 364(d)(1) of the

Bankruptcy Code and, therefore, respectfully requests that the Court authorize the Debtors to grant such liens in accordance with the terms of the DIP Facility.

**4. Authorization to Pay Fees under the DIP Documents is Appropriate and Necessary**

50. Finally, under the DIP Documents, the Debtors have agreed, subject to Court approval, to pay certain fees, expenses, and other payments to the DIP Secured Parties. The Debtors have also agreed to pay the fees and expenses of counsel and certain other professionals retained by the Prepetition Secured Parties, as provided for in the Interim DIP Order. The provisions regarding the payment of such fees and expenses were negotiated at arm's length through the parties' respective representative and are integral conditions to the bargain struck between the Debtors, the DIP Lenders, and the relevant Prepetition Secured Parties. Further, the Debtors considered the amounts described above when determining in their sound business judgment that the DIP Facility constituted the best terms on which the Debtors could obtain the post-petition financing necessary to continue their operations and administer the Chapter 11 Cases. As set forth herein, no financing, let alone with terms similar to those in the DIP Facility, is available to the Debtors for lower fees or better terms overall. Accordingly, the Debtors respectfully submits that the Court should authorize the Debtors to pay the fees and expenses provided for under the DIP Documents or Interim DIP Order in connection with the DIP Facility.

**B. The DIP Secured Parties Constitute Good-Faith Lenders Under Section 364(e) of the Bankruptcy Code**

51. Section 364(e) of the Bankruptcy Code protects a good-faith lender's right to collect on loans extended to a debtor, and its right in any lien securing those loans, even if the authority of the debtor to obtain such loans or grant such liens is later reversed or modified on appeal. 11 U.S.C. § 364(e).

52. Here, the terms of the DIP Documents are the result of the Debtors' reasonable and informed determination that the DIP Secured Parties have offered the most favorable terms

under the circumstances. All negotiations of the DIP Facility were conducted in good faith and at arm's length. The proceeds of the DIP Facility will be used only for purposes that are permissible under the Bankruptcy Code, DIP Orders and the Budget, as amended or modified consistent with the foregoing. Accordingly, the Court should find that the DIP Secured Parties are "good faith" lenders within the meaning of section 364(e) of the Bankruptcy Code.

**C. The Proposed Adequate Protection and Use of Cash Collateral should be Approved**

53. Section 363(c)(1) of the Bankruptcy Code permits a debtor to "use property of the estate in the ordinary course of business without notice or a hearing." 11 U.S.C. § 363(c)(1). Section 363(c)(1) of the Bankruptcy Code provides a debtor flexibility to operate its business without unnecessary creditor or court oversight. *See In re Roth Am., Inc.*, 975 F.2d 949, 952 (3d Cir. 1992) ("Section 363 is designed to strike [a] balance, allowing a business to continue its daily operations without excessive court or creditor oversight and protecting secured creditors and others from dissipation of the estate's assets.") (internal quotation omitted). A debtor may use, sell, or lease cash collateral if either: (a) each entity that has an interest in such collateral consents; or (b) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of Section 363 of the Bankruptcy Code. 11 U.S.C. § 363(c)(2).

54. It is axiomatic that the continued availability of cash postpetition is essential to the ability of a debtor to effectively reorganize under chapter 11. As such, courts generally recognize that the use of cash collateral is appropriate where necessary to preserve a debtor's estate or ability to maintain operations and reorganize. *See, e.g., In re Dynaco Corp.*, 162 B.R. 389, 394 (Bankr. D.N.H. 1993) (stating that "the purpose of Chapter 11 is to rehabilitate debtors, and, generally, access to such cash collateral is necessary in order to operate a business") (internal citations omitted); *Chrysler Credit Corp. v. George Ruggiere Chrysler-Plymouth, Inc.* (*In re George Ruggiere Chrysler-Plymouth, Inc.*), 727 F.2d 1017, 1020 (11th Cir. 1984)

(allowing debtor to use cash collateral over secured creditor's objection after noting that "[w]ithout the availability of cash to meet daily operating expenses such as rent, payroll, utilities, etc., the congressional policy favoring rehabilitation over economic failure would be frustrated."); *Stein v. U.S. Farmers Home Admin. (In re Stein)*, 19 B.R. 458, 459 (Bankr. E.D. Pa. 1982) (granting cash collateral motion and noting that access to cash is imperative for a debtor to operate its business); *In re Constable Plaza Assocs.*, 125 B.R. 98, 105 (Bankr. S.D.N.Y. 1991).

55. In addition to the funds available under the DIP Facility, the Debtors require immediate access to cash collateral to maintain operations and ensure the continued preservation of the Refinery. The Prepetition Secured Parties hold security interests in the Debtors' Bank Accounts. Accordingly, prior to the Petition Date, the Debtors and the Prepetition Secured Parties negotiated terms for the use of the Cash Collateral of the Prepetition Secured Parties, which agreement is memorialized in the provisions of the Budget and the Interim DIP Order, including a reservation of rights with respect to any future requests to use Cash Collateral other than as expressly permitted under the DIP Orders. In addition to the terms of the Budget and the DIP Orders, both of which were the subject of extensive negotiations, the Prepetition Secured Parties consented to the use of Cash Collateral subject to the following provisions:

- a. valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition;
- b. monthly payments to reimburse the Prepetition Secured Parties' reasonable and documented professional fees;
- c. (i) in the case of the Prepetition Term Lenders, in lieu of cash payments of interest when and as required under any of the Prepetition Secured Debt Documents, all accrued and unpaid interest shall, on each applicable date when such interest payments are due under such documents, be paid in kind by adding the amount of such accrued interest to the outstanding aggregate principal balance of the term loans, and (ii) in the case of the Revolver Lenders and J. Aron, monthly payments

in cash of an amount equal to all interest (other than default interest) accrued under the Revolver Transaction Documents and J. Aron Transaction Documents, as applicable;

- d. super priority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, with priority as provided therein, to the extent of any diminution in each Prepetition Secured Parties' respective Prepetition Collateral, and
- e. an acknowledgement of the unconditional right to credit bid the prepetition obligations under each Prepetition Secured Parties' respective Prepetition Secured Debt Documents in connection with any sale of their respective Prepetition Collateral.

56. In addition, pursuant to the DIP Orders and the agreement of Prepetition Secured Parties, the Debtors' ability to use Cash Collateral is limited by the Budget.

57. The Debtors submit that their continued use of their cash resources on an interim basis, including Cash Collateral, subject to the provisions of the Interim DIP Order and Budget, is reasonable and necessary, consistent with the Bankruptcy Code and applicable law, and serves the best interest of the Debtors' estates and all interest holders, including the Prepetition Secured Parties. Therefore, the Debtors seek authority to continue to use their cash, including any Cash Collateral, on the terms of the Interim DIP Order and Budget.

**D. Limited Modification of the Automatic Stay to Effectuate the DIP Documents is Necessary**

58. The proposed Interim DIP Order provides that the automatic stay provisions of Section 362 of the Bankruptcy Code will be modified to the extent necessary to implement and effectuate the terms and provisions of the DIP Documents and the Interim DIP Order. Specifically, the Interim DIP Order provides that:

The automatic stay provisions of section 362 of the Bankruptcy Code hereby are vacated and modified without the need for any further order of this Court to permit (a) the Debtors to grant the DIP Liens and the DIP Superpriority Claims, and to perform such acts as the DIP Agent may request to assure the perfection and priority of the DIP Liens; (b) the Debtors to grant the Prepetition Secured Parties' Adequate Protection Liens, and to perform such acts as the Prepetition Secured Parties may request to assure the perfection

and priority of the Prepetition Secured Parties' Adequate Protection Liens; (c) the Debtors to incur all liabilities and obligations, including all of (i) the DIP Obligations, to the DIP Secured Parties and (ii) the Adequate Protection Obligations to the Prepetition Secured Parties, in each case as contemplated under this Interim Order and the DIP Loan Documents; (d) the Debtors to pay all amounts referred to, required under, in accordance with, and subject to the DIP Loan Documents and this Interim Order, including any Adequate Protection Obligations; (e) the DIP Secured Parties to retain and apply payments made in accordance with the DIP Loan Documents and this Interim Order; (f) the DIP Agent, the DIP Lenders and the Prepetition Secured Parties to exercise the rights and remedies set forth in paragraph 17 hereof, upon the occurrence of a Termination Event (as defined below); (g) the Prepetition Secured Parties to exercise the rights and remedies under their respective Prepetition Secured Documents, as applicable, pursuant to paragraph 17(c) hereof; (h) without a determination that the automatic stay applies, but out of an abundance of caution, J. Aron to retain and apply amounts received from the liquidation of its IFF Property to obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents; (i) upon entry of a Final Order, J. Aron to set off and net any Margin (as defined in the J. Aron Monetization Master Agreement) in its possession against any obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents; (j) the Debtors to perform under the DIP Loan Documents and any and all other instruments, certificates, agreements and documents which may be required, necessary or prudent for the performance by the applicable Debtors under the DIP Loan Documents and any transactions contemplated therein or in this Interim Order; and (k) the implementation of all of the terms, rights, benefits, privileges, remedies, and provisions of this Interim Order and the DIP Loan Documents, in each case without further notice, motion or application to, or order of, or hearing before, this Court, subject to the terms of this Interim Order, except that to the extent any Prepetition Secured Party seeks to enforce its respective rights, benefits, privileges, remedies under, or provisions of, this Interim Order and the Prepetition Secured Documents against property of the Debtors' estates (other than any such rights, benefits, privileges, or remedies described in clauses (h) and (i)), such Prepetition Secured Party shall provide the Debtors with ten (10) days written notice prior to any such enforcement. The Debtors and DIP Lenders have consented to the exercise of rights, benefits, privileges, and remedies described in clauses (h) and (i). Nothing in this Interim Order shall impair or abridge the Debtors' right to seek and, if granted by the Bankruptcy Court, obtain the use of Cash Collateral on a nonconsensual basis, and the rights of the DIP Secured Parties, the holders of the Permitted Prior Liens and the Prepetition Secured Parties to object to such request are fully preserved.

Interim DIP Order at ¶ 14.

59. Stay modifications of this kind are ordinary features of debtor in possession financing arrangements, and, indeed, are necessary to effectuate the terms and purposes of the

DIP Facility. Accordingly, the Debtors request that the Court modify the automatic stay in accordance with the terms of the proposed Interim DIP Order.

**E. Access to the DIP Facility on an Interim Basis is Necessary to Avoid Immediate and Irreparable Harm to the Debtors and Their Estates**

60. Bankruptcy Rules 4001(b) and 4001(c) provide that a final hearing on a motion to obtain credit pursuant to Section 364 of the Bankruptcy Code may not be commenced earlier than 14 days after the service of such motion. Upon request, however, the Court may conduct a preliminary, expedited hearing on the motion and authorize the obtaining of credit to the extent necessary to avoid immediate and irreparable harm to a debtor's estate pending a final hearing.

61. The Debtors request that the Court hold and conduct a hearing to consider entry of the Interim DIP Order authorizing the Debtor, from entry of the Interim DIP Order until the Final Hearing, to withdraw and borrow funds under the DIP Facility, subject to the Interim DIP Order and Budget. The Debtors will suffer immediate and irreparable harm if the Interim DIP Order approving the DIP Facility is not entered sooner than 14 days after service of the Motion and if the Debtors are not permitted to access the up to \$5,500,000 of the DIP Facility during the interim period. The Debtors require access to the DIP Facility prior to the Final Hearing on the Motion and entry of the Final DIP Order approving the DIP Facility in order to, among other things, continue ongoing remediation and repairs to the Refinery, address any issues identified for remediation in the pending audits under the EPA Order, pay employee wages, maintain the Refinery in operational condition to preserve the value of such assets, and fund expenses associated with the Chapter 11 Cases. Such relief is necessary for the Debtors to preserve and maximize the value of assets of the estates and, therefore, to avoid immediate and irreparable harm and prejudice to the Debtors' estates and parties in interest.

### **Request for Emergency Relief**

62. As set forth herein and in the First Day Declaration, the Debtors have an immediate need to access the funds available under the DIP Facility and use existing Cash Collateral. The DIP Facility is structured to provide immediate liquidity to the Debtors to fund imminent expenses essential to continued maintenance of the Refinery and preservation of the Debtors' assets for the benefit of all creditors, including, without limitation, funds necessary to pay employees on July 16, 2021. Absent the relief sought in this Motion, the Debtors and their estates would suffer immediate and irreparable harm and, thus, the Debtors respectfully request that the Court approve the interim relief request in the Motion on an emergency basis.

### **Request for Final Hearing**

63. Pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, and fix the time and date prior to the Final Hearing for parties to file objections to this Motion.

### **Reservation of Rights**

64. Except to the extent provided in the Interim DIP Order and the DIP Documents, nothing contained herein is intended or should be construed as, or deemed to constitute, an agreement or admission as to the validity of any claim against the Debtors on any grounds, a waiver or impairment of the Debtors' rights to dispute any claim on any grounds, or an assumption or rejection of any agreement, contract, or lease under section 365 of the Bankruptcy Code. Except as expressly provided in the Interim DIP Order and the DIP Documents, the Debtors reserve any and all rights to contest any claims related to the DIP Facility under applicable bankruptcy and non-bankruptcy law. Similarly, if the Court grants the relief sought herein, any payment made pursuant to the Court's order is not intended, and should not be

construed, as an admission as to the validity of any claim or a waiver of the Debtors' rights to dispute such claim subsequently.

**Compliance with Bankruptcy Rule 6004(a) and  
Waiver of Stay under Bankruptcy Rule 6004(h)**

65. To implement successfully the relief sought herein, the Debtors request that the Court find that notice of the Motion is adequate under Bankruptcy Rule 6004(a) under the circumstances presented. The Debtors further request that, to the extent applicable to the relief requested in this Motion, the Court waive the stay imposed by Bankruptcy Rule 6004(h), which provides that “[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise.” Fed. R. Bankr. P. 6004(h). As discussed, *supra*, the Debtors require immediate access to the funds under the DIP Facility. Delaying the availability of such funds will result in immediate and irreparable harm, including, without limitation, the inability to pay employees as the Debtors transition into bankruptcy, which may have a catastrophic effect on the Debtors' ability to preserve assets of the estates and maximize the value of such assets for the benefit of creditors. Accordingly, the Debtors respectfully submit that ample cause exists to justify the finding that the notice requirements under Bankruptcy Rule 6004(a) have been satisfied and to grant a waiver of the 14-day stay imposed by Bankruptcy Rule 6004(h), as the exigent nature of the relief sought herein justifies immediate relief.

**Notice**

66. Notice of this Motion, whether by facsimile, electronic mail, or overnight courier, will be given to the following parties: (a) the United States Trustee for the Southern District of Texas; (b) all secured creditors; (c) the Offices of the Attorney General of the State of Texas and the United States Virgin Islands; (d) the thirty (30) largest consolidated unsecured creditors for the Debtors; (e) the Debtors' identified, interested taxing authorities, including the Internal

Revenue Service; (f) the Debtors' identified, interested government and regulatory entities; (g) other interested parties as identified by the Debtors; and (h) any party that has requested notice pursuant to Bankruptcy Rule 2002. Aron Transaction Documents (other than that certain Terminal Services Agreement (Included Locations), dated as of March 3, 2020, by and among LBT, LBRM and J. Aron) became due and payable on June 25, 2021. As a result of such early termination, pursuant to the J. Aron Supply and Offtake Agreement and as set forth in certain other of the J. Aron Transaction Documents, J. Aron has the right to liquidate and has commenced the liquidation of its own IFF Property.

(d) J. Aron Safe Harbor Agreements. J. Aron is a "forward contract merchant" (as such term is defined in the Bankruptcy Code and used in section 556 of the Bankruptcy Code) and each purchase and sale agreed to under the Safe Harbor Agreements (as defined in the J. Aron Monetization Master Agreement, collectively, the "Safe Harbor Agreements") constitutes a "forward contract" (as such term is defined in the Bankruptcy Code and used in Section 556 of the Bankruptcy Code); (b) J. Aron is a "master netting agreement participant" and each Safe Harbor

Agreement constitutes a “master netting agreement” for all purposes as each such term is defined in sections 101(38A) and 101(38B) of the Bankruptcy Code and as used in Section 561 of the Bankruptcy Code; (c) J. Aron’s, as the Non-Defaulting Party, right to liquidate, collect, net and set off rights and obligations under the Safe Harbor Agreements, and liquidate the Safe Harbor Agreements is not stayed, avoided, or otherwise limited by the Bankruptcy Code, including sections 362(a), 547, 548 or 553 thereof, and J. Aron is entitled to the rights, remedies and protections afforded by and under, among other sections, sections 362(b)(6), 362(b)(17), 362(b)(27), 546(e), 546(g), 546(j), 548(d), 553, 556, 560, 561 and 562 of the Bankruptcy Code.

(e) All of the Debtors’ cash, including any cash in all deposit accounts and collection accounts, wherever located, comprising proceeds of or otherwise arising from or relating to the Inventory Financing Collateral (excluding Margin) constitutes Cash Collateral of J. Aron.

(f) Enforceability of J. Aron Liens and J. Aron Secured Obligations. (i) The J. Aron Liens on the Inventory Financing Collateral are valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, J. Aron for fair consideration and reasonably equivalent value, (ii) the J. Aron Transaction Documents are fully enforceable in accordance with their terms; (iii) the J. Aron Liens were senior in priority over any and all other liens on the Inventory Financing Collateral, subject only to liens senior by operation of law or otherwise permitted by the J. Aron Transaction Documents (solely to the extent any such permitted liens were valid, properly perfected, nonavoidable, and senior in priority to the J. Aron Liens as of the Petition Date); (iv) the J. Aron Secured Obligations constitute legal, valid, binding, and non-avoidable obligations of the applicable Debtors enforceable in accordance with the terms of the applicable J. Aron Transaction Documents; (v) no offsets, setoffs, recoupments, challenges, objections, defenses, “claims” (as defined in the Bankruptcy Code), impairment, cross-claims,

counterclaims, or causes of action or any other challenge of any kind or nature by any person or entity to any of the J. Aron Liens or J. Aron Secured Obligations exist, and no portion of the J. Aron Liens or J. Aron Secured Obligations is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, attachment, reduction, recovery or subordination (whether equitable, contractual, or otherwise) under or pursuant to the Bankruptcy Code or applicable non-bankruptcy law or principles of equity or any other applicable domestic or foreign law or regulation by any person or entity; and (vi) the Debtors, each for itself and its estate, irrevocably waive, discharge, and release any right to challenge or contest any of the J. Aron Secured Obligations or J. Aron Liens, the priority of such obligations and liens, and the scope, extent, validity, non-avoidability, priority, enforceability, seniority, perfection, or extent of the J. Aron Liens and J. Aron Secured Obligations.

(g) Outstanding J. Aron Secured Obligations. As of the Petition Date, the applicable Debtors were indebted to J. Aron, without objection, defense, counterclaim or offset of any kind, in an amount not less than \$24,968,754.95 in principal amount of loans outstanding under the J. Aron Financing Agreement. In addition, J. Aron has commenced the process of liquidating all IFF Property in accordance with the terms of the Safe Harbor Agreements and the J. Aron Monetization Master Agreement and, if J. Aron is unable to liquidate such IFF Property and/or incurs losses or costs as a result of such liquidation and termination of J. Aron's rights and obligations under the Safe Harbor Agreements (including any Forward Contract Settlement Amount (as defined in the J. Aron Supply and Offtake Agreement)), the Debtors would be liable and owe to J. Aron, without objection, defense, counterclaim or offset of any kind, an aggregate amount of not less than such aggregate losses or costs, taking into account any gains, incurred or realized by J. Aron as a result of such liquidations and terminations with respect to the J. Aron

Transaction Documents. Given that the liquidation of J. Aron's IFF Property has only recently commenced, the S&O Settlement Amount (as defined in the J. Aron Supply and Offtake Agreement) cannot be determined at this time. Further, under the J. Aron Transaction Documents, the applicable Debtors are also liable to and owe J. Aron accrued (both before and after the Petition Date) and unpaid interest, fees, expenses and all other obligations under the J. Aron Transaction Documents, including attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable or reimbursable under the J. Aron Transaction Documents, plus Make-Whole Amounts (as defined in the J. Aron Monetization Master Agreement).

H. Definitions. The Revolver Secured Obligations, the Prepetition Term Obligations, and the J. Aron Secured Obligations are referred to collectively herein as the "Prepetition Secured Obligations." The Prepetition Debt Liens and the J. Aron Liens are referred to collectively herein as the "Prepetition Liens." The Prepetition Debt Collateral and the Inventory Financing Collateral are referred to collectively herein as the "Prepetition Collateral." The Revolver Transaction Documents, the Prepetition Term Documents, and the J. Aron Transaction Documents, as those terms are defined herein or in the Motion, are referred to collectively herein as the "Prepetition Secured Documents." The Prepetition Agents (as defined herein), Prepetition Secured Lenders and J. Aron are referred to collectively herein as the "Prepetition Secured Parties."

I. Stipulations Regarding Prepetition Secured Documents and the Prepetition Holdco Loan Documents. Upon entry of the Interim Order, subject to paragraphs J and 42, the Debtors acknowledge, represent, stipulate, and agree as follows and make the releases and waivers set forth below:

(a) No Control. The Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties do not control the Debtors or their properties or operations or have the

authority to determine the manner in which the Debtors' operations are conducted, and each of the Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties is not a control person or insider (as defined in the Bankruptcy Code) of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents.

(b) No Claims, Causes of Action. As of the date hereof, there exist no claims or causes of action against the Prepetition Secured Parties or the Prepetition Holdco Loan Secured Parties arising from, related to or connected with any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents that may be asserted by the Debtors.

(c) Release. The Debtors forever and irrevocably release, waive, discharge, and acquit each of the Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties and each of their respective officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest (collectively, the "Prepetition Secured Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened as of the date hereof including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, existing as of the date of this Interim Order, arising out of, in connection with, or relating to any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents, and ancillary documentation, guarantees, security

documentation and collateral documents executed in support of the foregoing, the Prepetition Secured Obligations, the Prepetition Secured Holdco Debt Obligations, the Prepetition Liens, the Prepetition Holdco Financing Liens, J. Aron's title to or ownership of, or other rights in, the IFF Property and rights to setoff and net Margin (as defined in the J. Aron Monetization Master Agreement), and ancillary documentation, guarantees, security documentation and collateral documents executed in support of the foregoing or the transactions contemplated thereunder including, without limitation, (i) any avoidance, reduction, set off, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), so-called "lender liability" claims, counterclaims, cross-claims, recoupment, defenses, disallowance (whether equitable or otherwise), impairment, or any other challenges under the Bankruptcy Code or any other applicable domestic or foreign law or regulation by any person or entity, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Secured Parties or the Prepetition Holdco Loan Secured Parties.

J. Mezzanine Financing, Subordinated Notes, Prepetition Holdco Loan, and other Insider Obligations. Certain Prepetition Holdco Loan Secured Parties and Lenders are insiders or affiliates of the Debtors. Nothing herein shall constitute a finding or ruling by this Court in favor of any affiliate (as defined in the Bankruptcy Code) or other insider (as defined in the Bankruptcy Code) of any Debtor (an "Insider Creditor") that any obligation of any Debtor to such Insider Creditor ("Insider Obligation"), including any Prepetition Holdco Secured Debt Obligations, LBV Subordinated Notes, or LBRH II Holdco Loan held by an Insider Creditor, is valid, senior, enforceable, prior, perfected, or non-avoidable. Nothing herein shall constitute a finding of fact, admission, or stipulation in favor of, or enforceable by, any Insider Creditor. No Insider Creditor

shall be entitled to any proceeds or other distributions on account of any Insider Obligation or any adequate protection absent further order of the Court. Moreover, nothing shall prejudice the rights of any party-in-interest, including but not limited to the Debtors and the Committee, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Insider Obligation and/or related security interests held by an Insider Creditor. In addition, nothing herein shall be deemed a waiver of (a) the provisions of section 506(c) of the Bankruptcy Code, (b) any “equities of the case” under section 552(b) of the Bankruptcy Code, or (c) the equitable doctrine of “marshaling” or any similar doctrine with respect to any Insider Obligations, in each case after payment in full of the DIP Obligations and the Prepetition Secured Obligations. No Insider Creditor shall be entitled to any release described herein. Nothing in this paragraph shall affect or impact the Prepetition Secured Obligations or Prepetition Holdco Secured Debt Obligations that are not owned by any Insider Creditor, any liens securing such obligations, or any adequate protection granted to the Prepetition Secured Creditors.

K. Necessity of DIP Financing. The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under section 503 of the Bankruptcy Code, or other financing under sections 364(c) or (d) of the Bankruptcy Code, on equal or more favorable terms than those set forth in the DIP Loan Documents. A loan facility in the amount provided by the DIP Loan Documents is not available to the Debtors without (i) granting the DIP Agent, for the benefit of the DIP Secured Parties, superpriority claims and priming liens and security interests, pursuant to sections 364(c)(1), (2), (3), and 364(d) of the Bankruptcy Code, as provided in this Interim Order and the DIP Loan Documents and (ii) providing the Prepetition Secured Parties adequate protection as provided in this Interim Order. After considering all alternatives, the Debtors have concluded, in the exercise of their prudent business judgment, that the credit facility

provided under the DIP Loan Documents and the authorization to use Cash Collateral to be provided by the Prepetition Secured Parties represents the best and only working capital financing available to the Debtors at this time. The Debtors have been unsuccessful in their attempts to find any alternative financing. Additionally, the terms of the DIP Financing and the use of Cash Collateral are fair and reasonable and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties. The Prepetition Secured Parties have consented to the entry of this Interim Order after extensive negotiations and would not have consented to entry of this Interim Order absent each of the bargained for protections for the Prepetition Secured Parties set forth in this Interim Order.

L. Purpose of DIP Financing. The Debtors require the DIP Financing described in the Motion and as expressly provided in the DIP Loan Documents and this Interim Order to: (i) pay costs, fees and expenses associated with or payable under the DIP Financing under the terms of this Interim Order; (ii) pay professional fees subject to the Approved Budget (as defined below); (iii) provide ongoing working capital requirements of the Debtors and to pay fees, costs, expenses and other administrative expenses relating to the Chapter 11 Cases (including payments related to Adequate Protection Obligations (as defined below)), in each case, subject to any necessary Court approvals and consistent with the Approved Budget subject to any Budget Variances (defined below); and (iv) make the currently identified capital expenditures and other payments of postpetition payables as permitted under the DIP Loan Documents and this Interim Order, in each case subject to the conditions as set forth herein and in the DIP Loan Documents and this Interim Order and consistent in all material respects with the Approved Budget and any Budget Variances.

M. Adequate Protection. The Prepetition Secured Parties are entitled to receive adequate protection to the extent of any diminution in value of their interests in their prepetition

collateral (including Cash Collateral) pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code resulting from the sale, lease, or use by the Debtors (or other decline in value) of the prepetition collateral (including Cash Collateral), the relief granted herein in favor of the DIP Secured Parties, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code from and after the Petition Date (the “Adequate Protection Obligations”). Pursuant to sections 361, 363, and 507(b) of the Bankruptcy Code, as adequate protection, the Prepetition Secured Parties shall receive payment of their reasonable and documented professional fees, postpetition replacement liens, adequate protection payments and superpriority adequate protection claims in accordance with the terms of this Interim Order. Furthermore, the Prepetition Secured Parties will be entitled to certain reporting from the Debtors (including, among other things, copies of all reporting provided to the DIP Secured Parties) in accordance with the terms of this Interim Order. The adequate protection provided to the Prepetition Secured Parties herein is consistent with the Bankruptcy Code. The consent of the Prepetition Secured Parties to the use of Cash Collateral and the consent of the Prepetition Secured Parties to the priming of their liens by the DIP Liens (i) does not constitute, and shall not be construed as constituting, an acknowledgment or stipulation by the Prepetition Secured Parties that their respective interests in the Prepetition Collateral are adequately protected pursuant to this Interim Order or otherwise, and (ii) is conditioned upon entry of this Interim Order and does not and shall not be deemed to constitute consent other than pursuant to this Interim Order and the terms set forth herein. The adequate protection provided herein and other benefits and privileges contained herein are necessary (a) in order to protect the Prepetition Secured Parties from any diminution in value of their Prepetition Collateral and (b) to obtain the foregoing consents and agreements. Nothing herein shall prevent the Prepetition Secured Parties from seeking additional adequate protection to

the extent permitted by law or to the extent permitted in the Prepetition Secured Documents, as applicable. For the avoidance of doubt, this Interim Order shall be deemed to be a request by the Prepetition Secured Parties pursuant to section 363(e) of the Bankruptcy Code.

N. Approved Budget. Attached here as **Exhibit B** is a budget setting forth the Debtors' anticipated cash receipts and expenditures for the next three (3) weeks (the "Initial Approved Budget"). The "Approved Budget" shall mean the Initial Approved Budget, together with such modifications and amendments thereto as may be agreed to in form and substance by the DIP Agent and the ad hoc group of lenders under the Term Credit Agreement (the "Ad Hoc Term Lender Group"), the Term Administrative Agent, the Revolving Administrative Agent, and J. Aron (collectively with the Ad Hoc Term Lender Group, the Term Administrative Agent and Revolving Administrative Agent, and the Project Collateral Agent, the "Prepetition Agents"), subject to the conditions set forth in paragraph 26 hereof, which shall reflect the Debtors' good-faith projection of all weekly cash receipts and disbursements in connection with the operation of the Debtors' business during such three-week period, delivered pursuant to the terms of the DIP Loan Documents, delivered by the Debtors to counsel for the DIP Agent, the DIP Lenders and the Prepetition Agents. The DIP Agent and the Prepetition Agents hereby expressly reserve all of their rights with respect to the approval of any budget covering the period after the expiration of the Initial Approval Budget, and nothing contained herein shall be deemed or construed to constitute the consent of any of the DIP Agent or the Prepetition Agents to any such budget. The Approved Budget is an integral part of this Interim Order and has been relied upon by the DIP Secured Parties to provide DIP Financing and by the Prepetition Secured Parties to permit the use of Cash Collateral and consent to this Interim Order.

O. Good Cause. Based upon the record presented to the Court by the Debtors, it appears that the ability of the Debtors to obtain sufficient working capital and liquidity under the DIP Loan Documents and to use Cash Collateral is vital to the Debtors and the Debtors' estates and creditors. The Debtors reasonably believe that the liquidity to be provided under the DIP Loan Documents and from the use of Cash Collateral will enable the Debtors to continue to safely and efficiently suspend the operation of their refinery facility, preserve and maximize the value of their businesses, and provide the Debtors with sufficient funding to pursue the necessary proceedings to restructure the Debtor's outstanding obligations. Good cause has, therefore, been shown for the relief sought in the Motion on an interim basis and for scheduling the Final Hearing.

P. Good Faith. The DIP Secured Parties, the Prepetition Secured Parties and each of their respective affiliates, subsidiaries, parents, officers, shareholders, directors, employees, investment advisers and sub-advisers, attorneys, and agents have acted in good faith in negotiating the terms of the DIP Loan Documents and this Interim Order. The DIP Financing, the DIP Loan Documents and the use of Cash Collateral have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties and the Prepetition Secured Parties, and all of the obligations and indebtedness arising under, in respect of or in connection with the DIP Financing, the DIP Loan Documents and this Interim Order shall be deemed to have been extended by each of the DIP Secured Parties in accordance with the DIP Loan Documents, and the Prepetition Secured Parties' shall be deemed to have consented to the use of Cash Collateral, in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Obligations, the DIP Liens, the DIP Superpriority Claims and the Adequate Protection Obligations shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and the terms, conditions, benefits,

and privileges of this Interim Order regardless of whether this Interim Order is subsequently reversed, vacated, modified, or otherwise is no longer in full force and effect or the Chapter 11 Cases are subsequently converted or dismissed.

Q. Consideration. The Debtors will receive and have received fair consideration and reasonably equivalent value in exchange for access to the DIP Financing, and all other financial accommodations provided under the DIP Financing, the DIP Loan Documents and this Interim Order.

R. No Liability to Third Parties. The Debtors stipulate and this Court finds that in making decisions to advance loans to the Debtors, in administering any loans, in permitting the Debtors to use Cash Collateral, in accepting the Approved Budget or any future Approved Budget or in taking any other actions permitted by this Interim Order or the DIP Loan Documents, none of the DIP Secured Parties or Prepetition Secured Parties shall be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors.

S. Section 552. Subject to entry of a Final Order, in light of the subordination of their liens and super-priority administrative claims (i) in the case of the DIP Secured Parties, to the Carve Out and the Permitted Prior Liens, and (ii) in the case of the Prepetition Secured Parties, to the Carve Out and the DIP Liens, each of the DIP Secured Parties and the Prepetition Secured Parties is entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception shall not apply to any of the DIP Secured Parties or the Prepetition Secured Parties with respect to the proceeds, products, rents, issues or profits of any of the DIP Collateral or the Prepetition Collateral, and no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in

bankruptcy or other proceedings under the Bankruptcy Code, may be charged against proceeds, product, offspring or profits from any of the DIP Collateral or the Prepetition Collateral under section 552(b) of the Bankruptcy Code. Subject to entry of the Final Order, the Debtors shall be deemed to have irrevocably waived, and to have agreed not to assert, any claim or right under section 552 of the Bankruptcy Code seeking to avoid the imposition of the DIP Liens, Prepetition Liens or the Prepetition Secured Parties' replacement liens granted under this Interim Order (the "Adequate Protection Liens") on any property acquired by any of the Debtors or any of their estates or, subject to the Carve Out, seeking to surcharge any costs or expenses incurred in connection with the preservation, protection or enhancement of, or realization by, the DIP Secured Parties or the Prepetition Secured Parties upon the DIP Collateral or the Prepetition Collateral, as applicable.

T. Immediate Entry of Interim Order. The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2). The permission granted herein to enter into the DIP Loan Documents, obtain funds thereunder and use Cash Collateral on an interim basis in accordance with the Approved Budget is necessary to avoid immediate and irreparable harm to the Debtors and their estates, and loss of valuable assets and rights of the Debtors' estates. This Court concludes that entry of this Interim Order is in the best interests of the Debtors and the Debtors' estates and creditors as its implementation will, among other things, allow for the continued flow of supplies and services to the Debtors necessary to enable the Debtors to safely and efficiently administer their refinery facility during the pendency of these Chapter 11 Cases. Based upon the foregoing findings, acknowledgements, and conclusions; and upon the record made before this Court at the Interim Hearing; and good and sufficient cause appearing therefor:

**IT IS HEREBY ORDERED:**

1. Disposition. The Motion is granted on an interim basis to the extent set forth herein, the DIP Financing described herein is authorized and approved, and the use of Cash Collateral and provision of adequate protection is authorized, in each case subject to the terms of this Interim Order and the DIP Loan Documents. Any objections to the Motion that have not previously been withdrawn, waived, settled, or resolved and all reservations of rights included therein are hereby denied and overruled on their merits. This Interim Order shall constitute findings of fact and conclusions of law.

2. Effectiveness. Subject to the terms hereof, this Interim Order shall be immediately valid upon signing by the Court and effective and enforceable upon the date entered on the docket in the Chapter 11 Cases (the “Interim Order Entry Date”).

3. Authorization of the DIP Financing and DIP Loan Documents.

(a) The Debtors are hereby authorized to execute and enter into the DIP Loan Documents. The DIP Loan Documents and this Interim Order shall govern the financial and credit accommodations to be provided to the Debtors by the DIP Lenders in connection with the DIP Financing.

(b) The Borrower is hereby authorized on an interim basis to borrow, and the Guarantors are hereby authorized on an interim basis to guarantee, up to the principal amount of \$5.5 million (plus such additional principal amounts due solely to payment of interest in-kind), pursuant to the terms of the DIP Loan Documents and this Interim Order and at the times set forth in the Approved Budget, all of which shall be used by the Debtors as expressly permitted by the DIP Loan Documents, this Interim Order, the Approved Budget and any Budget Variances. The Debtors are authorized to use proceeds of the DIP Financing in accordance with this Interim Order and the Approved Budget in an amount that would not cause either: (i) all line items other than

Professional Fees from varying from the applicable Approved Budget by more than twenty percent (20%) for each week during any budget period or ten percent (10%) on a cumulative basis for that portion of the budget period then ended; (ii) with respect to Professionals Fees, the Debtors may vary from the applicable budget by no more than ten percent (10%) on a cumulative basis for that portion of the Budget, and (iii) actual cash receipts, if any, received by the Borrower may not be less than ninety percent (90%) of the amounts set forth in the Budget (a “Budget Variance”). The variance reports showing budget to actual and any variance shall be delivered by the Debtors to the DIP Agent and counsel to each of the Prepetition Agents.

(c) In furtherance of the foregoing and without further approval of this Court, but subject to the terms of this Interim Order, the Debtors are authorized to, and, if so required under the terms of the DIP Loan Documents, directed to perform all acts to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and to pay all related fees and expenses, that may be required or necessary for the Debtors’ performance of their obligations under the DIP Financing, including, without limitation:

- i. the execution, delivery, and performance of the DIP Loan Documents, including, without limitation, any security and pledge agreements, and any mortgages contemplated thereby;
- ii. subject to paragraph 10 hereof, the execution, delivery and performance of one or more amendments, waivers, consents, or other modifications to and under the DIP Loan Documents, in each case in such form as agreed among the Debtors and the required other parties as set forth in more detail in paragraph 10 below;

iii. the non-refundable payment of the fees referred to in the DIP Loan Documents, including the fees of the DIP Agent, and, subject to paragraph 8, costs and expenses payable under the DIP Loan Documents;

iv. make payments on account of the Adequate Protection Obligations provided for in this Interim Order; and

v. the performance of all other acts required under or in connection with the DIP Loan Documents.

4. DIP Obligations. This Interim Order and the DIP Loan Documents shall evidence the DIP Obligations, which DIP Obligations shall, upon execution of the DIP Loan Documents, be valid, binding and enforceable against the Debtors, their estates and any successors thereto, including, without limitation, any estate representative or trustee appointed in any of the Chapter 11 Cases, or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing, or upon the dismissal of any of the Chapter 11 Cases or any such successor cases (collectively, the “Successor Cases”), and their creditors and other parties-in-interest, in each case, in accordance with the terms of this Interim Order and the DIP Loan Documents. All obligations incurred, payments made, and transfers or grants of security and liens set forth in this Interim Order and the DIP Loan Documents by any Debtor are granted to or for the benefit of the Debtors for fair consideration and reasonably equivalent value, and are granted contemporaneously with the making of the loans and commitments and other financial accommodations secured thereby. No obligation, payment, transfer, or grant of security under the DIP Loan Documents or this Interim Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset,

recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance (whether equitable or otherwise), impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity.

5. Carve-Out. The Debtors' obligations to the DIP Secured Parties and the liens, security interests and superpriority claims granted herein and/or under the DIP Loan Documents, including the DIP Liens, the DIP Superpriority Claims, and the Adequate Protection Obligations, shall be subject and subordinate to the Carve-Out. "Carve-Out" shall mean (i) fees and expenses incurred by bankruptcy professionals (x) whose retention has been approved by the Bankruptcy Court which are incurred as of the delivery of the Carve-Out Trigger Notice (as defined below) and (y) provided for in the Approved Budget; (ii) fees and expenses in an amount not to exceed \$375,000 incurred from and after the delivery of a Carve-Out Trigger Notice (as defined below) by bankruptcy professionals whose retention has been approved by the Bankruptcy Court (the "Post-Termination Fee Carve-Out"); and (iii) fees owed pursuant to 28 U.S.C. §1930 or fees owed the clerk of the Bankruptcy Court. "Carve-Out Trigger Notice" shall mean the written notice, including by email, delivered by the DIP Agent (at the direction of the DIP Lenders) or, after the DIP Financing has been indefeasibly paid in full and in cash (a "DIP Repayment Event"), by any of the Prepetition Agents, to the Debtors, their counsel, the U.S. Trustee, and counsel to the Committee, and prior to a DIP Repayment Event, counsel to the Prepetition Agents, which notice may be delivered following the occurrence and during the continuation of an Event of Default or the Termination Date in accordance with the terms of the DIP Loan Documents or, following a DIP Repayment Event, following the occurrence and during the continuation of a Cash Collateral Termination Event (as defined below) or the Cash Collateral Termination Date (as defined below).

Notwithstanding the foregoing, the Carve-Out shall not include, apply to or be available for any fees or expenses incurred by any party in connection with the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against any of the DIP Secured Parties, the Prepetition Secured Parties or any of their respective officers, directors, employees, agents, advisers and counsel, including, without limitation, challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset to, the obligations and the liens and security interests granted under the (i) DIP Loan Documents in favor of the DIP Agent, for the benefit of the DIP Secured Parties or (ii) the Prepetition Secured Documents, for the benefit of the Prepetition Secured Parties, as applicable. For the avoidance of doubt, until the delivery of a Carve-Out Trigger Notice, the Borrower shall be permitted to pay fees and expenses incurred by bankruptcy professionals whose retention has been approved by the Bankruptcy Court as the same shall become due and payable, subject to the terms and conditions set forth in the DIP Loan Documents and this Interim Order (the payment of which shall not reduce the Post-Termination Fee Carve-Out). Notwithstanding anything to the contrary herein, in the DIP Loan Documents, or in any loan or financing documents, the Carve-Out shall be senior to all liens and claims securing the DIP Obligations, any prepetition secured obligations, and any and all other forms of adequate protection, liens or claims securing the DIP Obligations or any prepetition secured obligations. For the avoidance of doubt, no IFF Property or proceeds thereof, and, until the Discharge of Inventory Financing Obligations (as defined in the A&R Depositary and Intercreditor Agreement), no Inventory Financing Collateral or proceeds thereof, shall be used to fund the Carve-Out and the Carve Out shall not be secured by the Inventory Financing Collateral or IFF Property. None of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or

disbursements of any professional person whose retention is approved by the Bankruptcy Court in connection with the Chapter 11 Cases or any Successor Cases. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any professional person whose retention is approved by the Bankruptcy Court or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement. None of the proceeds of the DIP Collateral or the DIP Loans shall be used in connection with the initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the DIP Secured Parties or their respective officers, directors, employees, agents, advisors and counsel, including with respect to any of the liens created in connection with the DIP Financing. In addition, none of the proceeds of the DIP Collateral, the DIP Loans, or the Prepetition Collateral shall be used in connection with the initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the Prepetition Secured Parties or their respective officers, directors, employees, agents, advisors and counsel, including with respect to any of the liens created in connection with the Prepetition Secured Documents (provided that, notwithstanding anything to the contrary herein, the Committee may use proceeds of the DIP Financing and/or the DIP Collateral (including Cash Collateral) to investigate but not to prosecute (i) the claims and liens of the Prepetition Secured Parties, and (ii) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties up to an aggregate cap of \$50,000 (the “Committee Investigation Budget”)).

6. DIP Lender Superpriority Claim. Subject to the Carve-Out and the Aron Rights (as defined below), and effective as of the Interim Order Entry Date, the DIP Secured Parties are hereby granted, pursuant to sections 364(c)(1) and 364(e) of the Bankruptcy Code, an allowed

8. Fees and Expenses of DIP Agent and Prepetition Secured Parties.

(a) Upon entry of this Interim Order, the Debtors shall pay any and all prepetition fees, costs, and expenses incurred by the DIP Agent that were outstanding and unpaid as of the Petition Date, in an amount not to exceed \$75,000.

(b) The Debtors shall, no later than ten (10) days after receipt of a summary statement setting forth the applicable timekeepers, as well as the hours worked by and expenses incurred by such timekeepers, in connection with the Chapter 11 Cases whether incurred before or after the Petition Date (with copies provided via electronic mail to the U.S. Trustee, counsel to the Committee, counsel to the DIP Agent, and counsel to each of the Prepetition Secured Parties), indefeasibly pay or reimburse (i) the DIP Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges as provided in the Approved Budget (collectively, the “DIP Agent Professional Fees”), including, but not limited to, the reasonable fees, costs, and expenses of Gray Reed & McGraw LLP as counsel to DIP Agent, and any other advisors or professionals retained by the DIP Agent, (ii) the Project Collateral Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs, and expenses of outside counsel, and any other advisors or professionals retained by the Project Collateral Agent, (iii) the Revolving Administrative Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs, and expenses of outside counsel, and any other advisors or professionals retained by the Revolving Administrative Agent, (iv) J. The Debtors, the U.S. Trustee, the Committee, the DIP Agent, and each of the Prepetition Secured Parties may object to the reasonableness of the fees, costs, and expenses included in any such professional fee invoice; *provided* that any such objection shall be barred and deemed waived unless filed with this Court and served on the applicable professional by 12:00 Noon, prevailing Central Time, on the date that is no later than ten (10) days after the objecting party's receipt of the applicable professional fee invoice. If such objection is timely received, the Debtors shall promptly pay the portion of such invoice not subject to such objection, and this Court shall determine any such objection unless otherwise resolved by the applicable parties. Any hearing on an objection to payment of any fees, costs, and expenses set forth in a professional fee invoice shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses which are the subject of such objection and whether the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, or Term Administrative Agent, as the case may be, is entitled to such fees, costs and expenses under this Interim Order. For the avoidance of doubt, none of the fees, costs, and expenses of the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, or Term Administrative Agent, shall be subject to Court approval or U.S. Trustee guidelines, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with this Court. All fees, costs and expenses payable under the DIP Loan Documents to the DIP Agent shall be included and constitute part of the DIP Obligations and be secured by the DIP Liens.

Notwithstanding anything to the contrary herein, the fees, costs, and expenses of the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, and Term Administrative Agent, under and in connection with negotiation and preparation of the DIP Loan Documents, including, without limitation, the legal fees and expenses of any professionals retained by them, shall be earned, non-refundable, and payable out of the interim funding under the DIP Financing and shall not be subject to the notice period described in this paragraph and the recipients of such payments shall be fully entitled to all protections of section 364(e) of the Bankruptcy Code. For the avoidance of doubt, the Debtors shall be responsible to pay, subject to the procedures outlined in this paragraph, all fees and expenses incurred by the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, and Term Administrative Agent, in connection with any action taken in these Chapter 11 Cases including, but not limited to, fees and expenses relating to the DIP Financing and the administration and interpretation of, and the enforcement of remedies under, the DIP Financing and including all due-diligence, including but not limited to printing costs, consultation, travel, and attendance at court hearings, regardless of whether the DIP Financing is consummated.

9. Prepetition Secured Parties' Rights and Adequate Protection.

(a) Adequate Protection for Prepetition Term Lenders. As adequate protection for any diminution of the Prepetition Debt Collateral resulting from the subordination of the Term Administrative Agent's Prepetition Debt Liens to the DIP Liens and the other relief granted herein in favor of the DIP Secured Parties, the Debtors' use of Prepetition Collateral (including Cash Collateral), and/or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code, and in exchange for the Term Lenders' consent to the priming of the Prepetition Debt Liens by the DIP Liens pursuant to this Interim Order, the Term Administrative Agent shall receive, for

(c) Adequate Protection for J. Aron. As adequate protection for any diminution of J. Aron's interests in its Inventory Financing Collateral resulting from the relief granted herein in favor of the DIP Secured Parties, the Debtors' use of J. Aron's Prepetition Collateral (including Cash Collateral), and/or the imposition of the automatic stay pursuant to section 362 of the

Bankruptcy Code, J. Aron shall receive adequate protection, including, without limitation, (1) valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition, (2) monthly payments to reimburse the reasonable and documented professional fees of J. Aron in accordance with paragraph 8 of this Interim Order, (3) on the last business day of each month payments in cash to J. (e) Unconditional Right to Credit Bid. Each of the Prepetition Secured Parties shall have the unconditional right to credit bid its Prepetition Secured Obligations in connection with the sale of any of its Prepetition Collateral.

(f) Weekly Meetings. The Debtors shall arrange for weekly (unless waived by the Prepetition Secured Parties in their sole and absolute discretion) status calls with the Prepetition Secured Parties and their advisors, and shall cause the Debtors' advisers and chief restructuring officer to participate to discuss (A) the Approved Budget, any Budget Variances and any other reports or information delivered by the Debtors, (B) the financial operations and performance of the Debtors' business, (C) progress in achieving the Milestones (as defined below) and any wind-down, liquidation, or going concern sale or marketing process or efforts, (D) the status of the Chapter 11 Cases generally, and (E) such other matters relating to the Debtors as the Prepetition Secured Parties (or their respective agents or advisors) shall reasonably request ("Weekly Meetings"). The DIP Agent and its counsel may attend the Weekly Meetings at their discretion.

(g) Milestones. The Debtors shall have (i) prepared a contingency plan for the wind-down of the Debtors' operations in the event that a going concern sale is not achieved, which plan shall be reasonably acceptable to the Prepetition Secured Parties no later than July 28, 2021 at 12:00 noon prevailing Central Time, (ii) prepared a 13-week budget that is reasonably acceptable to the Prepetition Secured Parties no later than July 28, 2021 at 12:00 noon prevailing Central Time, (iii) filed with the Court a motion requesting approval of proposed bidding procedures that are reasonably acceptable to the Prepetition Secured Parties and that adhere to the milestones described in clauses (iv) and (v) below no later than ten (10) business days after the Petition Date, (iv) obtained, within sixty (60) calendar days after the Petition Date, a binding stalking horse bid for the sale of all or substantially all of the Debtors' assets which bid shall be reasonably acceptable to each Prepetition Secured Party, and (v) completed the closing of a sale of all or substantially all of the Debtors' assets that is reasonably acceptable to each Prepetition

Nothing herein shall be deemed to waive, modify or otherwise impair the respective rights of the Prepetition Secured Parties under their respective Prepetition Secured Documents or under equity or law, and the Prepetition Secured Parties expressly reserve all of their respective rights and remedies whether now existing or hereafter arising under their respective Prepetition Secured Documents, equity, and law in connection with all termination events and defaults and events of default under such agreements or hereunder.

10. Amendments, Consents, Waivers, and Modifications. The Debtors, with the express written consent of the DIP Agent, may enter into any amendments, consents, waivers, or modifications to the DIP Loan Documents that are not materially adverse to the Debtors without the need for further notice and hearing or any order of this Court; *provided, however*, that, without

the approval of the Court on notice and a hearing, no such amendments, consents, waivers or modifications shall (i) shorten the maturity of the DIP Financing, (ii) increase the commitments thereunder or the rate of interest payable under the DIP Loan Documents, (iii) require the payment of any new or additional fee, or (iv) amend the Events of Default or covenants in the DIP Loan Documents to be materially more restrictive to the Debtors; *provided, further*, that any amendment, modification, waiver, or consent that adversely affects the rights or economic interest of any Prepetition Secured Party shall require the prior written consent of such Prepetition Secured Party; and *provided, further*, that any amendments, modification, waiver, or consent to or in respect of Section 10.05(b)(v) of the DIP Credit Agreement shall require the prior written consent of each Prepetition Agent. No consent shall be implied by any other action, inaction, or acquiescence of any of the DIP Secured Parties or any of the Prepetition Secured Parties.

11. Perfection of DIP Liens and Prepetition Secured Parties' Adequate Protection Liens.

(a) The DIP Agent, and the Prepetition Secured Parties, as applicable, are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments (subject to Borrower's prior review and approval, not to be unreasonably withheld, conditioned or delayed) in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder, in each case, without the necessity to pay any mortgage recording fee or similar fee or tax. Whether or not the DIP Agent, on behalf of the DIP Secured Parties, or the Petition Secured Parties, in their respective sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over, or otherwise confirm perfection of the

liens and security interests granted to them hereunder, such liens and security interests shall, to the extent provided in this Interim Order, be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination upon entry of this Interim Order. The Debtors shall, if requested, execute and deliver to the DIP Agent or the Prepetition Secured Parties, as applicable, all such agreements, financing statements, instruments and other documents as the DIP Agent or the Prepetition Secured Parties may reasonably request to more fully evidence, confirm, validate, perfect, preserve, and enforce the DIP Liens or the Prepetition Secured Parties' Adequate Protection Liens, as applicable, and all such documents will be deemed to have been recorded and filed as of the Filing Date.

(b) A certified copy of the Interim Order may be filed by the DIP Agent or the Prepetition Secured Parties with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien, or similar instruments, and all filing offices are hereby directed to accept such certified copy of this Interim Order for filing and recording.

12. Financial Reporting and Inspection Rights. The Debtors shall provide the advisors to the DIP Agent, Ad Hoc Term Lender Group, the Term Administrative Agent, the Revolving Administrative Agent (on behalf of the Revolving Lenders), the Project Collateral Agent and J. The Debtors shall deliver to each of the DIP Agent, the Ad Hoc Term Lender Group, the Term Administrative Agent, the Revolving Administrative Agent (on behalf of the Revolving Lenders), the Project Collateral Agent, and J. Aron, and their respective counsel

financial reporting information in a timely manner that is requested by any of them in writing, and shall make personnel available to answer questions concerning such financial reporting and the operations of the Debtors during normal business hours on no less than two (2) business days' advance notice to Debtors' counsel, and within five (5) business days of the request being made to Debtors' counsel unless otherwise agreed to by the parties. The Debtors shall provide the DIP Agent, the Ad Hoc Term Lender Group, the Term Administrative Agent, the Revolving Administrative Agent, the Project Collateral Agent, and J. Aron and vice versa.

13. Third Parties. Notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Secured Parties contained in this Interim Order or the DIP Loan Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Loan Documents, following entry of an order granting a Stay Relief Motion (defined below) as set forth in paragraph 17(c) hereof and solely to the extent the applicable DIP Collateral is not subject to a Permitted Prior Lien, upon three (3) Business Days' written notice to the landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property that a Termination Event has occurred under the DIP Loan Documents and that the DIP Agent is permitted to exercise remedies, the DIP Agent (i) may, only subject to any

separate agreement by and between the applicable landlord or licensor (the terms of which shall be reasonably acceptable to the parties thereto), enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon and (ii) subject to applicable law, shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade-names, copyrights, licenses, patents or any other similar assets of the Debtors, which are owned by or subject to a lien or license of any third party and which are used by the Debtors in their businesses, in either the case of subparagraph (i) or (ii) of this paragraph without interference from lienholders or licensors thereunder. To the extent applicable law prohibits the forgoing access or use of rights, the DIP Agent shall have the right to an expedited hearing on five (5) Business Days' notice to obtain Court authorization to obtain such access or use of such rights.

14. Automatic Stay Modified. The automatic stay provisions of section 362 of the Bankruptcy Code hereby are vacated and modified without the need for any further order of this Court to permit (a) the Debtors to grant the DIP Liens and the DIP Superpriority Claims, and to perform such acts as the DIP Agent may request to assure the perfection and priority of the DIP Liens; (b) the Debtors to grant the Prepetition Secured Parties' Adequate Protection Liens, and to perform such acts as the Prepetition Secured Parties may request to assure the perfection and priority of the Prepetition Secured Parties' Adequate Protection Liens; (c) the Debtors to incur all liabilities and obligations, including all of (i) the DIP Obligations, to the DIP Secured Parties and (ii) the Adequate Protection Obligations to the Prepetition Secured Parties, in each case as contemplated under this Interim Order and the DIP Loan Documents; (d) the Debtors to pay all amounts referred to, required under, in accordance with, and subject to the DIP Loan Documents and this Interim Order, including any Adequate Protection Obligations; (e) the DIP Secured Parties

Aron to retain and apply amounts received from the liquidation of its IFF Property to obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents; (i) upon entry of a Final Order, J. Aron to set off and net any Margin (as defined in the J. Aron Master Monetization Agreement) against any obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents; (j) the Debtors to perform under the DIP Loan Documents and any and all other instruments, certificates, agreements and documents which may be required, necessary or prudent for the performance by the applicable Debtors under the DIP Loan Documents and any transactions contemplated therein or in this Interim Order; and (k) the implementation of all of the terms, rights, benefits, privileges, remedies, and provisions of this Interim Order and the DIP Loan Documents, in each case without further notice, motion or application to, or order of, or hearing before, this Court, subject to the terms of this Interim Order, except that to the extent any Prepetition Secured Party seeks to enforce its respective rights, benefits, privileges, remedies under, or provisions of, this Interim Order and the Prepetition Secured Documents against property of the Debtors' estates (other than any such rights, benefits, privileges, or remedies described in clauses (h) and (i)), such Prepetition Secured Party shall provide the Debtors with ten (10) days written notice prior to any such enforcement. The Debtors and DIP Lenders have consented to the exercise of rights, benefits, privileges, and remedies described in clauses (h) and (i). Nothing in this Interim Order shall impair

or abridge the Debtors' right to seek and, if granted by the Bankruptcy Court, obtain the use of Cash Collateral on a nonconsensual basis, and the rights of the DIP Secured Parties, the holders of the Permitted Prior Liens and the Prepetition Secured Parties to object to such request are fully preserved.

15. Termination Date. Each of the following shall constitute a termination event under this Interim Order (each a "Termination Event", and the date upon which such Termination Event occurs, the "Termination Date"), unless waived in writing (delivery by email or other electronic means being sufficient) by the DIP Agent and each Prepetition Agent:

- (a) the occurrence of the "Maturity Date" (as defined in the DIP Loan Documents) of the DIP Financing under the DIP Loan Documents;

(j) the filing by the Debtors of a motion for authorization to sell all or substantially all of the Debtors’ assets or for approval of any related bidding procedures that is not acceptable to each Prepetition Agent; and

Hoc Term Lender Group, counsel for J. Aron and the U.S. Trustee (the “Remedies Notice Parties”), declaring and triggering, as applicable: (i) the immediate termination of the DIP Financing and any DIP Loan Document as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations; (ii) all DIP Obligations to be immediately due and payable; (iii) right to charge interest at the default rate under the DIP Loan Documents; (iv) a termination of the ability of the Debtors to use any Cash Collateral.

If any of the DIP Secured Parties or Prepetition Secured Parties are permitted by the Court to take any enforcement action with respect to the DIP Collateral, or the Prepetition Secured Parties are permitted by the Court to take any enforcement action with respect to the Prepetition Collateral, following the hearing on the Stay Relief Motion, and subject to relative rights and priorities of the other DIP Secured Parties or Prepetition Secured Parties as provided in or recognized under this Interim Order, the Debtors shall cooperate with such party in its efforts to enforce its security interest in the DIP Collateral or the Prepetition Collateral, as applicable, and shall not take or direct any entity to take any action designed or intended to hinder or restrict in any respect such party from enforcing its security interests in the DIP Collateral or the Prepetition Collateral, as applicable.

18. Subsequent Reversal or Modification. This Interim Order is entered pursuant to, *inter alia*, section 364 of the Bankruptcy Code, and Bankruptcy Rules 4001(b) and (c), granting the DIP Secured Parties and Prepetition Secured Parties all protections afforded by section 364(e) of the Bankruptcy Code. payment of any fees required under this Interim Order or the DIP Loan Documents, (iii) the validity and enforceability of any lien, claim, obligation, right, remedy or priority authorized or created under this Interim Order or pursuant to the DIP Loan Documents as of such date, including any Adequate Protection Obligations, and (iv) the validity or enforceability of the Aron Rights.

Notwithstanding the foregoing, the terms and limitations of this paragraph shall not apply to a successful action on the part of the Debtors whereby under paragraph 17 of this Interim Order the Debtors obtain an order of the Court staying or otherwise modifying a Termination Event or a Cash Collateral Termination Event.

20. Restriction on Use of Proceeds of Inventory Financing Collateral. For the avoidance of doubt, nothing in this Interim Order authorizes the sale or use of Inventory Financing Collateral or proceeds thereof other than Cash Collateral.

21. Insurance Policies. Upon entry of this Interim Order, the DIP Lenders are, and are deemed to be, without any further action or notice (including endorsements), named as additional insured and loss payees on each insurance policy maintained by the Debtor which in any way relates to the DIP Collateral.

22. Collateral Rights. Except as expressly provided in the Approved Budget or permitted in this Interim Order or the DIP Loan Documents, in the event that any person or entity that holds a lien on or security interest in DIP Collateral of the Debtors' estates, that is junior or otherwise subordinate to the DIP Liens receives or is paid the proceeds of such DIP Collateral, prior to indefeasible payment in full in cash and the complete satisfaction of all DIP Obligations under the DIP Loan Documents, and termination of the commitments under the DIP Loan Documents, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such DIP Collateral of the Debtors' estates, in trust for the DIP Lenders, and shall immediately turnover such proceeds to the DIP Agent for application in accordance with the DIP Loan Documents and this Interim Order. Except as expressly provided in the Approved Budget or permitted in this Interim Order or the applicable Prepetition Secured Document, in the event that any person or entity that holds a lien on or security interest in any collateral securing the obligations under any Prepetition Secured Document that is junior or otherwise subordinate to the lien in favor of the applicable Prepetition Secured Parties receives or is paid the proceeds of such collateral prior to indefeasible payment in full in cash and the complete satisfaction of all obligations under the applicable Prepetition Secured Document, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such collateral in trust for the applicable Prepetition Secured Parties, and shall immediately turn over such proceeds

to the applicable Prepetition Secured Parties or their respective agents for application in accordance with the relevant Prepetition Secured Document and this Interim Order.

23. Prohibition on Additional Liens. Except as provided in the DIP Loan Documents, the Prepetition Secured Documents, and this Interim Order, the Debtors shall be enjoined and prohibited from, at any time during the Chapter 11 Cases until such time as the DIP Obligations and obligations under the Prepetition Secured Documents have been indefeasibly paid in full, granting liens on or security interests in the DIP Collateral or the collateral securing the obligations under the Prepetition Secured Documents or any portion thereof to any other entities, pursuant to section 364(d) of the Bankruptcy Code or otherwise, which liens are junior to, senior to, or *pari passu* with the DIP Liens, the Prepetition Secured Parties' Adequate Protection Liens, or the liens in favor of the Prepetition Secured Parties.

24. No Waiver. This Interim Order shall not be construed in any way as a waiver or relinquishment of any rights that any of the DIP Secured Parties or the Prepetition Secured Parties may have to bring or be heard on any matter brought before this Court.

25. Sale/Conversion/Dismissal/Plan.

(a) No order providing for either the sale of the ownership of the stock of the Debtors or the sale of all or substantially all of the assets of the Debtors under section 363 of the Bankruptcy Code shall be entered by the Court unless, in connection and concurrently with any such event, (X) the Prepetition Secured Parties consent to the entry of such order and (Y) (i) the proceeds of any DIP Collateral included in such sale shall, subject to the prior satisfaction of any Permitted Prior Liens encumbering such DIP Collateral, be used to indefeasibly pay in full in cash and completely satisfy the DIP Obligations and the obligations under the Secured Financing Documents, and the commitments under the DIP Loan Documents are terminated; (ii) such sale is

expressly permitted under the DIP Loan Documents; or (iii) the DIP Agent and Prepetition Secured Parties otherwise consent.

(b) If an order dismissing or converting the Chapter 11 Cases under sections 305 or 1112 of the Bankruptcy Code or otherwise or an order appointing a chapter 11 trustee or an examiner with expanded powers is at any time entered:

i. Unless otherwise agreed to by the DIP Agent, such order shall provide that the Debtors, in each case subject to the Carve-Out and the Permitted Prior Liens, be subject to (a) the DIP Liens, the liens in favor of the Prepetition Secured Parties, the Aron Rights, the DIP Superpriority Claims, the DIP Obligations, the Adequate Protection Liens, and the DIP Loan Documents, which shall continue in full force and effect, remain binding on all parties-in-interest, and maintain their priorities as provided in this Interim Order until all DIP Obligations hereunder and all obligations under the DIP Credit Agreement are indefeasibly paid in full in cash and completely satisfied and the commitments under the DIP Loan Documents are terminated in accordance with the DIP Loan Documents, (b) the Prepetition Liens, Prepetition Secured Parties' Adequate Protection Liens, and any other Adequate Protection Obligations granted or conferred to the Prepetition Secured Parties shall continue in full force and effect, remain binding on all parties-in-interest and maintain their priorities as provided in this Interim Order until all Prepetition Secured Obligations are indefeasibly paid in full in cash and completely satisfied (and that such Prepetition Secured Parties' Adequate Protection Liens, and other Adequate Protection Obligations granted to or conferred on the Prepetition Secured Parties shall, notwithstanding such dismissal or conversion, remain binding on all parties) and (c) all postpetition indebtedness, obligation, or liability incurred by the Debtors to the DIP Secured Parties or the Prepetition Secured Parties prior to the date of such order, including, without limitation, the DIP Obligations and the

Adequate Protection Obligations, shall be governed in all respects by the original provisions of this Interim Order unless the Final Order has been entered, in which case the Final Order shall govern, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges, and benefits granted herein and in the DIP Loan Documents,; and

ii. to the extent permitted by applicable law, this Court shall retain jurisdiction, notwithstanding such dismissal, for purposes of enforcing the DIP Liens. the DIP Superpriority Claims, the Prepetition Liens, the Prepetition Secured Parties' Adequate Protection Liens, the Aron Rights, and any other Adequate Protection Obligations.

26. Modifications of the Approved Budget. Without further Order of the Court, the Debtors are hereby authorized to implement, in accordance with the terms hereof and upon the consent of the DIP Agent and each Prepetition Agent, any modifications to the Approved Budget with such modification being in writing, *provided, however*, that (a) each Prepetition Agent shall be deemed to have consented to any such modification if it has not objected to the proposed modification (i) within the greater of twenty-four (24) hours and one (1) business day after written email notice of such modification to counsel to such Prepetition Agent, or (ii) in the case of an Emergency Expense (as defined below) in excess of \$250,000, within twelve (12) hours after written email notice of such proposed modification to counsel to such Prepetition Agent, and (b) no consent of the Prepetition Agents shall be necessary if each of the following conditions is satisfied: (i) the chief restructuring officer has certified, in writing, to the DIP Agent and the Prepetition Agents that the expense is necessary to (A) prevent irreparable harm to the value of the Prepetition Collateral or DIP Collateral, or (B) protect against an imminent harm to the public safety (any such certified expense described in the foregoing clauses (A) or (B) an "Emergency

Expense”), (ii) such Emergency Expense is less than \$250,000, and (iii) the aggregate amount of all Emergency Expenses does not exceed \$500,000.

27. Priority of Terms. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Loan Documents, the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Interim Order, on the other hand, unless such term or provision herein is phrased in terms of “as defined in” or “as more fully described in” the DIP Loan Documents or another document or agreement or words of similar import, the terms and provisions of this Interim Order shall govern.

28. No Third-Party Beneficiary. Except as explicitly set forth herein, no rights are created hereunder for the benefit of any third party, any creditor or any direct, indirect or incidental beneficiary.

29. Rights Under Sections 363(k) and 1129(b). The full amount of the DIP Obligations or the Prepetition Secured Obligations may be used to “credit bid” for the assets and property of the Debtors (other than any collateral in respect of the J. Aron Obligations) on a dollar-for-dollar basis, as provided for in section 363(k) of the Bankruptcy Code, in accordance with the terms of the DIP Loan Documents and this Interim Order, as applicable, without the need for further Court order authorizing the same and whether such sale is (a) pursuant to section 363, (b) pursuant to a plan of reorganization, or (c) by a chapter 7 trustee because, among other things, the denial of such rights would result in the DIP Secured Parties and the Prepetition Secured Parties not receiving the indubitable equivalent of their claims.

30. Discharge Waiver/Release. Neither the DIP Obligations nor the Adequate Protection Obligations shall be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d)

of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash, or granted such other treatment as the Debtors and the DIP Secured Parties, in the case of the DIP Obligations, and the Prepetition Secured Parties, in the case of Adequate Protection Obligations, may agree upon, on or before the effective date of such confirmed plan of reorganization.

31. Preservation of Prepetition Priorities. Nothing in this Interim Order is intended to change or otherwise modify the prepetition priorities among prepetition secured creditors of the Debtors, including (i) any lien or recoupment rights to the extent such liens or rights are valid, enforceable, nonavoidable and perfected, (ii) any claims of the lienholders or any other mechanic or materialmen to the extent their liens are valid, enforceable, non-avoidable and perfected, including as permitted by section 546(b) of the Bankruptcy Code, or (iii) any relative rights and priorities of the Prepetition Secured Parties in that certain Collateral Agency and Intercreditor Agreement, dated as of November 20, 2018, as it may be amended, modified or supplemented, by and among certain of the Debtors and the Prepetition Agents, and nothing in this Interim Order, including the granting of adequate protection liens or DIP Liens, shall be deemed to have changed or modified such prepetition priorities, all of which are hereby expressly preserved. The preservation of prepetition priorities expressly includes lien, setoff, recoupment, contract, and other security rights.

32. Proofs of Claim. Notwithstanding anything to the contrary contained in any prior or subsequent order of the Court, neither the DIP Agent nor any of the DIP Lenders shall be required to file proofs of claim in the Chapter 11 Cases for any claim allowed herein in or otherwise in relation to the DIP Loan Documents. In addition, the Prepetition Secured Parties shall not be required to file proofs of claim in the Chapter 11 Cases for any claim allowed herein or otherwise in relation to the Prepetition Secured Obligations, and the stipulations contained Section F and G

of this Interim Order shall be deemed to constitute a timely-filed proof of claim for the Prepetition Secured Parties in respect of the Prepetition Secured Obligations.

33. Best Efforts. If requested to do so by the DIP Agent and consented to by the Prepetition Secured Parties in writing, or by the Prepetition Secured Parties, the Debtors shall use their best efforts (subject to applicable law, including, without limitation, the Debtors' fiduciary duties thereunder) to assist and cooperate with the sale of the DIP Collateral or the collateral securing the obligations under the Prepetition Secured Documents.

34. No Consent. No action, inaction, or acquiescence by the DIP Secured Parties, including funding the Debtors' ongoing operations under this Interim Order, or the Prepetition Secured Parties shall be deemed to be or shall be considered as evidence of any alleged consent by the DIP Secured Parties or the Prepetition Secured Parties to a charge against the DIP Collateral or the Prepetition Collateral pursuant to sections 506(c), 552(b) or 105(a) of the Bankruptcy Code.

35. No Marshaling; Equities of the Case. Subject to entry of the Final Order, neither the DIP Secured Parties nor the Prepetition Secured Parties shall be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the Prepetition Collateral or the liens securing the obligations under the Prepetition Secured Documents. Subject to entry of the Final Order, the "equities of the case" exception of section 552(b) of the Bankruptcy Code shall not apply to the DIP Agent with respect to the DIP Loan Documents and/or the DIP Collateral or the Prepetition Secured Parties with respect to the Prepetition Secured Documents and/or the Prepetition Collateral.

36. Section 506(c) Waiver. Subject to entry of the Final Order, no costs or expenses of administration or other charge, lien, assessment, or claim incurred at any time (including any expenses set forth in the Approved Budget) by any Debtors or any other person or entity shall be

imposed against any or all of the DIP Secured Parties or the Prepetition Secured Parties, their respective claims, or their respective collateral under Section 506(c) of the Bankruptcy Code or otherwise, and the Debtors, on behalf of their estates, waive any such rights.

37. Indemnification. The indemnification provisions set forth in Section 10.02 of the DIP Credit Agreement are hereby approved.

38. Break Up Fee. In the event that alternative DIP financing is approved before entry of the Final Order with a lender other than the DIP Lenders, the Debtors shall pay the DIP Agent a break up fee of \$250,000 in lieu of the Deferred Commitment Fees set forth in the DIP Loan Documents.

39. No Duty to Monitor Compliance. The DIP Agent, DIP Lenders and the Prepetition Secured Parties may assume the Debtors will comply with this Interim Order and the Approved Budget and shall not (a) have any obligation with respect to the Debtors' use of Cash Collateral or proceeds of the DIP Financing (other than their consent to the use of Cash Collateral or proceeds of the DIP Financing in accordance with and subject to terms of this Interim Order); (b) be obligated to directly pay any expenses incurred or authorized to be incurred pursuant to this Interim Order (including any amounts specified in the Approved Budget); or (c) be obligated to ensure or monitor that sufficient Cash Collateral or proceeds of the DIP Financing exists to pay any expenses incurred or authorized to be incurred pursuant to this Interim Order.

40. Adequate Notice. The notice given by the Debtors of the Interim Hearing was given in accordance with Bankruptcy Rules 2002 and 4001(c)(2) and the Bankruptcy Local Rules. Under the circumstances, no further notice of the request for the relief granted at the Interim Hearing is required. The Debtors shall promptly serve copies of this Interim Order and notice of the Final

Hearing to any person included on the master service list approved or established in this case within two (2) Business Days of the Interim Order Entry Date.

41. Binding Effect Successors and Assigns. Except as set forth in paragraph 42 of this Interim Order, the DIP Loan Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties-in-interest in this Chapter 11 Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, the Committee or examiner appointed in these Chapter 11 Cases, and the Debtors, and their respective successors and assigns (including any trustee or fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estate of the Debtors) whether in these Chapter 11 Cases, in any Successor Cases, or upon any dismissal of any such chapter 11 or chapter 7 case and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties and the Debtors, and their respective successors and assigns, *provided, however*, that the agreement of the DIP Secured Parties to extend financing under the DIP Loan Documents and the Prepetition Secured Parties' consent to the use of Cash Collateral, in each case, shall terminate upon the appointment of any chapter 7 or 11 trustee, examiner with expanded powers, or similar responsible person appointed for the estates of the Debtors. In determining to make any loan (whether pursuant to the DIP Loan Documents, a promissory note, or otherwise), consenting to the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Loan Documents, the DIP Secured Parties and the Prepetition Secured Parties shall not (i) be deemed to be in control of the operations of the Debtors, or (ii) owe any fiduciary duty to the Debtors, or their creditors, shareholders, or estates. Except as set forth in paragraph 42 of this Interim Order, each stipulation, admission, and agreement contained in sections E, F, G and I of this Interim Order shall also be binding upon all persons and entities, including the Debtors,

their estates, any Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors or any other person acting on behalf of the Debtors' estates, under all circumstances and for all purposes, subject to the Challenge Period as defined below.

42. Effect of Stipulations. The stipulations, waivers and releases contained in sections F, G, and I of this Interim Order with respect to the Prepetition Secured Parties (the "Debtors' Stipulations") shall be binding upon the Debtors and their estates in all circumstances immediately upon entry of this Interim Order. The Debtors' Stipulations shall be binding upon each party in interest (other than the Debtors and their estates), including the Committee, if any, and any chapter 11 trustee (or if any of these Chapter 11 Cases are converted to a case under chapter 7 prior to the expiration of the Challenge Period (defined below), the chapter 7 trustee in such Successor Case), together with each of their respective representatives, subsidiaries, successors and assigns, unless (a) such party (subject in all respects to any agreement or applicable law which may limit or affect such entity's right or ability to do so), with the requisite standing granted by the Court, has timely and properly filed an adversary proceeding by no later than the date that is the earlier of (i) the effective date of a confirmed chapter 11 plan, and (ii) the day that is sixty (60) days from the date of the entry of this Interim Order (or, in the case of the Committee, sixty (60) days from the date of the appointment of the Committee (as such date may be extended by the applicable Prepetition Secured Party in writing or by order of the Court)) (the "Challenge Period"), (x) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the debt or liens referenced in the Debtors' Stipulations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code) or otherwise objecting to the admissions, stipulations, findings, or releases included in the Debtors' Stipulations; or (y) otherwise asserting or prosecuting any cause of action for preferences, fraudulent transfers or conveyances, or any cause of action

challenging the actions or inactions of any of the Prepetition Secured Parties, including any claim against any or all of the Prepetition Secured Parties in the nature of a “lender liability” cause of action, or any other offsets, setoffs, recoupments, challenges, objections, defenses, claims, counterclaims, or causes of action of any kind or nature, whether in these Chapter 11 Cases or any subsequent chapter 7 cases, against any of the Prepetition Secured Parties on behalf of the Debtors’ estates, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law (clauses (x) and (y) collectively, the “Challenges” and, each individually, a “Challenge”); and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such Challenge in any such duly filed adversary proceeding; provided, that, as to the Debtors, all such Challenges and proceedings are hereby irrevocably waived and relinquished as of the Petition Date. Any complaint or motion for standing filed in, or in connection with, any Challenge proceeding shall set forth with specificity the basis for such Challenge and any Challenges not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred. If no adversary proceeding or contested matter is timely filed prior to the expiration of the Challenge Period or the court does not rule in favor of the plaintiff in any such Challenge proceeding, without further order of the Court: (v) the Debtors’ Stipulations, including the releases, shall be binding on all parties in interest including, without limitation, the Committee, if any, and any trustee (including any chapter 7 trustee); (w) any and all Challenges by any party in interest shall be deemed to be forever released, waived, and barred; (x) the claims of the Prepetition Secured Parties shall constitute allowed claims, not subject to counterclaim, setoff, recoupment, offset, any cause of action of any kind, challenge, or defense (including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable

or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in these Chapter 11 Cases and any subsequent chapter 7 case; (y) the liens of the Prepetition Secured Parties shall be deemed legal, valid, binding, perfected, not subject to defense, counterclaim, recharacterization, subordination, or avoidance; and (z) the Prepetition Secured Parties (and their respective agents, affiliates, subsidiaries, directors, officers, manager, representatives, attorneys, and advisors) shall not be subject to any other or further Challenge or investigation in respect of any Challenge by any person. If any such adversary proceeding is timely filed prior to the expiration of the Challenge Period, the Debtors' Stipulations, shall nonetheless remain binding and preclusive on the Committee, if any, and any parties in interest, including any trustee, except as to any such findings and admissions that were expressly challenged in such adversary proceeding (it being understood that any non-challenging parties are bound). Nothing in this Interim Order vests or confers on any person, including the Committee, if any, standing or authority to pursue any claims or cause of action belonging to the Debtors or their estates, including, without limitation, a Challenge in a Challenge proceeding. For the avoidance of doubt and notwithstanding the foregoing, (i) the Debtors' stipulations, admissions, and releases contained in Paragraph E of this Interim Order will not be subject to a Challenge or the Challenge Period, and (ii) the DIP Secured Parties agree they will not file a Challenge and will not join in, fund, solicit, encourage or support any Challenge or request to extend the Challenge Period, *provided, however*, that, subject to entry of the Final Order, in the event of a successful Challenge by a party other than the DIP Secured Parties, any property that would otherwise constitute DIP Collateral pursuant to the terms hereof shall, in fact, become DIP Collateral, and the DIP Liens shall attach thereto in the same order and priority as set forth herein. In the event that there is a

timely successful Challenge brought pursuant to this paragraph, the Court shall retain jurisdiction to fashion an appropriate remedy.

43. Reservation of Rights. Except as expressly authorized in this Interim Order or as otherwise expressly accepted in writing by the Prepetition Secured Parties, the Prepetition Secured Parties' consent to this Interim DIP Order and any action, inaction, or acquiescence by the Prepetition Secured Parties in connection with this Interim DIP Order (collectively, "Prepetition Secured Parties' Actions"), whether preceding or after the date hereof, shall not be deemed to constitute, evidence or imply any consent, acquiescence, or agreement to, waiver, or any course of dealing or course of conduct (collectively, "Consent"), in connection with any future debtor-in-possession financing, any future use of Cash Collateral, any additional priming liens, or other actions, inactions, relief or requests by the Debtors or DIP Lenders in the future (collectively, "Future Actions"). The Prepetition Secured Parties reserve all rights to object to, challenge and contest any Future Action, and no Debtor, DIP Lender, or Prepetition Secured Party shall assert that any Prepetition Secured Parties' Action constitutes any Consent to any Future Action.

44. Headings. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

(vii) Concurrently with each prepayment made pursuant to clauses (b)(i) through (b)(v), the Borrower shall deliver to the Administrative Agent a certificate of a Responsible Officer demonstrating the calculation of the relevant amount. In the event that the Borrower shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, the Borrower shall promptly make an additional prepayment of the Advances and the Borrower shall concurrently therewith deliver to the Administrative Agent in the amount of such excess a certificate of a Responsible Officer demonstrating the derivation of such excess.

(viii) Each prepayment made pursuant to this Section 2.04(b) shall be applied ratably, to prepay the Advances until all outstanding Advances are paid in full together with all amounts referred to in clause (ix) below.

(ix) All prepayments under this Section 2.04(b) shall be made together with (A) accrued and unpaid interest to the date of such prepayment on the principal amount prepaid, and (B) any amounts owing pursuant to Section 10.02(g) and, in each case, the amount of principal prepaid shall be correspondingly reduced by the amounts required to be paid pursuant to this clause (ix).

The obligation of the Borrower to pay all such PIK Interest so added shall be automatically evidenced by any Notes issued to the Lenders (without modification or reissuance thereof). Notwithstanding the foregoing, the Borrower may pay any PIK Interest in cash so long as such payment will allow the Borrower to comply with the DIP Budget.

The Commitment shall automatically be permanently reduced on each date of Borrowing of Advances (after giving effect to the Advances incurred on such date) by an amount equal to the aggregate principal amount of the Advances incurred on such Borrowing date.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to clause (b) above shall be conclusive evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower, under this Agreement, absent manifest error; *provided* that the failure of the Administrative Agent to make an entry, or any finding that an entry is incorrect, which, in either case, shall be promptly corrected, in the Register shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

Each Borrower Party hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any UCC jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as all assets of such Borrower Party or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC, or (ii) as being of an equal or lesser scope or with greater detail, and (b) provide any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether such Borrower Party is an organization, the type of organization and any organization identification number issued to such Borrower Party and, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the Collateral relates. Such Borrower Party agrees to furnish any such information to the Collateral Agent promptly upon request. Notwithstanding the provisions of this Section 2.08(a), the Interim DIP Order and Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, enforceability, non-avoidability and priority of the Liens without the necessity of filing financing statements or amendments, and the Collateral Agent and the Lenders shall have the benefits of the Interim DIP Order, and after the Final Order Entry Date, and the Final DIP Order. Notwithstanding anything to the contrary in the Loan Documents, the parties hereto and all their respective successors and assigns acknowledge and agree that (x) all provisions of the Loan Documents (including,

without limitation, in respect of Collateral and the DIP Lien) are and shall be subject to the terms of the DIP Order, all Aron Rights and all rights and remedies of J. The Borrower and the Guarantors acknowledge that, pursuant to the Interim DIP Order or the Final DIP Order (as applicable), the Liens in favor of the Collateral Agent on behalf of the Secured Parties in all of such real property and leasehold interests shall be perfected without the recordation of any instruments of mortgage or assignment and the Collateral Agent and the Lenders shall have the benefits of the Interim DIP Order and, after the Final Order Entry Date, the Final DIP Order.

### ARTICLE III

#### OTHER PROVISIONS RELATING TO THE DIP FACILITY

SECTION 3.01 Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 7.01, the Borrower shall pay interest on overdue amounts (a) payable on demand at a rate of 11% *per annum*; and (b) to the fullest extent permitted by applicable law, the amount of any overdue interest, fee or other overdue amount payable under this Agreement or any other Loan Document to any Agent or any Lender that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate *per annum* equal at all times to 11% *per annum*. Payment or acceptance of the increased rates of interest provided for in this Section 3.01 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

SECTION 3.02 Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be separately agreed between the Borrower and such Agent (including those fees set forth in the Fee Letter).

SECTION 3.03 Change of Circumstances.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of “Excluded Taxes” and (C) Connection Income Taxes) on its Advances, Advance principal, Commitments or other obligations under the Loan Documents, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or the Advances made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing or maintaining the Advances or of maintaining its obligation to make the Advances, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) in each case by an amount which such Lender or other Recipient deems to be material, then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered; *provided* that (A) the Borrower shall not be responsible for costs under this clause (a) or clause (b) below if such costs were incurred more than 180 days prior to receipt by the Borrower of the demand from the affected Lender or other Recipient, as the case may be, pursuant to this clause (a) or clause (b) below, unless the requirement resulting in such increased costs became effective during such 180-day period and retroactively applies to a date occurring prior to such 180-day period, in which case the Borrower shall be responsible for all such additional amounts described in this clause (a) or clause (b) below from and after such date of effectiveness and (B) a Lender or other Recipient, as the case may be, claiming additional amounts under this Section 3.03 agrees to use commercially reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost that may thereafter accrue and would not, in the reasonable judgment of such Lender or other Recipient, as the case may be, be otherwise disadvantageous to such Lender or other Recipient, as the case may be. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender or other Recipient, as the case may be, shall be conclusive and binding for all purposes, absent manifest error.

(b) Capital Requirements. If any Change in Law affecting a Lender or any lending office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Advance made by such Lender to a level below that which such Lender or such Lender’s or holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy or liquidity) by an amount reasonably deemed by such Lender to be material, then from time to time, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company as specified in paragraph (a) or (b) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 3.03 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.04 Payments and Computations.

(a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off, not later than 12:00 noon (New York City time) on the day when due in Dollars to the Administrative Agent at the Administrative Agent's Account in same day funds, with payments being received by the Administrative Agent after such time being deemed to have been received on the next succeeding Business Day unless the Administrative Agent otherwise elects in its sole discretion. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by, or on behalf of, the Borrower is in respect of principal, interest, commitment fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender, to such Lenders for the account of their respective Applicable Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Assumption and recording of the information contained therein in the Register pursuant to Section 10.05(c), from and after the effective date of such Assignment and Assumption, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Assumption shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) All payments in respect of the principal amount of the Advances shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of the Advances on a date when interest is due and payable with respect to the Advances) shall be applied to the payment of interest then due and payable before application to principal.

(c) All other computations of fees, interest and commissions shall be made on the basis of a 360-day year and actual days elapsed (including the first day but excluding the last day; *provided* that, if the Advance is repaid on the same day on which it is made, one day's interest shall be paid on the Advance). Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest.

(e) If the Administrative Agent receives funds for application to the Obligations of the Borrower under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the Advance to which, or the manner in which, such funds are to be applied, the

Administrative Agent shall distribute such funds to each of the Lenders, in each case in accordance with such Lender's Pro Rata Share of the sum of the aggregate principal amount of the Advances outstanding at such time, in repayment or prepayment of such outstanding Advances or other Obligations then owing to such Lender and, if applicable, for application to such principal repayment installments thereof as the Administrative Agent shall direct.

(f) The Administrative Agent shall deem any payment by or on behalf of the Borrower under this Agreement that is not made in same day funds prior to 12:00 noon (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower and each Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 7.01(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 3.01 from the date such amount was due and payable until the date such amount is paid in full.

#### SECTION 3.05 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.05) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. Without duplication of any obligation under Section 3.05(b), the Borrower shall indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.05) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent

for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.05(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 3.05, the Borrower shall deliver to the Administrative Agent the original or a copy of a receipt issued by such Governmental Authority evidencing such payment and a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Recipient that is entitled to an exemption from or a reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Recipient, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Recipient is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.05(f)(ii)(A), (ii)(B) and (ii)(E) below) shall not be required if in the Recipient's reasonable judgment such completion, execution or submission would subject such Recipient to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Recipient.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a USVI Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 for U.S. Virgin Islands tax purposes;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) executed copies of IRS Form W-8ECI for U.S. Virgin Islands tax purposes;

(2) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), (x) a certificate substantially in the form of Exhibit E-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands) (a “**USVI Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, in each case, for U.S. Virgin Islands tax purposes;

(3) in the case of a Foreign Lender claiming the benefits of the exemption pursuant to Section 543, Chapter 13, Title 33, of the U.S. Virgin Islands Code, (x) a certificate substantially in the form of Exhibit F-1 and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, in each case, for U.S. Virgin Islands tax purposes;

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a USVI Tax Compliance Certificate substantially in the form of Exhibit E-2, Exhibit E-3, Exhibit F-2, Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable, in each case, for U.S. Virgin Islands tax purposes; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, or the exemption described in the preceding clause (iii), such Foreign Lender may provide a USVI Tax Compliance Certificate substantially in the form of Exhibit E-4 or a certificate substantially in the form of Exhibit F-4, as applicable, on behalf of each such direct and indirect partner; or

(5) in the case of a Foreign Lender claiming the benefits of the exemption for a foreign government under Section 892 of the Internal Revenue Code (as applicable in the U.S. Virgin Islands, pursuant to Section 3.05(i)), executed copies of IRS Form W-8EXP for U.S. Virgin Islands tax purposes;

(6) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form or forms prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Virgin Islands withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(C) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal or U.S. Virgin Islands withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, including as applicable in the U.S. Virgin Islands), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code, including as applicable in the U.S. Virgin Islands) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (E), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) The Administrative Agent, and any successor or supplemental Administrative Agent that is not a USVI Person, shall deliver to the Borrower, on or prior to the date on which it becomes a party to this Agreement, a duly completed IRS Form W-9 for U.S. Virgin Islands tax purposes (or other appropriate IRS Form) with respect to payments to be received for its own account and shall assume primary responsibility for withholding under Chapters 3 and 4 of the Internal Revenue Code (as applicable in the U.S. Virgin Islands) with respect to payments to be received for the account of other Recipients, with the effect that the Borrower Parties may make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the U.S. Virgin Islands.

Each Recipient agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.05 (including by the payment of additional amounts pursuant to this Section 3.05), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.05 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Defined Terms. For purposes of this Section 3.05, the term “applicable law” includes FATCA.

(i) Section 892 of the Internal Revenue Code. The parties to this Agreement acknowledge that, as of the date of this Agreement, Section 892 of the Internal Revenue Code was in effect for U.S. Virgin Islands tax purposes, by virtue of the “mirror” system by which the Internal Revenue Code is applied to the U.S. Virgin Islands. The parties to this Agreement further agree, absent a Change in Law, to treat Section 892 of the Internal Revenue Code as being in effect for U.S. Virgin Islands tax purposes by virtue of such “mirror” system, for purposes of determining and applying U.S. Virgin Islands withholding taxes on interest payments pursuant to this Agreement. The incorrectness of the acknowledgment in the first sentence of this Section 3.05(i) shall not result in any obligation of any Borrower Party to indemnify or pay additional amounts on account of any Excluded Taxes.

(j) Survival. Each party’s obligations under this Section 3.05 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 3.06 Sharing of Payments, Etc. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on the Advances or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Advances and accrued interest thereon or other such obligations greater than its Pro Rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Advances and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Advances and other amounts owing them; *provided that*:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 3.06 shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in its Advances to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section 3.06 shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

SECTION 3.07 Use of Proceeds. The proceeds of the Advances shall be used only for (i) fees, costs, and expenses related to the Chapter 11 Cases (including any fees, costs, and expenses related to the DIP Facility and the professional fees and expenses of the Borrower Parties, the DIP Agent, and the DIP Lenders), (ii) post-petition operating expenses and working capital needs of the Borrower Parties including, but not limited to, those required to remain in, or return to compliance with the laws in accordance with 28 U.S.C. § 959, and such general and administrative expenses as are contained within the

DIP Budget, (iii) other disbursements contained within the DIP Budget, including those to pay (a) interest, fees and expenses (including attorneys' fees) to the Lenders in accordance with the DIP Facility; (b) income Taxes, (c) deposits made to utilities pursuant to an order of the Bankruptcy Court, (d) checks outstanding on the Petition Date that are re-issued in accordance with an order of the Bankruptcy Court, and (e) fees due the Office of the United States Trustee, (iv) payments of amounts due under certain settlement agreements entered into between the Loan Parties as described in the DIP Budget, (v) other expenditures permitted by the DIP Order, and (vi) costs and expenses incurred or to be incurred by the Borrower Parties in connection with the labor required to safely shut-down all operations at the Refinery and other facilities owned or operated by the Loan Parties, in any and all cases, subject to the other limitations set forth in, and to the extent and in amounts not to exceed the amounts expressly set forth for such fees, costs and expenses in, the DIP Budget, this Agreement, and the DIP Order; provided, that no proceeds of the DIP Facility or the DIP Collateral may be used to investigate, initiate, prepare, assert, join, commence, support, or prosecute proceedings or actions on account of any purported offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims of any kind against any Agent, the Lenders, or any of their affiliates or to investigate any such purported offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims.

SECTION 3.08 Security. Subject in each case to the entry and the terms of the DIP Order and the terms of the Loan Documents, the DIP Facility and the Obligations shall be entitled to superpriority administrative claim status pursuant to Section 364(c)(1) of the Bankruptcy Code in respect of each of the Borrower Parties, and the Obligations shall be and hereby are secured by valid, enforceable and non-avoidable first priority priming Liens, subject and subordinate only to the Carve-Out, the Aron Rights and all rights and remedies of J. Aron in connection with the Safe Harbor Agreements (as defined in the DIP Order), in and to the Collateral. Such Liens shall be granted pursuant to Sections 364(c)(2), (c)(3) and (d)(1) of the Bankruptcy Code (subject to any Permitted Liens) and the DIP Order shall provide that such Liens shall be automatically perfected upon the entry of the Interim DIP Order without the need for any further action by the Administrative Agent, the Lenders or the Borrower, including the filing of any financing statements or the recording of any mortgages.

SECTION 3.9. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders."

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.03 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of the Advances in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a Deposit Account and released pro rata in order to satisfy such

Defaulting Lender's potential future funding obligations with respect to the Advances under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if such payment is a payment of the principal amount of the Advances in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Advances of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Advances of such Defaulting Lender until such time as the Advances are held by the Lenders pro rata in accordance with the Commitments under the Facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 3.10(a) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. No Defaulting Lender shall be entitled to receive any fee pursuant to Section 3.02 for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and Lenders agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of the outstanding Advances of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Advances and funded and unfunded participations in Notes to be held pro rata by the Lenders in accordance with the Commitments under the Facility, whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

## ARTICLE IV

### CONDITIONS PRECEDENT

SECTION 4.01 Conditions Precedent to Closing Date. Section 2.01 of this Agreement shall become effective on and as of the first date (the "**Closing Date**") on which the Administrative Agent determines in its sole and absolute discretion that the following conditions precedent have been satisfied

SECTION 4.03 Notices. Any Funding Notice shall be executed by a Responsible Officer of the applicable Borrower Party or Borrower Parties in a writing (including by telecopier or electronic communication) delivered to the Administrative Agent.

## ARTICLE V

### REPRESENTATIONS AND WARRANTIES

SECTION 5.01 Representations and Warranties. In order to induce each Agent and each Lender to enter into this Agreement, each Borrower Party represents and warrants to such Agent and Lender (x) on the Closing Date, (y) on each Funding Date, and (z) on any other date that representations are required to be made by the Borrower Parties herein as follows, all of the items referenced in this Section 5.01:

(a) Organization; Requisite Power and Authority; Qualification. (i) any provision of any Loan Document after delivery thereof shall for any reason (except as the result of act or omission of the Agents or any other Secured Party) cease to be valid and binding on or enforceable against any Loan Party to it, or any such Loan Party shall so state in writing; or

(j) any Security Document or financing statement after delivery thereof shall for any reason (other than pursuant to the terms thereof or as a result of action taken by any Agent or any other Secured Party) cease to create a valid and perfected first (or second with respect to the Inventory Financing Collateral) priority lien on and security interest in the Collateral, to the extent contemplated hereby or thereby; or

(k) a Change of Control shall occur; or

(q) the Borrower or any other Borrower Party shall make (or shall have made) (A) any payment (as adequate protection or otherwise), or application for authority to pay, on account of any Pre-Petition Debt, other than (i) Pre-Petition Payments authorized by the Bankruptcy Court in the DIP Order (including the DIP Budget), any "first day" orders entered in the Chapter 11 Cases or any other orders of the Bankruptcy Court entered with the consent of (or non-objection by) the Administrative Agent in amounts consistent with the DIP Budget (and not otherwise prohibited by this Agreement or the DIP Order), or (ii) otherwise with the prior written consent of the Administrative Agent or (B) any other payment or disbursement (with the proceeds of the Advances or otherwise) other than in accordance with the DIP Budget; or

(r) the appointment by the Bankruptcy Court of a receiver and manager, receiver, interim receiver, trustee in bankruptcy or similar official in respect of any of the Borrower Parties; or

(s) any Borrower Party files, amends or modifies, or files a pleading seeking approval of, any order or document approved in the Chapter 11 Cases in a manner that is inconsistent with the Required Lenders' consent and approval rights under this Agreement and the other Loan Documents; or

(t) any of the Borrower Parties shall take any action in support of any matter set forth in Sections 7.01(m), (p)(ii), (p)(iv), (p)(viii), (r)(p)(xiii) or Section 7.01(s) or any other Person shall do so and such application is not contested in good faith by the Borrower Parties; or

(u) any Borrower Party shall file a motion, pleading or proceeding which could reasonably be expected to result in a material impairment of the rights or interests of the Administrative Agent or the Lenders or a determination by a court with respect to a motion, pleading or proceeding brought by another party which results in such a material impairment; or

(v) the failure of any Milestone to be timely satisfied; or

(w) an order shall be entered by the Bankruptcy Court or any other court of competent jurisdiction confirming a plan of reorganization or liquidation in any of the Chapter 11 Cases (or an order shall be entered by the Bankruptcy Court approving a disclosure statement related to such plan) other than a plan of reorganization that satisfies the Obligations in full in cash when due or any Borrower Party (or any direct or indirect parent of a Borrower Party) shall file, propose, support, or fail to contest in good faith the filing or confirmation of such a plan.

Upon the occurrence and continuance of any Event of Default, the Administrative Agent (acting on the instructions of the Required Lenders) or the Required Lenders may (notwithstanding the provisions of Section 362 of the Bankruptcy Code and without application or motion to, or order from, the Bankruptcy Court), subject to the terms, conditions and provisions of the DIP Order, by written notice to the Borrower and the U.S. Trustee, declare the Commitment to be terminated forthwith, whereupon the Commitment shall immediately terminate, and/or, by notice to the Borrower, declare its Loans hereunder, with accrued interest thereon, and all other Obligations owed to it under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable. Except as expressly provided above in this Section 7.01, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

Upon the occurrence and during the continuance of any Event of Default and subject to the terms of the DIP Order, the Administrative Agent and each of the Lenders may (i) exercise all of its rights and remedies set forth in any of the Loan Documents and the DIP Order, in addition to all rights and remedies allowed under any applicable law, including the UCC, and (ii) revoke the rights of the Borrower and the other Loan Parties to use Cash Collateral in which the Administrative Agent and the Lenders have an interest. None of the Administrative Agent or the Lenders shall have any obligation of any kind to make a motion or application to the Bankruptcy Court to exercise their rights and remedies set forth or referred to in this Agreement or in the other Loan Documents. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative and not alternative.

The Borrower Parties waive (i) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties or other property at any time held by the Administrative Agent or the Lenders on which the Loan Parties may in any way be liable and hereby ratify and confirm whatever the Lenders may lawfully do in this regard, (ii) subject to the terms of the DIP Order, all rights to notice and hearing prior to the Administrative Agent or the Lenders taking possession or control of the Collateral, or any bond or security which might be required by any court prior to allowing the Administrative Agent or the Lenders to exercise any of their remedies subject to the terms of the DIP Order, and (iii) the benefit of all valuation, appraisal and exemption laws. The Loan Parties acknowledge that they have been advised by counsel of their choice with respect to the effect of the foregoing waivers and this Agreement, the other Loan Documents and the transactions evidenced by this Agreement and the other Loan Documents.

Notwithstanding any other provision of any Loan Document to the contrary, during the Remedies Notice Period, (i) the Borrower Parties shall be permitted to continue to use Cash Collateral and proceeds of the Advances solely in the ordinary course of business in accordance with the DIP Budget and to satisfy the Carve-Out, and (ii) the Borrower Parties may seek emergency relief from the Bankruptcy Court during the Remedies Notice Period solely to seek a finding that no Event of Default has occurred.

The Required Lenders by written notice to the Administrative Agent may on behalf of the Lenders waive an existing Default or Event of Default and its consequences hereunder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Agreement; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. The Required Lenders, by written notice to the Administrative Agent, may on behalf of all of the Lenders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal or interest that has become due solely because of the acceleration) have been cured or waived.

SECTION 7.02 Application of Payments. Subject to the DIP Order, any payments and any proceeds of Collateral shall be applied in the following order:

- (a) First, to pay the incurred and unpaid fees, costs and expenses of the Lenders, the Administrative Agent and the Collateral Agent required to be reimbursed under the Loan Documents;
- (b) Second, to the Lenders to pay accrued and unpaid interest on the Advances;
- (c) Third, to the Lenders to pay all outstanding principal amounts in respect of the Advances;
- (d) Fourth, to the Administrative Agent or the Lenders in payment of any remaining Obligations;
- (e) Fifth, any balance remaining after the Obligations shall have been paid in full, in payment to the Pre-Petition Agents for distribution to the holders of Pre-Petition Debt, or to whomever may be lawfully entitled; and
- (f) Sixth, in payment to the Borrower.

## ARTICLE VIII

### THE AGENTS

SECTION 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints 405 Sentinel LLC to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and

each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Borrower Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to this Article VIII for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article X (including Section 10.02, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02 Rights of Lenders. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may affect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower Parties or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.04 and 7.01), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and

nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower or a Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

**SECTION 8.04** Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of the Advances that by their terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of the Advances. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**SECTION 8.05** Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

**SECTION 8.06** Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower and, so long as no Event of Default has occurred and is continuing, subject to the Borrower's written consent (not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "***Resignation Effective Date***"), then the retiring Administrative Agent may (but shall not be

obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above and, so long as no Event of Default has occurred and is continuing, subject to the Borrower's written consent (not to be unreasonably withheld or delayed). Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.02 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08 Withholding Taxes. To the extent required by applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.05, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 15 days after demand therefor, any and all Taxes and related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred

by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Taxes from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of applicable withholding Taxes ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts owing to such Lender under the Loan Documents against any amount due to the Administrative Agent under this **Error! Reference source not found.** The agreements in this **Error! Reference source not found.** shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of all other Obligations. This **Error! Reference source not found.** shall not impose any additional responsibility on the Borrower.

SECTION 8.09 Administrative Agent May File Proof of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Borrower, the Administrative Agent (irrespective of whether the principal of the Advances shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Advances and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 10.02) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 4.02.

SECTION 8.10 Collateral Matters. The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Borrower Party in connection therewith, nor shall the

Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

## ARTICLE IX

### GUARANTY

SECTION 9.01 Guarantee of Obligations. Each of the Guarantors hereby, jointly and severally, absolutely, unconditionally and irrevocably, guarantees, as primary obligor and not merely as surety, to the Administrative Agent, for the benefit of the Agent Parties and Lenders and their respective successors, indorsees, transferees and assigns, the prompt and complete payment in full in cash and performance by the Borrower and each other Loan Party when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations. Each of the Guarantors shall be liable under its guarantee set forth in this Section 3.01, without any limitation as to amount, for all present and future Obligations, including specifically all future increases in the outstanding amount of the Advances or other Obligations and other future increases in the Obligations. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all Obligations (including, without limitation, interest, fees, costs and expenses) that would be owed by any other obligor on the Obligations but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under any Debtor Relief Law involving such other obligor because it is the intention of each Guarantor and the Secured Parties that the Obligations which are guaranteed by such Guarantor pursuant hereto should be determined without regard to any rule of law or order which may relieve the Borrower or any other Loan Party or any Guarantor of any portion of such Obligations.

### SECTION 9.02 Limitation on Obligations Guaranteed.

(a) Notwithstanding any other provision hereof, the right of recovery against each Guarantor under this Article IX shall not exceed \$1.00 less than the lowest amount which would render such Guarantor's obligations under this Article IX void or voidable under applicable law, including, without limitation, the Uniform Fraudulent Conveyance Act, Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to the guaranty set forth herein and the obligations of each Guarantor hereunder. To effectuate the foregoing, the Administrative Agent and the Guarantors hereby irrevocably agree that the Obligations of each Guarantor in respect of the guarantee set forth in this Article IX at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor with respect thereto hereof not constituting a fraudulent transfer or conveyance after giving full effect to the liability under such guarantee set forth in this Article IX and its related contribution rights but before taking into account any liabilities under any other guarantee by such Guarantor. For purposes of the foregoing, all guarantees of such Guarantor other than the guarantee under this Article IX will be deemed to be enforceable and payable after the guaranty under this Article IX. To the fullest extent permitted by applicable law, this **Error! Reference source not found.** shall be for the benefit solely of creditors and representatives of creditors of each Guarantor and not for the benefit of such Guarantor or the holders of any Capital Stock in such Guarantor.

(b) Each Guarantor agrees that Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor under **Error! Reference source not found.** without impairing the guarantee contained in this Article IX or affecting the rights and remedies of any Agent Party or Lender hereunder.

SECTION 9.03 Nature of Guarantee; Continuing Guarantee; Waivers of Defenses Etc.

(a) Each Guarantor understands and agrees that the guarantee contained in this Article IX shall be construed as a continuing guarantee of payment and performance and not merely of collectability. Each Guarantor waives diligence, presentment, protest, marshaling, demand for payment, notice of dishonor, notice of default and notice of nonpayment to or upon the Borrower or any of the other Guarantors with respect to the Obligations. Without limiting the generality of the foregoing, this guarantee and the obligations of each Guarantor hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, set-off, defense, counterclaim, discharge or termination for any reason unless and until all of the Commitments shall have expired or been terminated and all Obligations and all other amounts payable under this Agreement shall have been paid in full in Cash.

(b) Each Guarantor agrees that the Obligations of each Guarantor hereunder are independent of the Obligations of each other Guarantor and of any other guarantee of the Obligations and when making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Agent Party or Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or other guarantee for the Obligations or any right of offset with respect thereto, and any failure by any Agent Party or Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Agent Party or Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(c) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by any Agent Party or Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment, remain liable for the Obligations unless and until all of the Commitments shall have expired or been terminated and all Obligations and all other amounts payable under this Agreement shall have been paid in full in Cash.

(d) Without limiting the generality of the foregoing, each Guarantor agrees that its obligations under and in respect of the guarantee contained in this Article IX and any security interest securing the Obligations shall not be affected by, and shall remain in full force and effect without regard to, and hereby waives all rights, claims or defenses that it might otherwise have (now or in the future) with respect to each of the following (whether or not such Guarantor has knowledge thereof):

(i) the validity or enforceability of this Agreement or any other Loan Document, any of the Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Agent Party or Lender;

(ii) any renewal, extension or acceleration of, or any increase in the amount of the Obligations, or any amendment, supplement, modification or waiver of, or any consent to departure from, the Loan Documents;

(iii) any failure or omission to assert or enforce or agreement or election not to assert or enforce, delay in enforcement, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under any Loan Document, at law, in equity or otherwise) with respect to the Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Obligations;

(iv) any change, reorganization or termination of the corporate structure or existence of the Borrower or any Guarantor or any of their Subsidiaries and any corresponding restructuring of the Obligations;

(v) any settlement, compromise, release, or discharge of, or acceptance or refusal of any offer of payment or performance with respect to, or any substitution for, the Obligations, or any subordination of the Obligations to any other obligations;

(vi) the validity, perfection, non-perfection or lapse in perfection, priority or avoidance of any security interest or lien, the release of any or all collateral securing, or purporting to secure, the Obligations or any other impairment of such collateral;

(vii) any exercise of remedies with respect to any security for the Obligations (including, without limitation, any collateral, including the Collateral securing or purporting to secure any of the Obligations) at such time and in such order and in such manner as the Administrative Agent and the Agent Parties and/or Lenders may decide and whether or not every aspect thereof is commercially reasonable and whether or not such action constitutes an election of remedies and even if such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy that any Guarantor would otherwise have, and without limiting the generality of the foregoing or any other provisions hereof, each Guarantor hereby expressly waives any and all benefits which might otherwise be available to such Guarantor under applicable law; and

(viii) any other circumstance whatsoever which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Obligations or which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower or any Guarantor for the Obligations, or of such Guarantor under the guarantee contained in this Article IX or of any security interest granted by any Guarantor, whether in a proceeding under any Debtor Relief Law or in any other instance.

(e) In addition each Guarantor further waives any and all other defenses, set-offs or counterclaims (other than a defense of payment or performance in full hereunder) which may at any time be available to or be asserted by it, the Borrower, or any other Guarantor or Person against any Agent Party or Lender, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations, accord and satisfaction and usury, other than following a Repayment Event.

#### SECTION 9.04 Rights of Reimbursement, Contribution and Subrogation.

In case any payment is made on account of the Obligations by any Guarantor or is received or collected on account of the Obligations from any Guarantor or its property:

(a) If such payment is made by a Guarantor or the Borrower or from its property in respect of the Obligations of another Guarantor, such Guarantor shall be entitled, subject to and upon (but not before) a Repayment Event, (A) to demand and enforce reimbursement for the full amount of such

payment from such other Guarantor and (B) to demand and enforce contribution in respect of such payment from each other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors (other than the Guarantor whose primary obligations were so guaranteed by the other Guarantors) based on the relative value of their assets and any other equitable considerations deemed appropriate by the court. For purposes of the foregoing, all guarantees of such Guarantor other than the guaranty under this Article IX will be deemed to be enforceable and payable after the guaranty under this Article IX.

(b) Any right of subrogation of any Guarantor or the Borrower shall be enforceable solely after a Repayment Event and solely against the Guarantors or the Borrower, and not against the Agent Parties and/or Lenders, and neither the Administrative Agent nor any other Agent Party or Lender shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any collateral securing or purporting to secure any of the Obligations for any purpose related to any such right of subrogation. If subrogation is demanded by any Guarantor, then, after a Repayment Event, the Administrative Agent shall deliver to the Guarantors making such demand, or to a representative of such Guarantors or of the Guarantors generally, an instrument satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or any other obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever collateral securing or purporting to secure any of the Obligations that may then exist that was not previously released or disposed of or acquired by the Administrative Agent.

(c) All rights and claims arising under this Section 9.04 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Guarantor or the Borrower as to any payment on account of either (x) the Obligations or (y) any other obligation that is secured by any collateral that also secures or purports to secure any of the Obligations, in each case made by it or received or collected from its property, shall be fully subordinated to the Obligations in all respects prior to a Repayment Event. Until a Repayment Event, no Guarantor may demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Guarantor in any bankruptcy case, receivership, or any proceeding under any Debtor Relief Laws, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Obligations. If any such payment or distribution is received by any Guarantor, it shall be held by such Guarantor in trust, as trustee of an express trust for the benefit of the Agent Parties and Lenders, and shall forthwith be transferred and delivered by such Guarantor to the Administrative Agent, in the exact form received and, if necessary, duly endorsed.

(d) The obligations of the Guarantors under this Agreement and the other Loan Documents, including their liability for the Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectability or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 9.04 or otherwise. The invalidity, insufficiency, unenforceability or uncollectability of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Agent Party or Lender against any Guarantor or its property. The Agent Parties and Lenders make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

SECTION 9.05 Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the Administrative Agent's office.

SECTION 9.06 Bankruptcy, Etc. The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding under any Debtor Relief Law, voluntary or involuntary, involving the Borrower or any Guarantor or by any defense which the Borrower or any Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding. To the fullest extent permitted by law, the Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any interest, fees, costs, expenses or other Obligations accruing or arising after the date on which such case or proceeding is commenced.

SECTION 9.07 Duration of Guaranty. The guarantee contained in this Article IX shall remain in full force and effect until a Repayment Event.

SECTION 9.08 Reinstatement. If at any time payment of any of the Obligations or any portion thereof is rescinded, disgorged or must otherwise be restored or returned by any Agent Party or Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, or if any Agent Party or Lender repays, restores, or returns, in whole or in part, any payment or property previously paid or transferred to such Agent Party or Lender in full or partial satisfaction of any Obligation, because the payment or transfer or the incurrence of the obligation is so satisfied, or is declared to be void, voidable, or otherwise recoverable under any state or federal law (collectively a "***Voidable Transfer***"), or because such Agent Party or Lender elects to do so on the reasonable advice of its counsel in connection with an assertion that the payment, transfer or incurrence is a Voidable Transfer, then, as to any such Voidable Transfer and as to all reasonable costs, expenses and attorney's fees of such Agent Party or Lender related thereto, the liability of each Guarantor hereunder will automatically and immediately be revived, reinstated, and restored and will exist as though the Voidable Transfer had never been made.

SECTION 10.02 Expenses, Indemnity; Damage Waiver.

(b) Indemnification by the Borrower Parties. The Borrower Parties shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "**Indemnatee**") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related reasonable and documented costs, expenses (including the reasonable and documented fees, charges and disbursements of any one firm of counsel for the Administrative Agent and one firm of counsel for the Lenders collectively, (if applicable) one local counsel in each appropriate jurisdiction for all such persons and, in the case of a conflict of interest between such persons, one additional counsel in each relevant jurisdiction to each group of such affected persons similarly situated taken as a whole), incurred by any Indemnatee or asserted against any Indemnatee by any Person (including the Borrower), other than by such Indemnatee and its Related Parties arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) the Advances or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials with respect to the Refinery or otherwise on or from any Real Estate Asset, any actual or alleged Hazardous Materials Activity related in any way to the Refinery or the Borrower Parties or any of their respective Subsidiaries or any actual or alleged violation of Environmental Law or Environmental Action related in any way to the Refinery or the Borrower Parties or any of their respective Subsidiaries (except to the extent caused, contributed to or exacerbated by any Indemnatee), or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower Parties, and regardless of whether any Indemnatee is a party thereto; *provided* that such indemnity shall not, as to any Indemnatee, be available to the extent that such

losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower Parties against an Indemnitee for a material breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower Parties have obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 10.02 shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section 4.02 shall be payable promptly, but in any event, not later than 10 days after demand therefor.

(f) Survival. Each party's obligations under this Section 4.02 shall survive the termination of the Loan Documents and payment of the obligations hereunder.

SECTION 10.03 Set-Off. If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the

Administrative Agent for further application in accordance with the provisions of Section 3.9 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

#### SECTION 10.04 Amendments and Waivers.

(a) Required Lenders' Consent. Subject to the terms of Section 2.04(b)(ix) and Section 10.04(c), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of the Required Lenders.

(b) Affected Lenders Consent. Without the written consent of each Lender (other than, in the case of (ix) below, a Defaulting Lender) that would be directly affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

- (ii) waive, reduce or postpone any scheduled mandatory repayment pursuant to Section 2.03 (but not prepayment);

- (x) waive any of the conditions specified in Section 4.01 or 4.02 without the consent of each Lender;
- (xi) amend Section 2.04 or Section 7.02 in any manner that would alter the sharing of payments thereunder;

(xii) amend, modify or waive any provision of this Agreement in a manner that would directly and adversely affect the rights and obligations of the Lenders disproportionately to any other class of Lenders without the consent of the Lenders of the adversely affected class.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall:

(i) release any material portion of the Collateral except as expressly provided in the Loan Documents (including Section 6.02(e) and Section 2.10(b));

(iii) amend, modify, terminate or waive any provision of Article II as the same applies to any Agent, or any other provision hereof of any Loan Document as the same applies to the rights, powers, privileges or obligations of any such Agent, in each case without the consent of such Agent;

(iv) subordinate the DIP Liens of the Lenders with the consent of each of the Lenders

(d) Amendments to Cure Ambiguities, Defects, etc. Notwithstanding the other provisions of this Section 10.04, the Borrower, the Collateral Agent (at the direction of the Administrative Agent) and the Administrative Agent may (but shall have no obligation to) amend or supplement the Loan Documents without the consent of any Lender: (i) to cure any ambiguity, defect or inconsistency, (ii) to make any change that would provide any additional rights or benefits to the Lenders or the Secured Parties, or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Security Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Security Documents.

(e) Execution of Amendments, etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.04 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

#### SECTION 10.05 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an

assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph Error! Reference source not found. of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Advances at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Advances at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes the Advances outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000, in the case of any assignment in respect of the DIP Facility, unless each of the Administrative Agent otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Advances or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 paid by the assigning Lender (or the assignee); *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; *provided, further*, that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. Notwithstanding anything to the contrary herein, no Lender may assign or transfer (including by participation) any of its Advances or any of rights or obligations hereunder or under the Loan Documents to any natural Person, any Defaulting Lender or any of its Subsidiaries, or any Affiliate of the Borrower Parties.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of the Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), and to pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon). Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof (including with respect to principal and interest) by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 3.04 and 4.02 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided*, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of and principal amounts (and stated interest) of the Advances owing to, each Lender pursuant to the terms hereof from time to time and the amount of any interest owing from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Register is intended to comply with Treas. Reg. Sections 5(f).103-1(c) and 1.871-14(c) and any obligation or Note issued under this Agreement is intended to be in "registered form" pursuant to such Treasury Regulations.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person, the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Advances owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) no Lender shall sell any participation that, when taken together with all other participations, if any, sold by such Lender, covers all of such Lender's rights and obligations under this Agreement, (iv) such Lender has caused its Participants to agree in writing to be bound by the provisions of Section 10.15 as if such Participant was a party hereto as a Lender and (v) the Borrower, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, (x) each Lender shall be responsible for the indemnity under Section 3.05(d) with respect to any payments made by such Lender to its Participant(s) and (y) no Participant shall have any rights under this Agreement or any of the other Loan Documents except as expressly set forth herein and each Participant's rights against the granting Lender in respect of any participation shall be limited to those set forth in the participation agreement (which shall not be in contravention of this Agreement).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement. Notwithstanding anything to the contrary herein, no Lender shall permit any Participant to have any voting rights or any right to control the vote of such Lender with respect to any amendment, modification, waiver, consent or other action hereunder or under any other Loan Document (except as to actions that would (1) reduce or forgive the principal amount of the Advances of such Lender, reduce the rate of or forgive any interest or premium thereon, or reduce or forgive any fees or other Obligations owed to such Lender or (2) extend the Maturity Date, with respect to such Lender's Advances). The Borrower agrees that each Participant shall be entitled to the benefits of Section 3.04, **Error! Reference source not found.** and 3.06 (subject to the requirements and limitations therein, as well as the requirements under Section 3.05(f) (it being understood that the documentation required under Section 3.05(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant shall not be entitled to receive any greater payment under Section 3.03 or 3.05, with respect to any participation, than its participating Lender would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Q with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.03 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 3.06 and Section 10.15 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Advances or other obligations under the Loan Documents and the amount of any interest owing from time to time (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, the Advances or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Advance or other obligation is in registered form for U.S. Virgin Islands tax purposes. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the

Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. The Participant Register is intended to comply with Treas. Reg. Sections 5(f).103-1(c) and 1.871-14(c) and any participation or Note under this Agreement is intended to be in “registered form” pursuant to such Treasury Regulations.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 10.06 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

SECTION 10.07 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of the Advances. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Section 3.04, Section 3.06, Section 10.02 and Section 10.04 and the agreements of Lenders set forth in Section 3.05(d), 8.03, and 10.02(c) shall survive the payment of the Advances and the reimbursement of any amounts drawn thereunder, and the termination hereof.

SECTION 10.08 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

SECTION 10.09 Marshaling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the Obligations. To the extent that the Borrower makes a payment or payments to the Administrative Agent or the Lenders (or to the Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 10.10 Severability. In case any provision in or obligation hereunder or under any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality

and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 10.11 Obligations Several; Independent Nature of Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

SECTION 10.12 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

SECTION 10.13 Governing Law; Jurisdiction, Etc.

(a) Governing Law. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Jurisdiction. Each Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each Loan Party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 10.13. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law. As an alternative method of service, each of the Borrower, LBRM and LBRO also irrevocably consents to the service of any and all

process in any such action or proceeding by the air mailing of copies of such process to such Borrower Party at its then-effective notice address pursuant to Section 10.01.

SECTION 10.14 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.15 Confidentiality. Each of the Administrative Agent and the Lenders agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being acknowledged and agreed by the Administrative Agent and the Lenders that any Affiliate or Related Party of such Person that is principally involved in the trading or hedging of commodities does not need to know, and will not be provided with, such information (other than a limited number of senior employees who are required, in accordance with industry regulations or such Person's internal policies and procedures, to act in a supervisory capacity and such Person's internal legal, compliance, risk management, credit or investment committee members, *provided* that no such persons will use such disclosed confidential information in connection with any trading or hedging of commodities of such Person or its Affiliates)) who are informed of the confidential nature of such Information and instructed to keep such Information confidential; (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the DIP Facility or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the DIP Facility; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Advances; *provided* that such Persons receiving such information are subject to confidentiality obligations substantially similar to this Section 10.15 or as may be reasonably acceptable to the Borrower.

For purposes of this Section, “**Information**” means all information received from the Borrower relating to Holdings, the Borrower or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower; *provided* that, in the case of information received from the Borrower after the date of this Agreement, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 10.16 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Advances made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Advances made hereunder is repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender’s option be applied to the outstanding amount of the Advances made hereunder or be refunded to the Borrower.

SECTION 10.17 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective on the Closing Date.

(b) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10.18 Patriot Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that

identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act and the Beneficial Ownership Regulation. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

SECTION 10.19 Non-Recourse to Equityholders; Certain Acknowledgements.

Anything herein or in the other Loan Documents to the contrary notwithstanding, the obligations of the Loan Parties under this Agreement and the other Loan Documents are obligations of the Loan Parties and do not constitute a debt or obligation of (and no recourse shall be had with respect thereto to) any of the direct or indirect holders of the Capital Stock of the Loan Parties or any of their respective Affiliates (in each case, other than the Loan Parties) or any shareholder, partner, member, officer, director, controlling Person, agent, representative, executive or employee of any such Person (collectively, other than the Loan Parties, the “***Non-Recourse Parties***”), except to the extent of the obligations of any such Non-Recourse Party expressly provided for in any of the Loan Documents to which it may become a party, if ever. Except in respect of any obligation of a Non-Recourse Party expressly provided in any Loan Document to which it may become a party (if ever), no action shall be brought against the Non-Recourse Parties, and no judgment for any deficiency upon the Obligations shall be obtainable, by any Secured Party against the Non-Recourse Parties and the Secured Parties shall look solely to the Loan Parties (but not to any Non-Recourse Party) in enforcing its rights and obligations under and in connection with the Obligations; *provided* that nothing contained in this Section 10.19 shall be deemed to release any Non-Recourse Party from liability for its own fraudulent actions, bad faith or willful misconduct or from any other obligation of such Non-Recourse Party contained in any other agreement to which such Non-Recourse Party is a party or to bar any counterclaim against any Person.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

Aron a first-priority security interest in and continuing lien (the “J. Aron Liens”) on the “Collateral” under and as defined in the J. Aron Security Agreement (“Inventory Financing Collateral”) which corresponds to the defined term “Inventory Financing Collateral” under and as defined in the A&R Depositary and Intercreditor Agreement. (b) J. Aron's IFF Property. J. Aron owns all right, title and interest in the IFF Property (as defined in the A&R Depositary and Intercreditor Agreement), which consists of Feedstock and Product owned by J. Aron. No Debtor has any right, title, or interest in the IFF Property, and accordingly, the IFF Property is not property of the estate under section 541 of the Bankruptcy Code.

(c) J. Aron Termination. On June 25, 2021 (the "J. Aron Early Termination Date"), as a result of certain events of default that had occurred and were continuing in respect of LBRM, LBR and LBRO, J. Aron properly and validly exercised its right pursuant to the J. Aron Transaction Documents of declaring an early termination date whereby, among other things, all commitments of J. Aron to provide any intermediation or to purchase or sell Feedstock or Products were terminated, all loans under the Financing Agreement became immediately due and payable and all of the obligations of the Transaction Entities under the J. Aron Transaction Documents (other than that certain Terminal Services Agreement (Included Locations), dated as of March 3, 2020, by and among LBT, LBRM and J. Aron) became due and payable on June 25, 2021. As a result of such early termination, pursuant to the J. Aron Supply and Offtake Agreement and as set forth in certain other of the J. Aron Transaction Documents, J. Aron has the right to liquidate and has commenced the liquidation of its own IFF Property.

(d) J. Aron Safe Harbor Agreements. J. Aron Liens on the Inventory Financing Collateral are valid, binding, enforceable, non-avoidable, and properly perfected and were granted to, or for the benefit of, J. Aron for fair consideration and reasonably equivalent value, (ii) the J. Aron Transaction Documents are fully enforceable in accordance with their terms; (iii) the J. Aron Liens were senior in priority over any and all other liens on the Inventory Financing Collateral, subject only to liens senior by operation of law or otherwise permitted by the J. Aron Transaction Documents (solely to the extent any such permitted liens were valid, properly perfected, nonavoidable, and senior in priority to the J. Aron Liens as of the Petition Date); (iv) the J. Aron Secured Obligations constitute legal, valid, binding, and non-avoidable obligations of the applicable Debtors enforceable in accordance with the terms of the applicable J. Aron Transaction Documents; (v) no offsets, setoffs, recoupments, challenges, objections, defenses, “claims” (as defined in the Bankruptcy Code), impairment, cross-claims,

counterclaims, or causes of action or any other challenge of any kind or nature by any person or entity to any of the J. Aron Liens or J. Aron Secured Obligations exist, and no portion of the J. Aron Liens or J. Aron Secured Obligations is subject to any challenge or defense, including avoidance, disallowance, disgorgement, recharacterization, attachment, reduction, recovery or subordination (whether equitable, contractual, or otherwise) under or pursuant to the Bankruptcy Code or applicable non-bankruptcy law or principles of equity or any other applicable domestic or foreign law or regulation by any person or entity; and (vi) the Debtors, each for itself and its estate, irrevocably waive, discharge, and release any right to challenge or contest any of the J. Aron Secured Obligations or J. Aron Liens, the priority of such obligations and liens, and the scope, extent, validity, non-avoidability, priority, enforceability, seniority, perfection, or extent of the J. Aron Liens and J. Aron Secured Obligations.

(g) Outstanding J. Aron Secured Obligations. As of the Petition Date, the applicable Debtors were indebted to J. Aron, without objection, defense, counterclaim or offset of any kind, in an amount not less than \$24,968,754.95 in principal amount of loans outstanding under the J. Aron Financing Agreement. In addition, J. Aron has commenced the process of liquidating all IFF Property in accordance with the terms of the Safe Harbor Agreements and the J. Aron Monetization Master Agreement and, if J. Aron is unable to liquidate such IFF Property and/or incurs losses or costs as a result of such liquidation and termination of J. Aron's rights and obligations under the Safe Harbor Agreements (including any Forward Contract Settlement Amount (as defined in the J. Aron Supply and Offtake Agreement)), the Debtors would be liable and owe to J. Aron, without objection, defense, counterclaim or offset of any kind, an aggregate amount of not less than such aggregate losses or costs, taking into account any gains, incurred or realized by J. Aron as a result of such liquidations and terminations with respect to the J. Aron

Transaction Documents. Given that the liquidation of J. Aron's IFF Property has only recently commenced, the S&O Settlement Amount (as defined in the J. Aron Supply and Offtake Agreement) cannot be determined at this time. Further, under the J. Aron Transaction Documents, the applicable Debtors are also liable to and owe J. Aron accrued (both before and after the Petition Date) and unpaid interest, fees, expenses and all other obligations under the J. Aron Transaction Documents, including attorneys', accountants', consultants', appraisers' and financial and other advisors' fees that are chargeable or reimbursable under the J. Aron Transaction Documents, plus Make-Whole Amounts (as defined in the J. Aron Monetization Master Agreement).

H. Definitions. The Revolver Secured Obligations, the Prepetition Term Obligations, and the J. Aron Secured Obligations are referred to collectively herein as the "Prepetition Secured Obligations." The Prepetition Debt Liens and the J. Aron Liens are referred to collectively herein as the "Prepetition Liens." The Prepetition Debt Collateral and the Inventory Financing Collateral are referred to collectively herein as the "Prepetition Collateral." The Revolver Transaction Documents, the Prepetition Term Documents, and the J. Aron Transaction Documents, as those terms are defined herein or in the Motion, are referred to collectively herein as the "Prepetition Secured Documents." The Prepetition Agents (as defined herein), Prepetition Secured Lenders and J. Aron are referred to collectively herein as the "Prepetition Secured Parties."

I. Stipulations Regarding Prepetition Secured Documents and the Prepetition Holdco Loan Documents. Upon entry of the Interim Order, subject to paragraphs J and 42, the Debtors acknowledge, represent, stipulate, and agree as follows and make the releases and waivers set forth below:

(a) No Control. The Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties do not control the Debtors or their properties or operations or have the

authority to determine the manner in which the Debtors' operations are conducted, and each of the Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties is not a control person or insider (as defined in the Bankruptcy Code) of the Debtors by virtue of any of the actions taken with respect to, in connection with, related to, or arising from any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents.

(b) No Claims, Causes of Action. As of the date hereof, there exist no claims or causes of action against the Prepetition Secured Parties or the Prepetition Holdco Loan Secured Parties arising from, related to or connected with any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents that may be asserted by the Debtors.

(c) Release. The Debtors forever and irrevocably release, waive, discharge, and acquit each of the Prepetition Secured Parties and the Prepetition Holdco Loan Secured Parties and each of their respective officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest (collectively, the "Prepetition Secured Releasees") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened as of the date hereof including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, existing as of the date of this Interim Order, arising out of, in connection with, or relating to any of the Prepetition Secured Documents or the Prepetition Holdco Loan Documents, and ancillary documentation, guarantees, security

documentation and collateral documents executed in support of the foregoing, the Prepetition Secured Obligations, the Prepetition Secured Holdco Debt Obligations, the Prepetition Liens, the Prepetition Holdco Financing Liens, J. Aron's title to or ownership of, or other rights in, the IFF Property and rights to setoff and net Margin (as defined in the J. Aron Monetization Master Agreement), and ancillary documentation, guarantees, security documentation and collateral documents executed in support of the foregoing or the transactions contemplated thereunder including, without limitation, (i) any avoidance, reduction, set off, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), so-called "lender liability" claims, counterclaims, cross-claims, recoupment, defenses, disallowance (whether equitable or otherwise), impairment, or any other challenges under the Bankruptcy Code or any other applicable domestic or foreign law or regulation by any person or entity, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and causes of action with respect to the validity, priority, perfection or avoidability of the liens or claims of the Prepetition Secured Parties or the Prepetition Holdco Loan Secured Parties.

J. Mezzanine Financing, Subordinated Notes, Prepetition Holdco Loan, and other Insider Obligations. Certain Prepetition Holdco Loan Secured Parties and Lenders are insiders or affiliates of the Debtors. Nothing herein shall constitute a finding or ruling by this Court in favor of any affiliate (as defined in the Bankruptcy Code) or other insider (as defined in the Bankruptcy Code) of any Debtor (an "Insider Creditor") that any obligation of any Debtor to such Insider Creditor ("Insider Obligation"), including any Prepetition Holdco Secured Debt Obligations, LBV Subordinated Notes, or LBRH II Holdco Loan held by an Insider Creditor, is valid, senior, enforceable, prior, perfected, or non-avoidable. Nothing herein shall constitute a finding of fact, admission, or stipulation in favor of, or enforceable by, any Insider Creditor. No Insider Creditor

shall be entitled to any proceeds or other distributions on account of any Insider Obligation or any adequate protection absent further order of the Court. Moreover, nothing shall prejudice the rights of any party-in-interest, including but not limited to the Debtors and the Committee, to challenge the validity, priority, enforceability, seniority, avoidability, perfection, or extent of any alleged Insider Obligation and/or related security interests held by an Insider Creditor. In addition, nothing herein shall be deemed a waiver of (a) the provisions of section 506(c) of the Bankruptcy Code, (b) any “equities of the case” under section 552(b) of the Bankruptcy Code, or (c) the equitable doctrine of “marshaling” or any similar doctrine with respect to any Insider Obligations, in each case after payment in full of the DIP Obligations and the Prepetition Secured Obligations. No Insider Creditor shall be entitled to any release described herein. Nothing in this paragraph shall affect or impact the Prepetition Secured Obligations or Prepetition Holdco Secured Debt Obligations that are not owned by any Insider Creditor, any liens securing such obligations, or any adequate protection granted to the Prepetition Secured Creditors.

K. Necessity of DIP Financing. The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under section 503 of the Bankruptcy Code, or other financing under sections 364(c) or (d) of the Bankruptcy Code, on equal or more favorable terms than those set forth in the DIP Loan Documents. A loan facility in the amount provided by the DIP Loan Documents is not available to the Debtors without (i) granting the DIP Agent, for the benefit of the DIP Secured Parties, superpriority claims and priming liens and security interests, pursuant to sections 364(c)(1), (2), (3), and 364(d) of the Bankruptcy Code, as provided in this Interim Order and the DIP Loan Documents and (ii) providing the Prepetition Secured Parties adequate protection as provided in this Interim Order. After considering all alternatives, the Debtors have concluded, in the exercise of their prudent business judgment, that the credit facility

provided under the DIP Loan Documents and the authorization to use Cash Collateral to be provided by the Prepetition Secured Parties represents the best and only working capital financing available to the Debtors at this time. The Debtors have been unsuccessful in their attempts to find any alternative financing. Additionally, the terms of the DIP Financing and the use of Cash Collateral are fair and reasonable and reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties. The Prepetition Secured Parties have consented to the entry of this Interim Order after extensive negotiations and would not have consented to entry of this Interim Order absent each of the bargained for protections for the Prepetition Secured Parties set forth in this Interim Order.

L. Purpose of DIP Financing. The Debtors require the DIP Financing described in the Motion and as expressly provided in the DIP Loan Documents and this Interim Order to: (i) pay costs, fees and expenses associated with or payable under the DIP Financing under the terms of this Interim Order; (ii) pay professional fees subject to the Approved Budget (as defined below); (iii) provide ongoing working capital requirements of the Debtors and to pay fees, costs, expenses and other administrative expenses relating to the Chapter 11 Cases (including payments related to Adequate Protection Obligations (as defined below)), in each case, subject to any necessary Court approvals and consistent with the Approved Budget subject to any Budget Variances (defined below); and (iv) make the currently identified capital expenditures and other payments of postpetition payables as permitted under the DIP Loan Documents and this Interim Order, in each case subject to the conditions as set forth herein and in the DIP Loan Documents and this Interim Order and consistent in all material respects with the Approved Budget and any Budget Variances.

M. Adequate Protection. The Prepetition Secured Parties are entitled to receive adequate protection to the extent of any diminution in value of their interests in their prepetition

collateral (including Cash Collateral) pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code resulting from the sale, lease, or use by the Debtors (or other decline in value) of the prepetition collateral (including Cash Collateral), the relief granted herein in favor of the DIP Secured Parties, and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code from and after the Petition Date (the “Adequate Protection Obligations”). Pursuant to sections 361, 363, and 507(b) of the Bankruptcy Code, as adequate protection, the Prepetition Secured Parties shall receive payment of their reasonable and documented professional fees, postpetition replacement liens, adequate protection payments and superpriority adequate protection claims in accordance with the terms of this Interim Order. Furthermore, the Prepetition Secured Parties will be entitled to certain reporting from the Debtors (including, among other things, copies of all reporting provided to the DIP Secured Parties) in accordance with the terms of this Interim Order. The adequate protection provided to the Prepetition Secured Parties herein is consistent with the Bankruptcy Code. The consent of the Prepetition Secured Parties to the use of Cash Collateral and the consent of the Prepetition Secured Parties to the priming of their liens by the DIP Liens (i) does not constitute, and shall not be construed as constituting, an acknowledgment or stipulation by the Prepetition Secured Parties that their respective interests in the Prepetition Collateral are adequately protected pursuant to this Interim Order or otherwise, and (ii) is conditioned upon entry of this Interim Order and does not and shall not be deemed to constitute consent other than pursuant to this Interim Order and the terms set forth herein. The adequate protection provided herein and other benefits and privileges contained herein are necessary (a) in order to protect the Prepetition Secured Parties from any diminution in value of their Prepetition Collateral and (b) to obtain the foregoing consents and agreements. Nothing herein shall prevent the Prepetition Secured Parties from seeking additional adequate protection to

the extent permitted by law or to the extent permitted in the Prepetition Secured Documents, as applicable. For the avoidance of doubt, this Interim Order shall be deemed to be a request by the Prepetition Secured Parties pursuant to section 363(e) of the Bankruptcy Code.

N. Approved Budget. Attached here as **Exhibit B** is a budget setting forth the Debtors' anticipated cash receipts and expenditures for the next three (3) weeks (the "Initial Approved Budget"). The "Approved Budget" shall mean the Initial Approved Budget, together with such modifications and amendments thereto as may be agreed to in form and substance by the DIP Agent and the ad hoc group of lenders under the Term Credit Agreement (the "Ad Hoc Term Lender Group"), the Term Administrative Agent, the Revolving Administrative Agent, and J. Aron (collectively with the Ad Hoc Term Lender Group, the Term Administrative Agent and Revolving Administrative Agent, and the Project Collateral Agent, the "Prepetition Agents"), subject to the conditions set forth in paragraph 26 hereof, which shall reflect the Debtors' good-faith projection of all weekly cash receipts and disbursements in connection with the operation of the Debtors' business during such three-week period, delivered pursuant to the terms of the DIP Loan Documents, delivered by the Debtors to counsel for the DIP Agent, the DIP Lenders and the Prepetition Agents. The DIP Agent and the Prepetition Agents hereby expressly reserve all of their rights with respect to the approval of any budget covering the period after the expiration of the Initial Approval Budget, and nothing contained herein shall be deemed or construed to constitute the consent of any of the DIP Agent or the Prepetition Agents to any such budget. The Approved Budget is an integral part of this Interim Order and has been relied upon by the DIP Secured Parties to provide DIP Financing and by the Prepetition Secured Parties to permit the use of Cash Collateral and consent to this Interim Order.

O. Good Cause. Based upon the record presented to the Court by the Debtors, it appears that the ability of the Debtors to obtain sufficient working capital and liquidity under the DIP Loan Documents and to use Cash Collateral is vital to the Debtors and the Debtors' estates and creditors. The Debtors reasonably believe that the liquidity to be provided under the DIP Loan Documents and from the use of Cash Collateral will enable the Debtors to continue to safely and efficiently suspend the operation of their refinery facility, preserve and maximize the value of their businesses, and provide the Debtors with sufficient funding to pursue the necessary proceedings to restructure the Debtor's outstanding obligations. Good cause has, therefore, been shown for the relief sought in the Motion on an interim basis and for scheduling the Final Hearing.

P. Good Faith. The DIP Secured Parties, the Prepetition Secured Parties and each of their respective affiliates, subsidiaries, parents, officers, shareholders, directors, employees, investment advisers and sub-advisers, attorneys, and agents have acted in good faith in negotiating the terms of the DIP Loan Documents and this Interim Order. The DIP Financing, the DIP Loan Documents and the use of Cash Collateral have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties and the Prepetition Secured Parties, and all of the obligations and indebtedness arising under, in respect of or in connection with the DIP Financing, the DIP Loan Documents and this Interim Order shall be deemed to have been extended by each of the DIP Secured Parties in accordance with the DIP Loan Documents, and the Prepetition Secured Parties' shall be deemed to have consented to the use of Cash Collateral, in good faith, as that term is used in section 364(e) of the Bankruptcy Code and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the DIP Obligations, the DIP Liens, the DIP Superpriority Claims and the Adequate Protection Obligations shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and the terms, conditions, benefits,

and privileges of this Interim Order regardless of whether this Interim Order is subsequently reversed, vacated, modified, or otherwise is no longer in full force and effect or the Chapter 11 Cases are subsequently converted or dismissed.

Q. Consideration. The Debtors will receive and have received fair consideration and reasonably equivalent value in exchange for access to the DIP Financing, and all other financial accommodations provided under the DIP Financing, the DIP Loan Documents and this Interim Order.

R. No Liability to Third Parties. The Debtors stipulate and this Court finds that in making decisions to advance loans to the Debtors, in administering any loans, in permitting the Debtors to use Cash Collateral, in accepting the Approved Budget or any future Approved Budget or in taking any other actions permitted by this Interim Order or the DIP Loan Documents, none of the DIP Secured Parties or Prepetition Secured Parties shall be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors.

S. Section 552. Subject to entry of a Final Order, in light of the subordination of their liens and super-priority administrative claims (i) in the case of the DIP Secured Parties, to the Carve Out and the Permitted Prior Liens, and (ii) in the case of the Prepetition Secured Parties, to the Carve Out and the DIP Liens, each of the DIP Secured Parties and the Prepetition Secured Parties is entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception shall not apply to any of the DIP Secured Parties or the Prepetition Secured Parties with respect to the proceeds, products, rents, issues or profits of any of the DIP Collateral or the Prepetition Collateral, and no expenses of administration of the Chapter 11 Cases or any future proceeding that may result therefrom, including liquidation in

bankruptcy or other proceedings under the Bankruptcy Code, may be charged against proceeds, product, offspring or profits from any of the DIP Collateral or the Prepetition Collateral under section 552(b) of the Bankruptcy Code. Subject to entry of the Final Order, the Debtors shall be deemed to have irrevocably waived, and to have agreed not to assert, any claim or right under section 552 of the Bankruptcy Code seeking to avoid the imposition of the DIP Liens, Prepetition Liens or the Prepetition Secured Parties' replacement liens granted under this Interim Order (the "Adequate Protection Liens") on any property acquired by any of the Debtors or any of their estates or, subject to the Carve Out, seeking to surcharge any costs or expenses incurred in connection with the preservation, protection or enhancement of, or realization by, the DIP Secured Parties or the Prepetition Secured Parties upon the DIP Collateral or the Prepetition Collateral, as applicable.

T. Immediate Entry of Interim Order. The Debtors have requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (c)(2). The permission granted herein to enter into the DIP Loan Documents, obtain funds thereunder and use Cash Collateral on an interim basis in accordance with the Approved Budget is necessary to avoid immediate and irreparable harm to the Debtors and their estates, and loss of valuable assets and rights of the Debtors' estates. This Court concludes that entry of this Interim Order is in the best interests of the Debtors and the Debtors' estates and creditors as its implementation will, among other things, allow for the continued flow of supplies and services to the Debtors necessary to enable the Debtors to safely and efficiently administer their refinery facility during the pendency of these Chapter 11 Cases. Based upon the foregoing findings, acknowledgements, and conclusions; and upon the record made before this Court at the Interim Hearing; and good and sufficient cause appearing therefor:

**IT IS HEREBY ORDERED:**

1. Disposition. The Motion is granted on an interim basis to the extent set forth herein, the DIP Financing described herein is authorized and approved, and the use of Cash Collateral and provision of adequate protection is authorized, in each case subject to the terms of this Interim Order and the DIP Loan Documents. Any objections to the Motion that have not previously been withdrawn, waived, settled, or resolved and all reservations of rights included therein are hereby denied and overruled on their merits. This Interim Order shall constitute findings of fact and conclusions of law.

2. Effectiveness. Subject to the terms hereof, this Interim Order shall be immediately valid upon signing by the Court and effective and enforceable upon the date entered on the docket in the Chapter 11 Cases (the “Interim Order Entry Date”).

3. Authorization of the DIP Financing and DIP Loan Documents.

(a) The Debtors are hereby authorized to execute and enter into the DIP Loan Documents. The DIP Loan Documents and this Interim Order shall govern the financial and credit accommodations to be provided to the Debtors by the DIP Lenders in connection with the DIP Financing.

(b) The Borrower is hereby authorized on an interim basis to borrow, and the Guarantors are hereby authorized on an interim basis to guarantee, up to the principal amount of \$5.5 million (plus such additional principal amounts due solely to payment of interest in-kind), pursuant to the terms of the DIP Loan Documents and this Interim Order and at the times set forth in the Approved Budget, all of which shall be used by the Debtors as expressly permitted by the DIP Loan Documents, this Interim Order, the Approved Budget and any Budget Variances. The Debtors are authorized to use proceeds of the DIP Financing in accordance with this Interim Order and the Approved Budget in an amount that would not cause either: (i) all line items other than

Professional Fees from varying from the applicable Approved Budget by more than twenty percent (20%) for each week during any budget period or ten percent (10%) on a cumulative basis for that portion of the budget period then ended; (ii) with respect to Professionals Fees, the Debtors may vary from the applicable budget by no more than ten percent (10%) on a cumulative basis for that portion of the Budget, and (iii) actual cash receipts, if any, received by the Borrower may not be less than ninety percent (90%) of the amounts set forth in the Budget (a “Budget Variance”). The variance reports showing budget to actual and any variance shall be delivered by the Debtors to the DIP Agent and counsel to each of the Prepetition Agents.

(c) In furtherance of the foregoing and without further approval of this Court, but subject to the terms of this Interim Order, the Debtors are authorized to, and, if so required under the terms of the DIP Loan Documents, directed to perform all acts to make, execute and deliver all instruments and documents (including, without limitation, the execution or recordation of security agreements, mortgages and financing statements), and to pay all related fees and expenses, that may be required or necessary for the Debtors’ performance of their obligations under the DIP Financing, including, without limitation:

i. the execution, delivery, and performance of the DIP Loan Documents, including, without limitation, any security and pledge agreements, and any mortgages contemplated thereby;

ii. subject to paragraph 10 hereof, the execution, delivery and performance of one or more amendments, waivers, consents, or other modifications to and under the DIP Loan Documents, in each case in such form as agreed among the Debtors and the required other parties as set forth in more detail in paragraph 10 below;

iii. the non-refundable payment of the fees referred to in the DIP Loan Documents, including the fees of the DIP Agent, and, subject to paragraph 8, costs and expenses payable under the DIP Loan Documents;

iv. make payments on account of the Adequate Protection Obligations provided for in this Interim Order; and

v. the performance of all other acts required under or in connection with the DIP Loan Documents.

4. DIP Obligations. This Interim Order and the DIP Loan Documents shall evidence the DIP Obligations, which DIP Obligations shall, upon execution of the DIP Loan Documents, be valid, binding and enforceable against the Debtors, their estates and any successors thereto, including, without limitation, any estate representative or trustee appointed in any of the Chapter 11 Cases, or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing, or upon the dismissal of any of the Chapter 11 Cases or any such successor cases (collectively, the “Successor Cases”), and their creditors and other parties-in-interest, in each case, in accordance with the terms of this Interim Order and the DIP Loan Documents. All obligations incurred, payments made, and transfers or grants of security and liens set forth in this Interim Order and the DIP Loan Documents by any Debtor are granted to or for the benefit of the Debtors for fair consideration and reasonably equivalent value, and are granted contemporaneously with the making of the loans and commitments and other financial accommodations secured thereby. No obligation, payment, transfer, or grant of security under the DIP Loan Documents or this Interim Order shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law, or subject to any avoidance, reduction, setoff, recoupment, offset,

recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaims, cross-claims, defenses, disallowance (whether equitable or otherwise), impairment, or any other challenges under the Bankruptcy Code or any other applicable foreign or domestic law or regulation by any person or entity.

5. Carve-Out. The Debtors' obligations to the DIP Secured Parties and the liens, security interests and superpriority claims granted herein and/or under the DIP Loan Documents, including the DIP Liens, the DIP Superpriority Claims, and the Adequate Protection Obligations, shall be subject and subordinate to the Carve-Out. "Carve-Out" shall mean (i) fees and expenses incurred by bankruptcy professionals (x) whose retention has been approved by the Bankruptcy Court which are incurred as of the delivery of the Carve-Out Trigger Notice (as defined below) and (y) provided for in the Approved Budget; (ii) fees and expenses in an amount not to exceed \$375,000 incurred from and after the delivery of a Carve-Out Trigger Notice (as defined below) by bankruptcy professionals whose retention has been approved by the Bankruptcy Court (the "Post-Termination Fee Carve-Out"); and (iii) fees owed pursuant to 28 U.S.C. §1930 or fees owed the clerk of the Bankruptcy Court. "Carve-Out Trigger Notice" shall mean the written notice, including by email, delivered by the DIP Agent (at the direction of the DIP Lenders) or, after the DIP Financing has been indefeasibly paid in full and in cash (a "DIP Repayment Event"), by any of the Prepetition Agents, to the Debtors, their counsel, the U.S. Trustee, and counsel to the Committee, and prior to a DIP Repayment Event, counsel to the Prepetition Agents, which notice may be delivered following the occurrence and during the continuation of an Event of Default or the Termination Date in accordance with the terms of the DIP Loan Documents or, following a DIP Repayment Event, following the occurrence and during the continuation of a Cash Collateral Termination Event (as defined below) or the Cash Collateral Termination Date (as defined below).

Notwithstanding the foregoing, the Carve-Out shall not include, apply to or be available for any fees or expenses incurred by any party in connection with the investigation, initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against any of the DIP Secured Parties, the Prepetition Secured Parties or any of their respective officers, directors, employees, agents, advisers and counsel, including, without limitation, challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset to, the obligations and the liens and security interests granted under the (i) DIP Loan Documents in favor of the DIP Agent, for the benefit of the DIP Secured Parties or (ii) the Prepetition Secured Documents, for the benefit of the Prepetition Secured Parties, as applicable. For the avoidance of doubt, until the delivery of a Carve-Out Trigger Notice, the Borrower shall be permitted to pay fees and expenses incurred by bankruptcy professionals whose retention has been approved by the Bankruptcy Court as the same shall become due and payable, subject to the terms and conditions set forth in the DIP Loan Documents and this Interim Order (the payment of which shall not reduce the Post-Termination Fee Carve-Out). Notwithstanding anything to the contrary herein, in the DIP Loan Documents, or in any loan or financing documents, the Carve-Out shall be senior to all liens and claims securing the DIP Obligations, any prepetition secured obligations, and any and all other forms of adequate protection, liens or claims securing the DIP Obligations or any prepetition secured obligations. For the avoidance of doubt, no IFF Property or proceeds thereof, and, until the Discharge of Inventory Financing Obligations (as defined in the A&R Depositary and Intercreditor Agreement), no Inventory Financing Collateral or proceeds thereof, shall be used to fund the Carve-Out and the Carve Out shall not be secured by the Inventory Financing Collateral or IFF Property. None of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or

disbursements of any professional person whose retention is approved by the Bankruptcy Court in connection with the Chapter 11 Cases or any Successor Cases. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Agent, the DIP Lenders or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any professional person whose retention is approved by the Bankruptcy Court or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement. None of the proceeds of the DIP Collateral or the DIP Loans shall be used in connection with the initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the DIP Secured Parties or their respective officers, directors, employees, agents, advisors and counsel, including with respect to any of the liens created in connection with the DIP Financing. In addition, none of the proceeds of the DIP Collateral, the DIP Loans, or the Prepetition Collateral shall be used in connection with the initiation or prosecution of any claims, causes of action, adversary proceedings or other litigation against the Prepetition Secured Parties or their respective officers, directors, employees, agents, advisors and counsel, including with respect to any of the liens created in connection with the Prepetition Secured Documents (provided that, notwithstanding anything to the contrary herein, the Committee may use proceeds of the DIP Financing and/or the DIP Collateral (including Cash Collateral) to investigate but not to prosecute (i) the claims and liens of the Prepetition Secured Parties, and (ii) potential claims, counterclaims, causes of action or defenses against the Prepetition Secured Parties up to an aggregate cap of \$50,000 (the “Committee Investigation Budget”)).

6. DIP Lender Superpriority Claim. Subject to the Carve-Out and the Aron Rights (as defined below), and effective as of the Interim Order Entry Date, the DIP Secured Parties are hereby granted, pursuant to sections 364(c)(1) and 364(e) of the Bankruptcy Code, an allowed

superpriority administrative expense claim in each of the Chapter 11 Cases or any Successor Cases (the “DIP Superpriority Claims”) on account of the DIP Obligations with priority over any and all other administrative expenses, adequate protection claims, diminution claims, and all other claims against the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including all administrative expenses of the kind specified in sections 503(b) and 507(b) of the Bankruptcy Code, and over any and all other administrative expenses or other claims arising under sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, or 1114 of the Bankruptcy Code, and any other provision of the Bankruptcy Code, which allowed claims shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code. The DIP Superpriority Claims shall be payable from and have recourse to all pre- and postpetition property of the Debtors and their estates and all proceeds thereof, excluding Avoidance Actions (as defined below) but, subject to entry of the Final Order, including, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Obligations, Avoidance Proceeds (as defined below).

7. DIP Liens.

The “DIP Collateral” shall mean all property of the Debtors of any kind or nature whatsoever, including, but not be limited to, (i) all present and after acquired property (whether tangible, intangible, real, personal or mixed) of the Debtors, wherever located, including, without limitation, all accounts, inventory, equipment, capital stock in subsidiaries, investment property, instruments, chattel paper, real estate, leasehold interests, contracts, patents, copyrights, trademarks and other

general intangibles, any claims and causes of action of the Debtors, including claims under section 549 of the Bankruptcy Code; (ii) any commercial tort claims and causes of action of any of the Debtors against any directors or officers of the Debtors as well as including any proceeds of, or property recovered in connection with, any successful claims and causes of action against any directors or officers of the Debtors; and (iii) excluding (x) the IFF Property, and (y) any claims and causes of action of the Debtors under sections 502(d), 544, 545, 547, 548, 550, and 553 of the Bankruptcy Code, or any other avoidance actions under the Bankruptcy Code or other applicable law (collectively, the “Avoidance Actions”), but, subject to entry of the Final Order, including, solely to the extent that all other DIP Collateral is insufficient to satisfy the DIP Obligations secured by the DIP Liens (as defined below), any proceeds of, or property recovered in connection with, any successful Avoidance Action (whether by judgment, settlement or otherwise, and unencumbered or not, the “Avoidance Proceeds”). All such liens on and security interests in the DIP Collateral granted to the DIP Secured Parties, pursuant to this Interim Order or the DIP Loan Documents (collectively, the “DIP Liens”), are as follows:

liens, recoupment and setoff rights held by J. Aron (the “Aron Rights” and collectively with clause (ii), the “Permitted Prior Liens”);

ii. First Priority Lien on Unencumbered Property Pursuant to Section 364(c)(2). v. Liens Senior to Certain Other Liens. The DIP Liens shall not be subject or subordinate to (a) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (b) any liens arising after the Petition Date including, without limitation, liens granted under prior orders of the Court, or any liens or security interests granted in favor of any federal, state, municipal, or other governmental unit, commission, board, or court for any liability of the Debtors.

(b) The DIP Liens shall be effective and perfected upon the Petition Date.

(c) The DIP Liens shall be and hereby are fully perfected liens and security interests, effective and perfected upon the Petition Date without the necessity of execution by the Debtors of mortgages, security agreements, pledge agreements, financing agreements, financing statements, or other agreements or documents, such that no additional steps need be taken by the DIP Secured Parties to perfect such liens and security interests. Subject to entry of the Final Order, and subject to applicable non-bankruptcy law, any provision of any lease, agreement, contract, or other instrument or agreement that requires the consent or approval of one or more landlords, licensors, or other parties, or requires the payment of any fees or obligations to any governmental entity, non-governmental entity or any other person, in order for any Debtor to pledge, grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or other collateral, shall have no force or effect with respect to the transactions granting the DIP Liens in the Debtor's interest in such fee, leasehold or other interest or other collateral or the proceeds of any assignment, sale or other transfer thereof.

(d) The DIP Liens, DIP Superpriority Claims, and other rights, benefits, and remedies granted under this Interim Order to the DIP Secured Parties shall continue in the Chapter 11 Cases, any Successor Cases, and following any dismissal of the Chapter 11 Cases, and such liens, security interests, and claims shall maintain their priority as provided in this Interim Order until all the DIP Obligations have been indefeasibly paid in full in cash and completely satisfied and all of the commitments thereunder have been terminated in accordance with the DIP Loan Documents.

8. Fees and Expenses of DIP Agent and Prepetition Secured Parties.

(a) Upon entry of this Interim Order, the Debtors shall pay any and all prepetition fees, costs, and expenses incurred by the DIP Agent that were outstanding and unpaid as of the Petition Date, in an amount not to exceed \$75,000.

(b) The Debtors shall, no later than ten (10) days after receipt of a summary statement setting forth the applicable timekeepers, as well as the hours worked by and expenses incurred by such timekeepers, in connection with the Chapter 11 Cases whether incurred before or after the Petition Date (with copies provided via electronic mail to the U.S. Trustee, counsel to the Committee, counsel to the DIP Agent, and counsel to each of the Prepetition Secured Parties), indefeasibly pay or reimburse (i) the DIP Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges as provided in the Approved Budget (collectively, the “DIP Agent Professional Fees”), including, but not limited to, the reasonable fees, costs, and expenses of Gray Reed & McGraw LLP as counsel to DIP Agent, and any other advisors or professionals retained by the DIP Agent, (ii) the Project Collateral Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs, and expenses of outside counsel, and any other advisors or professionals retained by the Project Collateral Agent, (iii) the Revolving Administrative Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs, and expenses of outside counsel, and any other advisors or professionals retained by the Revolving Administrative Agent, (iv) J. Aron for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs, and expenses of outside counsel, and any other advisors or professionals retained by J. expenses of outside counsel, and any other advisor or professionals retained by the Ad Hoc Term Lender Group; and (vi) the Term Administrative Agent for its reasonable and documented fees and out-of-pocket costs, expenses and charges, including, but not limited to, the reasonable fees, costs and expenses of outside counsel, and any other advisors or professionals retained by the Term Administrative Agent. The Debtors, the U.S. Trustee, the Committee, the DIP Agent, and each of the Prepetition Secured Parties may object to the reasonableness of the fees, costs, and expenses included in any such professional fee invoice; *provided* that any such objection shall be barred and deemed waived unless filed with this Court and served on the applicable professional by 12:00 Noon, prevailing Central Time, on the date that is no later than ten (10) days after the objecting party's receipt of the applicable professional fee invoice. If such objection is timely received, the Debtors shall promptly pay the portion of such invoice not subject to such objection, and this Court shall determine any such objection unless otherwise resolved by the applicable parties. Any hearing on an objection to payment of any fees, costs, and expenses set forth in a professional fee invoice shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses which are the subject of such objection and whether the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, or Term Administrative Agent, as the case may be, is entitled to such fees, costs and expenses under this Interim Order. For the avoidance of doubt, none of the fees, costs, and expenses of the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, or Term Administrative Agent, shall be subject to Court approval or U.S. Trustee guidelines, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with this Court. All fees, costs and expenses payable under the DIP Loan Documents to the DIP Agent shall be included and constitute part of the DIP Obligations and be secured by the DIP Liens.

Notwithstanding anything to the contrary herein, the fees, costs, and expenses of the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, and Term Administrative Agent, under and in connection with negotiation and preparation of the DIP Loan Documents, including, without limitation, the legal fees and expenses of any professionals retained by them, shall be earned, non-refundable, and payable out of the interim funding under the DIP Financing and shall not be subject to the notice period described in this paragraph and the recipients of such payments shall be fully entitled to all protections of section 364(e) of the Bankruptcy Code. For the avoidance of doubt, the Debtors shall be responsible to pay, subject to the procedures outlined in this paragraph, all fees and expenses incurred by the DIP Agent, Revolving Administrative Agent, J. Aron, Ad Hoc Term Lender Group, and Term Administrative Agent, in connection with any action taken in these Chapter 11 Cases including, but not limited to, fees and expenses relating to the DIP Financing and the administration and interpretation of, and the enforcement of remedies under, the DIP Financing and including all due-diligence, including but not limited to printing costs, consultation, travel, and attendance at court hearings, regardless of whether the DIP Financing is consummated.

9. Prepetition Secured Parties' Rights and Adequate Protection.

(a) Adequate Protection for Prepetition Term Lenders. As adequate protection for any diminution of the Prepetition Debt Collateral resulting from the subordination of the Term Administrative Agent's Prepetition Debt Liens to the DIP Liens and the other relief granted herein in favor of the DIP Secured Parties, the Debtors' use of Prepetition Collateral (including Cash Collateral), and/or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code, and in exchange for the Term Lenders' consent to the priming of the Prepetition Debt Liens by the DIP Liens pursuant to this Interim Order, the Term Administrative Agent shall receive, for

the benefit of Prepetition Term Lenders, adequate protection, including, without limitation, (1) valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition, (2) monthly payments to reimburse the reasonable and documented professional fees of the Ad Hoc Term Lender Group, the Term Administrative Agent and Project Collateral Agent in accordance with paragraph 8 of this Interim Order, (3) in lieu of cash payments of interest when and as required under the Prepetition Term Credit Agreement, all accrued and unpaid interest shall, on each applicable date when such interest payments are due under the Prepetition Term Documents, be paid in kind by adding the amount of such accrued interest to the outstanding aggregate principal balance of the term loans, (4) superpriority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, in each of the Chapter 11 Cases or any Successor Cases, with priority as provided therein, to the extent of any diminution in the Prepetition Debt Collateral, (5) upon entry of this Interim Order, payment of all fees and expenses of the professional advisors of the Ad Hoc Term Lender Group, Term Administrative Agent and Project Collateral Agent that were incurred prior to the Petition Date and that remain unpaid, and (6) an acknowledgement of the unconditional right to credit bid the Prepetition Term Obligations under the Prepetition Term Documents in connection with any sale of Prepetition Debt Collateral.

Collateral), and/or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code, and in exchange for the Revolver Lenders' consent to the priming of the Prepetition Debt Liens by the DIP Liens pursuant to this Interim Order, the Revolving Administrative Agent shall receive, for the benefit of the Revolver Lenders, adequate protection, including, without limitation, (1) valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition, (2) monthly payments to reimburse the reasonable and documented professional fees of the Revolver Administrative Agent and Project Collateral Agent in accordance with paragraph 8 of this Interim Order, (3) on the last business day of each month, payments in cash to the Revolver Lenders in an amount equal to all interest (other than default interest) accrued under the Revolver Transaction Documents, (4) superpriority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, in each of the Chapter 11 Cases or any Successor Cases, with priority as provided therein, to the extent of any diminution in the Prepetition Debt Collateral, (5) upon entry of this Interim Order, payment of all fees and expenses of the professional advisors of the Revolving Administrative Agent and Project Collateral Agent that were incurred prior to the Petition Date and that remain unpaid, and (6) an acknowledgement of the unconditional right to credit bid the prepetition obligations under the Revolver Transaction Documents in connection with any sale of Prepetition Debt Collateral.

(c) Adequate Protection for J. Aron. As adequate protection for any diminution of J. Aron's interests in its Inventory Financing Collateral resulting from the relief granted herein in favor of the DIP Secured Parties, the Debtors' use of J. Aron's Prepetition Collateral (including Cash Collateral), and/or the imposition of the automatic stay pursuant to section 362 of the

Bankruptcy Code, J. Aron shall receive adequate protection, including, without limitation, (1) valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition, (2) monthly payments to reimburse the reasonable and documented professional fees of J. Aron in accordance with paragraph 8 of this Interim Order, (3) on the last business day of each month payments in cash to J. Aron in an amount equal to all interest (other than default interest) accrued under the J. Aron Transaction Documents, (4) superpriority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, in each of the Chapter 11 Cases or any Successor Cases, with priority as provided therein, to the extent of any diminution in the Inventory Financing Collateral, and (5) upon entry of this Interim Order, payment of all fees and expenses of the professional advisors of J. Aron that were incurred prior to the Petition Date and that remain unpaid, and (6) an acknowledgement of the unconditional right to credit bid the prepetition obligations under the J. Aron Transaction Documents in connection with any sale of Inventory Financing Collateral.

(d) Reservation of Rights. The rights of all parties with respect to the appropriate characterization (as payments of principal, payments of interest, or otherwise) of any adequate protection payments made (whether in cash or in kind) in accordance with the foregoing are expressly preserved.

(e) Unconditional Right to Credit Bid. Each of the Prepetition Secured Parties shall have the unconditional right to credit bid its Prepetition Secured Obligations in connection with the sale of any of its Prepetition Collateral.

(f) Weekly Meetings. The Debtors shall arrange for weekly (unless waived by the Prepetition Secured Parties in their sole and absolute discretion) status calls with the Prepetition Secured Parties and their advisors, and shall cause the Debtors' advisers and chief restructuring officer to participate to discuss (A) the Approved Budget, any Budget Variances and any other reports or information delivered by the Debtors, (B) the financial operations and performance of the Debtors' business, (C) progress in achieving the Milestones (as defined below) and any wind-down, liquidation, or going concern sale or marketing process or efforts, (D) the status of the Chapter 11 Cases generally, and (E) such other matters relating to the Debtors as the Prepetition Secured Parties (or their respective agents or advisors) shall reasonably request ("Weekly Meetings"). The DIP Agent and its counsel may attend the Weekly Meetings at their discretion.

Nothing in this Interim Order shall be a determination of the validity, priority, or extent of any lien or claim asserted by LBT, and the rights of all parties as to such issues are preserved. For the avoidance of doubt, any such replacement lien will not attach to the IFF Property.

(i) Financial Reporting. The Debtors shall provide the advisors to the Ad Hoc Term Lender Group, the Revolving Administrative Agent (on behalf of the Revolving Lenders), and J. Aron, with the financial reporting and inspection rights described more fully in paragraph 12 below.

Nothing herein shall be deemed to waive, modify or otherwise impair the respective rights of the Prepetition Secured Parties under their respective Prepetition Secured Documents or under equity or law, and the Prepetition Secured Parties expressly reserve all of

their respective rights and remedies whether now existing or hereafter arising under their respective Prepetition Secured Documents, equity, and law in connection with all termination events and defaults and events of default under such agreements or hereunder.

10. Amendments, Consents, Waivers, and Modifications. The Debtors, with the express written consent of the DIP Agent, may enter into any amendments, consents, waivers, or modifications to the DIP Loan Documents that are not materially adverse to the Debtors without the need for further notice and hearing or any order of this Court; *provided, however*, that, without the approval of the Court on notice and a hearing, no such amendments, consents, waivers or modifications shall (i) shorten the maturity of the DIP Financing, (ii) increase the commitments thereunder or the rate of interest payable under the DIP Loan Documents, (iii) require the payment of any new or additional fee, or (iv) amend the Events of Default or covenants in the DIP Loan Documents to be materially more restrictive to the Debtors; *provided, further*, that any amendment, modification, waiver, or consent that adversely affects the rights or economic interest of any Prepetition Secured Party shall require the prior written consent of such Prepetition Secured Party; and *provided, further*, that any amendments, modification, waiver, or consent to or in respect of Section 10.05(b)(v) of the DIP Credit Agreement shall require the prior written consent of each Prepetition Agent. No consent shall be implied by any other action, inaction, or acquiescence of any of the DIP Secured Parties or any of the Prepetition Secured Parties.

11. Perfection of DIP Liens and Prepetition Secured Parties' Adequate Protection Liens.

(a) The DIP Agent, and the Prepetition Secured Parties, as applicable, are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments (subject to Borrower's prior

review and approval, not to be unreasonably withheld, conditioned or delayed) in any jurisdiction, or take possession of or control over, or take any other action in order to validate and perfect the liens and security interests granted to them hereunder, in each case, without the necessity to pay any mortgage recording fee or similar fee or tax. Whether or not the DIP Agent, on behalf of the DIP Secured Parties, or the Petition Secured Parties, in their respective sole discretion, choose to file such financing statements, trademark filings, copyright filings, mortgages, notices of lien or similar instruments, or take possession of or control over, or otherwise confirm perfection of the liens and security interests granted to them hereunder, such liens and security interests shall, to the extent provided in this Interim Order, be deemed valid, perfected, allowed, enforceable, non-avoidable, and not subject to challenge, dispute or subordination upon entry of this Interim Order. The Debtors shall, if requested, execute and deliver to the DIP Agent or the Prepetition Secured Parties, as applicable, all such agreements, financing statements, instruments and other documents as the DIP Agent or the Prepetition Secured Parties may reasonably request to more fully evidence, confirm, validate, perfect, preserve, and enforce the DIP Liens or the Prepetition Secured Parties' Adequate Protection Liens, as applicable, and all such documents will be deemed to have been recorded and filed as of the Filing Date.

(b) A certified copy of the Interim Order may be filed by the DIP Agent or the Prepetition Secured Parties with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien, or similar instruments, and all filing offices are hereby directed to accept such certified copy of this Interim Order for filing and recording.

The Debtors shall promptly provide the DIP Agent with any information or documents that are provided to the Term Administrative Agent, the Revolving Administrative Agent, the Project Collateral Agent and J. Aron and vice versa.

13. Third Parties. Notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the DIP Secured Parties contained in this Interim

Order or the DIP Loan Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Loan Documents, following entry of an order granting a Stay Relief Motion (defined below) as set forth in paragraph 17(c) hereof and solely to the extent the applicable DIP Collateral is not subject to a Permitted Prior Lien, upon three (3) Business Days' written notice to the landlord, lienholder, licensor, or other third party owner of any leased or licensed premises or intellectual property that a Termination Event has occurred under the DIP Loan Documents and that the DIP Agent is permitted to exercise remedies, the DIP Agent (i) may, only subject to any separate agreement by and between the applicable landlord or licensor (the terms of which shall be reasonably acceptable to the parties thereto), enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to DIP Collateral located thereon and (ii) subject to applicable law, shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade-names, copyrights, licenses, patents or any other similar assets of the Debtors, which are owned by or subject to a lien or license of any third party and which are used by the Debtors in their businesses, in either the case of subparagraph (i) or (ii) of this paragraph without interference from lienholders or licensors thereunder. To the extent applicable law prohibits the forgoing access or use of rights, the DIP Agent shall have the right to an expedited hearing on five (5) Business Days' notice to obtain Court authorization to obtain such access or use of such rights.

14. Automatic Stay Modified. Aron, counsel to any statutory committee appointed in the Chapter 11 Cases, and the U.S. Trustee (the “Remedies Notice Parties”), declaring and triggering, as applicable: (i) the immediate termination of the DIP Financing and any DIP Loan Document as to any future liability or obligation of the DIP Secured Parties, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations; (ii) all DIP Obligations to be immediately due and payable; (iii) right to charge interest at the default rate under the DIP Loan Documents; (iv) a termination of the ability of the Debtors to use any Cash Collateral.

Secured Parties or the Prepetition Secured Parties hereunder or under the DIP Loan Documents; or (d) pay any claim of a prepetition creditor except as permitted under the DIP Loan Documents in accordance with the Approved Budget. Notwithstanding the foregoing, the terms and limitations of this paragraph shall not apply to a successful action on the part of the Debtors whereby under paragraph 17 of this Interim Order the Debtors obtain an order of the Court staying or otherwise modifying a Termination Event or a Cash Collateral Termination Event.

20. Restriction on Use of Proceeds of Inventory Financing Collateral. For the avoidance of doubt, nothing in this Interim Order authorizes the sale or use of Inventory Financing Collateral or proceeds thereof other than Cash Collateral.

21. Insurance Policies. Upon entry of this Interim Order, the DIP Lenders are, and are deemed to be, without any further action or notice (including endorsements), named as additional insured and loss payees on each insurance policy maintained by the Debtor which in any way relates to the DIP Collateral.

22. Collateral Rights. Except as expressly provided in the Approved Budget or permitted in this Interim Order or the DIP Loan Documents, in the event that any person or entity that holds a lien on or security interest in DIP Collateral of the Debtors' estates, that is junior or otherwise subordinate to the DIP Liens receives or is paid the proceeds of such DIP Collateral, prior to indefeasible payment in full in cash and the complete satisfaction of all DIP Obligations under the DIP Loan Documents, and termination of the commitments under the DIP Loan Documents, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such DIP Collateral of the Debtors' estates, in trust for the DIP Lenders, and shall immediately turnover such proceeds to the DIP Agent for application in accordance with the DIP Loan Documents and this Interim Order. Except as expressly provided in the Approved

Budget or permitted in this Interim Order or the applicable Prepetition Secured Document, in the event that any person or entity that holds a lien on or security interest in any collateral securing the obligations under any Prepetition Secured Document that is junior or otherwise subordinate to the lien in favor of the applicable Prepetition Secured Parties receives or is paid the proceeds of such collateral prior to indefeasible payment in full in cash and the complete satisfaction of all obligations under the applicable Prepetition Secured Document, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such collateral in trust for the applicable Prepetition Secured Parties, and shall immediately turn over such proceeds to the applicable Prepetition Secured Parties or their respective agents for application in accordance with the relevant Prepetition Secured Document and this Interim Order.

23. Prohibition on Additional Liens. Except as provided in the DIP Loan Documents, the Prepetition Secured Documents, and this Interim Order, the Debtors shall be enjoined and prohibited from, at any time during the Chapter 11 Cases until such time as the DIP Obligations and obligations under the Prepetition Secured Documents have been indefeasibly paid in full, granting liens on or security interests in the DIP Collateral or the collateral securing the obligations under the Prepetition Secured Documents or any portion thereof to any other entities, pursuant to section 364(d) of the Bankruptcy Code or otherwise, which liens are junior to, senior to, or *pari passu* with the DIP Liens, the Prepetition Secured Parties' Adequate Protection Liens, or the liens in favor of the Prepetition Secured Parties.

24. No Waiver. This Interim Order shall not be construed in any way as a waiver or relinquishment of any rights that any of the DIP Secured Parties or the Prepetition Secured Parties may have to bring or be heard on any matter brought before this Court.

25. Sale/Conversion/Dismissal/Plan.

(a) No order providing for either the sale of the ownership of the stock of the Debtors or the sale of all or substantially all of the assets of the Debtors under section 363 of the Bankruptcy Code shall be entered by the Court unless, in connection and concurrently with any such event, (X) the Prepetition Secured Parties consent to the entry of such order and (Y) (i) the proceeds of any DIP Collateral included in such sale shall, subject to the prior satisfaction of any Permitted Prior Liens encumbering such DIP Collateral, be used to indefeasibly pay in full in cash and completely satisfy the DIP Obligations and the obligations under the Secured Financing Documents, and the commitments under the DIP Loan Documents are terminated; (ii) such sale is expressly permitted under the DIP Loan Documents; or (iii) the DIP Agent and Prepetition Secured Parties otherwise consent.

(b) If an order dismissing or converting the Chapter 11 Cases under sections 305 or 1112 of the Bankruptcy Code or otherwise or an order appointing a chapter 11 trustee or an examiner with expanded powers is at any time entered:

i. Unless otherwise agreed to by the DIP Agent, such order shall provide that the Debtors, in each case subject to the Carve-Out and the Permitted Prior Liens, be subject to (a) the DIP Liens, the liens in favor of the Prepetition Secured Parties, the Aron Rights, the DIP Superpriority Claims, the DIP Obligations, the Adequate Protection Liens, and the DIP Loan Documents, which shall continue in full force and effect, remain binding on all parties-in-interest, and maintain their priorities as provided in this Interim Order until all DIP Obligations hereunder and all obligations under the DIP Credit Agreement are indefeasibly paid in full in cash and completely satisfied and the commitments under the DIP Loan Documents are terminated in accordance with the DIP Loan Documents, (b) the Prepetition Liens, Prepetition Secured Parties'

Adequate Protection Liens, and any other Adequate Protection Obligations granted or conferred to the Prepetition Secured Parties shall continue in full force and effect, remain binding on all parties-in-interest and maintain their priorities as provided in this Interim Order until all Prepetition Secured Obligations are indefeasibly paid in full in cash and completely satisfied (and that such Prepetition Secured Parties' Adequate Protection Liens, and other Adequate Protection Obligations granted to or conferred on the Prepetition Secured Parties shall, notwithstanding such dismissal or conversion, remain binding on all parties) and (c) all postpetition indebtedness, obligation, or liability incurred by the Debtors to the DIP Secured Parties or the Prepetition Secured Parties prior to the date of such order, including, without limitation, the DIP Obligations and the Adequate Protection Obligations, shall be governed in all respects by the original provisions of this Interim Order unless the Final Order has been entered, in which case the Final Order shall govern, and the DIP Secured Parties and the Prepetition Secured Parties shall be entitled to all the rights, remedies, privileges, and benefits granted herein and in the DIP Loan Documents,; and

26. Modifications of the Approved Budget. Without further Order of the Court, the Debtors are hereby authorized to implement, in accordance with the terms hereof and upon the consent of the DIP Agent and each Prepetition Agent, any modifications to the Approved Budget with such modification being in writing, *provided, however*, that (a) each Prepetition Agent shall be deemed to have consented to any such modification if it has not objected to the proposed modification (i) within the greater of twenty-four (24) hours and one (1) business day after written

email notice of such modification to counsel to such Prepetition Agent, or (ii) in the case of an Emergency Expense (as defined below) in excess of \$250,000, within twelve (12) hours after written email notice of such proposed modification to counsel to such Prepetition Agent, and (b) no consent of the Prepetition Agents shall be necessary if each of the following conditions is satisfied: (i) the chief restructuring officer has certified, in writing, to the DIP Agent and the Prepetition Agents that the expense is necessary to (A) prevent irreparable harm to the value of the Prepetition Collateral or DIP Collateral, or (B) protect against an imminent harm to the public safety (any such certified expense described in the foregoing clauses (A) or (B) an “Emergency Expense”), (ii) such Emergency Expense is less than \$250,000, and (iii) the aggregate amount of all Emergency Expenses does not exceed \$500,000.

27. Priority of Terms. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Loan Documents, the Motion, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Interim Order, on the other hand, unless such term or provision herein is phrased in terms of “as defined in” or “as more fully described in” the DIP Loan Documents or another document or agreement or words of similar import, the terms and provisions of this Interim Order shall govern.

28. No Third-Party Beneficiary. Except as explicitly set forth herein, no rights are created hereunder for the benefit of any third party, any creditor or any direct, indirect or incidental beneficiary.

29. Rights Under Sections 363(k) and 1129(b). The full amount of the DIP Obligations or the Prepetition Secured Obligations may be used to “credit bid” for the assets and property of the Debtors (other than any collateral in respect of the J. Aron Obligations) on a dollar-for-dollar basis, as provided for in section 363(k) of the Bankruptcy Code, in accordance with the terms of

the DIP Loan Documents and this Interim Order, as applicable, without the need for further Court order authorizing the same and whether such sale is (a) pursuant to section 363, (b) pursuant to a plan of reorganization, or (c) by a chapter 7 trustee because, among other things, the denial of such rights would result in the DIP Secured Parties and the Prepetition Secured Parties not receiving the indubitable equivalent of their claims.

30. Discharge Waiver/Release. Neither the DIP Obligations nor the Adequate Protection Obligations shall be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash, or granted such other treatment as the Debtors and the DIP Secured Parties, in the case of the DIP Obligations, and the Prepetition Secured Parties, in the case of Adequate Protection Obligations, may agree upon, on or before the effective date of such confirmed plan of reorganization.

In addition, the Prepetition Secured Parties shall not be required to file proofs of claim in the Chapter 11 Cases for any claim allowed herein or otherwise in relation to the Prepetition Secured Obligations, and the stipulations contained Section F and G of this Interim Order shall be deemed to constitute a timely-filed proof of claim for the Prepetition Secured Parties in respect of the Prepetition Secured Obligations.

33. Best Efforts. If requested to do so by the DIP Agent and consented to by the Prepetition Secured Parties in writing, or by the Prepetition Secured Parties, the Debtors shall use their best efforts (subject to applicable law, including, without limitation, the Debtors' fiduciary duties thereunder) to assist and cooperate with the sale of the DIP Collateral or the collateral securing the obligations under the Prepetition Secured Documents.

34. No Consent. No action, inaction, or acquiescence by the DIP Secured Parties, including funding the Debtors' ongoing operations under this Interim Order, or the Prepetition Secured Parties shall be deemed to be or shall be considered as evidence of any alleged consent by the DIP Secured Parties or the Prepetition Secured Parties to a charge against the DIP Collateral or the Prepetition Collateral pursuant to sections 506(c), 552(b) or 105(a) of the Bankruptcy Code.

35. No Marshaling; Equities of the Case. Subject to entry of the Final Order, neither the DIP Secured Parties nor the Prepetition Secured Parties shall be subject to the equitable doctrine of "marshaling" or any similar doctrine with respect to the DIP Collateral, the Prepetition

Collateral or the liens securing the obligations under the Prepetition Secured Documents. Subject to entry of the Final Order, the “equities of the case” exception of section 552(b) of the Bankruptcy Code shall not apply to the DIP Agent with respect to the DIP Loan Documents and/or the DIP Collateral or the Prepetition Secured Parties with respect to the Prepetition Secured Documents and/or the Prepetition Collateral.

36. Section 506(c) Waiver. Subject to entry of the Final Order, no costs or expenses of administration or other charge, lien, assessment, or claim incurred at any time (including any expenses set forth in the Approved Budget) by any Debtors or any other person or entity shall be imposed against any or all of the DIP Secured Parties or the Prepetition Secured Parties, their respective claims, or their respective collateral under Section 506(c) of the Bankruptcy Code or otherwise, and the Debtors, on behalf of their estates, waive any such rights.

37. Indemnification. The indemnification provisions set forth in Section 10.02 of the DIP Credit Agreement are hereby approved.

38. Break Up Fee. In the event that alternative DIP financing is approved before entry of the Final Order with a lender other than the DIP Lenders, the Debtors shall pay the DIP Agent a break up fee of \$250,000 in lieu of the Deferred Commitment Fees set forth in the DIP Loan Documents.

39. No Duty to Monitor Compliance. The DIP Agent, DIP Lenders and the Prepetition Secured Parties may assume the Debtors will comply with this Interim Order and the Approved Budget and shall not (a) have any obligation with respect to the Debtors’ use of Cash Collateral or proceeds of the DIP Financing (other than their consent to the use of Cash Collateral or proceeds of the DIP Financing in accordance with and subject to terms of this Interim Order); (b) be obligated to directly pay any expenses incurred or authorized to be incurred pursuant to this Interim

Order (including any amounts specified in the Approved Budget); or (c) be obligated to ensure or monitor that sufficient Cash Collateral or proceeds of the DIP Financing exists to pay any expenses incurred or authorized to be incurred pursuant to this Interim Order.

40. Adequate Notice. The notice given by the Debtors of the Interim Hearing was given in accordance with Bankruptcy Rules 2002 and 4001(c)(2) and the Bankruptcy Local Rules. Under the circumstances, no further notice of the request for the relief granted at the Interim Hearing is required. The Debtors shall promptly serve copies of this Interim Order and notice of the Final Hearing to any person included on the master service list approved or established in this case within two (2) Business Days of the Interim Order Entry Date.

41. Binding Effect Successors and Assigns. Except as set forth in paragraph 42 of this Interim Order, the DIP Loan Documents and the provisions of this Interim Order, including all findings herein, shall be binding upon all parties-in-interest in this Chapter 11 Cases, including, without limitation, the DIP Secured Parties, the Prepetition Secured Parties, the Committee or examiner appointed in these Chapter 11 Cases, and the Debtors, and their respective successors and assigns (including any trustee or fiduciary hereinafter appointed as a legal representative of the Debtors or with respect to the property of the estate of the Debtors) whether in these Chapter 11 Cases, in any Successor Cases, or upon any dismissal of any such chapter 11 or chapter 7 case and shall inure to the benefit of the DIP Secured Parties, the Prepetition Secured Parties and the Debtors, and their respective successors and assigns, *provided, however*, that the agreement of the DIP Secured Parties to extend financing under the DIP Loan Documents and the Prepetition Secured Parties' consent to the use of Cash Collateral, in each case, shall terminate upon the appointment of any chapter 7 or 11 trustee, examiner with expanded powers, or similar responsible person appointed for the estates of the Debtors. In determining to make any loan (whether pursuant

to the DIP Loan Documents, a promissory note, or otherwise), consenting to the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Interim Order or the DIP Loan Documents, the DIP Secured Parties and the Prepetition Secured Parties shall not (i) be deemed to be in control of the operations of the Debtors, or (ii) owe any fiduciary duty to the Debtors, or their creditors, shareholders, or estates. Except as set forth in paragraph 42 of this Interim Order, each stipulation, admission, and agreement contained in sections E, F, G and I of this Interim Order shall also be binding upon all persons and entities, including the Debtors, their estates, any Committee, or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors or any other person acting on behalf of the Debtors' estates, under all circumstances and for all purposes, subject to the Challenge Period as defined below.

42. Effect of Stipulations. The stipulations, waivers and releases contained in sections F, G, and I of this Interim Order with respect to the Prepetition Secured Parties (the "Debtors' Stipulations") shall be binding upon the Debtors and their estates in all circumstances immediately upon entry of this Interim Order. The Debtors' Stipulations shall be binding upon each party in interest (other than the Debtors and their estates), including the Committee, if any, and any chapter 11 trustee (or if any of these Chapter 11 Cases are converted to a case under chapter 7 prior to the expiration of the Challenge Period (defined below), the chapter 7 trustee in such Successor Case), together with each of their respective representatives, subsidiaries, successors and assigns, unless (a) such party (subject in all respects to any agreement or applicable law which may limit or affect such entity's right or ability to do so), with the requisite standing granted by the Court, has timely and properly filed an adversary proceeding by no later than the date that is the earlier of (i) the effective date of a confirmed chapter 11 plan, and (ii) the day that is sixty (60) days from the date of the entry of this Interim Order (or, in the case of the Committee, sixty (60) days from the date

of the appointment of the Committee (as such date may be extended by the applicable Prepetition Secured Party in writing or by order of the Court)) (the “Challenge Period”), (x) objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the debt or liens referenced in the Debtors’ Stipulations (including those under sections 506, 544, 547, 548, 549, 550, and/or 552 of the Bankruptcy Code) or otherwise objecting to the admissions, stipulations, findings, or releases included in the Debtors’ Stipulations; or (y) otherwise asserting or prosecuting any cause of action for preferences, fraudulent transfers or conveyances, or any cause of action challenging the actions or inactions of any of the Prepetition Secured Parties, including any claim against any or all of the Prepetition Secured Parties in the nature of a “lender liability” cause of action, or any other offsets, setoffs, recoupments, challenges, objections, defenses, claims, counterclaims, or causes of action of any kind or nature, whether in these Chapter 11 Cases or any subsequent chapter 7 cases, against any of the Prepetition Secured Parties on behalf of the Debtors’ estates, including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law (clauses (x) and (y) collectively, the “Challenges” and, each individually, a “Challenge”); and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such Challenge in any such duly filed adversary proceeding; provided, that, as to the Debtors, all such Challenges and proceedings are hereby irrevocably waived and relinquished as of the Petition Date. Any complaint or motion for standing filed in, or in connection with, any Challenge proceeding shall set forth with specificity the basis for such Challenge and any Challenges not so specified prior to the expiration of the Challenge Period shall be deemed forever, waived, released, and barred. If no adversary proceeding or contested matter is timely filed prior to the expiration of the Challenge Period or the court does not rule in favor of

the plaintiff in any such Challenge proceeding, without further order of the Court: (v) the Debtors' Stipulations, including the releases, shall be binding on all parties in interest including, without limitation, the Committee, if any, and any trustee (including any chapter 7 trustee); (w) any and all Challenges by any party in interest shall be deemed to be forever released, waived, and barred; (x) the claims of the Prepetition Secured Parties shall constitute allowed claims, not subject to counterclaim, setoff, recoupment, offset, any cause of action of any kind, challenge, or defense (including avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law), for all purposes in these Chapter 11 Cases and any subsequent chapter 7 case; (y) the liens of the Prepetition Secured Parties shall be deemed legal, valid, binding, perfected, not subject to defense, counterclaim, recharacterization, subordination, or avoidance; and (z) the Prepetition Secured Parties (and their respective agents, affiliates, subsidiaries, directors, officers, manager, representatives, attorneys, and advisors) shall not be subject to any other or further Challenge or investigation in respect of any Challenge by any person. If any such adversary proceeding is timely filed prior to the expiration of the Challenge Period, the Debtors' Stipulations, shall nonetheless remain binding and preclusive on the Committee, if any, and any parties in interest, including any trustee, except as to any such findings and admissions that were expressly challenged in such adversary proceeding (it being understood that any non-challenging parties are bound). Nothing in this Interim Order vests or confers on any person, including the Committee, if any, standing or authority to pursue any claims or cause of action belonging to the Debtors or their estates, including, without limitation, a Challenge in a Challenge proceeding. For the avoidance of doubt and notwithstanding the foregoing, (i) the Debtors' stipulations, admissions, and releases contained in Paragraph E of this Interim Order will not be subject to a Challenge or the Challenge

Period, and (ii) the DIP Secured Parties agree they will not file a Challenge and will not join in, fund, solicit, encourage or support any Challenge or request to extend the Challenge Period, *provided, however*, that, subject to entry of the Final Order, in the event of a successful Challenge by a party other than the DIP Secured Parties, any property that would otherwise constitute DIP Collateral pursuant to the terms hereof shall, in fact, become DIP Collateral, and the DIP Liens shall attach thereto in the same order and priority as set forth herein. In the event that there is a timely successful Challenge brought pursuant to this paragraph, the Court shall retain jurisdiction to fashion an appropriate remedy.

43. Reservation of Rights. Except as expressly authorized in this Interim Order or as otherwise expressly accepted in writing by the Prepetition Secured Parties, the Prepetition Secured Parties' consent to this Interim DIP Order and any action, inaction, or acquiescence by the Prepetition Secured Parties in connection with this Interim DIP Order (collectively, "Prepetition Secured Parties' Actions"), whether preceding or after the date hereof, shall not be deemed to constitute, evidence or imply any consent, acquiescence, or agreement to, waiver, or any course of dealing or course of conduct (collectively, "Consent"), in connection with any future debtor-in-possession financing, any future use of Cash Collateral, any additional priming liens, or other actions, inactions, relief or requests by the Debtors or DIP Lenders in the future (collectively, "Future Actions"). The Prepetition Secured Parties reserve all rights to object to, challenge and contest any Future Action, and no Debtor, DIP Lender, or Prepetition Secured Party shall assert that any Prepetition Secured Parties' Action constitutes any Consent to any Future Action.

44. Headings. Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

45. Final Hearing Date. The Court will conduct the Final Hearing on August 2, 2021 at 3:30 p.m., prevailing Central Time. Objections and responses to the Motion with respect to entry of the Final Order shall be filed and served according to the Local Bankruptcy Rules on or before July 29, 2021 at 10:00 am, prevailing Central Time. The Debtors shall promptly serve copies of this Interim Order and notice of the Final Hearing on (i) the Office of the United States Trustee for the Southern District of Texas, (ii) the Revolving Administrative Agent, (iii) the Term Administrative Agent, (iv) J. Aron, (v) the Project Collateral Agent, and (vi) those parties that have filed a notice of appearance requesting notice, which service shall constitute adequate and proper notice of the hearing.

46. Effect of this Interim Order. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 and 9024 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

47. Retention of Jurisdiction. This Court retains jurisdiction with respect to all matters arising from or related to the DIP Loan Documents and the implementation of this Interim Order.

48. Compliance with Law. Notwithstanding anything to the contrary in the Interim Order or the DIP Loan Documents, nothing in this Interim Order or the DIP Loan Documents shall relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b), provided that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b) .

**RESERVATION OF RIGHTS OF TERMINAL ENTITIES**

49. Adequate Protection: Notwithstanding anything to the contrary in this Interim Order, to the extent any of the Terminal Entities<sup>8</sup> have a valid, perfected and unavoidable lien on any DIP Collateral (the “Terminal Liens”), such interest shall be entitled to adequate protection as follows (i) valid and automatically perfected priority replacement liens and security interests in and on all real and personal property of the Debtors and their bankruptcy estates, in each case, subject to the DIP Liens securing the DIP Financing in the same order and priority as existed prepetition to the extent of any diminution in value of the Terminal Liens, if any (the “Terminal Replacement Liens”); provided, that, for the avoidance of doubt, the Terminal Replacement Liens shall not attach to the IFF Property; and (ii) superpriority administrative claims and all of the other benefits and protections allowable under section 507(b) of the Bankruptcy Code, in each of the Chapter 11 Cases or Successor Cases, with priority as provided therein, to the extent of any diminution in the collateral securing the Terminal Liens, if any (the “Terminal Superpriority Claim”). Nothing in this Order shall be a finding or determination with respect to the extent, validity or priority of any liens or claims of the Terminal Entities, including, without limitation, any warehouseman’s or other similar liens, setoff, recoupment, contract and other security rights, and all parties reserve their rights with respect to the forgoing. The Terminal Entities’ right to seek further or additional adequate protection is expressly reserved and preserved.

50. Administrative Expense: Within two (2) business days of the entry of this Interim Order, the Debtors shall make a cash payment of \$150,000.00 to the Terminal Entities for

The Terminal Entities reserve all of their rights to assert an administrative expense claim for additional amounts owed under the Terminal Services Agreements for the period after the Petition Date, and the rights of the Debtors and all other parties in interest to contest the amount or validity of any such administrative expense are expressly reserved and fully preserved. The Debtors shall use good faith efforts to include full payment of all postpetition amounts owed to the Terminal Entities under the Terminal Services Agreements in the Approved Budget in connection with the Final Order, subject to the Debtors rights as to the appropriate amount to be charged for services under the Terminal Services Agreements and without limiting the Debtors rights to seek to reject the Terminal Services Agreements. All rights with respect to applicability of setoff rights are reserved.

51. Limitation on DIP Liens: For the avoidance of doubt, the DIP Collateral shall not include any property to the extent that it does not constitute property of the Debtors' estates within the scope of 11. U.S.C. § 541, and shall not include the Terminal Entities' interest in any property that is jointly owned by the Debtors (or any of them) and Terminal Entities (or any of them) and no liens granted pursuant to this Order shall attach to the Terminal Entities' interest in any property jointly owned with the Debtors.

<sup>9</sup> "Terminal Services Agreement" shall mean, collectively, the Terminal Services Agreement (Included Locations) among Limetree Bay Terminals, LLC, Limetree Bay Refining Marketing, LLC and J. Aron dated March 3, 2020 and the Terminal Services Agreement (Non-Included Locations) between Limetree Bay Terminals, LLC and Limetree Bay Refining Marketing, LLC dated March 3, 2020.

(c) Entries made in good faith by the Administrative Agent in the Register pursuant to clause (b) above shall be conclusive evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower, under this Agreement, absent manifest error; *provided* that the failure of the Administrative Agent to make an entry, or any finding that an entry is incorrect, which, in either case, shall be promptly corrected, in the Register shall not limit or otherwise affect the obligations of the Borrower under this Agreement.

#### SECTION 2.08 Collateral Matters.

(a) Collateral Security Perfection. Each of the Borrower Parties agrees to take all actions that the Collateral Agent may reasonably request in its sole and absolute discretion to further secure the Obligations or perfect and protect the Collateral Agent's Liens for the benefit of the Secured Parties upon the Collateral and for such Liens to obtain the priority therefor contemplated hereby, including, without limitation, executing and delivering such documents (including, without limitation, security documents, mortgages, deeds of trust, subordination and intercreditor agreements), instruments, financing statements, providing such notices and assents of third parties, obtaining such governmental authorizations and providing such other instruments and documents (in all cases without representation or warranty of any kind) in recordable form as the Collateral Agent or any Lender may reasonably request and, in all cases, in form and substance satisfactory to the Collateral Agent. Each Borrower Party hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any filing office in any UCC jurisdiction any initial financing statements and amendments thereto that (a) indicate the Collateral (i) as all assets of such Borrower Party or words of similar effect, regardless of whether any particular asset comprised in the Collateral falls within the scope of Article 9 of the UCC, or (ii) as being of an equal or lesser scope or with greater detail, and (b) provide any other information required by part 5 of Article 9 of the UCC for the sufficiency or filing office acceptance of any financing statement or amendment, including (i) whether such Borrower Party is an organization, the type of organization and any organization identification number issued to such Borrower Party and, (ii) in the case of a financing statement filed as a fixture filing, a sufficient description of real property to which the Collateral relates. Such Borrower Party agrees to furnish any such information to the Collateral Agent promptly upon request. Notwithstanding the provisions of this Section 2.08(a), the Interim DIP Order and Final DIP Order shall be sufficient and conclusive evidence of the validity, perfection, enforceability, non-avoidability and priority of the Liens without the necessity of filing financing statements or amendments, and the Collateral Agent and the Lenders shall have the benefits of the Interim DIP Order, and after the Final Order Entry Date, and the Final DIP Order. Notwithstanding anything to the contrary in the Loan Documents, the parties hereto and all their respective successors and assigns acknowledge and agree that (x) all provisions of the Loan Documents (including,

without limitation, in respect of Collateral and the DIP Lien) are and shall be subject to the terms of the DIP Order, all Aron Rights and all rights and remedies of J. Aron in connection with the Safe Harbor Agreements (as defined in the DIP Order) and (y) any and all actions taken by J. Aron (or permitted by J. Aron) with respect to the Inventory Financing Collateral in connection with the J. Aron Transaction Documents and/or the DIP Order, in each case, shall be permitted for all purposes under the Loan Documents.

(b) Real Property. Subject in all respects to the DIP Order and to the Carve-Out (solely upon the occurrence of a Termination Date (as defined in the DIP Order)), the Borrower and the Guarantors shall grant to the Collateral Agent on behalf of the Secured Parties a security interest in, and mortgage on, all of the right, title and interest of the Borrower and the Guarantors in all real property, if any, owned or leased by the Borrower or any of the Guarantors, together in each case with all of the right, title and interest of the Borrower and such Guarantor in and to all buildings, improvements, and fixtures related thereto, any lease or sublease thereof, all general intangibles relating thereto and all proceeds thereof, in each case to the extent secured pursuant to the Pre-Petition Mortgages, *provided* that, the Borrower Parties shall use best efforts to finalize all mortgages, deeds of trust and other related documents for purposes of granting a security interest in all real property of the Borrower Parties no later than 30 Business Days following the date hereof. The Borrower and the Guarantors acknowledge that, pursuant to the Interim DIP Order or the Final DIP Order (as applicable), the Liens in favor of the Collateral Agent on behalf of the Secured Parties in all of such real property and leasehold interests shall be perfected without the recordation of any instruments of mortgage or assignment and the Collateral Agent and the Lenders shall have the benefits of the Interim DIP Order and, after the Final Order Entry Date, the Final DIP Order.

### ARTICLE III

#### OTHER PROVISIONS RELATING TO THE DIP FACILITY

SECTION 3.01 Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 7.01, the Borrower shall pay interest on overdue amounts (a) payable on demand at a rate of 11% *per annum*; and (b) to the fullest extent permitted by applicable law, the amount of any overdue interest, fee or other overdue amount payable under this Agreement or any other Loan Document to any Agent or any Lender that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate *per annum* equal at all times to 11% *per annum*. Payment or acceptance of the increased rates of interest provided for in this Section 3.01 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of Administrative Agent or any Lender.

SECTION 3.02 Fees. The Borrower shall pay to each Agent for its own account such fees as may from time to time be separately agreed between the Borrower and such Agent (including those fees set forth in the Fee Letter).

SECTION 3.03 Change of Circumstances.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of “Excluded Taxes” and (C) Connection Income Taxes) on its Advances, Advance principal, Commitments or other obligations under the Loan Documents, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or the Advances made by such Lender or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, continuing or maintaining the Advances or of maintaining its obligation to make the Advances, or to reduce the amount of any sum received or receivable by such Lender or other Recipient hereunder (whether of principal, interest or any other amount) in each case by an amount which such Lender or other Recipient deems to be material, then, upon request of such Lender or other Recipient, the Borrower will pay to such Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered; *provided* that (A) the Borrower shall not be responsible for costs under this clause (a) or clause (b) below if such costs were incurred more than 180 days prior to receipt by the Borrower of the demand from the affected Lender or other Recipient, as the case may be, pursuant to this clause (a) or clause (b) below, unless the requirement resulting in such increased costs became effective during such 180-day period and retroactively applies to a date occurring prior to such 180-day period, in which case the Borrower shall be responsible for all such additional amounts described in this clause (a) or clause (b) below from and after such date of effectiveness and (B) a Lender or other Recipient, as the case may be, claiming additional amounts under this Section 3.03 agrees to use commercially reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate a different Applicable Lending Office if the making of such a designation would avoid the need for, or reduce the amount of, such increased cost that may thereafter accrue and would not, in the reasonable judgment of such Lender or other Recipient, as the case may be, be otherwise disadvantageous to such Lender or other Recipient, as the case may be. A certificate as to the amount of such increased cost, submitted to the Borrower by such Lender or other Recipient, as the case may be, shall be conclusive and binding for all purposes, absent manifest error.

(b) Capital Requirements. If any Change in Law affecting a Lender or any lending office of such Lender or such Lender’s holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender’s capital or on the capital of such Lender’s holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Advance made by such Lender to a level below that which such Lender or such Lender’s or holding company could have achieved but for such Change in Law (taking into consideration such Lender’s policies and the policies of such Lender’s holding company with respect to capital adequacy or liquidity) by an amount reasonably deemed by such Lender to be material, then from time to time, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender’s holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company as specified in paragraph (a) or (b) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 3.03 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof).

SECTION 3.04 Payments and Computations.

(a) The Borrower shall make each payment hereunder and under the other Loan Documents, irrespective of any right of counterclaim or set-off, not later than 12:00 noon (New York City time) on the day when due in Dollars to the Administrative Agent at the Administrative Agent's Account in same day funds, with payments being received by the Administrative Agent after such time being deemed to have been received on the next succeeding Business Day unless the Administrative Agent otherwise elects in its sole discretion. The Administrative Agent will promptly thereafter cause like funds to be distributed (i) if such payment by, or on behalf of, the Borrower is in respect of principal, interest, commitment fees or any other Obligation then payable hereunder and under the other Loan Documents to more than one Lender, to such Lenders for the account of their respective Applicable Lending Offices ratably in accordance with the amounts of such respective Obligations then payable to such Lenders and (ii) if such payment by the Borrower is in respect of any Obligation then payable hereunder to one Lender, to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon its acceptance of an Assignment and Assumption and recording of the information contained therein in the Register pursuant to Section 10.05(c), from and after the effective date of such Assignment and Assumption, the Administrative Agent shall make all payments hereunder and under the other Loan Documents in respect of the interest assigned thereby to the assignee thereunder, and the parties to such Assignment and Assumption shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) All payments in respect of the principal amount of the Advances shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of the Advances on a date when interest is due and payable with respect to the Advances) shall be applied to the payment of interest then due and payable before application to principal.

(c) All other computations of fees, interest and commissions shall be made on the basis of a 360-day year and actual days elapsed (including the first day but excluding the last day; *provided* that, if the Advance is repaid on the same day on which it is made, one day's interest shall be paid on the Advance). Each determination by the Administrative Agent of an interest rate, fee or commission hereunder shall be conclusive and binding for all purposes, absent manifest error.

(d) Whenever any payment hereunder or under the other Loan Documents shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest.

(e) If the Administrative Agent receives funds for application to the Obligations of the Borrower under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the Advance to which, or the manner in which, such funds are to be applied, the

Administrative Agent shall distribute such funds to each of the Lenders, in each case in accordance with such Lender's Pro Rata Share of the sum of the aggregate principal amount of the Advances outstanding at such time, in repayment or prepayment of such outstanding Advances or other Obligations then owing to such Lender and, if applicable, for application to such principal repayment installments thereof as the Administrative Agent shall direct.

(f) The Administrative Agent shall deem any payment by or on behalf of the Borrower under this Agreement that is not made in same day funds prior to 12:00 noon (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to the Borrower and each Lender (confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 7.01(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 3.01 from the date such amount was due and payable until the date such amount is paid in full.

#### SECTION 3.05 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section 3.05) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Indemnification by the Borrower. Without duplication of any obligation under Section 3.05(b), the Borrower shall indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.05) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable out-of-pocket expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent

for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.05(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (d).

(e) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 3.05, the Borrower shall deliver to the Administrative Agent the original or a copy of a receipt issued by such Governmental Authority evidencing such payment and a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders. (i) Any Recipient that is entitled to an exemption from or a reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Recipient, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Recipient is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.05(f)(ii)(A), (ii)(B) and (ii)(E) below) shall not be required if in the Recipient's reasonable judgment such completion, execution or submission would subject such Recipient to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Recipient.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a USVI Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 for U.S. Virgin Islands tax purposes;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) executed copies of IRS Form W-8ECI for U.S. Virgin Islands tax purposes;

(2) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), (x) a certificate substantially in the form of Exhibit E-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands), or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Internal Revenue Code (as applicable in the U.S. Virgin Islands) (a “**USVI Tax Compliance Certificate**”) and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, in each case, for U.S. Virgin Islands tax purposes;

(3) in the case of a Foreign Lender claiming the benefits of the exemption pursuant to Section 543, Chapter 13, Title 33, of the U.S. Virgin Islands Code, (x) a certificate substantially in the form of Exhibit F-1 and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E, in each case, for U.S. Virgin Islands tax purposes;

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a USVI Tax Compliance Certificate substantially in the form of Exhibit E-2, Exhibit E-3, Exhibit F-2, Exhibit F-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable, in each case, for U.S. Virgin Islands tax purposes; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, or the exemption described in the preceding clause (iii), such Foreign Lender may provide a USVI Tax Compliance Certificate substantially in the form of Exhibit E-4 or a certificate substantially in the form of Exhibit F-4, as applicable, on behalf of each such direct and indirect partner; or

(5) in the case of a Foreign Lender claiming the benefits of the exemption for a foreign government under Section 892 of the Internal Revenue Code (as applicable in the U.S. Virgin Islands, pursuant to Section 3.05(i)), executed copies of IRS Form W-8EXP for U.S. Virgin Islands tax purposes;

(6) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the Borrower or the Administrative Agent, as applicable) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form or forms prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. Virgin Islands withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(C) if a payment made to a Recipient under any Loan Document would be subject to U.S. federal or U.S. Virgin Islands withholding Tax imposed by FATCA if such Recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, including as applicable in the U.S. Virgin Islands), such Recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code, including as applicable in the U.S. Virgin Islands) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Recipient has complied with such Recipient's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (E), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) The Administrative Agent, and any successor or supplemental Administrative Agent that is not a USVI Person, shall deliver to the Borrower, on or prior to the date on which it becomes a party to this Agreement, a duly completed IRS Form W-9 for U.S. Virgin Islands tax purposes (or other appropriate IRS Form) with respect to payments to be received for its own account and shall assume primary responsibility for withholding under Chapters 3 and 4 of the Internal Revenue Code (as applicable in the U.S. Virgin Islands) with respect to payments to be received for the account of other Recipients, with the effect that the Borrower Parties may make payments to the Administrative Agent without deduction or withholding of any Taxes imposed by the U.S. Virgin Islands.

Each Recipient agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(g) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.05 (including by the payment of additional amounts pursuant to this Section 3.05), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 3.05 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Defined Terms. For purposes of this Section 3.05, the term “applicable law” includes FATCA.

(i) Section 892 of the Internal Revenue Code. The parties to this Agreement acknowledge that, as of the date of this Agreement, Section 892 of the Internal Revenue Code was in effect for U.S. Virgin Islands tax purposes, by virtue of the “mirror” system by which the Internal Revenue Code is applied to the U.S. Virgin Islands. The parties to this Agreement further agree, absent a Change in Law, to treat Section 892 of the Internal Revenue Code as being in effect for U.S. Virgin Islands tax purposes by virtue of such “mirror” system, for purposes of determining and applying U.S. Virgin Islands withholding taxes on interest payments pursuant to this Agreement. The incorrectness of the acknowledgment in the first sentence of this Section 3.05(i) shall not result in any obligation of any Borrower Party to indemnify or pay additional amounts on account of any Excluded Taxes.

(j) Survival. Each party’s obligations under this Section 3.05 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

SECTION 3.06 Sharing of Payments, Etc. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on the Advances or other obligations hereunder resulting in such Lender receiving payment of a proportion of the aggregate amount of its Advances and accrued interest thereon or other such obligations greater than its Pro Rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Advances and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Advances and other amounts owing them; *provided that*:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section 3.06 shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in its Advances to any assignee or participant, other than to the Borrower or any Subsidiary thereof (as to which the provisions of this Section 3.06 shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

SECTION 3.07 Use of Proceeds. The proceeds of the Advances shall be used only for (i) fees, costs, and expenses related to the Chapter 11 Cases (including any fees, costs, and expenses related to the DIP Facility and the professional fees and expenses of the Borrower Parties, the DIP Agent, and the DIP Lenders), (ii) post-petition operating expenses and working capital needs of the Borrower Parties including, but not limited to, those required to remain in, or return to compliance with the laws in accordance with 28 U.S.C. § 959, and such general and administrative expenses as are contained within the

DIP Budget, (iii) other disbursements contained within the DIP Budget, including those to pay (a) interest, fees and expenses (including attorneys' fees) to the Lenders in accordance with the DIP Facility; (b) income Taxes, (c) deposits made to utilities pursuant to an order of the Bankruptcy Court, (d) checks outstanding on the Petition Date that are re-issued in accordance with an order of the Bankruptcy Court, and (e) fees due the Office of the United States Trustee, (iv) payments of amounts due under certain settlement agreements entered into between the Loan Parties as described in the DIP Budget, (v) other expenditures permitted by the DIP Order, and (vi) costs and expenses incurred or to be incurred by the Borrower Parties in connection with the labor required to safely shut-down all operations at the Refinery and other facilities owned or operated by the Loan Parties, in any and all cases, subject to the other limitations set forth in, and to the extent and in amounts not to exceed the amounts expressly set forth for such fees, costs and expenses in, the DIP Budget, this Agreement, and the DIP Order; provided, that no proceeds of the DIP Facility or the DIP Collateral may be used to investigate, initiate, prepare, assert, join, commence, support, or prosecute proceedings or actions on account of any purported offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims of any kind against any Agent, the Lenders, or any of their affiliates or to investigate any such purported offsets, recoupments, challenges, contests, attacks, objections, defenses, claims or counterclaims.

SECTION 3.08 Security. Subject in each case to the entry and the terms of the DIP Order and the terms of the Loan Documents, the DIP Facility and the Obligations shall be entitled to superpriority administrative claim status pursuant to Section 364(c)(1) of the Bankruptcy Code in respect of each of the Borrower Parties, and the Obligations shall be and hereby are secured by valid, enforceable and non-avoidable first priority priming Liens, subject and subordinate only to the Carve-Out, the Aron Rights and all rights and remedies of J. Aron in connection with the Safe Harbor Agreements (as defined in the DIP Order), in and to the Collateral. Such Liens shall be granted pursuant to Sections 364(c)(2), (c)(3) and (d)(1) of the Bankruptcy Code (subject to any Permitted Liens) and the DIP Order shall provide that such Liens shall be automatically perfected upon the entry of the Interim DIP Order without the need for any further action by the Administrative Agent, the Lenders or the Borrower, including the filing of any financing statements or the recording of any mortgages.

SECTION 3.9. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "Required Lenders."

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.03 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of the Advances in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a Deposit Account and released pro rata in order to satisfy such

(v) use Cash Collateral, whether the proceeds of Advances or otherwise, other than for purposes set forth in the DIP Budget (regardless of whether such uses are permitted under this Agreement or otherwise) without the prior written consent of the Administrative Agent (acting at the direction of the Required Lenders) or the Required Lenders.

**SECTION 6.03 Reporting Requirements.** From and after the Closing Date, until a Repayment Event, each Borrower Party covenants and agrees that it will furnish to the Administrative Agent (for posting to the Lenders)

(d) Other Information. Such other information respecting the business, condition (financial or otherwise), operations, performance or Properties (including information on insurance coverage) of any Borrower Party or the Refinery as any Agent, or any Lender through the Administrative Agent, may from time to time reasonably request, other than any proprietary or confidential information of counterparties to Contractual Obligations of the Borrower Parties, to the extent the Borrower Parties have utilized commercially reasonable efforts to permit the disclosure of such information subject to Section 10.15 and such counterparty has not provided its consent (in which case such information shall be provided in redacted form).

or abstracts of, or discussion of, any document, information or other matter that (i) constitutes non-financial trade secrets or non-financial proprietary information, (ii) in respect of which disclosure to any Agent or any Lender (or their respective representatives or contractors) is prohibited by law or is restricted by Contractual Obligation or (iii) is subject to attorney-client or similar privilege or constitutes attorney work-product.

(u) any Borrower Party shall file a motion, pleading or proceeding which could reasonably be expected to result in a material impairment of the rights or interests of the Administrative Agent or the Lenders or a determination by a court with respect to a motion, pleading or proceeding brought by another party which results in such a material impairment; or

(v) the failure of any Milestone to be timely satisfied; or

(w) an order shall be entered by the Bankruptcy Court or any other court of competent jurisdiction confirming a plan of reorganization or liquidation in any of the Chapter 11 Cases (or an order shall be entered by the Bankruptcy Court approving a disclosure statement related to such plan) other than a plan of reorganization that satisfies the Obligations in full in cash when due or any Borrower Party (or any direct or indirect parent of a Borrower Party) shall file, propose, support, or fail to contest in good faith the filing or confirmation of such a plan.

Upon the occurrence and continuance of any Event of Default, the Administrative Agent (acting on the instructions of the Required Lenders) or the Required Lenders may (notwithstanding the provisions of Section 362 of the Bankruptcy Code and without application or motion to, or order from, the Bankruptcy Court), subject to the terms, conditions and provisions of the DIP Order, by written notice to the Borrower and the U.S. Trustee, declare the Commitment to be terminated forthwith, whereupon the Commitment shall immediately terminate, and/or, by notice to the Borrower, declare its Loans hereunder, with accrued interest thereon, and all other Obligations owed to it under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable. Except as expressly provided above in this Section 7.01, presentment, demand, protest and all other notices of any kind are hereby expressly waived.

Upon the occurrence and during the continuance of any Event of Default and subject to the terms of the DIP Order, the Administrative Agent and each of the Lenders may (i) exercise all of its rights and remedies set forth in any of the Loan Documents and the DIP Order, in addition to all rights and remedies allowed under any applicable law, including the UCC, and (ii) revoke the rights of the Borrower and the other Loan Parties to use Cash Collateral in which the Administrative Agent and the Lenders have an interest. None of the Administrative Agent or the Lenders shall have any obligation of any kind to make a motion or application to the Bankruptcy Court to exercise their rights and remedies set forth or referred to in this Agreement or in the other Loan Documents. The enumeration of the foregoing rights and remedies is not intended to be exhaustive and the exercise of any right or remedy shall not preclude the exercise of any other rights or remedies, all of which shall be cumulative and not alternative.

The Borrower Parties waive (i) presentment, demand and protest and notice of presentment, dishonor, notice of intent to accelerate, notice of acceleration, protest, default, nonpayment, maturity, release, compromise, settlement, extension or renewal of any or all commercial paper, accounts, contract rights, documents, instruments, chattel paper and guaranties or other property at any time held by the Administrative Agent or the Lenders on which the Loan Parties may in any way be liable and hereby ratify and confirm whatever the Lenders may lawfully do in this regard, (ii) subject to the terms of the DIP Order, all rights to notice and hearing prior to the Administrative Agent or the Lenders taking possession or control of the Collateral, or any bond or security which might be required by any court prior to allowing the Administrative Agent or the Lenders to exercise any of their remedies subject to the terms of the DIP Order, and (iii) the benefit of all valuation, appraisal and exemption laws. The Loan Parties acknowledge that they have been advised by counsel of their choice with respect to the effect of the foregoing waivers and this Agreement, the other Loan Documents and the transactions evidenced by this Agreement and the other Loan Documents.

Notwithstanding any other provision of any Loan Document to the contrary, during the Remedies Notice Period, (i) the Borrower Parties shall be permitted to continue to use Cash Collateral and proceeds of the Advances solely in the ordinary course of business in accordance with the DIP Budget and to satisfy the Carve-Out, and (ii) the Borrower Parties may seek emergency relief from the Bankruptcy Court during the Remedies Notice Period solely to seek a finding that no Event of Default has occurred.

The Required Lenders by written notice to the Administrative Agent may on behalf of the Lenders waive an existing Default or Event of Default and its consequences hereunder. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Agreement; but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. The Required Lenders, by written notice to the Administrative Agent, may on behalf of all of the Lenders rescind an acceleration and its consequences if the rescission would not conflict with any judgment or decree and if all existing Events of Default (except nonpayment of principal or interest that has become due solely because of the acceleration) have been cured or waived.

SECTION 7.02 Application of Payments. Subject to the DIP Order, any payments and any proceeds of Collateral shall be applied in the following order:

- (a) First, to pay the incurred and unpaid fees, costs and expenses of the Lenders, the Administrative Agent and the Collateral Agent required to be reimbursed under the Loan Documents;
- (b) Second, to the Lenders to pay accrued and unpaid interest on the Advances;
- (c) Third, to the Lenders to pay all outstanding principal amounts in respect of the Advances;
- (d) Fourth, to the Administrative Agent or the Lenders in payment of any remaining Obligations;
- (e) Fifth, any balance remaining after the Obligations shall have been paid in full, in payment to the Pre-Petition Agents for distribution to the holders of Pre-Petition Debt, or to whomever may be lawfully entitled; and
- (f) Sixth, in payment to the Borrower.

## ARTICLE VIII

### THE AGENTS

SECTION 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints 405 Sentinel LLC to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties. The Administrative Agent shall also act as the Collateral Agent under the Loan Documents, and

each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Borrower Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as Collateral Agent, and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to this Article VIII for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this Article VIII and Article X (including Section 10.02, as though such co-agents, sub-agents and attorneys-in-fact were the “collateral agent” under the Loan Documents) as if set forth in full herein with respect thereto.

SECTION 8.02 Rights of Lenders. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with, the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

SECTION 8.03 Exculpatory Provisions.

(a) The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); *provided* that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may affect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and

(iii) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower Parties or any of their Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity.

(b) The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 10.04 and 7.01), or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and

nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given to the Administrative Agent in writing by the Borrower or a Lender.

(c) The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

**SECTION 8.04 Reliance by Administrative Agent.** The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of the Advances that by their terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of the Advances. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

**SECTION 8.05 Delegation of Duties.** The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

**SECTION 8.06 Resignation of Administrative Agent.**

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, in consultation with the Borrower and, so long as no Event of Default has occurred and is continuing, subject to the Borrower's written consent (not to be unreasonably withheld or delayed), to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the "***Resignation Effective Date***"), then the retiring Administrative Agent may (but shall not be

obligated to), on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above and, so long as no Event of Default has occurred and is continuing, subject to the Borrower's written consent (not to be unreasonably withheld or delayed). Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date. If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(b) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring or removed Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 10.02 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

SECTION 8.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 8.08 Withholding Taxes. To the extent required by applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 3.05, each Lender shall indemnify and hold harmless the Administrative Agent against, and shall make payable in respect thereof within 15 days after demand therefor, any and all Taxes and related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred

by or asserted against the Administrative Agent by the IRS or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Taxes from amounts paid to or for the account of such Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of applicable withholding Taxes ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts owing to such Lender under the Loan Documents against any amount due to the Administrative Agent under this **Error! Reference source not found.** The agreements in this **Error! Reference source not found.** shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, and the repayment, satisfaction or discharge of all other Obligations. This **Error! Reference source not found.** shall not impose any additional responsibility on the Borrower.

SECTION 8.09 Administrative Agent May File Proof of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to the Borrower, the Administrative Agent (irrespective of whether the principal of the Advances shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Advances and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 10.02) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 4.02.

SECTION 8.10 Collateral Matters. The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Borrower Party in connection therewith, nor shall the

Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

## ARTICLE IX

### GUARANTY

SECTION 9.01 Guarantee of Obligations. Each of the Guarantors hereby, jointly and severally, absolutely, unconditionally and irrevocably, guarantees, as primary obligor and not merely as surety, to the Administrative Agent, for the benefit of the Agent Parties and Lenders and their respective successors, indorsees, transferees and assigns, the prompt and complete payment in full in cash and performance by the Borrower and each other Loan Party when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations. Each of the Guarantors shall be liable under its guarantee set forth in this Section 3.01, without any limitation as to amount, for all present and future Obligations, including specifically all future increases in the outstanding amount of the Advances or other Obligations and other future increases in the Obligations. Without limiting the generality of the foregoing, each Guarantor's liability shall extend to all Obligations (including, without limitation, interest, fees, costs and expenses) that would be owed by any other obligor on the Obligations but for the fact that they are unenforceable or not allowable due to the existence of a proceeding under any Debtor Relief Law involving such other obligor because it is the intention of each Guarantor and the Secured Parties that the Obligations which are guaranteed by such Guarantor pursuant hereto should be determined without regard to any rule of law or order which may relieve the Borrower or any other Loan Party or any Guarantor of any portion of such Obligations.

### SECTION 9.02 Limitation on Obligations Guaranteed.

(a) Notwithstanding any other provision hereof, the right of recovery against each Guarantor under this Article IX shall not exceed \$1.00 less than the lowest amount which would render such Guarantor's obligations under this Article IX void or voidable under applicable law, including, without limitation, the Uniform Fraudulent Conveyance Act, Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to the guaranty set forth herein and the obligations of each Guarantor hereunder. To effectuate the foregoing, the Administrative Agent and the Guarantors hereby irrevocably agree that the Obligations of each Guarantor in respect of the guarantee set forth in this Article IX at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor with respect thereto hereof not constituting a fraudulent transfer or conveyance after giving full effect to the liability under such guarantee set forth in this Article IX and its related contribution rights but before taking into account any liabilities under any other guarantee by such Guarantor. For purposes of the foregoing, all guarantees of such Guarantor other than the guarantee under this Article IX will be deemed to be enforceable and payable after the guaranty under this Article IX. To the fullest extent permitted by applicable law, this **Error! Reference source not found.** shall be for the benefit solely of creditors and representatives of creditors of each Guarantor and not for the benefit of such Guarantor or the holders of any Capital Stock in such Guarantor.

(b) Each Guarantor agrees that Obligations may at any time and from time to time be incurred or permitted in an amount exceeding the maximum liability of such Guarantor under **Error! Reference source not found.** without impairing the guarantee contained in this Article IX or affecting the rights and remedies of any Agent Party or Lender hereunder.

SECTION 9.03 Nature of Guarantee; Continuing Guarantee; Waivers of Defenses Etc.

(a) Each Guarantor understands and agrees that the guarantee contained in this Article IX shall be construed as a continuing guarantee of payment and performance and not merely of collectability. Each Guarantor waives diligence, presentment, protest, marshaling, demand for payment, notice of dishonor, notice of default and notice of nonpayment to or upon the Borrower or any of the other Guarantors with respect to the Obligations. Without limiting the generality of the foregoing, this guarantee and the obligations of each Guarantor hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, set-off, defense, counterclaim, discharge or termination for any reason unless and until all of the Commitments shall have expired or been terminated and all Obligations and all other amounts payable under this Agreement shall have been paid in full in Cash.

(b) Each Guarantor agrees that the Obligations of each Guarantor hereunder are independent of the Obligations of each other Guarantor and of any other guarantee of the Obligations and when making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Agent Party or Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or other guarantee for the Obligations or any right of offset with respect thereto, and any failure by any Agent Party or Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Agent Party or Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

(c) No payment made by the Borrower, any of the Guarantors, any other guarantor or any other Person or received or collected by any Agent Party or Lender from the Borrower, any of the Guarantors, any other guarantor or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or in payment of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment, remain liable for the Obligations unless and until all of the Commitments shall have expired or been terminated and all Obligations and all other amounts payable under this Agreement shall have been paid in full in Cash.

(d) Without limiting the generality of the foregoing, each Guarantor agrees that its obligations under and in respect of the guarantee contained in this Article IX and any security interest securing the Obligations shall not be affected by, and shall remain in full force and effect without regard to, and hereby waives all rights, claims or defenses that it might otherwise have (now or in the future) with respect to each of the following (whether or not such Guarantor has knowledge thereof):

(i) the validity or enforceability of this Agreement or any other Loan Document, any of the Obligations or any guarantee or right of offset with respect thereto at any time or from time to time held by any Agent Party or Lender;

(ii) any renewal, extension or acceleration of, or any increase in the amount of the Obligations, or any amendment, supplement, modification or waiver of, or any consent to departure from, the Loan Documents;

(iii) any failure or omission to assert or enforce or agreement or election not to assert or enforce, delay in enforcement, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under any Loan Document, at law, in equity or otherwise) with respect to the Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Obligations;

(iv) any change, reorganization or termination of the corporate structure or existence of the Borrower or any Guarantor or any of their Subsidiaries and any corresponding restructuring of the Obligations;

(v) any settlement, compromise, release, or discharge of, or acceptance or refusal of any offer of payment or performance with respect to, or any substitution for, the Obligations, or any subordination of the Obligations to any other obligations;

(vi) the validity, perfection, non-perfection or lapse in perfection, priority or avoidance of any security interest or lien, the release of any or all collateral securing, or purporting to secure, the Obligations or any other impairment of such collateral;

(vii) any exercise of remedies with respect to any security for the Obligations (including, without limitation, any collateral, including the Collateral securing or purporting to secure any of the Obligations) at such time and in such order and in such manner as the Administrative Agent and the Agent Parties and/or Lenders may decide and whether or not every aspect thereof is commercially reasonable and whether or not such action constitutes an election of remedies and even if such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy that any Guarantor would otherwise have, and without limiting the generality of the foregoing or any other provisions hereof, each Guarantor hereby expressly waives any and all benefits which might otherwise be available to such Guarantor under applicable law; and

(viii) any other circumstance whatsoever which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Obligations or which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower or any Guarantor for the Obligations, or of such Guarantor under the guarantee contained in this Article IX or of any security interest granted by any Guarantor, whether in a proceeding under any Debtor Relief Law or in any other instance.

(e) In addition each Guarantor further waives any and all other defenses, set-offs or counterclaims (other than a defense of payment or performance in full hereunder) which may at any time be available to or be asserted by it, the Borrower, or any other Guarantor or Person against any Agent Party or Lender, including, without limitation, failure of consideration, breach of warranty, statute of frauds, statute of limitations, accord and satisfaction and usury, other than following a Repayment Event.

#### SECTION 9.04 Rights of Reimbursement, Contribution and Subrogation.

In case any payment is made on account of the Obligations by any Guarantor or is received or collected on account of the Obligations from any Guarantor or its property:

(a) If such payment is made by a Guarantor or the Borrower or from its property in respect of the Obligations of another Guarantor, such Guarantor shall be entitled, subject to and upon (but not before) a Repayment Event, (A) to demand and enforce reimbursement for the full amount of such

payment from such other Guarantor and (B) to demand and enforce contribution in respect of such payment from each other Guarantor which has not paid its fair share of such payment, as necessary to ensure that (after giving effect to any enforcement of reimbursement rights provided hereby) each Guarantor pays its fair share of the unreimbursed portion of such payment. For this purpose, the fair share of each Guarantor as to any unreimbursed payment shall be determined based on an equitable apportionment of such unreimbursed payment among all Guarantors (other than the Guarantor whose primary obligations were so guaranteed by the other Guarantors) based on the relative value of their assets and any other equitable considerations deemed appropriate by the court. For purposes of the foregoing, all guarantees of such Guarantor other than the guaranty under this Article IX will be deemed to be enforceable and payable after the guaranty under this Article IX.

(b) Any right of subrogation of any Guarantor or the Borrower shall be enforceable solely after a Repayment Event and solely against the Guarantors or the Borrower, and not against the Agent Parties and/or Lenders, and neither the Administrative Agent nor any other Agent Party or Lender shall have any duty whatsoever to warrant, ensure or protect any such right of subrogation or to obtain, perfect, maintain, hold, enforce or retain any collateral securing or purporting to secure any of the Obligations for any purpose related to any such right of subrogation. If subrogation is demanded by any Guarantor, then, after a Repayment Event, the Administrative Agent shall deliver to the Guarantors making such demand, or to a representative of such Guarantors or of the Guarantors generally, an instrument satisfactory to the Administrative Agent transferring, on a quitclaim basis without any recourse, representation, warranty or any other obligation whatsoever, whatever security interest the Administrative Agent then may hold in whatever collateral securing or purporting to secure any of the Obligations that may then exist that was not previously released or disposed of or acquired by the Administrative Agent.

(c) All rights and claims arising under this Section 9.04 or based upon or relating to any other right of reimbursement, indemnification, contribution or subrogation that may at any time arise or exist in favor of any Guarantor or the Borrower as to any payment on account of either (x) the Obligations or (y) any other obligation that is secured by any collateral that also secures or purports to secure any of the Obligations, in each case made by it or received or collected from its property, shall be fully subordinated to the Obligations in all respects prior to a Repayment Event. Until a Repayment Event, no Guarantor may demand or receive any collateral security, payment or distribution whatsoever (whether in cash, property or securities or otherwise) on account of any such right or claim. If any such payment or distribution is made or becomes available to any Guarantor in any bankruptcy case, receivership, or any proceeding under any Debtor Relief Laws, such payment or distribution shall be delivered by the person making such payment or distribution directly to the Administrative Agent, for application to the payment of the Obligations. If any such payment or distribution is received by any Guarantor, it shall be held by such Guarantor in trust, as trustee of an express trust for the benefit of the Agent Parties and Lenders, and shall forthwith be transferred and delivered by such Guarantor to the Administrative Agent, in the exact form received and, if necessary, duly endorsed.

(d) The obligations of the Guarantors under this Agreement and the other Loan Documents, including their liability for the Obligations and the enforceability of the security interests granted thereby, are not contingent upon the validity, legality, enforceability, collectability or sufficiency of any right of reimbursement, contribution or subrogation arising under this Section 9.04 or otherwise. The invalidity, insufficiency, unenforceability or uncollectability of any such right shall not in any respect diminish, affect or impair any such obligation or any other claim, interest, right or remedy at any time held by any Agent Party or Lender against any Guarantor or its property. The Agent Parties and Lenders make no representations or warranties in respect of any such right and shall have no duty to assure, protect, enforce or ensure any such right or otherwise relating to any such right.

SECTION 9.05 Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Administrative Agent without set-off or counterclaim in Dollars in immediately available funds at the Administrative Agent's office.

SECTION 9.06 Bankruptcy, Etc. The obligations of the Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding under any Debtor Relief Law, voluntary or involuntary, involving the Borrower or any Guarantor or by any defense which the Borrower or any Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding. To the fullest extent permitted by law, the Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any interest, fees, costs, expenses or other Obligations accruing or arising after the date on which such case or proceeding is commenced.

SECTION 9.07 Duration of Guaranty. The guarantee contained in this Article IX shall remain in full force and effect until a Repayment Event.

SECTION 9.08 Reinstatement. If at any time payment of any of the Obligations or any portion thereof is rescinded, disgorged or must otherwise be restored or returned by any Agent Party or Lender upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, or if any Agent Party or Lender repays, restores, or returns, in whole or in part, any payment or property previously paid or transferred to such Agent Party or Lender in full or partial satisfaction of any Obligation, because the payment or transfer or the incurrence of the obligation is so satisfied, or is declared to be void, voidable, or otherwise recoverable under any state or federal law (collectively a "***Voidable Transfer***"), or because such Agent Party or Lender elects to do so on the reasonable advice of its counsel in connection with an assertion that the payment, transfer or incurrence is a Voidable Transfer, then, as to any such Voidable Transfer and as to all reasonable costs, expenses and attorney's fees of such Agent Party or Lender related thereto, the liability of each Guarantor hereunder will automatically and immediately be revived, reinstated, and restored and will exist as though the Voidable Transfer had never been made.

(ii) The Platform is provided "as is" and "as available." The Agent Parties (as defined below) do not warrant the adequacy of the Platform and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or the Platform. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**") have any liability to the Borrower,

any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's, or the Administrative Agent's transmission of communications through the Platform. "**Communications**" means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of the Borrower pursuant to any Loan Document or the transactions contemplated therein which is distributed to the Administrative Agent or any Lender by means of electronic communications pursuant to this Section 10.01, including through the Platform.

(b) Indemnification by the Borrower Parties. losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the bad faith, gross negligence or willful misconduct of such Indemnitee or (y) result from a claim brought by the Borrower Parties against an Indemnitee for a material breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower Parties have obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. This Section 10.02 shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that any of the Borrower Parties for any reason fails to indefeasibly pay any amount required under paragraph (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof) or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent) or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the Total Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent) or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent). .

No Indemnitee referred to in paragraph (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

(e) Payments. All amounts due under this Section 4.02 shall be payable promptly, but in any event, not later than 10 days after demand therefor.

(f) Survival. Each party's obligations under this Section 4.02 shall survive the termination of the Loan Documents and payment of the obligations hereunder.

**SECTION 10.03 Set-Off.** If an Event of Default shall have occurred and be continuing, each Lender and each of their respective Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held, and other obligations (in whatever currency) at any time owing, by such Lender or any such Affiliate, to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other Loan Document to such Lender or their respective Affiliates, irrespective of whether or not such Lender or Affiliate shall have made any demand under this Agreement or any other Loan Document and although such obligations of the Borrower may be contingent or unmatured or are owed to a branch, office or Affiliate of such Lender different from the branch, office or Affiliate holding such deposit or obligated on such indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the

Administrative Agent for further application in accordance with the provisions of Section 3.9 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

#### SECTION 10.04 Amendments and Waivers.

(a) Required Lenders' Consent. Subject to the terms of Section 2.04(b)(ix) and Section 10.04(c), no amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall in any event be effective without the written concurrence of the Required Lenders.

(b) Affected Lenders Consent. Without the written consent of each Lender (other than, in the case of (ix) below, a Defaulting Lender) that would be directly affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

- (i) extend the scheduled final maturity of the Advances or Note;
- (ii) waive, reduce or postpone any scheduled mandatory repayment pursuant to Section 2.03 (but not prepayment);
- (iii) reduce the rate of interest on the Advances or any fee or any premium payable to such Lender hereunder (other than, in each case, any waiver of any increase in the interest rate applicable to the Advances pursuant to Section 3.01 or any other amount hereunder);

- (ix) consent to the assignment or transfer by any Loan Party of any of its rights and obligations under any Loan Document;
- (x) waive any of the conditions specified in Section 4.01 or 4.02 without the consent of each Lender;
- (xi) amend Section 2.04 or Section 7.02 in any manner that would alter the sharing of payments thereunder;

(xii) amend, modify or waive any provision of this Agreement in a manner that would directly and adversely affect the rights and obligations of the Lenders disproportionately to any other class of Lenders without the consent of the Lenders of the adversely affected class.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Loan Documents, or consent to any departure by any Loan Party therefrom, shall:

(i) release any material portion of the Collateral except as expressly provided in the Loan Documents (including Section 6.02(e) and Section 2.10(b));

(ii) without the consent of the Required Lenders and the consent of Lenders holding a majority of the Commitments or the Advances outstanding, (A) change the order of application of any reduction in the Commitments or prepayment of the Advances among the DIP Facility from the application thereof set forth in the applicable provisions of Section 2.04 of this Agreement, in any manner that disproportionately affects any of the Lenders differently from the other Lenders or other Secured Parties or (B) otherwise disproportionately affect the obligation of the Borrower to make any payment of the Advances to the Lenders from other Secured Parties; or

(iii) amend, modify, terminate or waive any provision of Article II as the same applies to any Agent, or any other provision hereof of any Loan Document as the same applies to the rights, powers, privileges or obligations of any such Agent, in each case without the consent of such Agent;

(iv) subordinate the DIP Liens of the Lenders with the consent of each of the Lenders

(d) Amendments to Cure Ambiguities, Defects, etc. Notwithstanding the other provisions of this Section 10.04, the Borrower, the Collateral Agent (at the direction of the Administrative Agent) and the Administrative Agent may (but shall have no obligation to) amend or supplement the Loan Documents without the consent of any Lender: (i) to cure any ambiguity, defect or inconsistency, (ii) to make any change that would provide any additional rights or benefits to the Lenders or the Secured Parties, or (iii) to make, complete or confirm any grant of Collateral permitted or required by this Agreement or any of the Security Documents or any release of any Collateral that is otherwise permitted under the terms of this Agreement and the Security Documents.

(e) Execution of Amendments, etc. The Administrative Agent may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Loan Party in any case shall entitle any Loan Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.04 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Loan Party, on such Loan Party.

#### SECTION 10.05 Successors and Assigns; Participations.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an

assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section, or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph Error! Reference source not found. of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Advances at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Advances at the time owing to it or contemporaneous assignments to related Approved Funds that equal at least the amount specified in paragraph (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes the Advances outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Advances of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000, in the case of any assignment in respect of the DIP Facility, unless each of the Administrative Agent otherwise consents (such consent not to be unreasonably withheld, conditioned or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Advances or the Commitment assigned.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of \$3,500 paid by the assigning Lender (or the assignee); *provided* that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; *provided, further*, that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. Notwithstanding anything to the contrary herein, no Lender may assign or transfer (including by participation) any of its Advances or any of rights or obligations hereunder or under the Loan Documents to any natural Person, any Defaulting Lender or any of its Subsidiaries, or any Affiliate of the Borrower Parties.

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable Pro Rata Share of the Advances previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), and to pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent and each other Lender hereunder (and interest accrued thereon). Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof (including with respect to principal and interest) by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 3.04 and 4.02 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided*, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of and principal amounts (and stated interest) of the Advances owing to, each Lender pursuant to the terms hereof from time to time and the amount of any interest owing from time to time (the "**Register**"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. The Register is intended to comply with Treas. Reg. Sections 5(f).103-1(c) and 1.871-14(c) and any obligation or Note issued under this Agreement is intended to be in "registered form" pursuant to such Treasury Regulations.

(d) **Participations.** Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person (other than a natural Person, the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each, a "**Participant**") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Advances owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) no Lender shall sell any participation that, when taken together with all other participations, if any, sold by such Lender, covers all of such Lender's rights and obligations under this Agreement, (iv) such Lender has caused its Participants to agree in writing to be bound by the provisions of Section 10.15 as if such Participant was a party hereto as a Lender and (v) the Borrower, the Administrative Agent and Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, (x) each Lender shall be responsible for the indemnity under Section 3.05(d) with respect to any payments made by such Lender to its Participant(s) and (y) no Participant shall have any rights under this Agreement or any of the other Loan Documents except as expressly set forth herein and each Participant's rights against the granting Lender in respect of any participation shall be limited to those set forth in the participation agreement (which shall not be in contravention of this Agreement).

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement. Notwithstanding anything to the contrary herein, no Lender shall permit any Participant to have any voting rights or any right to control the vote of such Lender with respect to any amendment, modification, waiver, consent or other action hereunder or under any other Loan Document (except as to actions that would (1) reduce or forgive the principal amount of the Advances of such Lender, reduce the rate of or forgive any interest or premium thereon, or reduce or forgive any fees or other Obligations owed to such Lender or (2) extend the Maturity Date, with respect to such Lender's Advances). The Borrower agrees that each Participant shall be entitled to the benefits of Section 3.04, **Error! Reference source not found.** and 3.06 (subject to the requirements and limitations therein, as well as the requirements under Section 3.05(f) (it being understood that the documentation required under Section 3.05(f) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant shall not be entitled to receive any greater payment under Section 3.03 or 3.05, with respect to any participation, than its participating Lender would have been entitled to receive. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Q with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.03 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 3.06 and Section 10.15 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Advances or other obligations under the Loan Documents and the amount of any interest owing from time to time (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, the Advances or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Advance or other obligation is in registered form for U.S. Virgin Islands tax purposes. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the

Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. The Participant Register is intended to comply with Treas. Reg. Sections 5(f).103-1(c) and 1.871-14(c) and any participation or Note under this Agreement is intended to be in “registered form” pursuant to such Treasury Regulations.

(e) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any other central bank having jurisdiction over such Lender; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

SECTION 10.06 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

SECTION 10.07 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of the Advances. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Loan Party set forth in Section 3.04, Section 3.06, Section 10.02 and Section 10.04 and the agreements of Lenders set forth in Section 3.05(d), 8.03, and 10.02(c) shall survive the payment of the Advances and the reimbursement of any amounts drawn thereunder, and the termination hereof.

SECTION 10.08 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Loan Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

SECTION 10.09 Marshaling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the Obligations. To the extent that the Borrower makes a payment or payments to the Administrative Agent or the Lenders (or to the Administrative Agent, on behalf of the Lenders), or any Agent or Lender enforces any security interests or exercise its rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

SECTION 10.10 Severability. In case any provision in or obligation hereunder or under any other Loan Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality

and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 10.11 Obligations Several; Independent Nature of Lenders' Rights. The obligations of the Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Loan Document, and no action taken by the Lenders pursuant hereto or thereto, shall be deemed to constitute the Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

SECTION 10.12 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

SECTION 10.13 Governing Law; Jurisdiction, Etc.

(a) Governing Law. This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of New York.

(b) Jurisdiction. Each Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, any Lender or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) Waiver of Venue. Each Loan Party irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section 10.13. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Service of Process. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 4.01. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law. As an alternative method of service, each of the Borrower, LBRM and LBRO also irrevocably consents to the service of any and all

process in any such action or proceeding by the air mailing of copies of such process to such Borrower Party at its then-effective notice address pursuant to Section 10.01.

SECTION 10.14 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 10.15 Confidentiality. Each of the Administrative Agent and the Lenders agree to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being acknowledged and agreed by the Administrative Agent and the Lenders that any Affiliate or Related Party of such Person that is principally involved in the trading or hedging of commodities does not need to know, and will not be provided with, such information (other than a limited number of senior employees who are required, in accordance with industry regulations or such Person's internal policies and procedures, to act in a supervisory capacity and such Person's internal legal, compliance, risk management, credit or investment committee members, *provided* that no such persons will use such disclosed confidential information in connection with any trading or hedging of commodities of such Person or its Affiliates)) who are informed of the confidential nature of such Information and instructed to keep such Information confidential; (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners); (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process; (d) to any other party hereto; (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights and obligations under this Agreement, or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder; (g) on a confidential basis to (i) any rating agency in connection with rating the Borrower or its Subsidiaries or the DIP Facility or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the DIP Facility; (h) with the consent of the Borrower; or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section, or (y) becomes available to the Administrative Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to the Agents and the Lenders in connection with the administration of this Agreement, the other Loan Documents, and the Advances; *provided* that such Persons receiving such information are subject to confidentiality obligations substantially similar to this Section 10.15 or as may be reasonably acceptable to the Borrower.

For purposes of this Section, “**Information**” means all information received from the Borrower relating to Holdings, the Borrower or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower; *provided* that, in the case of information received from the Borrower after the date of this Agreement, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

SECTION 10.16 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Advances made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Advances made hereunder is repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Borrower shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender’s option be applied to the outstanding amount of the Advances made hereunder or be refunded to the Borrower.

SECTION 10.17 Counterparts; Integration; Effectiveness; Electronic Execution.

(a) Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective on the Closing Date.

(b) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 10.18 Patriot Act. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that

identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or Administrative Agent, as applicable, to identify the Borrower in accordance with the Patriot Act and the Beneficial Ownership Regulation. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Patriot Act and the Beneficial Ownership Regulation.

SECTION 10.19 Non-Recourse to Equityholders; Certain Acknowledgements.

Anything herein or in the other Loan Documents to the contrary notwithstanding, the obligations of the Loan Parties under this Agreement and the other Loan Documents are obligations of the Loan Parties and do not constitute a debt or obligation of (and no recourse shall be had with respect thereto to) any of the direct or indirect holders of the Capital Stock of the Loan Parties or any of their respective Affiliates (in each case, other than the Loan Parties) or any shareholder, partner, member, officer, director, controlling Person, agent, representative, executive or employee of any such Person (collectively, other than the Loan Parties, the “***Non-Recourse Parties***”), except to the extent of the obligations of any such Non-Recourse Party expressly provided for in any of the Loan Documents to which it may become a party, if ever. Except in respect of any obligation of a Non-Recourse Party expressly provided in any Loan Document to which it may become a party (if ever), no action shall be brought against the Non-Recourse Parties, and no judgment for any deficiency upon the Obligations shall be obtainable, by any Secured Party against the Non-Recourse Parties and the Secured Parties shall look solely to the Loan Parties (but not to any Non-Recourse Party) in enforcing its rights and obligations under and in connection with the Obligations; *provided* that nothing contained in this Section 10.19 shall be deemed to release any Non-Recourse Party from liability for its own fraudulent actions, bad faith or willful misconduct or from any other obligation of such Non-Recourse Party contained in any other agreement to which such Non-Recourse Party is a party or to bar any counterclaim against any Person.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

### **Jurisdiction and Venue**

2. The United States Bankruptcy Court for the Southern District of Texas (the “**Court**”) has jurisdiction over this Motion pursuant to 28 U.S.C. § 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b). Venue of the Chapter 11 Cases in the district is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. This Court has constitutional authority to enter final orders with respect to the relief requested herein. The Debtors further confirm their consent to this Court’s entry of final orders or judgments on this Motion, if it is later determined that, in the absence of the consent of the parties, this Court does not have constitutional authority to enter final orders or judgments.

### **Background**

#### **A. Chapter 11 Cases**

4. On July 12, 2021 (the “**Petition Date**”), each of the Debtors filed with this Court a voluntary petition for relief under Chapter 11 of the Bankruptcy Code—thereby commencing these Chapter 11 Cases. The Debtors continue to operate their businesses as debtors in possessions pursuant to Section 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in the Chapter 11 Cases. On or about July 26, 2021, an Official Committee of Unsecured Creditors was appointed (the “**Committee**”). *See* Docket No. 189.

5. On July 13, 2021, the Court entered an order authorizing the joint administration of the Chapter 11 Cases and permission to use a consolidated case caption. *See* Docket No. 20.

6. A discussion of the facts and circumstances surrounding these Chapter 11 Cases is set forth in the *Declaration of Mark Shapiro in Support of Chapter 11 Petitions and First Day*

*Motions* (the “**First Day Declaration**”), which is incorporated herein by reference. *See* Docket No. 8.

**B. The Refinery and Related Operations**

7. In or about September 1965, the United States Virgin Islands (the “**USVI**”) and Hess Oil Virgin Islands Corp. (“**HOVIC**”), a subsidiary of Hess Corporation (f/k/a Amerada Hess Corporation), entered into a Concession Agreement dated September 1, 1965 providing for the construction and operation of an oil refinery (the “**Refinery**”) and an oil storage facility (the “**Terminal**”) on the southern coast of the Island of St. Croix in the USVI. HOVIC continued operating the Refinery and Terminal until 1998, at which time HOVIC assigned its interests to HOVENSA—a joint venture of HOVIC and PDVSA V.I., Inc., a subsidiary of the national oil company of Venezuela, Petróleos de Venezuela, S.A.

8. While the Refinery and Terminal brought economic prosperity, the operation of an industrial oil refinery on a tropical island created dissonance with residents, federal and local environmental agencies, and non-governmental organizations concerned about the impacts of the operation on the local ecosystem and environment at large—a dissonance only amplified in recent decades as the Refinery aged amidst increasingly stringent environmental regulation. Ultimately, adverse economic and regulatory climates, as well as increased competition in the region, resulted in HOVENSA’s refinery operations suffering losses totaling approximately \$1.3 billion between 2009 and 2011; accordingly, on or about February 16, 2012, HOVENSA idled the Refinery operations and, thereafter, began marketing the Terminal and Refinery for sale.

9. In September 2015, HOVENSA and Limetree Bay Holdings, LLC (“**LBH**”) entered into a purchase and sale agreement for the Terminal, pursuant to which LBH agreed to serve as the stalking horse bidder for a sale through bankruptcy. On September 15, 2015, HOVENSA filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code (the

“**HOVENSA Chapter 11 Case**”) in the United States District Court for the Virgin Islands, Bankruptcy Division (the “**HOVENSA Court**”). On or about December 1, 2015, the HOVENSA Court entered an order approving the sale of substantially all assets of HOVENSA to LBH, or its assignee, including, without limitation, the Terminal and Refinery.

10. In conjunction with the acquisition of the Refinery and Terminal, Limetree Bay Refining, LLC (“**LBR**”) and Limetree Bay Terminals, LLC (“**LBT**”), which, together with its parent and subsidiary entities, own and operate the Terminal, entered into operating agreements with the USVI (as amended and supplemented, the “**Operating Agreements**”) that, among other things, granted the USVI certain entitlements and financial incentives in exchange for the right to acquire and operate the Refinery and Terminal. Additionally, LBR and Limetree Bay Refining Marketing, LLC (“**LBRM**”), on the one hand, and LBT, on the other hand, entered into a series of agreements governing the use and occupancy of the Limetree Bay facility and business dealings between the Refinery and Terminal, including, without limitation, the Shared Services Systems Agreement dated as of November 30, 2018 (as amended and supplemented, the “**Shared Services Agreement**”).

### C. Event Precipitating Chapter 11 Filing

11. The Debtors have worked diligently to refurbish and relaunch the aging Refinery—ultimately investing more than \$4 billion into the venture since 2018. The Debtors reopened the Refinery in February 2021 with anticipation of the economic opportunities for investors as well as the community of St. Croix. While the relaunch proved promising initially, the Refinery began experiencing operational issues in or about April 2021. In response, the United States Environmental Protection Agency (the “**EPA**”) and Virgin Islands Department of Planning and National Resources (the “**DPNR**”) opened investigations regarding the Refinery and, on or about

May 14, 2021, the EPA issued a Clean Air Act Emergency Order (the “**EPA Order**”) requiring the Debtors to immediately cease any and all operations at the Refinery for a period of 60 days and engage in an audit of certain identified operational and regulatory compliance issues.

12. At the time of the suspension of operations, the Debtors lacked access to sufficient liquidity or financing under existing facilities to fund Refinery expenses through the 60-day suspension under the EPA Order. Accordingly, the Debtors engaged professionals to advise on potential restructuring and recapitalization options; however, the Debtors were unable to obtain new financing under the existing capital structure. As such, the Debtors solicited proposals for debtor in possession financing to fund idling of the Refinery and a structured sale process through bankruptcy—ultimately selecting a debtor in possession facility (the “**DIP Facility**”) administered by 405 Sentinel, LLC (the “**DIP Agent**”).<sup>3</sup> On July 12, 2021, the Debtors filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code.

13. Pending a sale or reorganization through the Chapter 11 Cases, the Debtors intend to idle the Refinery in accordance with applicable law and consultation with the EPA to ensure the protection of the surrounding communities and environment. Simultaneously, and in accordance with the terms of the DIP Loan Documents (as defined in the Interim DIP Order), the Debtors intend to market the Assets for sale and solicit proposals for the acquisition thereof pursuant to the proposed Bidding Procedures, as set forth herein. As of the filing of this Motion, the Debtors do not have a stalking horse bidder for the Assets.

### **Proposed Bidding Procedures**

14. The Debtors developed the Bidding Procedures (detailed below), with the assistance of advisors and in consultation with the DIP Agent and the Prepetition Secured Parties

<sup>3</sup> On July 14, 2021, the Court entered an interim order approving the DIP Facility (the “**Interim DIP Order**”). *See* Docket No. 104.

(as defined in the Interim DIP Order) to maximize the value of the Assets for the benefit of the Estates and their creditors through an efficient and streamlined sale process, which comports with the terms of the DIP Loan Documents and the Bankruptcy Code. In short, the Bidding Procedures provide for the solicitation of bids from potential purchasers in an effort to identify a stalking horse bidder. Prior to the Bid Deadline (defined below), the Debtors, in consultation with the Notice Parties,<sup>4</sup> shall select one or more bids to serve as stalking horse bid(s) for all or substantially all assets of the Debtors, individually or collectively. Thereafter, if additional Qualified Bids (defined below) are received prior to the Bid Deadline, the Debtors intend to hold an Auction to provide other Qualified Bidders (defined below) an opportunity to bid against the selected stalking horse bid(s). Upon conclusion of the Auction, the Debtors, in consultation with the Notice Parties, shall select a Winning Bid (defined below) and file a notice and designation of the Winning Bid for approval at the Sale Hearing.

15. The provisions of the Bidding Procedures Order approving the Bidding Procedures shall be subject to the terms of the Interim DIP Order. In the event the relief granted in the Bidding Procedures Order or any action taken or proposed to be taken under the Bidding Procedures Order is inconsistent with the terms of the Interim DIP Order, the terms of the Interim DIP Order shall control.

16. The following is a summary of the dates and deadlines proposed under the Bidding Procedures:<sup>5</sup>

<sup>4</sup> As used herein, "Notice Parties" refers to, collectively, the DIP Agent, each of the Prepetition Agents (as defined in the Interim DIP Order), and any official committee(s) appointed in these Chapter 11 Cases.

<sup>5</sup> Some of the dates and deadlines in the table are dependent on the occurrence of certain events. In such cases, the dates provided are estimated or proposed dates or the last date upon which the subject date or deadline may occur under the Interim DIP Order and/or DIP Loan Document. For the avoidance of doubt, the Debtors shall not (i) market or sell any Non-Debtor Assets, (ii) condition the Sale of any Assets on the sale or acquisition of any Non-Debtor Assets, (iii) incur or pay any expenses related to the marketing or sale of any Non-Debtor Assets, or (iv) provide any assistance with due diligence related to any Non-Debtor Assets. h. Unless the Bid is a credit bid being submitted by the DIP Lenders or a Prepetition Secured Party, make a good faith cash deposit in the form of a cashier's check or wire transfer into an interest bearing escrow account (the "**Escrow Account**") maintained by the Debtors' counsel in an amount not less than ten percent (10%) of the total consideration for the Bid, which deposit shall immediately become non-refundable and credited toward the purchase price if and when the Qualified Bidder (as defined below) making such deposit is declared to be the winning bidder (the "**Winning Bid**" and "**Winning Bidder**") or back-up bidder (the "**Back-up Bid**" and "**Back-up Bidder**") at the Sale Hearing. In the event a Qualified Bidder is not the

Winning Bidder or Back-up Bidder, such Qualified Bidder's deposit shall be refunded as set forth herein.

i. Identify the liabilities, if any, that the Potential Bidder seeks to assume through the Sale transaction.

j. Provide a list of the Debtors' Executory Contracts the Potential Bidder seeks to have the Debtors assume and assign to the Potential Bidder by and through the Sale. m. Confirm in writing its agreement to accept and abide by the terms, conditions and procedures set forth herein and provide evidence of due authorization to enter into the proposed Sale pursuant to the asset purchase agreement submitted, or any derivation thereof. 20. The Debtors, in consultation with the Notice Parties, shall determine whether a Bid or Piecemeal Bid that meets the above minimum requirements constitutes a qualified bid (a “**Qualified Bid**”, and the bidder submitting such Qualified Bid, a “**Qualified Bidder**”). The Debtors will promptly advise each Potential Bidder in writing whether or not the Potential Bidder

is a Qualified Bidder. If a Bid submitted on or prior to the Bid Deadline fails to meet all requirements of a Qualified Bid, the Debtors, after consulting with the Notice Parties, may work with the Potential Bidder in an effort to cure any defects in the Bid and to cause such Bid to become a Qualified Bid prior to the commencement of the Auction (as defined below). Each DIP Lender and Prepetition Secured Party shall be deemed a Qualified Bidder and shall be allowed to participate in the Auction without the need to submit a Qualified Bid.

21. The Debtors, in consultation with the Notice Parties, shall select a Qualified Bid and Qualified Bidder to serve as the Stalking Horse Bid (defined below) and Stalking Horse Bidder on or before September 10, 2021 (the “**Stalking Horse Designation Deadline**”).

Aron, and Prepetition Secured Parties, or any other individual or entity; *provided, further*, that the Lender Advisors and any such third-party advisors shall be permitted to advise their respective clients that they are in receipt of such PEO Information and provide summaries or analyses to their respective clients that do not disclose PEO Information. The use and dissemination of PEO Information is subject to the further provisions set forth in Paragraph 51, *infra*. The obligation to maintain the confidentiality of any PEO Information shall terminate upon such information becoming known to all Potential Bidders, generally available to the public, or, solely with respect to the respective clients of the Lender Advisors, upon the Credit Bid Designation Deadline, in the event that such clients elect not to submit a credit bid.

**D. Access to Due Diligence Materials**

24. The Debtors shall establish a digital data room (the “**Data Room**”) for purposes of maintaining and providing Potential Bidders access to information regarding the Debtors and the Assets for purposes of conducting due diligence. To the extent not already established, the Debtors shall establish a Data Room as soon as reasonably practicable after entry of the Bidding Procedures Order, but in no event later than August 6, 2021; *provided, however*, that the Debtors reserve the right to add or remove materials from the Data Room at any time. The Debtors shall be authorized to retain and compensate in the ordinary course of business one or more individuals or entities to assist in the creation and/or maintenance of the Data Room; *provided, however*, that any compensation shall be subject to the Budget (as defined in the Interim DIP Order), terms of the Interim DIP Order, and, with respect to professionals, the requirements of the Bankruptcy Code.

25. Upon delivery of the Preliminary Bid Documents, any Potential Bidder that wishes to conduct due diligence on the Assets may be granted access to the Data Room. The due diligence period for Potential Bidders will end one (1) day prior to the Bid Deadline.

26. The Debtors, along with their advisors, shall coordinate all reasonable requests for additional information and due diligence access from Potential Bidders and provide each Potential Bidder reasonable due diligence information, as requested by such Potential Bidder in writing as soon as reasonably practicable after such request; *provided, however*, the Debtors may decline to provide such information to Potential Bidders who the Debtors, in their reasonable business judgment (in consultation with the Notice Parties), determine do not intend in good faith to, or do not have the capacity to, consummate the purchase of any or all of the Assets or seek access to the Data Room and information contained therein for any improper purpose.

27. Each Potential Bidder shall comply with all reasonable requests for additional information by the Debtors or their advisors, including, without limitation, information regarding such Potential Bidder's financial wherewithal to consummate and perform obligations in connection with the Sale. If a Potential Bidder fails to comply with any such request(s), the Debtors may, in their discretion, in consultation with the Notice Parties, disqualify the Potential Bidder and/or the subject Bid and deny or terminate access to the Data Room.

**E. "As Is, Where Is"**

28. The Sale of any Assets shall be on an "as is, where is" basis and without representations or warranties of any kind, nature or description by the Debtors, their agents or Estates, except to the extent set forth in the asset purchase agreement between the Debtors and a Winning Bidder, the assignment and bill of sale, if any, delivered pursuant to such asset purchase agreement, or the order approving the Sale of the Assets by the Debtors to the Winning Bidder. Except as may be provided in the subject asset purchase agreement, all of the Debtors' rights, title, and interest in and to the Assets shall be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options and interest thereon, but subject in all respects to J. Aron's right to set off and net against any obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents (as defined in the Interim DIP Order) (collectively, the "**Interests**"), with such Interests attaching to the proceeds of the Sale of the Assets, with the same validity and priority as existed immediately prior to such Sale.

29. Each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to inspect and examine the Assets prior to making its Bid, that it has relied solely upon its independent review, investigation and/or inspection of any documents or information in making its Bid, and that it did not rely upon any written or oral statements,

representations, promises, warranties or guaranties whatsoever, whether express or implied, by operation of law or otherwise, regarding the Assets or the completeness of any information provided in connection with the bidding process, in each case except as expressly stated in any executed asset purchase agreement.

**F. Designation of a Stalking Horse Bidder**

30. The Debtors, in consultation with the Lender Advisors, shall prepare a summary of the highest and best Bid(s) for all or substantially all Asset and/or the highest and best Piecemeal Bid(s) (the “**Bid Summary**”). The Debtors shall upload the Bid Summary to the Data Room no later than September 7, 2021 (the “**Bid Summary Deadline**”), which shall be deemed to make such information “generally available to all potential bidders” for purposes of Paragraph 33 (soon to be Paragraph 37) of the Complex Rules.

31. On or before September 10, 2021, the Debtors, in consultation with the Notice Parties, may designate one or more Qualified Bidders as the stalking horse bidder(s) (the “**Stalking Horse Bidder**”) and one or more Qualified Bids as the stalking horse bid(s) (the “**Stalking Horse Bid**”) with respect to a sale of all or substantially all the Assets of the Debtors. The Debtors shall not designate any Qualified Bid as a Stalking Horse Bid unless such Bid is reasonably acceptable to each of the Prepetition Secured Parties.

32. On or before September 13, 2021, if the Debtors have designated a Stalking Horse Bidder, the Debtors shall file a Notice of Designation of Stalking Horse Bidder (the “**Stalking Horse Notice**”) and serve the Stalking Horse Notice on all interested parties, including any Potential Bidders and counterparties to any Executory Contracts identified as Purchased Contracts (defined below) in the Stalking Horse Bid or Stalking Horse APA (defined below). The Stalking Horse Notice shall (a) identify the Stalking Horse Bidder, (b) provide a summary of the Stalking

Horse Bid, (c) outline any and all proposed Bid Protections, which may include the payment of a break-up fee and any other appropriate or customary protections, *provided* that the aggregate amount of the Bid Protections that may be paid to any or all Stalking Horse Bidders shall not exceed three percent (3%) of the proposed purchase price and that any Bid Protections shall only be payable upon the closing of and out of the proceeds of a sale transaction, and (d) provide a copy or the means of accessing a digital copy of the asset purchase agreement for the Stalking Horse Bid (the “**Stalking Horse APA**”) and a redline marked against the APA. The Debtors may modify the terms of the Bidding Procedures<sup>7</sup> (excluding the requirements set forth in Paragraph 19 of this Motion, which modifications thereto shall require the consent of the DIP Agent and each of the Prepetition Secured Parties) through the Stalking Horse Notice, in consultation with the Notice Parties.

33. Any interested parties shall have four (4) days from the date of the Stalking Horse Notice to file any objections to the proposed Bid Protections for the Stalking Horse Bid or any amendments to the Bidding Procedures. The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Bid Protections and amended Bidding Procedures. If an objection is timely filed, the Debtors shall notice a hearing before the Court to consider the objection(s) on an emergency basis; *provided, however*, that the Bidding Procedures will be deemed approved regardless of whether or not the Auction occurs prior to the resolution of any objection to the Bid Protections or amended Bidding Procedures. Interested parties shall be deemed to consent to the expedited and final resolution of any such objections by the Court. The filing or pendency of any objection(s) shall not alter any dates or deadlines

established under the Bidding Procedures or affect the binding nature of the Stalking Horse Bid or any other Bids.

**G. Credit Bidding**

34. In accordance with Paragraphs 9(e) and 29 of the Interim DIP Order, and, to the extent applicable, the Final DIP Order, when entered, the DIP Lenders (as defined in the Interim DIP Order) and the Prepetition Secured Parties may credit bid the full amount of the DIP Obligations (as defined in the Interim DIP Order) or the Prepetition Secured Obligations (as defined in the Interim DIP Order), respectively and as applicable, to acquire any or all Assets subject to the parties' respective security interests (other than any collateral in respect of the J. Aron Obligations),<sup>8</sup> on a dollar-for-dollar basis, as provided in Section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing such credit bid and whether any Sale is (a) pursuant to Section 363 of the Bankruptcy Code, (b) pursuant to a chapter 11 plan, or (c) by a chapter 7 trustee.

35. Notwithstanding anything to the contrary contained herein, the Prepetition Secured Parties shall have the right to credit bid all or any portion of the aggregate amount of their applicable outstanding Prepetition Secured Obligations pursuant to section 363(k) of the Bankruptcy Code, and any such credit bid, whether submitted by a Prepetition Secured Party or a new entity formed by such Prepetition Secured Party, will be considered a Qualified Bid to the extent such bid is received by the deadline to submit a credit bid and complies with section 363(k) of the Bankruptcy Code; *provided* that a credit bid shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full, in cash, all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid or Piecemeal Bid that

are senior in priority, including a priority in payment pursuant to the Intercreditor Agreement (as defined in the Interim DIP Order), to those of the party seeking to credit bid (unless such Prepetition Secured Party consents to alternative treatment). For the avoidance of doubt, any credit bid by a DIP Lender of the DIP Obligations shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full, in cash, all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid or Piecemeal Bid that are senior in priority to the DIP Lender(s) seeking to credit bid (unless such Prepetition Secured Party consents to alternative treatment).

36. If the DIP Lenders and/or any Prepetition Secured Party intends to credit bid for any of the Assets, such parties shall notify the Debtors, the Office of the United States Trustee for the Southern District of Texas (“**U.S. Trustee**”), and the other Notice Parties of their intention to credit bid no later than September 17, 2021 (the “**Credit Bid Designation Deadline**”). To the extent required by Paragraph 33 (soon to be Paragraph 37) of the Complex Rules, any entity that intends to submit a Bid for any or all of the Assets shall waive the right to receive (i) information that is not generally available to all Potential Bidders and (ii) any notices or consultation rights as Notice Parties under the Bidding Procedures or otherwise (the “**Consultation Rights**”).

#### **H. The Auction**

37. If the Debtors receive one or more Qualified Bids from Qualified Bidders by the Bid Deadline, in addition to the Stalking Horse Bid, an Auction with respect to the sale of the subject Assets shall take place on September 22, 2021, at 10:00 a.m. (prevailing Central Time) (the “**Auction Date**”) at (a) the offices of Baker & Hostetler, LLP, located at 811 Main Street, Suite 1100, Houston, Texas 77002 or (b) via an virtual platform, such as Zoom or GoToMeeting, as the Debtors designate. No later than forty-eight (48) hours prior to the Auction Date, the

Debtors shall provide notice of the Auction location and, if via a virtual platform, the credentials required to access such platform, to all Qualified Bidders, the Notice Parties, and the U.S. Trustee.

38. If the Stalking Horse Bid is the only Qualified Bid the Debtors receive by the Bid Deadline, the Debtors reserve the right to cancel the Auction. In such case, if cancelled, the Stalking Horse Bid and Stalking Horse Bidder shall be automatically designated the Winning Bid and Winning Bidder effective as of the Bid Deadline.

39. If the Debtors do not receive any Qualified Bids by the Bid Deadline, the Debtors may elect to hold an open auction for the Assets, or any of them (an “**Open Auction**”) on the Auction Date, subject to the agreement of the DIP Agent and Prepetition Secured Parties. If the parties agree to hold an Open Auction, the Debtors shall provide notice to the Court, the U.S. Trustee, the Notice Parties, and any and all Potential Bidders that executed a Confidentiality Agreement of the Open Auction (the “**Open Auction Notice**”). The Open Auction Notice shall identify the procedures applicable to the Open Auction, including, without limitation, any deposits required to participate in the Open Auction (the “**Open Auction Procedures**”). The Debtors shall prepare the Open Auction Procedures in consultation with the Notice Parties and U.S. Trustee. Notwithstanding anything in the Motion, Bidding Procedures or Open Auction Procedures to the contrary, the DIP Lenders and Prepetition Secured Parties will be entitled to credit bid in any Open Auction and shall be deemed to be Qualified Bidders for purposes of any Open Auction.

40. Unless modified by any Open Auction Procedures, the following rules shall apply to any Auction:

- a. only Qualified Bidders shall be entitled to make a bid at and otherwise participate in the Auction;
- b. each Qualified Bidder shall appear in person, or in the event of a virtual auction, appear virtually, or have an authorized representative appear on their behalf, *provided* the authorized representative has the authority to bind

the Qualified Bidder to the terms of any bid at the Auction without further or additional approval or authorization;

- c. each Qualified Bidder participating in the Auction will be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale;
- d. the Debtors, in their business judgment and in consultation with the Notice Parties, shall select the number of Qualified Bidders participating in the Auction and will conduct the Auction in the manner that they determine will best promote the goals of the bidding process and will achieve the maximum value for the Assets;
- e. the Stalking Horse Bid shall constitute the opening bid at the Auction (the “**Opening Bid**”) for the Assets subject to the Stalking Horse APA and the minimum overbid at the Auction shall be an amount equal to the total approved Bid Protections provided under the Stalking Horse APA *plus* \$1,000,000, with each successive bid being in increments of at least \$1,000,000 higher than the preceding bid; *provided, however*, if the Stalking Horse Bids constitute Piecemeal Bids, the minimum overbids and bid increments shall be specified in the Stalking Horse Notices;
- f. the Stalking Horse Bidder may not use the amount of approved Bid Protections as consideration under any bid during the Auction; *provided, however*, that the Debtors may consider the amount of approved Bid Protections in evaluating the highest and best Bid for purposes of designating the Winning Bid or Back-up Bid;
- g. the Debtors, in consultation with the Notice Parties, may, at any point during the Auction, modify the bid increment amounts;
- h. the Debtors, in consultation with the Notice Parties, may continue the Auction from time to time, adjourn the Auction at any time, and re-open the Auction at any time prior to the commencement of the Sale Hearing; and
- i. bidding at the Auction will be transcribed to ensure an accurate recording of the bidding.

41. At the conclusion of the Auction, the Debtors, in consultation with the Notice Parties, shall select and identify the Winning Bid and the Winning Bidder. There may be more than one Winning Bid and Winning Bidder if individual Piecemeal Bids are determined to be Qualified Bids. The Debtors, in consultation with the Notice Parties, shall also select and identify the entity presenting the next highest and best bid (the “**Back-up Bid**”) and the entity presenting

same (the “**Back-up Bidder**”). At the Sale Hearing (as defined below), the Debtors shall present the Winning Bid and Back-up Bid to the Court for approval. The Debtors’ presentation of the Winning Bid to the Court for approval does not constitute the Debtors’ acceptance of such Winning Bid. The Debtors shall have accepted a Winning Bid only when the Court has entered an order approving such bid and the Sale of the Asset subject thereto.

42. Notwithstanding the foregoing, the Debtors reserve all rights to terminate the bidding process at any time if the Debtors, consistent with their fiduciary duties and business judgment, and in consultation with the Notice Parties, determine that the bidding process will not maximize the value of the Assets. Without limiting the generality of the foregoing, the Debtors, in consultation with the Notice Parties, may reject at any time before entry of a Sale Order approving such bid, any Bid that, in the Debtors’ discretion, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtors, their Estates and creditors.

43. If an Auction is held, the Debtors shall be deemed to have accepted a Qualified Bid only when: (i) such bid is declared the Winning Bid at the conclusion of the Auction; (ii) the Winning Bidder shall have paid an additional deposit which, when added to the initial deposit, equals fifteen percent (15%) of the Winning Bid (the “**Additional Deposit**”); *provided* that to the extent the Winning Bid is a credit bid submitted by a DIP Lender or Prepetition Secured Party, no Additional Deposit shall be required; (iii) definitive documentation has been executed in respect thereof; and (iv) the Court has entered an order approving such bid and the Sale of the Assets subject thereto. The Winning Bidder shall make the Additional Deposit into the Escrow Account within one (1) business day after the conclusion of the Auction. Acceptance by the Debtors of the Winning Bid is conditioned upon entry of a Sale Order approving such Winning Bid.

44. As soon as practicable following the conclusion of the Auction, the Debtors shall file a notice designating the Winning Bid and Winning Bidder, as well as the Back-up Bid and Back-up Bidder (the “**Designation of Winning Bid**”), and serve the Designation of Winning Bid on all interested parties, including, without limitation, all counterparties to any Purchased Contract(s). The Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) provide a summary of the Winning Bid and Back-up Bid; (iii) if the Winning Bidder is not the Stalking Horse Bidder, provide a copy or the means of accessing a digital copy of the asset purchase agreement(s) for the Winning Bid(s) (the “**Modified APA(s)**”) and a redline marked against the Stalking Horse APA; (iv) identify all Purchased Contracts designated by the Winning Bidder or Back-up Bidder; (v) identify the Cure Amount, if any, the Debtors estimate is required to assume and assign each Purchased Contract in compliance with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (vi) contain a statement as to the Winning Bidder’s and Back-up Bidder’s ability to perform the Debtors’ obligations under the subject Purchased Contracts. The Debtors reserve the right to amend the Designation of Winning Bid to identify additional Executory Contracts up to six (6) days before the Sale Hearing (defined below) and to remove any Executory Contracts up to the Closing Date (defined below). Simultaneously with the filing of the Designation of Winning Bid, the Debtors shall file a proposed Sale Order and any supplemental filings related to the Designation of Winning Bid or approval of the proposed Sale pursuant thereto.

45. In the event that the Winning Bidder fails to pay the Additional Deposit or otherwise comply with its obligations as the Winning Bidder, the Qualified Bidder with the Back-up Bid shall be declared the Winning Bid and Winning Bidder without further order of the Court. If the Winning Bid is a Piecemeal Bid (the “**Winning Piecemeal Bid**”), the bidder with the next

highest or best bid that is not entitled to the same reductions to the purchase price shall be deemed the Winning Bid and Winning Bidder without further order of the Court.

#### **I. Sale Hearing**

46. The Debtors shall schedule a hearing to approve the Sale (the “**Sale Hearing**”) pursuant to the Stalking Horse APA or Modified APA(s), as applicable, as soon as practicable, but in no event later than October 14, 2021. At the Sale Hearing, subject to the Bidding Procedures and result of the Auction, if any, the Debtors will request entry of the Sale Order that will, *inter alia*, approve (i) the Sale of the Assets in accordance with the terms of the Stalking Horse APA or Modified APA(s), as applicable, (ii) the assumption and assignment of the Purchased Contracts (defined below), and (iii) any further or additional relief deemed necessary to effectuate the proposed Sale transaction. Objections, if any, to a proposed Sale transaction, other than objections to the assumption and assignment of Executory Contracts (a “**Sale Objection**”), must be filed and served on counsel for the Debtors, the U.S. Trustee, and the Notice Parties no later than October 4, 2021, at 5:00 p.m. (prevailing Central time) (the “**Sale Objection Deadline**”).

#### **J. Return of Deposit**

47. Within five (5) business days after the closing of the Sale to the Winning Bidder (“**Closing**”), the deposits of all unsuccessful bidders shall be refunded, except for any deposits forfeited by a Winning Bidder under the Bidding Procedures. In the event a dispute arises about whether a deposit is refundable or non-refundable, the deposit shall remain in the Escrow Account pending a resolution of the dispute by the Court. In presenting a Bid, any and all Potential Bidders, including Qualified Bidders, Back-up Bidder(s), and Winning Bidder(s), shall be deemed to consent to the jurisdiction and final adjudication of any and all matters related to the Bid(s) by the Court.

**K. Failure to Close**

48. The transaction evidenced by the Winning Bid shall close not later than ten (10) days after entry the Sale Order, but in no event later than November 1, 2021, at 5:00 p.m. (prevailing Central time) (the “**Closing Date**”), unless the Closing Date is extended in accordance with the Bidding Procedures, at which time the Winning Bidder shall pay the balance of the Winning Bid (the Winning Bid amount less the deposit) into the Escrow Account. In the event a declared Winning Bidder fails to timely perform any of its obligations as set forth above or pursuant to the approved transaction documents:

- a. The declared Winning Bidder shall forfeit all deposits made without regard to the Debtors’ ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors’ damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and defenses as to the Winning Bidder, including the right to seek equitable or injunctive relief.
- b. Each Back-up Bidder shall keep its final and highest bid open pending a closing of a transaction of the Winning Bid. In the event that a transaction of the Winning Bid is not consummated by the Closing Date (unless the Closing Date is extended), the Back-up Bidder with the Back-up Bid shall be deemed the Winning Bidder without further order of the Court, and such bidder shall be required to close the transaction contemplated in its Back-up Bid within seven (7) days of being deemed the Winning Bidder, but in no event later than November 8, 2021, at 5:00 p.m. (prevailing Central time), unless such deadline is extended in accordance with the Bidding Procedures. Any Back-up Bidder declared a Winning Bidder who fails to timely perform shall forfeit all deposits made without regard to the Debtors’ ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors’ damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and defenses with respect to such bidder, including the right to seek equitable or injunctive relief.
- c. The Debtors, in consultation with the Notice Parties and agreement of the DIP Agent and Prepetition Secured Parties, may grant any declared Winning Bidder additional time to perform and, to the extent necessary, extend the Closing Date.

**L. Fees and Expenses**

49. Any and all bidders submitting Bids shall bear their own fees, costs, and expenses in connection with the proposed sale, whether or not such sale is ultimately approved, except to the extent reimbursement of expenses constitutes an approved Bid Protection under a Stalking Horse APA. Further, by submitting a Bid, a Potential Bidder shall be deemed to waive its right to pursue a substantial contribution claim under Section 503 of the Bankruptcy Code or other priority unsecured or administrative claims in any way related to the submission of its Bid or the Bidding Procedures.

**M. Assumption and Assignment of Executory Contracts**

50. The Debtors also seek approval of certain procedures to facility the fair and orderly assumption and assignment of certain Executory Contracts designated by the Winning Bidder following the Auction, if any, pursuant to Section 365(f) of the Bankruptcy Code (collectively, the “**Purchased Contracts**”) in connection with the Sale. Due to the nature of the bidding process, the Debtors are unable to currently identify the Purchased Contracts, or any of them, that will require assumption and assignment to the Winning Bidder. As such, the Debtors propose certain procedures (the “**Assumption and Assignment Procedures**”) by which counterparties to potential Purchased Contracts can ascertain the proposed cure payment and adequate assurance of future performance and, if deemed prudent, object to the potential assumption or assumption and assignment of the subject Purchased Contracts. The proposed Assumption and Assignment Procedures are as follows:

- a. As set forth above, the Debtors shall file the Stalking Horse Notice with the Court and serve the same on all known counterparties to the Executory Contracts designated therein. The Stalking Horse Notice shall contain the following: (i) the executory contracts and unexpired leases that may be assumed and assigned to a potential purchaser; (ii) the name and address of the known contract counterparties thereto; (iii) the amount, if any,

determined by the Debtors to be necessary to be paid to cure any existing default in accordance with Section 365(b) and 365(f)(2) of the Bankruptcy Code (the “**Cure Amount**”); and (iv) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any designated contract; *provided, however*, that the inclusion of any executory contract or unexpired lease on the Stalking Horse Notice shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Executory Contracts.

- b. The Debtors may (i) amend the Stalking Horse Notice or Designation of Winning Bid at any time prior to the date that is six (6) days before Sale Hearing to add or remove any Executory Contracts, subject to the right of any counterparties to newly identified Executory Contract(s) to object to the proposed cure payment, adequate assurance, or otherwise object to the assumption and assignment of the subject Executory Contracts, and (ii) amend the Stalking Horse Notice or Designation of Winning Bid to remove any previously-designated Executory Contracts at any time prior to the Closing Date, with such removal being effective immediately without further order of the Court. Any amendments to the Stalking Horse Notice or Designation of Winning Bid shall comply with the requirements of Paragraph 50.a; *provided, however*, that such amendments need not include information related to any previously-designated Executory Contracts unaffected by the amendment.
- c. Each Potential Bidder shall identify in its Bid any and all Executory Contracts the Potential Bidder may wish to designate for assumption and assignment to the Potential Bidder in any Sale; *provided, however*, the Winning Bidder(s) may amend such designation, consistent with the notice requirements of Paragraph 50.b.
- d. As provided in Paragraph 44, the Debtors shall file and serve the Designation of Winning Bid on each counterparty to any Purchased Contract (and its counsel, if known) that is designated for assumption and assignment under the Winning Bid, among other parties. Such Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) identify all Purchased Contracts designated by the Winning Bidder, subject to the right to amend such designation; (iii) identify the Cure Amount, if any, the Debtors estimate is required to comply with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (iv) contain a statement as to the Winning Bidder’s ability to perform the Debtors’ obligations under the subject Purchased Contracts. The Debtors may amend or supplement the Contract Notice to add or remove any Executory Contracts by filing with the Court and serving on the affected counterparties to the Executory Contracts an amended Designation of Winning Bid in accordance with these Bidding Procedures.

- e. All objections to the proposed assumption and assignment of any Purchased Contracts must: (i) be filed with the Court on or before October 18, 2021, at 12:00 p.m. (prevailing Central time) (the “**Contract Assumption Objection Deadline**”) and served on the Debtors, the U.S. Trustee and Notice Parties; (ii) identify the Purchased Contract(s) to which the objector is party; (iii) describe with particularity any cure the objector contends is required under Section 365 of the Bankruptcy Code (the “**Cure Claim**”); (iv) identify the bases of the alleged Cure Claim under the proposed Purchased Contract; and (v) attach all documents supporting or evidencing the Cure Claim.
- f. If no objection is filed by the Contract Assumption Objection Deadline, the Cure Amount set forth in the Designation of Winning Bid Notice, or any amended version thereof, as applicable, shall control and any counterparties to the subject Purchased Contract(s) shall be deemed to waive and shall be forever barred from asserting in any other claim or objection under Section 365 of the Bankruptcy Code, or otherwise, including, without limitation, any objection to the assignability of any of the purchased contracts, other than an objection to adequate assurance of performance under the Purchased Contracts pursuant to Section 365(b)(1)(C) of the Bankruptcy Code.
- g. To the extent any Cure Claim remains unresolved as of the Sale Hearing, such dispute shall be presented to the Court at the Sale Hearing, or such later date and time as the Debtors, the Winning Bidder, and the objecting party may agree or the Court may order, *provided* that the pendency of such dispute shall not affect in any way the closing of any proposed Sale or the effectiveness of any assumption and assignment of the subject Executory Contract under the Winning Bid.

**N. Cooperation and Information Sharing**

51. The Debtors and their advisors shall consult regularly with the Lender Advisors and third-party professionals retained by their respective clients, including, without limitation, any financial advisors or brokers, regarding the status of the Sale process and any potential Bids and provide any related information that may be reasonably requested by the Lender Advisors and such third-party professionals. To the extent required by Paragraph 33 (soon to be Paragraph 37) of the Complex Rules, any information provided to the Lender Advisors or such third-party professionals shall constitute PEO Information subject to the restriction set forth in Paragraph 23, *supra*; *provided, however*, that any PEO Information that becomes known to all Potential Bidders or

publicly available, other than as a result of a violation of the restrictions on the use and dissemination of PEO Information, shall no longer be subject to the restrictions provided in the Bidding Procedures. Any DIP Lender or Prepetition Secured Party that elects not to credit bid by the Credit Bid Designation Deadline shall have the right to any and all PEO Information, Consultation Rights, and other information and documentation pertaining to the marketing or Sale of any Assets, including, without limitation, any Bids and related documents, under the Bidding Procedures without restriction, except for a prohibition against sharing such information with any Potential Bidders that do not have such information.

**The Bidding Procedures are Reasonable and Should be Approved**

52. Pursuant to Bankruptcy Rule 6004(f)(1), sales of property outside the ordinary course of business may be by private sale or auction. Fed. R. Bankr. P. 6004(f)(1). The paramount goal of any proposed sale of property of a debtor is to maximize the value received by the estate. *See, e.g., Official Committee of Subordinated Bondholders v. Integrated Resources, Inc. (In re Integrated Resources, Inc.)*, 147 B.R. 650, 659 (“It is a well-establish principal of bankruptcy law that the Debtors’ duty with respect to [Section 363] sales is to obtain the highest price or greatest overall benefit possible for the estate”), *quoting Cello Bag Co. v. Champion Int’l Corp. (In re Atlanta Packaging Prods., Inc.)*, 99 B.R. 124, 131 (Bankr. N.D. Ga. 1988).

53. To that end, debtors are granted significant latitude in devising and implementing bidding and sale procedures under Section 363 of the Bankruptcy Code. Indeed, bankruptcy courts have made clear that a debtor’s business judgment is entitled to substantial deference with respect to the bid procedures to be used in selling assets of the estate. *See, e.g., In re Integrated Resources, Inc.*, 147 B.R. at 656-57 (noting that overbid procedures and break-up fee arrangements that have been negotiated by a debtor are to be reviewed according to the deferential “business judgment” standard, under which such procedures and arrangements are “presumptively valid”); *See In re*

*ASARCO, L.L.C.*, 650 F.3d at 601 (“The business judgment standard in section 363 is flexible and encourages discretion.”); *see also GBL Holding Co. v. Blackburn/Travis/Cole, Ltd.*, 331 B.R. 251, 254 (N.D. Tex. 2005) (“Great judicial deference is given to the Trustee’s exercise of business judgment.”), (citing *In re Gulf States Steel, Inc. of Ala.*, 285 B.R. 497, 516 (Bankr. N.D. Ala.2002)); *see also In re W.A. Mallory Co., Inc.*, 214 B.R. 834, 836–37 (Bankr. E.D. Va. 1997) (“[G]reat deference is given to a business in determining its own best interests.”); *see also In re Global Crossing, Ltd.*, 295 B.R. 726, 744 n. 58 (Bankr. S.D.N.Y. 2003) (“[T]he Court does not believe that it is appropriate for a bankruptcy court to substitute its own business judgment for that of the [d]ebtors and their advisors....”).

54. The Debtors submit that the proposed Bidding Procedures are supported by their sound business judgment and serve the best interests of the Estates and their creditors. Under the Interim DIP Order, the Debtors must consummate a sale of all or substantially all of the Debtors’ assets within one hundred twenty (120) days after the Petition Date. To do so, the Debtors, in consultation with the Notice Parties, have devised the proposed Bidding Procedures. The Bidding Procedures provide a framework for a fair and orderly marketing and sale of the Assets and ensure the participation of *bona fide* bidders with the ability and desire to consummate a proposed transaction. The Bidding Procedures also provide flexibility to maximize the opportunities and offers available to the Debtors, including the ability to entertain proposals for any and all Assets as well as only certain Assets of the Debtors (i.e., Piecemeal Bids).

55. Further, the Bidding Procedures incorporate fair and reasonable procedures for the identification of Executory Contracts subject to any potential sale and the resolution of any disputes pertaining to the assumption and assignment of any Purchased Contracts—while balancing such protections against the need to maintain an expedited timeline for consummation

of a Sale under the Interim DIP Order and DIP Loan Documents. Moreover, the Bidding Procedures are designed to prevent collusion among Potential Bidders. Indeed, the Bidding Procedures require each Qualified Bidder participating in the Auction to confirm that it has not engaged in any collusion with respect to the bidding or the Sale and, thus, Section 363(n) of the Bankruptcy Code is inapplicable to any sale of the Debtors' Assets under the Bidding Procedures. *See* 11 U.S.C. § 363(n).

56. Based on the foregoing, the Debtors respectfully request that the Court find that the Bidding Procedures are supported by the sound business judgment of the Debtors and comport with the milestones under the Interim DIP Order, and approve the proposed Bidding Procedures.

**The Sale is Supported by Sound Business Judgement  
and Should be Approved**

57. Section 363(b)(1) of the Bankruptcy Code provides that “[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Although Section 363 of the Bankruptcy Code does not specify a standard for determining when it is appropriate for a court to authorize the use, sale, or lease of property of the estate, bankruptcy courts routinely authorize sales of estate assets outside the ordinary course of business if such sale is based upon the sound business judgment of the debtor. *See Asarco, Inc. v. Elliott Management (In re ASARCO, L.L.C.)*, 650 F.3d 593, 601 (5th Cir. 2011), (quoting *The Institutional Creditors of Cont'l Air Lines, Inc. v. Cont'l Air Lines, Inc. (In re Cont'l Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986)) (“[F]or the debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.”).

58. “The business judgment standard in section 363 [of the Bankruptcy Code] is flexible and encourages discretion. ‘Whether the proffered business justification is sufficient depends on the case.... [T]he bankruptcy judge “should consider all salient factors pertaining to the proceeding and, accordingly, act to further the diverse interests of the debtor, creditors and equity holders, alike.”’” *In re ASARCO, L.L.C.*, 650 F.3d at 601, *quoting In re Cont'l Air Lines, Inc.*, 780 F.2d at 1226 (*quoting In re Lionel Corp.*, 722 F.2d 1063, 1071 (2d Cir.1983)). Notwithstanding, a debtors’ decision to sell property out of the ordinary course of business enjoys a strong “presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company.” *In re Integrated Resources, Inc.*, 147 B.R. at 656.

59. The Debtors submit that the decision to sell all or substantially all Assets of the Estates is premised upon their sound business judgment. First and foremost, the sale of all or substantially all assets of the Estates is a condition to the DIP Facility under the terms of the Interim DIP Order and DIP Loan Documents. The Debtors require the funding under the DIP Facility to idle the Refinery in a safe and responsible manner; accordingly, a sale in accordance with the terms of the Interim DIP Order and DIP Loan Documents is supported by a sound business justification. Notwithstanding the obligations under the DIP Loan Documents, the Debtors lack the necessary funding to redress any issues identified in the audits under the EPA Order and relaunch operations at the Refinery. As such, the Debtors have concluded that an expeditious sale of the Assets in accordance with the proposed Bidding Procedures serves the best interests of creditors by maximizing the value of the Assets, while minimizing administrative claims through a streamlined sale process.

60. Based on the foregoing, the Debtors submit that the potential sale of the Assets serves the best interests of the Debtors, the Estates and creditors, and is based upon sound, reasoned and informed business judgment—thereby warranting approval under Section 363 of the Bankruptcy Code.

**Sale of the Assets Free and Clear of all Interests**  
**Pursuant to Section 363(f) of the Bankruptcy Code is Warranted**

61. The Debtors hereby request authority to sell the Assets of the Estates free and clear of all Interests pursuant to Section 363(f) of the Bankruptcy Code. Section 363(f) of the Bankruptcy Code permits a debtor to sell property free and clear of another party's interest in the property if: (a) applicable non-bankruptcy law permits such a "free and clear" sale; (b) the holder of the interest consents; (c) the interest is a lien and the sales price of the property exceeds the value of all liens on the property; (d) the interest is in *bona fide* dispute; or (e) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. 11 U.S.C. § 363(f). The Court also may authorize the sale of a debtor's assets free and clear of any liens pursuant to Section 105 of the Bankruptcy Code, even if Section 363(f) does not apply. *See In re Trans World Airlines*, No. 01-0056(PJW), 2001 WL 1820325, at \*3 (Bankr. D. Del. Mar. 27, 2001), *aff'd sub nom. In re Trans World Airlines, Inc.*, 322 F.3d 283 (3rd Cir. 2003).

62. The Debtors submit that the sale of the Assets free and clear of all Interests will satisfy the requirements of Section 363(f) of the Bankruptcy Code. The Debtors also submit that the service of the Designation of Winning Bid and notice of the Sale Hearing, in accordance with applicable rules and the proposed procedures, will provide creditors and other interested parties sufficient notice of and opportunity to object to the proposed Sale, if deemed warranted, and, thus, support approval of the sale free and clear of any and all Interests.

**Purchasers of Assets Should be Entitled to Protections of  
Section 363(m) of the Bankruptcy Code**

63. Section 363(m) of the Bankruptcy Code provides, in relevant part, that “[t]he reversal or modification on appeal of an authorization under [Section 363(b)] ... of a sale or lease of property [of the estate] does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.” *See* 11 U.S.C. § 363(m). Although the Bankruptcy Code does not define “good-faith purchaser,” “[t]he requirement that a purchaser act in good faith . . . speaks to the integrity of [purchaser’s] conduct in the course of the sale proceedings.” *In re Abbotts Dairies of Pa., Inc.*, 788 F.2d 143, 147 (3d Cir. 1986) (internal citations omitted); *see Factory Mutual Insurance, Co. v. Panda Energy Int’l, Inc. (In re Hereford Biofuels, L.P.)*, 466 B.R. 841, 860 (Bankr. N.D. Tex. 2012). “Typically, the misconduct that would destroy a purchaser’s good faith status at a judicial sale involves fraud, collusion between the purchaser and other bidders, or an attempt to take grossly unfair advantage of other bidders.” *In re Hereford Biofuels, L.P.*, 466 B.R. at 860.

64. The Debtors submit that any Bid or asset purchase agreement that results in the Sale of any Assets under the Bidding Procedures will be an arms’-length transaction following a transparent marketing, bid solicitation, and auction processes, and, thus, the Winning Bidder(s) should be entitled to the protections of Section 363(m) of the Bankruptcy Code.

**The Rights of the DIP Lenders and Prepetition Secured Parties to Credit Bid**

65. In accordance with Paragraphs 9(e) and 29 of the Interim DIP Order, the DIP Lenders and the Prepetition Secured Parties may credit bid the full amount of the DIP Obligations or the Prepetition Secured Obligations, respectively and as applicable, to acquire any or all Assets subject to the parties’ respective security interests (other than any collateral in respect of the J.

Aron Obligations),<sup>9</sup> on a dollar-for-dollar basis, as provided in Section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing such credit bid and whether any Sale is (a) pursuant to Section 363 of the Bankruptcy Code, (b) pursuant to a chapter 11 plan, or (c) by a chapter 7 trustee. *See* Docket No. 104, at pp. 44, 66-67.

66. Section 363(k) of the Bankruptcy Code further supports the rights of the DIP Lenders and Prepetition Secured Parties to credit bid for the Assets, subject to the limitations of the Interim DIP Order and DIP Loan Documents. Section 363(k) of the Bankruptcy Code provides that “[a]t a sale under section (b) of [Section 363 of the Bankruptcy Code] of property that is subject to a lien that secures an allowed claim, if the holder of such claim purchases such property, such holder may offset such claim against the purchase price of such property.” 11 U.S.C. § 363(k). “It is well settled among district and bankruptcy courts that creditors can bid the full face value of their secured claims under § 363(k) [of the Bankruptcy Code].” *Cohen v KB Mezzanine Fund II, LP (In re SubMicron Sys. Corp.)*, 432 F.3d 448, 459 (3rd Cir. 2006); *see also RadLAX Gateway Hotel, LLC v. Amalgamated Bank*, 132 S. Ct. 2065 (2012).

67. Accordingly, to the extent further authorization is required, the Debtors submit that the DIP Lenders and Prepetition Secured Parties should be permitted to credit bid in accordance with the Interim DIP Order and Section 363(k) of the Bankruptcy Code.

**Approval of Reasonable Bid Protections for a Stalking Horse Bidder is Appropriate**

68. In order to incentivize a Stalking Horse Bidder to enter into a Stalking Horse APA, thereby establishing a base price for the Assets at any Auction, the Debtors may need to offer certain Bid Protections, including, without limitation, break-up fees and expense reimbursement. The terms of any Bid Protections and the justification for the Debtors’ need to offer such Bid

---

<sup>9</sup> For the avoidance of doubt, the IFF Property shall not be the subject of any sale pursuant to this Motion or the Bidding Procedures.

Protections shall be detailed in any Stalking Horse Notice and subject to objection and Court approval in accordance with the Bidding Procedures.

69. The Debtors submit that any proposed Bid Protections will be fair and reasonable under the circumstances. Any Bid Protections shall be negotiated at arms'-length and in good faith, and the Debtors shall only agree to Bid Protections to the extent deemed necessary to secure a beneficial Stalking Horse Bid. While subject to further disclosure and objection, courts routinely approve bid protections, including break-up fees, expense reimbursement and other incentives as reasonable and, often, necessary to facilitate the sale of assets in chapter 11 cases. *See, e.g., In re Acis Capital Mgmt., L.P.*, 604 B.R. 484, 517 (N.D. Tex. 2019) ("Without the Break-Up Fee, the Trustee would have had no ready, willing, and able partner for the proposed Plan. . . ."); *In re Lincolnshire Campus, LLC*, 2010 WL 5269706 at \*2 (Bankr. N.D. Tex. July 23, 2010) ("The Break-Up Fee . . . induced the Buyer to submit a bid that will serve as a minimum or floor bid on which the Debtors . . . and other bidders can rely. Accordingly, the Break-Up Fee . . . [is] reasonable and appropriate and represent[s] the best method for maximizing the value for the benefit of the Debtors' estates."); *Reliant Energy Channelview LP v. Kelson Channelview LLC (In re Reliant Energy Channelview LP)*, 594 F.3d 200, 206-07 (3d Cir. 2010); *see also In re Integrated Res., Inc.*, 147 B.R. at 659-660 ("Breakup fees are important tools to encourage bidding and to maximize the value of the debtor's assets . . . . In fact, because the . . . corporation ha[s] a duty to encourage bidding, break-up fees can be necessary to discharge [such] duties to maximize values."); *In re ASARCO, L.L.C.*, 650 F.3d at 603 (affirming a break-up fee that the bankruptcy court found helped to maximize the debtor's estate).

70. To the extent the Debtors agree to any Bid Protections, the Debtors submit that the approval of the Bid Protections will be warranted under applicable law. The Debtors reserve the

right to supplement the discussion of any Bid Protections and the bases for approving such Bid Protections in any Stalking Horse Notices.

**Assumption and Assignment of Executory Contracts and Unexpired Leases  
Should be Authorized under the Bankruptcy Code**

71. Section 365(a) of the Bankruptcy Code provides, in pertinent part, that a debtor in possession “subject to the court’s approval, may assume or reject any executory contract or [unexpired] lease of the debtor.” 11 U.S.C. § 365(a). The standard governing bankruptcy court approval of the assumption, rejection, or assumption and assignment of an executory contract or unexpired lease is whether the debtor’s reasonable business judgment supports the assumption, rejection, or assumption and assignment of the subject contract or lease. *Richmond Leasing Co. v. Capital Bank, N.A.*, 726 F.2d 1303, 1309 (5th Cir. 1985) (“As long as assumption . . . appears to enhance a debtor’s estate, court approval . . . should only be withheld if the debtor’s judgment is clearly erroneous, too speculative, or contrary to the provisions of the Bankruptcy Code.”) (internal quotations omitted).

72. The assumption and assignment of certain Executory Contracts may be an essential aspect of the Sale of the Debtors’ Assets. Accordingly, the Debtors submit that the agreement to assume and assign any Executory Contracts pursuant to the Assumption and Assignment Procedures is an appropriate exercise of the Debtors’ business judgement. The Debtors further submit that the notice provisions and objection deadlines for counterparties to Executory Contracts under the Assumption and Assignment Procedures are reasonable and appropriate, and provide counterparties an adequate notice and opportunity to object to or seek adequate assurance of future performance in connection with the assumption and assignment of any Executory Contracts.

73. If a debtor has exercised sound business judgment in seeking to assume or assign an executory contract, the court must determine whether the assumption satisfies the requirements

of Section 365(b) of the Bankruptcy Code—namely, whether the debtor or assignee: (a) cures, or provides adequate assurance of promptly curing, prepetition defaults under the subject contract or lease; (b) provides adequate compensation for any pecuniary losses arising therefrom; and (c) provides adequate assurance of future performance by the assignee under the subject agreement.

74. The Debtors submit that the requirements of Sections 365(b)(1) and 365(f)(2)(A) of the Bankruptcy Code shall be satisfied in accordance with the terms of the Assumption and Assignment Procedures, which provide for the identification and payment of any Cure Amount(s), the provision of adequate assurance of future performance upon selection of the Winning Bidder, and sufficient notice and opportunity to object to the assumption and assignment of any Executory Contracts, which permits counterparties to Executory Contracts an opportunity to raise and, amicably or through the Sale Hearing, resolve any issues pertaining to the assumption and assignment of the subject Executory Contract(s).

75. Accordingly, the Debtors respectfully request that the Court approve the assumption and assignment of Executory Contracts in accordance with the Bidding Procedures, subject to the rights of any counterparties to object thereto.

**Notice of the Auction and Sale Hearing is Sufficient**

76. Pursuant to Bankruptcy Rule 2002(a), the Debtors are required to provide interested parties with 21-days' notice of the Sale Hearing and, pursuant to Bankruptcy Rule 2002(c)(1), such notice must also include the time and place of the Auction, the Sale Hearing and any deadline(s) for filing objections to the requested relief. The Debtors submit that the notices provided in connection with this Motion and proposed under the Bidding Procedures satisfy the requirements of Bankruptcy Rules 2002(a) and 2002(c)(1) and further or additional notice is not warranted.

**Waiver of Bankruptcy Rules 6004(h) and 6006(d)**

77. The Debtors hereby request that the Court waive the 14-day stay requirements of Bankruptcy Rules 6004(h) and 6006(d). The waiver of the 14-day stay imposed by Bankruptcy Rules 6004(h) and 6006(d) will allow any Sale to close as soon as possible and, thus, prevent delay in the administration of these Chapter 11 Cases and avoidance of any holding costs associated with such Assets. Further, a waiver of the 14-day stay may be necessary to comply with the milestones under the Interim DIP Order and DIP Loan Documents and, thus, avoid an event of default that could jeopardize the viability of these Chapter 11 Cases. Accordingly, the Debtors respectfully submit that a waiver of the 14-day stay contained in Bankruptcy Rules 6004(h) and 6006(d) is appropriate.

**Reservation of Rights**

78. Nothing contained herein is intended to be or shall be deemed as (a) an admission as to the validity or amount of any claim against the Debtors, (b) a waiver of the Debtors' rights to dispute the validity, amount or priority of any claim against the Debtors, (c) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any applicable non-bankruptcy law; (d) an admission as to whether any contract or lease is an executory contract or unexpired lease within the meaning of Section 365 of the Bankruptcy Code; (e) an agreement to assume, reject, or assume and assign any executory contract or unexpired lease under Section 365 of the Bankruptcy Code; or (f) a waiver of the rights of parties in interest to contest whether any of the interests described herein constitute property of the Debtors' Estates. The Debtors expressly reserve any and all rights with respect to the foregoing matters.

**Request for Emergency Relief**

79. The Debtors respectfully request emergency consideration of this Motion. Under the terms of the Interim DIP Order, the Debtors must obtain a binding stalking horse bid no later than September 10, 2021, and consummate a sale of all or substantially all Assets of the Estates on or before November 9, 2021. If heard on regular notice, the Debtors would have less than four (4) weeks to market and solicit bids for the purchase of the Assets, which may significantly limit the potentially interested parties in the acquisition of the Assets—especially given the scale, complexity and expense of the Refinery operations and necessary governmental approvals. In order to maximize the time to market the Assets and, in so doing, ensure the highest and best purchase price for the Assets, the Debtors respectfully submit that hearing the Motion on an emergency basis is warranted. Further, hearing the Motion on an emergency basis will not adversely affect any interested parties as (a) the Debtors have consulted with the principal interested parties in preparing the Bidding Procedures and (b) any interested parties may object to any proposed Sale during the Sale Hearing.

80. Pursuant to Local Rule 9013-1(i), this Motion is verified as to its accuracy Debtors' proposed counsel.

**No Prior Request for Relief**

81. No prior request for the relief sought herein has been made to this Court or any other Court in connection with these Chapter 11 Cases.

**Notice**

82. Notice of this Motion will be given to the following parties: (a) the United States Trustee for the Southern District of Texas; (b) all secured creditors; (c) the Offices of the Attorney General of the State of Texas and the United States Virgin Islands; (d) the thirty (30) largest

consolidated unsecured creditors for the Debtors; (e) the Debtors' identified, interested taxing authorities, including the Internal Revenue Service; (f) the Debtors' identified, interested government and regulatory entities; (g) other interested parties as identified by the Debtors; and (h) any party that has requested notice pursuant to Bankruptcy Rule 2002; (i) members of the Committee and their counsel, if known; (j) and such other parties as noted on the certificate of service. The method of service for each party will be described more fully in the certificate of service prepared by the Debtors' claims and noticing agent. The Debtors respectfully submit that, under the circumstances, such notice is sufficient and that no other or further notice of this Motion is required.

**WHEREFORE**, Debtors respectfully request that this Court (a) enter the Bidding Procedures Order, in substantially the same form as attached hereto as Exhibit A, (b) after a Sale Hearing, enter one or more Sale Orders approving the Sale of Assets to the Winning Bidder(s), and (c) granting such further and additional relief as the Court deems due and proper.

RESPECTFULLY SUBMITTED this 26th day of July, 2021.

applicable rules and orders, and no further or additional notice of the Motion being warranted; having considered the Motion and all other documents submitted in support of the Motion; and, after due deliberation, finding that the relief requested by and through the Motion, is due and proper and serves the best interests of the Estates and their creditors; and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED:**

1. The Motion is granted as set forth herein.
2. All objections to the Motion or entry of this Order, or granting of the relief provided herein, that have not been withdrawn, waived, resolved or settled, are hereby denied and overruled on the merits with prejudice.
3. The Bidding Procedures, attached hereto as Appendix A, including, without limitation, the procedures for the Auction and the assumption and assignment of Executory Contracts set forth therein, are hereby approved in all respects and shall govern any and all bids and bid proceedings related to the Assets. The Debtors and their professionals and agents are authorized to take any and all action necessary or appropriate to implement the Bidding Procedures, including, without limitation, engaging individuals or entities on reasonable terms, subject to consultation with the Notice Parties and compliance with the terms of the Interim DIP Order and Budget (as defined in the Interim DIP Order), to assist with the implementation of the Bidding Procedures; *provided, however*, that the engagement or compensation of any professionals shall be subject to compliance with any applicable provisions of the Bankruptcy Code.
4. If the DIP Lenders and/or any Prepetition Secured Party intends to credit bid for any of the Assets, such parties shall notify the Debtors, U.S. Trustee, and the other Notice Parties of their intention to credit bid no later than **September 17, 2021**.

5. The deadline for any Potential Bidders to submit a Bid for any or all of the Assets of the Debtors shall be **September 17, 2021, at 5:00 p.m.** (prevailing Central Time). Bids must be delivered in writing and accompanied by all supporting documents and information, by mail, facsimile, or email, prior to the Bid Deadline to: (i) counsel to the Debtors, Baker & Hostetler, LLP, 200 SunTrust Center, Suite 2300, 200 South Orange Avenue, Orlando, Florida 32801, Attn: Elizabeth A. Green (egreen@bakerlaw.com), and 45 Rockefeller Plaza, New York, New York 10111, Attn: Jorian L. Rose (jrose@bakerlaw.com); and (ii) counsel for the Official Committee of Unsecured Creditors (the “**Committee**”), if any. The Potential Bidder must deliver the proposed Bid, and all supporting documents and information, such that the Bid and related documents and information are actually received by the aforementioned parties no later than the Bid Deadline.

6. The Debtors, in consultation with the Lender Advisors, shall prepare a summary of the highest and best Bid(s) for all or substantially all Asset and/or the highest and best Piecemeal Bid(s) (the “**Bid Summary**”). The Debtors shall upload the Bid Summary to the Data Room no later than **September 7, 2021** (the “**Bid Summary Deadline**”), which shall be deemed to make such information “generally available to all potential bidders” for purposes of Paragraph 37 of the Complex Rules.

7. The Debtors may designate a Stalking Horse Bid and Stalking Horse Bidder on or before **September 10, 2021**. Designation of a Stalking Horse Bid and Stalking Horse Bidder in accordance with the Bidding Procedures for all or substantially all Assets of the Debtors, or more than one Stalking Horse Bid and Stalking Horse Bidder, if the Assets subject to such Stalking Horse Bids, in the aggregate, constitute all or substantially all Assets of the Debtors, shall satisfy the Debtors’ obligation under the Interim DIP Order to “obtain[]...a binding stalking horse bid for the sale of all or substantially all of the Debtors’ assets....” See Docket No. 104, at p. 45. The

Debtors shall not designate any Qualified Bid as a Stalking Horse Bid unless such Bid is reasonably acceptable to each of the Prepetition Secured Parties.

8. If the Debtors designate a Stalking Horse Bidder, the Debtors shall file and serve the Stalking Horse Notice on or before **September 13, 2021**. The Stalking Horse Notice shall include the following information and disclosures: (a) the identity of the Stalking Horse Bidder(s); (b) a summary of the material terms of the Stalking Horse Bid(s), including, without limitation, the Assets subject thereto, the consideration proposed for the Sale, any proposed Bid Protections and the bases therefor, and any amendments to the Bidding Procedures required under the Stalking Horse Bid(s), (c) outline any and all proposed Bid Protections, which may include the payment of a break-up fee and any other appropriate or customary protections, *provided* that the aggregate amount of the Bid Protections that may be paid to any or all Stalking Horse Bidders shall not exceed three percent (3%) of the proposed purchase price and that any Bid Protections shall only be payable upon the closing of and out of the proceeds of a sale transaction; and (d) the means of obtaining a copy of the Stalking Horse Bid and, if available, the Stalking Horse APA, and a redline marked against the APA; *provided, however*, that the Debtors shall provide copies of the Stalking Horse Bid and Stalking Horse APA to the Court and the U.S. Trustee, regardless of whether the Stalking Horse Bid and Stalking Horse APA are attached to the Stalking Horse Notice, no later than two (2) business days after the filing of the Stalking Horse Notice.

9. Any objections to the Stalking Horse Notice, including any Bid Protections designated therein, shall be filed on or before **September 17, 2021**. The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Bid Protections and amended Bidding Procedures. If an objection is timely filed, the Debtors shall notice a hearing before the Court to consider the objection(s) on an emergency basis; *provided*,

*however*, that the Bidding Procedures will be deemed approved regardless of whether or not the Auction occurs prior to the resolution of any objection to the Bid Protections or amended Bidding Procedures. Any objecting parties shall be deemed to have consented to the expedited and final resolution of any such objections by the Court. The filing or pendency of any objection(s) shall not alter any dates or deadlines established under the Bidding Procedures or affect the binding nature of the Stalking Horse Bid or any other Bids.

10. The Debtors are hereby authorized to conduct an Auction in accordance with the terms of the Bidding Procedures, including, without limitation, an Open Auction, subject to the agreement of the DIP Agent and Prepetition Secured Parties. If the Debtors conduct an Auction pursuant to the Bidding Procedures, the Auction shall begin on **September 22, 2021, at 10:00 a.m. (prevailing Central Time)** either (a) at the offices of Baker & Hostetler, LLP, located at 811 Main Street, Suite 1100, Houston, Texas 77002 or (b) via an virtual platform, such as Zoom or GoToMeeting, as the Debtors designate. No later than forty-eight (48) hours prior to the Auction Date, the Debtors shall provide notice of the Auction location and, if via a virtual platform, the credentials required to access such platform, to all Qualified Bidders, the Notice Parties, and the U.S. Trustee. The Debtors are authorized to continue the Auction from time to time, adjourn the Auction at any time, and re-open the Auction at any time prior to the deadline to file the Designation of Winning Bidder.

11. Subject to the provisions of the Bidding Procedures, the Debtors are authorized to select a Winning Bidder following the conclusion of the Auction and execute, deliver, and perform all obligations of the Debtors under the Stalking Horse APA or asset purchase agreement of the Winning Bidder, and all other transactional documents related thereto, pending the Sale Hearing. The Debtors shall file and serve a Designation of Winning Bid as soon as practicable following

the conclusion of the Auction, but in no event later than **September 24, 2021**. The Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) provide a summary of the Winning Bid and Back-up Bid; (iii) identify all Purchased Contracts (defined below) designated by the Winning Bidder or Back-up Bidder; (iv) identify the Cure Amount, if any, the Debtors estimate is required to assume and assign each Purchased Contract in compliance with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (v) contain a statement as to the Winning Bidder's and Back-up Bidder's ability to perform the Debtors' obligations under the subject Purchased Contracts.

12. Any objections to the Sale to the Winning Bidder or Back-up Bidder per the terms of their respective Bids shall be filed on or before **October 4, 2021, at 5:00 p.m. (prevailing Central time)**; *provided, however*, that objections to the assumption and assignment of any Executory Contracts may be filed up and until the Contract Assumption Objection Deadline. The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Sale to the Winning Bidder pursuant to the terms of the Winning Bid and associated asset purchase agreement, as may be amended, supplemented or modified prior to or during the Sale Hearing. Any reply or other response to any objections to the Sale shall be filed and served on or before **October 8, 2021, at 5:00 p.m. (prevailing Central time)**.

13. The Debtors shall designate any Executory Contracts to be assumed and assigned to the Winning Bidder through the Sale not previously identified in the Designation of Winning Bid via an Amended Designation of Winning Bid filed no later than **October 8, 2021**. The Debtors shall serve all known counterparties to any newly-identified Executory Contracts in the Amended Designation of Winning Bid with a copy of the Amended Designation of Winning Bid and notice of the Sale Hearing via email, facsimile or overnight courier, as soon as practicable thereafter;

*provided, however*, that no such service shall be necessary if the counterparties to any newly-identified Executory Contracts, or their respective counsel, receive notice of filings via the Court's Electronic Case Filing System.

14. Any objections to the assumption and assignment of any Purchased Contracts shall be filed and served on or before **October 12, 2021, at 12:00 p.m.** (prevailing Central Time) (the "**Contract Assumption Objection Deadline**"), and shall (a) identify the Purchased Contract(s) to which the objector is party, (b) describe with particularity any cure the objector contends is required under Section 365 of the Bankruptcy Code (the "**Cure Claim**"), (c) identify the bases of the alleged Cure Claim under the proposed Purchased Contract, and (d) attach all documents supporting or evidencing the Cure Claim. If no objection is filed by the Contract Assumption Objection Deadline, or if the objection fails to comply with the requirements set forth herein, the Cure Amount set forth in the Designation of Winning Bid Notice, or any amended version thereof, as applicable, shall control and any counterparties to the subject Purchased Contract(s) shall be deemed to waive and shall be forever barred from asserting in any other claim or objection under Section 365 of the Bankruptcy Code, or otherwise, including, without limitation, any objection to the assignability of any of the purchased contracts, other than an objection to adequate assurance of performance under the Purchased Contracts pursuant to Section 365(b)(1)(C) of the Bankruptcy Code. The Debtors may present any response to such objections in writing at any time prior to the Sale Hearing or orally during the Sale Hearing.

15. The Court shall hold a hearing to consider the approval of the Sale pursuant to the Winning Bid or Back-up Bid (the "**Sale Hearing**") on **October 14, 2021, at \_\_\_\_\_ a.m./p.m. (prevailing Central time)**. The Debtors shall serve all interested parties with a notice of the Sale

Hearing and proposed Sale Order in accordance with applicable rules upon the filing of the Designation of Winning Bid.

16. If approved during the Sale Hearing, and subject to entry of the Sale Order, the Winning Bidder shall close the Sale transaction set forth in the Winning Bid and associated asset purchase agreement no later than **November 1, 2021, at 5:00 p.m. (prevailing Central Time)**. If the Winning Bidder fails to close by this deadline, the Debtors may, in their discretion, designate the Back-up Bidder as the Winning Bidder and proceed with closing the transaction under the Back-up Bid and associated asset purchase agreement. If designated as the Winning Bidder, the Back-up Bidder shall close the Sale transaction set forth in the Back-up Bid and associated asset purchase agreement no later than **November 8, 2021, at 5:00 p.m. (prevailing Central Time)**. The Debtors, in consultation with the Notice Parties and agreement of the DIP Agent and Prepetition Secured Parties, may grant any Winning Bidder additional time to perform and, to the extent necessary, extend the Closing Date.

17. Notwithstanding anything in this Order to the contrary, any payment to be made, or any authorization contained, hereunder shall be subject to the terms of any orders granting the use of cash collateral and approving debtor in possession financing in these chapter 11 cases (including with respect to any budget governing or relating to such use) including, without limitation, the *Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Secured Superpriority Financing and (B) Use Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief* (the “**Interim DIP Order**”) and the Final Order (as defined in the Interim DIP Order and collectively, the “**DIP Orders**”), and to the extent there is any inconsistency between the terms of the DIP Orders and any action taken or proposed to be taken

hereunder, the terms of the DIP Orders shall control. For the avoidance of doubt, in the event of a Termination Event under paragraph 15 of the Interim DIP Order and related provisions of the Final Order, nothing in this Order shall alter or impact the DIP Lenders' and the Prepetition Secured Parties' rights pursuant the terms of the DIP Orders and the DIP Credit Agreement or the Prepetition Secured Documents (as those terms are defined in the Interim DIP Order), as applicable.

18. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

19. The stay requirements of Bankruptcy Rules 6004(h) and 6006(d) are hereby waived and the terms and conditions of this Order are immediately effective and enforceable upon its entry.

20. Any period of time prescribed or allowed by this Order or the Bidding Procedures shall be computed in accordance with Bankruptcy Rule 9006.

21. This Court shall retain jurisdiction over any and all matters arising from or related to the implementation or interpretation of this Order.

**CASE NO.: 21-32351**

**Jointly Administered**

**BIDDING PROCEDURES**

The following procedures shall govern the solicitation and acceptance of any and all bids for the purchase or acquisition of any assets of Limetree Bay Services, LLC (“**LBS**”) and its debtor affiliates (together with LBS, the “**Debtors**”) by and through the above-captioned, jointly administered bankruptcy cases (the “**Chapter 11 Cases**”):

**Summary of Bidding Procedures**

The Debtors developed the Bidding Procedures (detailed below), with the assistance of advisors and in consultation with the DIP Agent, Prepetition Secured Parties, and J. Aron (as those terms are defined in the Interim DIP Order (defined below)) to provide the best opportunity to maximize the value of the Assets for the benefit of the Estates and their creditors through an efficient and streamlined sale process, which comports with the terms of the DIP Loan Documents (as defined in the Interim DIP Order) and the Bankruptcy Code (11 U.S.C. §§ 101, *et seq.*).

In short, the Bidding Procedures provided for the solicitation of bids from potential purchasers in an effort to identify a stalking horse bidder. Following the Bid Deadline (defined below), the Debtors, in consultation with the Notice Parties,<sup>4</sup> shall select one or more bids to serve as stalking horse bids for all or substantially all assets of the Debtors, individually or collectively, depending on the nature of the subject bids. Thereafter, the Debtors shall hold an Auction to provide other Qualified Bidders (defined below) an opportunity to bid against the selected stalking horse bid(s). Upon conclusion of the Auction, the Debtors, in consultation with the Notice Parties, shall select a Winning Bid (defined below) and file a notice and designation of the Winning Bid for approval at the Sale Hearing.

<sup>3</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

Aron (as defined in the Interim DIP Order), and any committee(s) appointed in these Chapter 11 Cases. Unless otherwise defined, any capitalized term used herein shall have the meaning ascribed to it in the motion to approve these Bidding Procedures.

Except as may be provided in the subject asset purchase agreement, all of the Debtors' rights, title, and interest in and to the Assets shall be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options and interest thereon, but subject in all respects to J. The Debtors shall upload the Bid Summary to the Data Room no later than September 7, 2021 (the "**Bid Summary Deadline**"), which shall be deemed to make such information "generally available to all potential bidders" for purposes of Paragraph 37 of the Complex Rules.

15. On or before September 10, 2021, the Debtors, in consultation with the Notice Parties, may designate one or more Qualified Bidders as the stalking horse bidder(s) (the "**Stalking Horse Bidder**") and one or more Qualified Bids as the stalking horse bid(s) (the "**Stalking Horse Bid**") with respect to a sale of all or substantially all the Assets of the Debtors. The Debtors shall not designate any Qualified Bid as a Stalking Horse Bid unless such Bid is reasonably acceptable to each of the Prepetition Secured Parties.

16. On or before September 13, 2021, if the Debtors have designated a Stalking Horse Bidder, the Debtors shall file a Notice of Designation of Stalking Horse Bidder (the "**Stalking Horse Notice**") and serve the Stalking Horse Notice on all interested parties, including any Potential Bidders and counterparties to any Executory Contracts identified as Purchased Contracts (defined below) in the Stalking Horse Bid or Stalking Horse APA (defined below). 17. Any interested parties shall have four (4) days from the date of the Stalking Horse Notice to file any objections to the proposed Bid Protections for the Stalking Horse Bid or any amendments to the Bidding Procedures. The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Bid Protections and amended Bidding Procedures. If an objection is timely filed, the Debtors shall notice a hearing before the Court to consider the objection(s) on an emergency basis; *provided, however*, that the Bidding Procedures will be deemed approved regardless of whether or not the Auction occurs prior to the resolution of any objection to the Bid Protections or amended Bidding Procedures. Interested parties shall be deemed to consent to the expedited and final resolution of any such objections by the Court. The filing or pendency of any objection(s) shall not alter any dates or deadlines established under the Bidding Procedures or affect the binding nature of the Stalking Horse Bid or any other Bids.

#### **G. Credit Bidding**

18. In accordance with Paragraphs 9(e) and 29 of the Interim DIP Order, and, to the extent applicable, the Final DIP Order, when entered, the DIP Lenders (as defined in the Interim DIP Order) and the Prepetition Secured Parties may credit bid the full amount of the DIP Obligations (as defined in the Interim DIP Order) or the Prepetition Secured Obligations (as defined in the Interim DIP Order), respectively and as applicable, to acquire any or all Assets subject to the parties' respective security interests (other than any collateral in respect of the J. 19. Prepetition Secured Party consents to alternative treatment). For the avoidance of doubt, any credit bid by a DIP Lender of the DIP Obligations shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full, in cash, all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid or Piecemeal Bid that are senior in priority to the DIP Lender(s) seeking to credit bid (unless such Prepetition Secured Party consents to alternative treatment).

To the extent required by Paragraph 33 (soon to be Paragraph 37) of the Complex Rules, any entity that intends to submit a Bid for any or all of the Assets shall waive the right to receive (i) information that is not generally available to all Potential Bidders and (ii) any notices or consultation rights as Notice Parties under the Bidding Procedures or otherwise (the “**Consultation Rights**”).

22. If the Stalking Horse Bid is the only Qualified Bid the Debtors receive by the Bid Deadline, the Debtors reserve the right to cancel the Auction. In such case, if cancelled, the Stalking Horse Bid and Stalking Horse Bidder shall be automatically designated the Winning Bid and Winning Bidder effective as of the Bid Deadline.

23. If the Debtors do not receive any Qualified Bids by the Bid Deadline, the Debtors may elect to hold an open auction for the Assets, or any of them (an “**Open Auction**”) on the Auction Date, subject to the agreement of the DIP Agent and Prepetition Secured Parties. If the parties agree to hold an Open Auction, the Debtors shall provide notice to the Court, the U.S. Trustee, the Notice Parties, and any and all Potential Bidders that executed a Confidentiality Agreement of the Open Auction (the “**Open Auction Notice**”). The Open Auction Notice shall identify the procedures applicable to the Open Auction, including, without limitation, any deposits required to participate in the Open Auction (the “**Open Auction Procedures**”). The Debtors shall prepare the Open Auction Procedures in consultation with the Notice Parties and U.S. Trustee. Notwithstanding anything in the Motion, Bidding Procedures or Open Auction Procedures to the contrary, the DIP Lenders and Prepetition Secured Parties will be entitled to credit bid in any Open Auction and shall be deemed to be Qualified Bidders for purposes of any Open Auction.

24. Unless modified by any Open Auction Procedures, the following rules shall apply to any Auction:

- a. only Qualified Bidders shall be entitled to make a bid at and otherwise participate in the Auction;
- b. each Qualified Bidder shall appear in person, or in the event of a virtual auction, appear virtually, or have an authorized representative appear on their behalf, *provided* the authorized representative has the authority to bind the Qualified Bidder to the terms of any bid at the Auction without further or additional approval or authorization;
- c. each Qualified Bidder participating in the Auction will be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale;
- d. the Debtors, in their business judgment and in consultation with the Notice Parties, shall select the number of Qualified Bidders participating in the Auction and will conduct the Auction in the manner that they determine will best promote the goals of the bidding process and will achieve the maximum value for the Assets;
- e. the Stalking Horse Bid shall constitute the opening bid at the Auction (the “**Opening Bid**”) for the Assets subject to the Stalking Horse APA and the minimum overbid at the Auction shall be an amount equal to the total approved Bid Protections provided under the Stalking Horse APA *plus* \$1,000,000, with each successive bid being in increments of at least \$1,000,000 higher than the preceding bid; *provided, however*, if the Stalking Horse Bids constitute Piecemeal Bids, the minimum overbids and bid increments shall be specified in the Stalking Horse Notices;
- f. the Stalking Horse Bidder may not use the amount of approved Bid Protections as consideration under any bid during the Auction; *provided, however*, that the Debtors may consider the amount of approved Bid Protections in evaluating the highest and best Bid for purposes of designating the Winning Bid or Back-up Bid;
- g. the Debtors, in consultation with the Notice Parties, may, at any point during the Auction, modify the bid increment amounts;
- h. the Debtors, in consultation with the Notice Parties, may continue the Auction from time to time, adjourn the Auction at any time, and re-open the Auction at any time prior to the commencement of the Sale Hearing; and

The Debtors, in consultation with the Notice Parties, shall also select and identify

the entity presenting the next highest and best bid (the “**Back-up Bid**”) and the entity presenting same (the “**Back-up Bidder**”). At the Sale Hearing (as defined below), the Debtors shall present the Winning Bid and Back-up Bid to the Court for approval. The Debtors’ presentation of the Winning Bid to the Court for approval does not constitute the Debtors’ acceptance of such Winning Bid. The Debtors shall have accepted a Winning Bid only when the Court has entered an order approving such bid and the Sale of the Asset subject thereto.

26. Notwithstanding the foregoing, the Debtors reserve all rights to terminate the bidding process at any time if the Debtors, consistent with their fiduciary duties and business judgment, and in consultation with the Notice Parties, determine that the bidding process will not maximize the value of the Assets. Without limiting the generality of the foregoing, the Debtors, in consultation with the Notice Parties, may reject at any time before entry of a Sale Order approving such bid, any Bid that, in the Debtors’ discretion, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtors, their Estates and creditors.

27. If an Auction is held, the Debtors shall be deemed to have accepted a Qualified Bid only when: (i) such bid is declared the Winning Bid at the conclusion of the Auction; (ii) the Winning Bidder shall have paid an additional deposit which, when added to the initial deposit, equals fifteen percent (15%) of the Winning Bid (the “**Additional Deposit**”); *provided* that to the extent the Winning Bid is a credit bid submitted by a DIP Lender or Prepetition Secured Party, no Additional Deposit shall be required; (iii) definitive documentation has been executed in respect thereof; and (iv) the Court has entered an order approving such bid and the Sale of the Assets subject thereto. The Winning Bidder shall make the Additional Deposit into the Escrow Account within one (1) business day after the conclusion of the Auction. Acceptance by the Debtors of the Winning Bid is conditioned upon entry of a Sale Order approving such Winning Bid.

28. As soon as practicable following the conclusion of the Auction, the Debtors shall file a notice designating the Winning Bid and Winning Bidder, as well as the Back-up Bid and Back-up Bidder (the “**Designation of Winning Bid**”), and serve the Designation of Winning Bid on all interested parties, including, without limitation, all counterparties to any Purchased Contract(s). The Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) provide a summary of the Winning Bid and Back-up Bid; (iii) if the Winning Bidder is not the Stalking Horse Bidder, provide a copy or the means of accessing a digital copy of the asset purchase agreement(s) for the Winning Bid(s) (the “**Modified APA(s)**”) and a redline marked against the Stalking Horse APA; (iv) identify all Purchased Contracts designated by the Winning Bidder or Back-up Bidder; (v) identify the Cure Amount, if any, the Debtors estimate is required to assume and assign each Purchased Contract in compliance with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (vi) contain a statement as to the Winning Bidder’s or Back-up Bidder’s ability to perform the Debtors’ obligations under the subject Purchased Contracts. The Debtors reserve the right to amend the Designation of Winning Bid to identify additional Executory Contracts up to six (6) days before the Sale Hearing (defined below) and to remove any Executory Contracts up to the Closing Date (defined below). Simultaneously with the filing of the Designation of Winning Bid, the Debtors shall file a proposed Sale Order and any supplemental filings related to the Designation of Winning Bid or approval of the proposed Sale pursuant thereto.

29. In the event that the Winning Bidder fails to pay the Additional Deposit or otherwise comply with its obligations as the Winning Bidder, the Qualified Bidder with the Back-up Bid shall be declared the Winning Bid and Winning Bidder without further order of the Court. If the Winning Bid is a Piecemeal Bid (the “**Winning Piecemeal Bid**”), the bidder with the next highest or best bid that is not entitled to the same reductions to the purchase price shall be deemed the Winning Bid and Winning Bidder without further order of the Court.

#### **I. Sale Hearing**

30. The Debtors shall schedule a hearing to approve the Sale (the “**Sale Hearing**”) pursuant to the Stalking Horse APA or Modified APA(s), as applicable, as soon as practicable, but in no event later than October 14, 2021. At the Sale Hearing, subject to the Bidding Procedures and result of the Auction, if any, the Debtors will request entry of the Sale Order that will, *inter alia*, approve (i) the Sale of the Assets in accordance with the terms of the Stalking Horse APA or Modified APA(s), as applicable, (ii) the assumption and assignment of the Purchased Contracts (defined below), and (iii) any further or additional relief deemed necessary to effectuate the proposed Sale transaction. Objections, if any, to a proposed Sale transaction, other than objections to the assumption and assignment of Executory Contracts (a “**Sale Objection**”), must be filed and served on counsel for the Debtors, the U.S. Trustee, and the Notice Parties no later than October 4, 2021, at 5:00 p.m. (prevailing Central time) (the “**Sale Objection Deadline**”).

#### **J. Return of Deposit**

31. Within five (5) business days after the closing of the Sale to the Winning Bidder (“**Closing**”), the deposits of all unsuccessful bidders shall be refunded, except for any deposits forfeited by a Winning Bidder under the Bidding Procedures. In the event a dispute arises about whether a deposit is refundable or non-refundable, the deposit shall remain in the Escrow Account pending a resolution of the dispute by the Court. In presenting a Bid, any and all Potential Bidders, including Qualified Bidders, Back-up Bidder(s), and Winning Bidder(s), shall be deemed to consent to the jurisdiction and final adjudication of any and all matters related to the Bid(s) by the Court.

#### **K. Failure to Close**

32. The transaction evidenced by the Winning Bid shall close not later than ten (10) days after entry the Sale Order, but in no event later than **November 1, 2021, at 5:00 p.m. (prevailing Central time)** (the “**Closing Date**”), unless the Closing Date is extended in accordance with the Bidding Procedures, at which time the Winning Bidder shall pay the balance of the Winning Bid (the Winning Bid amount less the deposit) into the Escrow Account. In the event a declared Winning Bidder fails to timely perform any of its obligations as set forth above or pursuant to the approved transaction documents:

- a. The declared Winning Bidder shall forfeit all deposits made without regard to the Debtors’ ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors’ damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and

defenses as to the Winning Bidder, including the right to seek equitable or injunctive relief.

- b. Each Back-up Bidder shall keep its final and highest bid open pending a closing of a transaction of the Winning Bid. In the event that a transaction of the Winning Bid is not consummated by the Closing Date (unless the Closing Date is extended), the Back-up Bidder with the Back-up Bid shall be deemed the Winning Bidder without further order of the Court, and such bidder shall be required to close the transaction contemplated in its Back-up Bid within seven (7) days of being deemed the Winning Bidder, **but in no event later than November 8, 2021, at 5:00 p.m.** (prevailing Central time), unless such deadline is extended in accordance with the Bidding Procedures. Any Back-up Bidder declared a Winning Bidder who fails to timely perform shall forfeit all deposits made without regard to the Debtors' ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors' damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and defenses with respect to such bidder, including the right to seek equitable or injunctive relief.
- c. The Debtors, in consultation with the Notice Parties and agreement of the DIP Agent and Prepetition Secured Parties, may grant any declared Winning Bidder additional time to perform and, to the extent necessary, extend the Closing Date.

#### **L. Fees and Expenses**

33. Any and all bidders submitting Bids shall bear their own fees, costs, and expenses in connection with the proposed sale, whether or not such sale is ultimately approved, except to the extent reimbursement of expenses constitutes an approved Bid Protection under a Stalking Horse APA. Further, by submitting a Bid, a Potential Bidder shall be deemed to waive its right to pursue a substantial contribution claim under Section 503 of the Bankruptcy Code or other priority unsecured or administrative claims in any way related to the submission of its Bid or the Bidding Procedures.

#### **M. Assumption and Assignment of Executory Contracts**

34. The Debtors also seek approval of certain procedures to facility the fair and orderly assumption and assignment of certain Executory Contracts designated by the Winning Bidder following the Auction, if any, pursuant to Section 365(f) of the Bankruptcy Code (collectively, the **"Purchased Contracts"**) in connection with the Sale. Due to the nature of the bidding process, the Debtors are unable to currently identify the Purchased Contracts, or any of them, that will require assumption and assignment to the Winning Bidder. As such, the Debtors propose certain procedures (the **"Assumption and Assignment Procedures"**) by which counterparties to potential Purchased Contracts can ascertain the proposed cure payment and adequate assurance of future performance and, if deemed prudent, object to the potential assumption or assumption and

assignment of the subject Purchased Contracts. The proposed Assumption and Assignment Procedures are as follows:

- a. As set forth above, the Debtors shall file the Stalking Horse Notice with the Court and serve the same on all known counterparties to the Executory Contracts designated therein. The Stalking Horse Notice shall contain the following: (i) the executory contracts and unexpired leases that may be assumed and assigned to a potential purchaser; (ii) the name and address of the known contract counterparties thereto; (iii) the amount, if any, determined by the Debtors to be necessary to be paid to cure any existing default in accordance with Section 365(b) and 365(f)(2) of the Bankruptcy Code (the “**Cure Amount**”); and (iv) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any designated contract; *provided, however*, that the inclusion of any executory contract or unexpired lease on the Stalking Horse Notice shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Executory Contracts.
- b. The Debtors may (i) amend the Stalking Horse Notice or Designation of Winning Bid at any time prior to the date that is six (6) days before Sale Hearing to add or remove any Executory Contracts, subject to the right of any counterparties to newly identified Executory Contract(s) to object to the proposed cure payment, adequate assurance, or otherwise object to the assumption and assignment of the subject Executory Contracts, and (ii) amend the Stalking Horse Notice or Designation of Winning Bid to remove any previously-designated Executory Contracts at any time prior to the Closing Date, with such removal being effective immediately without further order of the Court. Any amendments to the Stalking Horse Notice or Designation of Winning Bid shall comply with the requirements of Paragraph 34.a; *provided, however*, that such amendments need not include information related to any previously-designated Executory Contracts unaffected by the amendment.
- c. Each Potential Bidders shall identify in its Bid any and all Executory Contracts the Potential Bidder may wish to designate for assumption and assignment to the Potential Bidder in any Sale; *provided, however*, the Winning Bidder(s) may amend such designation, consistent with the notice requirements of Paragraph 34.b.
- d. As provided in Paragraph 28, the Debtors shall file and serve the Designation of Winning Bid on each counterparty to any Purchased Contract (and its counsel, if known) that is designated for assumption and assignment under the Winning Bid, among other parties. Such Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) identify all Purchased Contracts designated by the Winning Bidder,

subject to the right to amend such designation; (iii) identify the Cure Amount, if any, the Debtors estimate is required to comply with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (iv) contain a statement as to the Winning Bidder's ability to perform the Debtors' obligations under the subject Purchased Contracts. The Debtors may amend or supplement the Contract Notice to add or remove any Executory Contracts by filing with the Court and serving on the affected counterparties to the Executory Contracts an amended Designation of Winning Bid in accordance with these Bidding Procedures.

- e. All objections to the proposed assumption and assignment of any Purchased Contracts must: (i) be filed with the Court on or before October 18, 2021, at 12:00 p.m. (prevailing Central time) (the "**Contract Assumption Objection Deadline**") and served on the Debtors, the U.S. Trustee and Notice Parties; (ii) identify the Purchased Contract(s) to which the objector is party; (iii) describe with particularity any cure the objector contends is required under Section 365 of the Bankruptcy Code (the "**Cure Claim**"); (iv) identify the bases of the alleged Cure Claim under the proposed Purchased Contract; and (v) attach all documents supporting or evidencing the Cure Claim.
- f. If no objection is filed by the Contract Assumption Objection Deadline, the Cure Amount set forth in the Designation of Winning Bid Notice, or any amended version thereof, as applicable, shall control and any counterparties to the subject Purchased Contract(s) shall be deemed to waive and shall be forever barred from asserting in any other claim or objection under Section 365 of the Bankruptcy Code, or otherwise, including, without limitation, any objection to the assignability of any of the purchased contracts, other than an objection to adequate assurance of performance under the Purchased Contracts pursuant to Section 365(b)(1)(C) of the Bankruptcy Code.
- g. To the extent any Cure Claim remains unresolved as of the Sale Hearing, such dispute shall be presented to the Court at the Sale Hearing, or such later date and time as the Debtors, the Winning Bidder, and the objecting party may agree or the Court may order, *provided* that the pendency of such dispute shall not affect in any way the closing of any proposed Sale or the effectiveness of any assumption and assignment of the subject Executory Contract under the Winning Bid.

#### N. Cooperation and Information Sharing

35. The Debtors and their advisors shall consult regularly with the Lender Advisors and third-party professionals retained by their respective clients, including, without limitation, any financial advisors or brokers, regarding the status of the Sale process and any potential Bids and provide any related information that may be reasonably requested by the advisors to the DIP Agent and/or Prepetition Secured Parties and such third-party professionals. To the extent required by Paragraph 33 (soon to be Paragraph 37) of the Complex Rules, any information provided to the

Lender Advisors or such third-party professionals shall constitute PEO Information subject to the restriction set forth in Paragraph 7, *supra*; *provided, however*, that any PEO Information that becomes known to all Potential Bidders or publicly available, other than as a result of a violation of the restrictions on the use and dissemination of PEO Information, shall no longer be subject to the restrictions provided in the Bidding Procedures. Any DIP Lender or Prepetition Secured Party that elects not to credit bid by the Credit Bid Designation Deadline shall have the right to any and all PEO Information, Consultation Rights, and other information and documentation pertaining to the marketing or Sale of any Assets, including, without limitation, any Bids and related documents, under the Bidding Procedures without restriction, except for a prohibition against sharing such information with any Potential Bidders that do not have such information.

CHAPTER 11

CASE NO.: 21-32351

Jointly Administered

DECLARATION OF MARK SHAPIRO IN SUPPORT OF  
DEBTORS' EMERGENCY MOTION FOR ENTRY OF ORDER: (I) ESTABLISHING  
BIDDING AND SALE PROCEDURES; (II) APPROVING THE SALE OF ASSETS; AND  
(III) GRANTING RELATED RELIEF

I, Mark Shapiro, declare as follows:

1. I am a Senior Managing Director for GlassRatner Advisory & Capital Group LLC, d/b/a B. Riley Advisory Services (“**B. Riley**” or the “**CRO**”). On or about June 17, 2021, Limetree Bay Services, LLC, Limetree Bay Refining Holdings, LLC, Limetree Bay Refining Holdings II, LLC, Limetree Bay Refining, LLC, Limetree Bay Refining Operating, LLC, and Limetree Bay Refining Marketing, LLC (collectively, the “**Debtors**”) retained B. Riley as chief restructuring officer. I am the principal representative of B. Riley in its capacity as CRO.

2. I am a duly authorized representative of the Debtors for purposes of executing any and all documents in connection with the above-captioned chapter 11 cases (collectively, the “**Chapter 11 Cases**”) and representing the Debtors in the course of these Chapter 11 Cases and any related proceedings. I am authorized to submit this Declaration in support of the *Debtors’ Emergency Motion for Entry of Order: (I) Establishing Bidding and Sale Procedures;*

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

(II) *Approving the Sale of Assets*; and (III) *Granting Related Relief* [Docket No. 191] (the “**Bidding Procedures Motion**”). Except as otherwise defined herein, all capitalized terms shall have the meanings ascribed to them in the Bidding Procedures Motion.

3. I am familiar with the Debtors’ businesses, day-to-day operations, and financial affairs. Except as otherwise indicated, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents and records created and maintained by the Debtors in the ordinary course of business, information provided to me by employees and consultants working under my supervision with personal knowledge of the veracity of such information, and/or my opinion based on experience, knowledge, and information concerning the Debtors’ operations and financial condition. If called upon to testify, I could and would testify competently to the facts set forth in this Declaration.

4. I have reviewed the Bidding Procedures Motion and believe all the facts stated therein to be true and accurate, to the best of my knowledge, information and belief.

5. The Bidding Procedures are detailed in the Bidding Procedures Motion and Appendix A to the proposed Bidding Procedures Order, which is attached to the Bidding Procedures Motion as Exhibit A.

6. The Debtors developed the Bidding Procedures, with the assistance of advisors and in consultation with the DIP Agent and the Prepetition Secured Parties, with the intention of maximizing the value of the Assets for the benefit of the Estates and their creditors through an efficient and streamlined sale process, while complying with the terms of the Interim DIP Order, the DIP Loan Documents, and applicable rules and law.

7. I believe that the proposed Bidding Procedures and a sale of all or substantially all Assets of the Debtors, pursuant to the Bidding Procedures, are support by the sound business

judgement of the Debtors and serve the best interests of the Estates and their creditors. Under the Interim DIP Order, the Debtors must consummate a sale of all or substantially all of the Debtors' Assets within one hundred twenty (120) days after the Petition Date. I believe the Bidding Procedures provide a framework for a fair and orderly marketing and sale of the Assets and ensure the participation of *bona fide* bidders with the ability and desire to consummate a proposed transaction, while providing the necessary flexibility to maximize the opportunities and offers available to the Debtors, including the ability to entertain cash offers and credit bids for all Assets of the Debtors as well as only certain Assets of the Debtors (i.e., Piecemeal Bids). Moreover, I believe that the Assumption and Assignment Procedures provide fair and reasonable procedures for the identification of Executory Contracts subject to any potential sale and any Winning Bid(s), an opportunity to object to the proposed assumption and/or assignment of any Executory Contracts, including the amount of any proposed cure payment(s), and the resolution of any disputes pertaining to the assumption and assignment of any Executory Contracts—while balancing such protections against the need to maintain an expedited timeline for consummation of a Sale under the Interim DIP Order and DIP Loan Documents. Additionally, the Bidding Procedures were designed in an effort to prevent collusion among Potential Bidders, by, among other things, requiring each Potential Bidder to execute a Confidentiality Agreement and requiring each Qualified Bidder participating in the Auction to confirm that it has not engaged in any collusion with respect to the bidding or the Sale.

8. Based on the foregoing, and for the reasons stated in the Motion, I believe that the Bidding Procedures and proposed Sale following an Auction and Sale Hearing are supported by the sound business judgment of the Debtors and serve the best interests of the Estates and their respective creditors, and that the relief requested in the Motion is justified.

9. I believe emergency consideration of the Motion is warranted under the circumstances presented due to the limited time in which to market and solicit offers for the acquisition of the Assets of the Debtors under the milestones set for any Sale under the terms of the DIP Loan Documents, as approved in the Interim DIP Order.

I declare under penalty of perjury that the foregoing is true and correct according to the best of my knowledge, information and belief.

**IT IS HEREBY ORDERED:**

1. The Motion is granted as set forth herein.
2. All objections to the Motion or entry of this Order, or granting of the relief provided herein, that have not been withdrawn, waived, resolved or settled, are hereby denied and overruled on the merits with prejudice.
3. The Bidding Procedures, attached hereto as Appendix A, including, without limitation, the procedures for the Auction and the assumption and assignment of Executory Contracts set forth therein, are hereby approved in all respects and shall govern any and all bids and bid proceedings related to the Assets. The Debtors and their professionals and agents are authorized to take any and all action necessary or appropriate to implement the Bidding Procedures, including, without limitation, engaging individuals or entities on reasonable terms, subject to consultation with the Notice Parties (as defined in the Bidding Procedures) and compliance with the terms of the Interim DIP Order and Budget (as defined in the Interim DIP Order), each as may be modified by any Final DIP Order, to assist with the implementation of the Bidding Procedures; *provided, however*, that the engagement or compensation of any professionals shall be subject to compliance with any applicable provisions of the Bankruptcy Code.
4. If the DIP Lenders and/or any Prepetition Secured Party intends to credit bid for any of the Assets, such parties shall notify the Debtors, U.S. Trustee, and the other Notice Parties

of their intention to credit bid no later than **September 17, 2021, at 5:00 p.m.** (prevailing Central Time).

5. The deadline for any Potential Bidders to submit a Bid for any or all of the Assets of the Debtors shall be **September 17, 2021, at 5:00 p.m.** (prevailing Central Time). Bids must be delivered in writing and accompanied by all supporting documents and information, by email, such that the same is received on or prior to the Bid Deadline to: (i) proposed counsel to the Debtors, Baker & Hostetler, LLP, 200 SunTrust Center, Suite 2300, 200 South Orange Avenue, Orlando, Florida 32801, Attn: Elizabeth A. Green (egreen@bakerlaw.com), and 45 Rockefeller Plaza, New York, New York 10111, Attn: Jorian L. Rose (jrose@bakerlaw.com); and (ii) proposed counsel for the Official Committee of Unsecured Creditors of the Debtors (the “**Committee**”), Pachulski Stang Ziehl & Jones LLP, Attn: Michael D. Warner (mwarner@pszjlaw.com), Jeffrey N. Pomerantz (jpomerantz@pszjlaw.com), Robert J. Feinstein (rfeinstein@pszjlaw.com), Shirley S. Cho (scho@pszjlaw.com) (“**Committee Advisors**”). The Potential Bidder must deliver the proposed Bid, and all supporting documents and information, such that the Bid and related documents and information are actually received by the aforementioned parties no later than the Bid Deadline.

6. The Debtors, in consultation with the Lender Advisors and the Committee Advisors, shall prepare a summary of the highest and best Bid(s) for all or substantially all Assets and/or the highest and best Piecemeal Bid(s) (the “**Bid Summary**”). The Debtors shall upload the Bid Summary to the Data Room no later than **September 7, 2021** (the “**Bid Summary Deadline**”), which shall be deemed to make such information “generally available to all potential bidders” for purposes of Paragraph 37 of the Complex Rules.

7. The Debtors may, upon consultation with the Notice Parties, designate a Stalking Horse Bid and Stalking Horse Bidder on or before **September 10, 2021**. Designation of a Stalking Horse Bid and Stalking Horse Bidder in accordance with the Bidding Procedures for all or substantially all Assets of the Debtors, or more than one Stalking Horse Bid and Stalking Horse Bidder, if the Assets subject to such Stalking Horse Bids, in the aggregate, constitute all or substantially all Assets of the Debtors, shall satisfy the Debtors' obligation under the Interim DIP Order to "obtain[]...a binding stalking horse bid for the sale of all or substantially all of the Debtors' assets...." *See* Docket No. 104, at p. 45. The Debtors shall not designate any Qualified Bid as a Stalking Horse Bid unless such Bid is reasonably acceptable to each of the Prepetition Secured Parties, after consultation with the Committee.

8. If the Debtors designate a Stalking Horse Bidder, the Debtors shall file and serve the Stalking Horse Notice on or before **September 13, 2021**. The Stalking Horse Notice shall include the following information and disclosures: (a) the identity of the Stalking Horse Bidder(s); (b) a summary of the material terms of the Stalking Horse Bid(s), including, without limitation, the Assets subject thereto, the consideration proposed for the Sale, any proposed Bid Protections and the bases therefor, and any amendments to the Bidding Procedures required under the Stalking Horse Bid(s); (c) outline any and all proposed Bid Protections, which may include the payment of a break-up fee and any other appropriate or customary protections, *provided* that the aggregate amount of the Bid Protections (including any expense reimbursements) that may be paid to any or all Stalking Horse Bidders shall not exceed three percent (3%) of the proposed Purchase Price and that any Bid Protections shall only be payable upon the closing of and out of the proceeds of a sale transaction; and (d) the means of obtaining a copy of the Stalking Horse Bid, the Stalking Horse APA, and a redline of the Stalking Horse APA marked against the APA on the BMC Group website

for the Debtors; *provided, however*, that the Debtors shall provide copies of the Stalking Horse Bid and Stalking Horse APA to the Court and the U.S. Trustee, and upload copies of the Stalking Horse Bid and Stalking Horse APA to the Data Room, no later than two (2) business days after the filing of the Stalking Horse Notice.

9. Any objections to the Stalking Horse Notice, including any Bid Protections designated therein, shall be filed on or before **September 17, 2021** (the “**Stalking Horse Objection Deadline**”). The failure to file a timely objection on or prior to the Stalking Horse Objection Deadline shall be deemed to be a waiver of any such objections and consent to the approval of the Bid Protections and amended Bidding Procedures. If an objection is timely filed, the Debtors shall notice a hearing before the Court to consider the objection(s) on an emergency basis; *provided, however*, that the Bidding Procedures will be deemed approved regardless of whether or not the Auction occurs prior to the resolution of any objection to the Bid Protections or amended Bidding Procedures. Any objecting parties shall be deemed to have consented to the expedited and final resolution of any such objections by the Court. The filing or pendency of any objection(s) shall not alter any dates or deadlines established under the Bidding Procedures or affect the binding nature of the Stalking Horse Bid or any other Bids. For the avoidance of doubt, any substantive objections to a Sale to the Stalking Horse Bidder, should the Stalking Horse Bidder be the Winning Bidder, shall be filed in accordance with paragraph 12 of this Order and need not be filed on or prior to the Stalking Horse Objection Deadline.

10. The Debtors are hereby authorized to conduct an Auction in accordance with the terms of the Bidding Procedures, including, without limitation, an Open Auction, subject to the agreement of the DIP Agent and Prepetition Secured Parties. If the Debtors conduct an Auction pursuant to the Bidding Procedures, the Auction shall begin on **September 22, 2021, at 10:00**

**a.m. (prevailing Central Time)** either (a) at the offices of Baker & Hostetler, LLP, located at 811 Main Street, Suite 1100, Houston, Texas 77002 or (b) via a virtual platform, such as Zoom or GoToMeeting, as the Debtors designate. No later than forty-eight (48) hours prior to the Auction Date, the Debtors shall provide notice of the Auction location and, if via a virtual platform, the credentials required to access such platform, to all Qualified Bidders, the Notice Parties, and the U.S. Trustee. The Debtors are authorized, after consultation with the Notice Parties, to continue the Auction from time to time, adjourn the Auction at any time, and re-open the Auction at any time prior to the deadline to file the Designation of Winning Bidder.

11. Subject to the provisions of the Bidding Procedures, and after consultation with the Notice Parties, the Debtors are authorized to select a Winning Bidder following the conclusion of the Auction and execute, deliver, and perform all obligations of the Debtors under the Stalking Horse APA or asset purchase agreement of the Winning Bidder, and all other transactional documents related thereto, pending the Sale Hearing. The Debtors shall file and serve a Designation of Winning Bid as soon as practicable following the conclusion of the Auction, but in no event later than **September 24, 2021**. The Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) provide a summary of the Winning Bid and Back-up Bid; (iii) contain a copy of the asset purchase agreement(s) for the Winning Bid(s) (the “**Modified APA(s)**”) and a redline marked against the Stalking Horse APA; *provided, however*, that the Debtors shall not be required to serve copies of the Modified APA(s) or any redline comparison to the Stalking Horse APA with the Designation of Winning Bid so long as the Designation of Winning Bid provides instructions for accessing such documents on the BMC Group website for the Debtors; and (iv) contain a statement as to the Winning Bidder’s or Back-up Bidder’s ability to perform the Debtors’ obligations under the Purchased Contracts (as defined below). In addition,

the Designation of Winning Bidder shall include a list of those executory contracts and unexpired leases designated in the Winning Bid and/or Back-up Bid for assumption and assignment to the Winning Bidder and/or Back-up Bidder, respectively (collectively, the “**Purchased Contracts**”), with: (i) the name and address of the known contract counterparties thereto; (ii) the Cure Amount with respect to any such Purchased Contract; and (iii) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any Purchased Contract; *provided, however*, that the inclusion of any Purchased Contract in the Designation of Winning Bid shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Purchased Contracts.

12. The Debtors shall file a notice (the “**Notice of Potential Assumption and Assignment of Executory Contracts**”) identifying the executory contracts and unexpired leases that may be assumed and assigned to the Winning Bidder or Back-up Bidder (the “**Potential Purchased Contracts**”), no later than **September 13, 2021**, and serve such notice upon all counterparties to Potential Purchased Contracts. Such Notice of Potential Assumption and Assignment of Executory Contracts shall identify: (i) the Potential Purchased Contracts; (ii) the name and address of the known contract counterparties thereto; (iii) the Cure Amount with respect to any Potential Purchased Contract; and (iv) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any Potential Purchased Contract; *provided, however*, that the inclusion of any Potential Purchased Contract on the Notice of Potential Assumption and Assignment of Executory Contracts shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Potential

Purchased Contracts. To the extent the Debtors identify additional Potential Purchased Contracts after September 13, 2021, the Debtors shall promptly file a supplemental Notice of Potential Assumption and Assignment of Executory Contracts, containing the same information as set forth above for the additional Potential Purchased Contracts.

13. Any objections to the Sale to the Winning Bidder or Back-up Bidder per the terms of their respective Bids shall be filed on or before **October 4, 2021, at 5:00 p.m. (prevailing Central time)**; *provided, however*, that objections to the assumption and assignment of any Potential Purchased Contracts may be filed up and until the Contract Assumption Objection Deadline. The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Sale to the Winning Bidder and/or Back-up Bidder pursuant to the terms of the Winning Bid or Back-up Bid, as applicable, and associated asset purchase agreement, as may be amended, supplemented or modified prior to or during the Sale Hearing. Any reply or other response to any objections to the Sale shall be filed and served on or before **October 8, 2021, at 5:00 p.m. (prevailing Central time)**.

14. Any objections to the assumption and assignment of any Purchased Contract, and/or Potential Purchased Contract (collectively, the “**Subject Contracts**”) shall be filed and served on or before **October 8, 2021, at 12:00 p.m. (prevailing Central Time)** (the “**Contract Assumption Objection Deadline**”), and shall (a) identify the Subject Contract(s) to which the objector is party, (b) describe with particularity any Cure Amount the objector contends is required under Section 365 of the Bankruptcy Code, (c) identify the bases of the alleged Cure Amount under the Subject Contract, and (d) attach all documents supporting or evidencing the Cure Amount. If no objection is filed by the Contract Assumption Objection Deadline, or if the objection fails to comply with the requirements set forth herein, the Cure Amount set forth in the

Designation of Winning Bid Notice or Notice of Potential Assumption and Assignment of Executory Contracts, or any amended versions thereof, as applicable, shall control and any counterparties to the Subject Contract(s) shall be deemed to waive and shall be forever barred from asserting in any other claim or objection under Section 365 of the Bankruptcy Code, or otherwise, including, without limitation, any objection to the assignability of any of the purchased contracts, other than an objection to adequate assurance of performance under the Subject Contracts pursuant to Section 365(b)(1)(C) of the Bankruptcy Code; *provided, however*, that to the extent the Debtors file a supplemental Notice of Potential Assumption and Assignment of Executory Contracts, counterparties to any newly-identified Potential Purchased Contracts shall have no less than seven (7) days to object to the Cure Amount listed in such Notice of Potential Assumption and Assignment of Executory Contracts. The Debtors may present any response to such objections in writing at any time prior to the Sale Hearing or orally during the Sale Hearing.

15. The Debtors shall designate any Potential Purchased Contracts to be assumed and assigned to the Winning Bidder as Purchased Contracts through the Sale not previously identified in the Designation of Winning Bid via an Amended Designation of Winning Bid filed no later than **October 12, 2021**. The Debtors shall serve all known counterparties to any Potential Purchased Contracts that have been newly-identified as Purchased Contracts in the Amended Designation of Winning Bid (the “**Additional Purchased Contracts**”) with a copy of the Amended Designation of Winning Bid and notice of the Sale Hearing via email, facsimile or overnight courier, as soon as practicable thereafter.

16. The Court shall hold a hearing to consider the approval of the Sale pursuant to the Winning Bid or Back-up Bid (the “**Sale Hearing**”) on **October 19, 2021, at 2:30 p.m. (prevailing Central time)**. The Debtors shall serve all interested parties with a notice of the Sale

Hearing and proposed Sale Order in accordance with applicable rules upon the filing of the Designation of Winning Bid.

17. If approved during the Sale Hearing, and subject to entry of the Sale Order, the Winning Bidder shall close the Sale transaction set forth in the Winning Bid and associated asset purchase agreement no later than **November 1, 2021, at 5:00 p.m. (prevailing Central Time)**. If the Winning Bidder fails to close by this deadline, the Debtors may, in their discretion, designate the Back-up Bidder as the Winning Bidder and proceed with closing the transaction under the Back-up Bid and associated asset purchase agreement. If designated as the Winning Bidder, the Back-up Bidder shall close the Sale transaction set forth in the Back-up Bid and associated asset purchase agreement no later than **November 8, 2021, at 5:00 p.m. (prevailing Central Time)**. The Debtors, in consultation with the Notice Parties and agreement of the DIP Agent and Prepetition Secured Parties, may grant any Winning Bidder additional time to perform and, to the extent necessary, extend the Closing Date.

18. Notwithstanding anything in this Order to the contrary, any payment to be made, or any authorization contained, hereunder shall be subject to the terms of any orders granting the use of cash collateral and approving debtor in possession financing in these chapter 11 cases (including with respect to any budget governing or relating to such use) including, without limitation, the *Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Secured Superpriority Financing and (B) Use Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief* (the “**Interim DIP Order**”) and the Final Order (as defined in the Interim DIP Order and collectively, the “**DIP Orders**”), and to the extent there is any inconsistency between the terms of the DIP Orders and any action taken or proposed to be taken

hereunder, the terms of the DIP Orders shall control. For the avoidance of doubt, in the event of a Termination Event under paragraph 15 of the Interim DIP Order and related provisions of the Final Order, nothing in this Order shall alter or impact the DIP Lenders' and the Prepetition Secured Parties' rights pursuant the terms of the DIP Orders and the DIP Credit Agreement or the Prepetition Secured Documents (as those terms are defined in the Interim DIP Order), as applicable.

19. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

20. The stay requirements of Bankruptcy Rules 6004(h) and 6006(d) are hereby waived and the terms and conditions of this Order are immediately effective and enforceable upon its entry.

21. Any period of time prescribed or allowed by this Order or the Bidding Procedures shall be computed in accordance with Bankruptcy Rule 9006.

22. This Court shall retain jurisdiction over any and all matters arising from or related to the implementation or interpretation of this Order.

To participate in the bidding process or otherwise be considered for any purpose hereunder, each interested person or entity interested in submitting a Bid to purchase any of the Assets (each, a “**Potential Bidder**”) must deliver or previously have delivered to the Debtors the following documents (the “**Preliminary Bid Documents**”):

- a. An executed confidentiality agreement in a form acceptable to the Debtors, in consultation with the Notice Parties (the “**Confidentiality Agreement**”);
- b. Preliminary documentary evidence satisfactory to the Debtors, in consultation with the Notice Parties, of the Potential Bidder’s financial ability to fully and timely perform and close the Sale;
- c. Documents identifying the Potential Bidder, including its legal name, jurisdiction and form of organization, and details regarding the ownership and capital structure of the Potential Bidder, as well as the identity of any controlling persons, significant direct or indirect equity or debt investors, and/or guarantors of such entity; and
- d. A list with the names and contact information for any financial, legal, and other advisors of the Potential Bidder has engaged to assist in connection with the proposed Sale.

### **B. Bid Requirements**

2. Any Potential Bidder may submit a bid (each a “**Bid**”) for either: (a) all or substantially all of the Assets; or (b) any portion or combination of Assets (a “**Piecemeal Bid**”). For the avoidance of doubt, no Bid or Piecemeal Bid may include the IFF Property (as defined in

the Interim DIP Order). The DIP Lenders and Prepetition Secured Parties need not comply with the proposed Bidding Procedures to submit a credit bid and, for purposes of participating at the Auction, shall be deemed Qualified Bidders.

3. To participate in the Sale process, each Potential Bidder must, on or before September 17, 2021, at 5:00 p.m. prevailing Central Time (the “**Bid Deadline**”):

- a. Fully disclose the identity of each entity that will be bidding for the assets or otherwise participating in connection with such Bid and the complete terms of any such participation.
- b. Submit to the Debtors an executed purchase agreement substantially in the form of the APA (as defined below), as well as a redline of such agreement marked against the APA, memorializing a Bid for all or substantially all of the Assets or a Piecemeal Bid that comports with the terms of the Bidding Procedures and the proposed Sale, discussed *infra*. No later than August 13, 2021, the Debtors shall upload to the Data Room (defined below) a proposed form of asset purchase agreement for the acquisition of substantially all Assets of the Estates (the “**APA**”) and a list of Executory Contracts that may be subject to assumption and assignment as part of a Sale. As soon as reasonably practicable thereafter, the Debtors shall notify LBT of any Executory Contracts to which any LBT Entity is a party designated under any Bid for assumption and assignment to a Potential Bidder.
- c. Submit a Bid that is: (i) binding and irrevocable for a period of no less than 120 days<sup>6</sup> from the Bid Deadline unless and until the Debtors accept a higher Bid and such Potential Bidder is not selected as the Back-up Bidder; (ii) without financing, due diligence, internal approval or any other contingencies, including with respect to title defect or environmental laws, unless otherwise consented to by the Debtors, in consultation with the Notice Parties; *provided, however*, that a Bid may contain a list of anticipated required regulatory approvals, permits and licenses, and the expected timing for obtaining such approvals; (iii) on terms substantially similar to those terms contained in the APA; and (iv) in compliance with the Bidding Procedures.
- d. Indicate the cash purchase price (the “**Cash Consideration**”) and identify any non-cash consideration, including the estimated market value of any such non-cash consideration, (together with the Cash Consideration, the “**Purchase Price**”).
- e. If the Potential Bidder is submitting a Piecemeal Bid, the Potential Bidder must identify specifically the Assets subject to the Piecemeal Bid.

---

<sup>6</sup> Unless otherwise stated, all references to “days” contained herein refer to calendar days. Bankruptcy Rule 9006 shall govern the computation of any and all dates and deadline under the Bidding Procedures.

- f. If the Potential Bidder proposes acquiring any assets of Limetree Bay Terminals, LLC (“**LBT**”) or any parent or subsidiary of LBT (collectively, the “**LBT Entities**”), including, without limitation, any of the Terminal assets (the “**LBT Entities’ Assets**”), or any other non-Debtor entities (collectively, the “**Non-Debtor Assets**”), the Potential Bidder must (i) identify any and all Non-Debtor Assets subject to the Bid and (ii) either (A) confirm that the closing of the proposed Sale of the Debtors’ Assets is not contingent on the acquisition of the Non-Debtor Assets or (B) provide evidence in a form acceptable to the Debtors, after consulting with the Notice Parties, that the Potential Bidder and owner(s) of the Non-Debtor Assets subject to the Bid have entered into a binding and enforceable agreement, subject to any conditions related to the approval of the proposed Sale by the Court, for the sale and acquisition of the subject Non-Debtor Assets. For the avoidance of doubt, the Debtors shall not (i) market or sell any Non-Debtor Assets, (ii) condition the Sale of any Assets on the sale or acquisition of any Non-Debtor Assets, (iii) incur or pay any expenses related to the marketing or sale of any Non-Debtor Assets, or (iv) provide any assistance with due diligence related to any Non-Debtor Assets. Notwithstanding the foregoing, the LBT Entities have not consented to any sale of the LBT Entities’ Assets. The LBT Entities must provide prior written consent to a sale of any or all of the LBT Entities’ Assets; *provided, however*, that no such consent shall be required to sell the Debtors’ interest, if any, in any LBT Entities’ Assets to the extent such sale is permitted without the consent of the LBT Entities under applicable law. Any Non-Debtor Assets, including the LBT Entities’ Assets, shall not be subject to the proposed Sale Order or jurisdiction of the Court.
- g. Specify the portion of the Purchase Price that is being allocated to each type or group of Assets, including to insurance claims or proceeds, inventory (including any Inventory Financing Collateral (as defined in the Interim DIP Order)), equipment and any other type or group of Assets that may be subject to a lien held by the DIP Lenders or any of the Prepetition Secured Parties and the basis and methodology for such allocation.
- h. Unless the Bid is a credit bid being submitted by the DIP Lenders or a Prepetition Secured Party, make a good faith cash deposit in the form of a cashier’s check or wire transfer into an interest bearing escrow account (the “**Escrow Account**”) maintained by the Debtors’ counsel in an amount not less than ten percent (10%) of the total Purchase Price, which deposit shall immediately become non-refundable and credited toward the purchase price if and when the Qualified Bidder (as defined below) making such deposit is declared to be the winning bidder (the “**Winning Bid**” and “**Winning Bidder**”) or back-up bidder (the “**Back-up Bid**” and “**Back-up Bidder**”) at the Sale Hearing. In the event a Qualified Bidder is not the Winning Bidder or Back-up Bidder, such Qualified Bidder’s deposit shall be refunded as set forth herein.

- i. Identify the liabilities, if any, that the Potential Bidder seeks to assume through the Sale transaction, including environmental remediation liabilities.
- j. Provide documentary evidence satisfactory to the Debtors, in consultation with the Notice Parties, of the Potential Bidder's financial ability to (i) fully and timely perform and close the Sale pursuant to the Bid and proposed asset purchase agreement, if declared to be the Winning Bidder, and (ii) provide adequate assurance of future performance of all Executory Contracts identified for assumption and assignment to the Potential Bidder, including, without limitation, the following:
  - i. evidence of the Potential Bidder's internal resources and proof of unconditional debt funding commitments from a recognized financial institution and, if applicable, equity commitments in an aggregate amount equal to the purchase price and any applicable cure amounts and other closing payments, if any, or the posting of an irrevocable letter of credit from a recognized banking institution issued in favor of the Debtors in such amount, in each case, as are needed to close the proposed Sale transaction;
  - ii. contact names and telephone numbers for verification of financing sources;
  - iii. current audited financial statements (or such other form of financial disclosure and credit-quality support or enhancement, acceptable to the Debtors, in consultation with the Notice Parties) of the Potential Bidder or those entities that will guarantee in full the payment obligations of the Potential Bidder;
  - iv. a description of the Potential Bidder's *pro forma* capital structure; and
  - v. any such other form of financial disclosure or credit-quality support information or enhancement reasonably requested by the Debtors demonstrating that such Qualified Bidder has the ability to close the applicable Sale transaction.
- k. Disclose any connections or agreement with the Debtors or their affiliates, any of the Notice Parties, or any other known Potential Bidder or Qualified Bidder, and/or any officer, director or equity security holder of the Debtors or their affiliates or any of the foregoing and confirm that it has not engaged in any collusion with respect to the bidding or the proposed Sale transaction.
- l. Confirm in writing its agreement to accept and abide by the terms, conditions and procedures set forth herein and provide evidence of due authorization to enter into the proposed Sale pursuant to the asset purchase agreement submitted, or any derivation thereof. In the event that the

Potential Bidder is an entity specially formed for the purpose of effectuating the contemplated transaction, then the Potential Bidder must furnish written evidence acceptable to the Debtors, in consultation with the Notice Parties, of the approval of the contemplated transaction by the equity holders or members of such Potential Bidder

- m. Identify any and all bid protections (the “**Bid Protections**”) required by the Potential Bidder to serve as the Stalking Horse Bidder (defined below) for the Sale, including without limitation, any break-up fee, expense reimbursement, termination fee or similar type of payment or bid protections; *provided, however*, that the aggregate amount of any proposed Bid Protections may not exceed three percent (3%) of the total purchase price under the Bid.
- n. Acknowledge that the United States (defined below) has requested that the following language, or substantially similar language, be included in any order approving a Sale:

Nothing in the Sale Order releases, nullifies, precludes or enjoins the enforcement of any police or regulatory liability to a governmental unit that any entity would be subject to as the post-sale owner or operator of property after the date of entry of this Sale Order. Nothing in this Sale Order authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law. Nothing in this Sale Order divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Sale Order or to adjudicate any defense asserted under this Sale Order.

- o. Indicate the Potential Bidder’s willingness to assume outstanding obligations under the Clean Air Act Consent Decree in Civ. No. 1:11-cv-00006 (D.V.I St. Croix Div) and the Joint Stipulation in Civ. A. No. 1:21-cv-00264 (D.V.I St. Croix Div).

4. The Debtors, in consultation with the Notice Parties, shall determine whether a Bid or Piecemeal Bid that meets the above minimum requirements constitutes a qualified bid (a “**Qualified Bid**”, and the bidder submitting such Qualified Bid, a “**Qualified Bidder**”). The Debtors will promptly advise each Potential Bidder in writing whether or not the Potential Bidder is a Qualified Bidder. If a Bid submitted on or prior to the Bid Deadline fails to meet all requirements of a Qualified Bid, the Debtors, after consulting with the Notice Parties, may work with the Potential Bidder in an effort to cure any defects in the Bid and to cause such Bid to become a Qualified Bid prior to the commencement of the Auction (as defined below). Each DIP Lender and Prepetition Secured Party shall be deemed a Qualified Bidder and shall be allowed to participate in the Auction without the need to submit a Qualified Bid.

5. The Debtors, in consultation with the Notice Parties, may select a Qualified Bid and Qualified Bidder to serve as the Stalking Horse Bid (defined below) and Stalking Horse Bidder on or before September 10, 2021 (the “**Stalking Horse Designation Deadline**”).

#### **D. Access to Due Diligence Materials**

8. The Debtors shall establish a digital data room (the “**Data Room**”) for purposes of maintaining and providing Potential Bidders access to information regarding the Debtors and the Assets for purposes of conducting due diligence. To the extent not already established, the Debtors shall establish a Data Room as soon as reasonably practicable after entry of the Bidding Procedures Order, but in no event later than August 6, 2021; *provided, however*, that the Debtors reserve the right to add or remove materials from the Data Room at any time. The Debtors shall be authorized to retain and compensate in the ordinary course of business one or more individuals or entities to assist in the creation and/or maintenance of the Data Room; *provided, however*, that any compensation shall be subject to the Budget (as defined in the Interim DIP Order), terms of the Interim DIP Order, and, with respect to professionals, the requirements of the Bankruptcy Code.

9. Upon delivery of the Preliminary Bid Documents, any Potential Bidder that wishes to conduct due diligence on the Assets may be granted access to the Data Room. In addition to Potential Bidders (subject to the preceding sentence), the Advisors shall be granted access to the Data Room.

10. The Debtors, along with their advisors, shall coordinate all reasonable requests for additional information and due diligence access from Potential Bidders and provide each Potential Bidder reasonable due diligence information, as requested by such Potential Bidder in writing as soon as reasonably practicable after such request; *provided, however*, the Debtors may decline to provide such information to Potential Bidders who the Debtors, in their reasonable business judgment (in consultation with the Notice Parties), determine do not intend in good faith to, or do

not have the capacity to, consummate the purchase of any or all of the Assets or seek access to the Data Room and the information contained therein for any improper purpose.

11. Each Potential Bidder shall comply with all reasonable requests for additional information by the Debtors or their advisors, including, without limitation, information regarding such Potential Bidder's financial wherewithal to consummate and perform obligations in connection with the Sale. If a Potential Bidder fails to comply with any such request(s), the Debtors may, in their discretion, in consultation with the Notice Parties, disqualify the Potential Bidder and/or the subject Bid and deny or terminate access to the Data Room.

#### **E. "As Is, Where Is"**

12. The Sale of any Assets shall be on an "as is, where is" basis and without representations or warranties of any kind, nature or description by the Debtors, their agents or Estates, except to the extent set forth in the asset purchase agreement between the Debtors and a Winning Bidder and/or Back-up Bidder, the assignment and bill of sale, if any, delivered pursuant to such asset purchase agreement, or the order approving the Sale of the Assets by the Debtors to the Winning Bidder and/or Back-up Bidder. Except as may be provided in the subject asset purchase agreement, all of the Debtors' rights, title, and interest in and to the Assets shall be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options and interest thereon, but subject in all respects to (a) J. Aron's right to set off and net against any obligations owed by the Debtors to J. Aron under the J. Aron Transaction Documents (as defined in the Interim DIP Order) (collectively, the "**Interests**"), with such Interests attaching to the proceeds of the Sale of the Assets, with the same validity and priority as existed immediately prior to such Sale and (b) LBT's ownership interests and rights in connection with any Assets jointly owned by the Debtors and LBT, unless LBT provides express written consent; *provided, however*, that no such consent shall be required to sell the Debtors' interest, if any, in the subject Assets to the extent such sale is permitted without the consent of the LBT Entities under applicable law.

13. Each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to inspect and examine the Assets prior to making its Bid, that it has relied solely upon its independent review, investigation and/or inspection of any documents or information in making its Bid, and that it did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied, by operation of law or otherwise, regarding the Assets or the completeness of any information provided in connection with the bidding process, in each case except as expressly stated in any executed asset purchase agreement.

#### **F. Designation of a Stalking Horse Bidder**

14. The Debtors, in consultation with the Lender Advisors and Committee Advisors, shall prepare a summary of the highest and best Bid(s) for all or substantially all Asset and/or the highest and best Piecemeal Bid(s) (the "**Bid Summary**"). The Debtors shall upload the Bid Summary to the Data Room no later than September 7, 2021 (the "**Bid Summary Deadline**"), which shall be deemed to make such information "generally available to all potential bidders" for purposes of Paragraph 37 of the Complex Rules.

15. On or before September 10, 2021, the Debtors, in consultation with the Notice Parties, may designate one or more Qualified Bidders as the stalking horse bidder(s) (the “**Stalking Horse Bidder**”) and one or more Qualified Bids as the stalking horse bid(s) (the “**Stalking Horse Bid**”) with respect to a sale of all or substantially all the Assets of the Debtors. The Debtors shall not designate any Qualified Bid as a Stalking Horse Bid unless such Bid is reasonably acceptable to each of the Prepetition Secured Parties.

16. On or before September 13, 2021, if the Debtors have designated a Stalking Horse Bidder, the Debtors shall file a Notice of Designation of Stalking Horse Bidder (the “**Stalking Horse Notice**”) and serve the Stalking Horse Notice on all interested parties. The Stalking Horse Notice shall (a) identify the Stalking Horse Bidder, (b) provide a summary of the Stalking Horse Bid, (c) outline any and all proposed Bid Protections, which may include the payment of a break-up fee and any other appropriate or customary protections, *provided* that the aggregate amount of the Bid Protections that may be paid to any or all Stalking Horse Bidders shall not exceed three percent (3%) of the proposed purchase price and that any Bid Protections shall only be payable upon the closing of and out of the proceeds of a sale transaction, and (d) the means for obtaining a copy of the asset purchase agreement for the Stalking Horse Bid (the “**Stalking Horse APA**”) and a redline marked against the APA. The Debtors may modify the terms of the Bidding Procedures<sup>7</sup> (excluding (i) the requirements set forth in Paragraph 3 of these Bidding Procedures, which modifications thereto shall require the consent of the DIP Agent and each of the Prepetition Secured Parties or (ii) any dates or deadlines set forth in these Bidding Procedures, which modifications shall require the consent of all Notice Parties) through the Stalking Horse Notice, in consultation with the Notice Parties.

17. Any interested parties shall file any objections to the proposed Bid Protections for the Stalking Horse Bid or any amendments to the Bidding Procedures as provided for in the Stalking Horse Notice on or before September 17, 2021 (the “**Stalking Horse Objection Deadline**”). The failure to file a timely objection shall be deemed to be a waiver of any such objections and consent to the approval of the Bid Protections and amended Bidding Procedures. If an objection is timely filed, the Debtors shall notice a hearing before the Court to consider the objection(s) on an emergency basis; *provided, however*, that the Bidding Procedures will be deemed approved regardless of whether or not the Auction occurs prior to the resolution of any objection to the Bid Protections or amended Bidding Procedures. Interested parties shall be deemed to consent to the expedited and final resolution of any such objections by the Court. The filing or pendency of any objection(s) shall not alter any dates or deadlines established under the Bidding Procedures or affect the binding nature of the Stalking Horse Bid or any other Bids. For the avoidance of doubt, any substantive objections to a Sale to the Stalking Horse Bidder, should the Stalking Horse Bidder be designated as the Winning Bidder, shall be filed in accordance with paragraph 12 of the Bid Procedures Order and need not be filed on or prior to the Stalking Horse Objection Deadline.

---

<sup>7</sup> Unless otherwise stated, “Bidding Procedures” includes the Bidding Procedures, the procedures governing any Auction (the “**Auction Procedures**”), including the Open Auction Procedures, and the Assumption and Assignment Procedures.

## G. Credit Bidding

18. In accordance with Paragraphs 9(e) and 29 of the Interim DIP Order, and, to the extent applicable, the Final DIP Order, when entered, the DIP Lenders (as defined in the Interim DIP Order) and the Prepetition Secured Parties may credit bid the full amount of the DIP Obligations (as defined in the Interim DIP Order) or the Prepetition Secured Obligations (as defined in the Interim DIP Order), respectively and as applicable, to acquire any or all Assets subject to the parties' respective security interests (other than any collateral in respect of the J. Aron Obligations),<sup>8</sup> on a dollar-for-dollar basis, as provided in Section 363(k) of the Bankruptcy Code, without the need for further Court order authorizing such credit bid and whether any Sale is (a) pursuant to Section 363 of the Bankruptcy Code, (b) pursuant to a chapter 11 plan, or (c) by a chapter 7 trustee; *provided, however*, that the right of the Prepetition Secured Parties to credit bid the Prepetition Secured Obligations shall be subject to the limitations set forth in the DIP Orders.

19. Notwithstanding anything to the contrary contained herein, the Prepetition Secured Parties shall have the right to credit bid all or any portion of the aggregate amount of their applicable outstanding Prepetition Secured Obligations pursuant to Section 363(k) of the Bankruptcy Code, and any such credit bid, whether submitted by a Prepetition Secured Party or a new entity formed by such Prepetition Secured Party, will be considered a Qualified Bid to the extent such bid is received by the deadline to submit a credit bid and complies with Section 363(k) of the Bankruptcy Code; *provided* that a credit bid shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full, in cash, all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid or Piecemeal Bid that are senior in priority, including a priority in payment pursuant to the Intercreditor Agreement (as defined in the Interim DIP Order), to those of the party seeking to credit bid (unless such Prepetition Secured Party consents to alternative treatment). For the avoidance of doubt, any credit bid by a DIP Lender of the DIP Obligations shall not constitute a Qualified Bid if the bid does not include a cash component sufficient to pay in full, in cash, all claims for which there are valid, perfected, and unavoidable liens on any assets included in such Bid or Piecemeal Bid that are senior in priority to the DIP Lender(s) seeking to credit bid (unless such Prepetition Secured Party consents to alternative treatment).

20. If the DIP Lenders and/or Prepetition Secured Parties intend to credit bid for any of the Assets, such parties shall notify the Debtors, U.S. Trustee, and the other Notice Parties of their intention to credit bid no later than September 17, 2021 (the “**Credit Bid Designation Deadline**”). To the extent required by Paragraph 37 of the Complex Rules, any entity that intends to submit a Bid (including a credit bid) for any or all of the Assets shall waive the right to receive (i) information that is not generally available to all Potential Bidders and (ii) any notice, consultation, and/or consent rights as Notice Parties under the Bidding Procedures, subject to such rights provided elsewhere in these Bidding Procedures and the DIP Orders (the “**Consultation Rights**”), except as otherwise ordered by the Court.

---

<sup>8</sup> For the avoidance of doubt, the IFF Property shall not be the subject of any sale pursuant to this Motion or the Bidding Procedures.

## H. The Auction

21. If the Debtors receive one or more Qualified Bids from Qualified Bidders by the Bid Deadline, in addition to the Stalking Horse Bid, an Auction with respect to the sale of the subject Assets shall take place on September 22, 2021, at 10:00 a.m. (prevailing Central Time) (the “**Auction Date**”) at (a) the offices of Baker & Hostetler, LLP, located at 811 Main Street, Suite 1100, Houston, Texas 77002 or (b) via an virtual platform, such as Zoom or GoToMeeting, as the Debtors designate. No later than forty-eight (48) hours prior to the Auction Date, the Debtors shall provide notice of the Auction location and, if via a virtual platform, the credentials required to access such platform, to all Qualified Bidders, the Notice Parties, the United States, and the U.S. Trustee.

22. If the Stalking Horse Bid is the only Qualified Bid the Debtors receive by the Bid Deadline, the Debtors reserve the right to cancel the Auction. In such case, if cancelled, the Stalking Horse Bid and Stalking Horse Bidder shall be automatically designated the Winning Bid and Winning Bidder effective as of the Bid Deadline.

23. If the Debtors do not receive any Qualified Bids by the Bid Deadline, the Debtors may elect to hold an open auction for the Assets, or any of them (an “**Open Auction**”) on the Auction Date, subject to the agreement of the DIP Agent and Prepetition Secured Parties and after consultation with the Committee. If the parties agree to hold an Open Auction, the Debtors shall provide notice to the Court, the U.S. Trustee, the Notice Parties, and any and all Potential Bidders that executed a Confidentiality Agreement of the Open Auction (the “**Open Auction Notice**”). The Open Auction Notice shall identify the procedures applicable to the Open Auction, including, without limitation, any deposits required to participate in the Open Auction (the “**Open Auction Procedures**”). The Debtors shall prepare the Open Auction Procedures in consultation with the Notice Parties and U.S. Trustee. Notwithstanding anything in the Motion, Bidding Procedures or Open Auction Procedures to the contrary, the DIP Lenders and Prepetition Secured Parties will be entitled to credit bid in any Open Auction and shall be deemed to be Qualified Bidders for purposes of any Open Auction.

24. Unless modified by any Open Auction Procedures, the following rules shall apply to any Auction:

- a. only Qualified Bidders shall be entitled to make a bid at and otherwise participate in the Auction (provided, for the avoidance of doubt, that the Committee, its professionals (including Committee Advisors), and its members (and such members’ professionals) may attend the Auction);
- b. each Qualified Bidder shall appear in person, or in the event of a virtual auction, appear virtually, or have an authorized representative appear on their behalf, *provided* the authorized representative has the authority to bind the Qualified Bidder to the terms of any bid at the Auction without further or additional approval or authorization;

- c. each Qualified Bidder participating in the Auction will be required to confirm that it has not engaged in any collusion with respect to the bidding or the Sale;
- d. the Debtors, in their business judgment and in consultation with the Notice Parties, shall select the number of Qualified Bidders participating in the Auction and will conduct the Auction in the manner that they determine will best promote the goals of the bidding process and will achieve the maximum value for the Assets;
- e. the Stalking Horse Bid shall constitute the opening bid at the Auction (the “**Opening Bid**”) for the Assets subject to the Stalking Horse APA and the minimum overbid at the Auction shall be an amount equal to the total approved Bid Protections provided under the Stalking Horse APA *plus* \$1,000,000, with each successive bid being in increments of at least \$1,000,000 higher than the preceding bid; *provided, however*, if the Stalking Horse Bids constitute Piecemeal Bids, the minimum overbids and bid increments shall be specified in the Stalking Horse Notices;
- f. the Stalking Horse Bidder may not use the amount of approved Bid Protections as consideration under any bid during the Auction; *provided, however*, that the Debtors may consider the amount of approved Bid Protections in evaluating the highest and best Bid for purposes of designating the Winning Bid or Back-up Bid;
- g. the Debtors, in consultation with the Notice Parties, may, at any point during the Auction, modify the bid increment amounts;
- h. the Debtors, in consultation with the Notice Parties, may continue the Auction from time to time, adjourn the Auction at any time, and re-open the Auction at any time prior to the commencement of the Sale Hearing; and
- i. bidding at the Auction will be transcribed to ensure an accurate recording of the bidding.

25. At the conclusion of the Auction, the Debtors, in consultation with the Notice Parties, shall select and identify the Winning Bid and the Winning Bidder. There may be more than one Winning Bid and Winning Bidder if individual Piecemeal Bids are determined to be Qualified Bids. The Debtors, in consultation with the Notice Parties, shall also select and identify the entity presenting the next highest and best bid (the “**Back-up Bid**”) and the entity presenting same (the “**Back-up Bidder**”). At the Sale Hearing (as defined below), the Debtors shall present the Winning Bid and Back-up Bid to the Court for approval. The Debtors’ presentation of the Winning Bid to the Court for approval does not constitute the Debtors’ acceptance of such Winning Bid. The Debtors shall have accepted a Winning Bid only when the Court has entered an order approving such bid and the Sale of the Asset subject thereto.

26. Notwithstanding the foregoing, the Debtors reserve all rights to terminate the bidding process at any time if the Debtors, consistent with their fiduciary duties and business

judgment, and in consultation with the Notice Parties, determine that the bidding process will not maximize the value of the Assets. Without limiting the generality of the foregoing, the Debtors, in consultation with the Notice Parties, may reject at any time before entry of a Sale Order approving such bid, any Bid that, in the Debtors' discretion, is (i) inadequate or insufficient, (ii) not in conformity with the requirements of the Bankruptcy Code or the Bidding Procedures, or (iii) contrary to the best interests of the Debtors, their Estates and creditors.

27. If an Auction is held, the Debtors shall be deemed to have accepted a Qualified Bid only when: (i) such bid is declared the Winning Bid at the conclusion of the Auction; (ii) the Winning Bidder shall have paid an additional deposit which, when added to the initial deposit, equals fifteen percent (15%) of the Winning Bid (the "**Additional Deposit**"); *provided* that to the extent the Winning Bid is a credit bid submitted by a DIP Lender or Prepetition Secured Party, no Additional Deposit shall be required; (iii) definitive documentation has been executed in respect thereof; and (iv) the Court has entered an order approving such bid and the Sale of the Assets subject thereto. The Winning Bidder shall make the Additional Deposit into the Escrow Account within one (1) business day after the conclusion of the Auction. Acceptance by the Debtors of the Winning Bid is conditioned upon entry of a Sale Order approving such Winning Bid.

28. The Debtors shall file and serve a Designation of Winning Bid as soon as practicable following the conclusion of the Auction, but in no event later than **September 24, 2021**. The Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) provide a summary of the Winning Bid and Back-up Bid; (iii) contain a copy of the asset purchase agreement(s) for the Winning Bid(s) (the "**Modified APA(s)**") and a redline marked against the Stalking Horse APA; *provided, however*, that the Debtors shall not be required to serve copies of the Modified APA(s) or any redline comparison to the Stalking Horse APA with the Designation of Winning Bid so long as the Designation of Winning Bid provides instructions for accessing such documents on the BMC Group website for the Debtors; and (iv) contain a statement as to the Winning Bidder's or Back-up Bidder's ability to perform the Debtors' obligations under the Purchased Contracts (as defined below). In addition, the Designation of Winning Bidder shall include a list of those executory contracts and unexpired leases designated by the Winning Bid and/or Back-up Bid for assumption and assignment to the Winning Bidder and/or Back-up Bidder, as applicable (the "**Purchased Contracts**"), with: (i) the name and address of the known contract counterparties thereto; (ii) the Cure Amount with respect to any such Purchased Contract; and (iii) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any Purchased Contract; *provided, however*, that the inclusion of any Purchased Contract in the Designation of Winning Bid shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Purchased Contracts. The Debtors reserve the right to amend the Designation of Winning Bid to identify additional Executory Contracts up to two (2) days before the Sale Hearing (defined below) and to remove any Executory Contracts up to the Closing Date (defined below). Simultaneously with the filing of the Designation of Winning Bid, the Debtors shall file a proposed Sale Order and any supplemental filings related to the Designation of Winning Bid or approval of the proposed Sale pursuant thereto.

29. In the event that the Winning Bidder fails to pay the Additional Deposit or otherwise comply with its obligations as the Winning Bidder, the Qualified Bidder with the Back-

up Bid shall be declared the Winning Bid and Winning Bidder without further order of the Court. If the Winning Bid is a Piecemeal Bid (the “**Winning Piecemeal Bid**”), the bidder with the next highest or best bid that is not entitled to the same reductions to the purchase price shall be deemed the Winning Bid and Winning Bidder without further order of the Court.

## **I. Sale Hearing**

30. The Debtors shall schedule a hearing to approve the Sale (the “**Sale Hearing**”) pursuant to the Stalking Horse APA or Modified APA(s), as applicable, as soon as practicable, but in no event later than October 14, 2021. At the Sale Hearing, subject to the Bidding Procedures and result of the Auction, if any, the Debtors will request entry of the Sale Order that will, *inter alia*, approve (i) the Sale of the Assets in accordance with the terms of the Stalking Horse APA or Modified APA(s), as applicable, (ii) the assumption and assignment of the Purchased Contracts, and (iii) any further or additional relief deemed necessary to effectuate the proposed Sale transaction. Objections, if any, to a proposed Sale transaction, other than objections to the assumption and assignment of Executory Contracts (a “**Sale Objection**”), must be filed and served on counsel for the Debtors, the U.S. Trustee, and the Notice Parties no later than October 4, 2021, at 5:00 p.m. (prevailing Central time) (the “**Sale Objection Deadline**”).

## **J. Return of Deposit**

31. Within five (5) business days after the closing of the Sale to the Winning Bidder (“**Closing**”), the deposits of all unsuccessful bidders shall be refunded, to the extent not already returned, except for any deposits forfeited by a Winning Bidder or Back-up Bidder under the Bidding Procedures. In the event a dispute arises about whether a deposit is refundable or non-refundable, the deposit shall remain in the Escrow Account pending a resolution of the dispute by the Court. In presenting a Bid, any and all Potential Bidders, including Qualified Bidders, Back-up Bidder(s), and Winning Bidder(s), shall be deemed to consent to the jurisdiction and final adjudication of any and all matters related to the Bid(s) by the Court.

## **K. Failure to Close**

32. The transaction evidenced by the Winning Bid shall close not later than ten (10) days after entry the Sale Order, but in no event later than **November 1, 2021, at 5:00 p.m. (prevailing Central time)** (the “**Closing Date**”), unless the Closing Date is extended in accordance with the Bidding Procedures, at which time the Winning Bidder shall pay the balance of the Winning Bid (the Winning Bid amount less the deposit) into the Escrow Account. In the event a declared Winning Bidder fails to timely perform any of its obligations as set forth above or pursuant to the approved transaction documents:

- a. The declared Winning Bidder shall forfeit all deposits made without regard to the Debtors’ ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors’ damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and defenses as to the Winning Bidder, including the right to seek equitable or injunctive relief.

- b. Each Back-up Bidder shall keep its final and highest bid open pending a closing of a transaction of the Winning Bid. In the event that a transaction of the Winning Bid is not consummated by the Closing Date (unless the Closing Date is extended), the Back-up Bidder with the Back-up Bid shall be deemed the Winning Bidder without further order of the Court, and such bidder shall be required to close the transaction contemplated in its Back-up Bid within seven (7) days of being deemed the Winning Bidder, **but in no event later than November 8, 2021, at 5:00 p.m.** (prevailing Central time), unless such deadline is extended in accordance with the Bidding Procedures. Any Back-up Bidder declared a Winning Bidder who fails to timely perform shall forfeit all deposits made without regard to the Debtors' ultimate damages occasioned by such failure; such deposits shall be applied to the Debtors' damages, if any, and shall not constitute liquidated damages; and, notwithstanding the foregoing, the Debtors and the Estates shall retain all other rights, remedies, claims, counterclaims, and defenses with respect to such bidder, including the right to seek equitable or injunctive relief.
- c. The Debtors, in consultation with the Notice Parties and agreement of the DIP Agent and Prepetition Secured Parties, may grant any declared Winning Bidder and/or Back-up Bidder additional time to perform and, to the extent necessary, extend the Closing Date.

#### **L. Fees and Expenses**

33. Any and all bidders submitting Bids shall bear their own fees, costs, and expenses in connection with the proposed sale, whether or not such sale is ultimately approved, except to the extent reimbursement of expenses constitutes an approved Bid Protection under a Stalking Horse APA. Further, by submitting a Bid, a Potential Bidder shall be deemed to waive its right to pursue a substantial contribution claim under Section 503 of the Bankruptcy Code or other priority unsecured or administrative claims in any way related to the submission of its Bid or the Bidding Procedures.

#### **M. Assumption and Assignment of Executory Contracts**

34. The Debtors also seek approval of certain procedures to facility the fair and orderly assumption and assignment of certain Executory Contracts designated by the Winning Bidder following the Auction, if any, pursuant to Section 365(f) of the Bankruptcy Code (collectively, the "**Purchased Contracts**") in connection with the Sale. Due to the nature of the bidding process, the Debtors are unable to currently identify the Purchased Contracts, or any of them, that will require assumption and assignment to the Winning Bidder. As such, the Debtors propose certain procedures (the "**Assumption and Assignment Procedures**") by which counterparties to potential Purchased Contracts can ascertain the proposed cure payment and adequate assurance of future performance and, if deemed prudent, object to the potential assumption or assumption and assignment of the subject Purchased Contracts. The proposed Assumption and Assignment Procedures are as follows:

- a. On or before **September 13, 2021**, the Debtors shall file and serve a notice (the “**Notice of Potential Assumption and Assignment of Executory Contracts**”) of executory contracts and unexpired leases that may be assumed and assigned to a purchaser in connection with a Sale (the “**Potential Purchased Contracts**”), which shall, among other things, include a list with: (i) the Potential Purchased Contracts; (ii) the name and address of the known contract counterparties thereto; (iii) the Cure Amount with respect to any Potential Purchased Contract; and (iv) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any Potential Purchased Contract; *provided, however*, that the inclusion of any Potential Purchased Contract on the Notice of Potential Assumption and Assignment of Executory Contracts shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Potential Purchased Contracts. To the extent the Debtors identify additional Potential Purchased Contracts after September 13, 2021, the Debtors shall promptly file a supplemental Notice of Potential Assumption and Assignment of Executory Contracts, containing the same information as set forth above for the additional Potential Purchased Contracts.
- b. As discussed above, the Debtors shall file and serve a Designation of Winning Bid as soon as practicable following the conclusion of the Auction, but in no event later than **September 24, 2021** which shall, among other things, include a list of the Purchased Contracts with: (i) the name and address of the known contract counterparties thereto; (ii) the Cure Amount with respect to any such Purchased Contract; and (iii) the deadline by which any counterparties must file an objection to the proposed assumption and assignment of any Purchased Contract; *provided, however*, that the inclusion of any Purchased Contract in the Designation of Winning Bid shall not constitute an admission that the subject contract(s) or lease(s) are executory contract(s) or unexpired lease(s) for purposes of Section 365 of the Bankruptcy Code or an agreement to assume or assign such Purchased Contracts.
- c. The Debtors may (i) amend the Designation of Winning Bid at any time prior to the date that is two (2) days before the Sale Hearing to add or remove any Purchased Contracts or Potential Purchased Contracts (collectively, the “**Subject Contracts**”) from the list of Purchased Contracts that are proposed to be assumed by the Debtors and assigned to the Winning Bidder and/or Back-up Bidder, subject to the right of any counterparties to newly-included Subject Contracts to adequate assurance or otherwise object to the assumption and assignment of the Subject Contracts, and (ii) amend the Designation of Winning Bid to remove any previously-designated Purchased Contracts at any time prior to the Closing Date, with such removal being effective immediately without further order of the Court. Any amendments to the Designation of Winning Bid shall comply with the

requirements of this Paragraph 34, as applicable; *provided, however*, that such amendments need not include information related to any previously-designated Subject Contracts unaffected by the amendment.

- d. Each Potential Bidder shall identify in its Bid any and all Executory Contracts the Potential Bidder may wish to designate for assumption and assignment to the Potential Bidder in any Sale; *provided, however*, the Winning Bidder(s) may amend such designation, consistent with the notice requirements of this Paragraph 34.
- e. As provided in Paragraph 28, the Debtors shall file and serve the Designation of Winning Bid on each counterparty to any Purchased Contract (and its counsel, if known) that is designated for assumption and assignment under the Winning Bid, among other parties. Such Designation of Winning Bid shall: (i) identify the Winning Bidder and Back-up Bidder; (ii) identify all Subject Contracts designated as Purchased Contracts by the Winning Bidder, subject to the right to amend such designation consistent with paragraph 34.c hereof; (iii) identify the Cure Amount, if any, the Debtors estimate is required to comply with Section 365(b) and 365(f)(2) of the Bankruptcy Code; and (iv) contain a statement as to the Winning Bidder's ability to perform the Debtors' obligations under the subject Purchased Contracts.
- f. All objections to the proposed assumption and assignment of any Subject Contracts (including with respect to any Cure Amount associated with such Subject Contracts) must: (i) be filed with the Court on or before October 8, 2021, at 12:00 p.m. (prevailing Central time) (the "**Contract Assumption Objection Deadline**") and served on the Debtors, the U.S. Trustee, and the Notice Parties; (ii) identify the Subject Contract(s) to which the objector is party; (iii) describe with particularity the Cure Amount that the objector contends is required under Section 365 of the Bankruptcy Code; (iv) identify the bases of the alleged Cure Amount under the Subject Contract; and (v) attach all documents supporting or evidencing the Cure Amount.
- g. If no objection is filed by the Contract Assumption Objection Deadline, or if the objection fails to comply with the requirements set forth herein, the Cure Amount set forth in the Designation of Winning Bid Notice or Notice of Potential Assumption and Assignment of Executory Contracts, or any amended version thereof, as applicable, shall control and any counterparties to the Subject Contract(s) shall be deemed to waive and shall be forever barred from asserting in any other claim or objection under Section 365 of the Bankruptcy Code, or otherwise, including, without limitation, any objection to the assignability of any of the purchased contracts, other than an objection to adequate assurance of performance under the Subject Contracts pursuant to Section 365(b)(1)(C) of the Bankruptcy Code; *provided, however*, that to the extent the Debtors file a supplemental Notice of Potential Assumption and Assignment of Executory Contracts,

counterparties to any newly-identified Potential Purchased Contracts shall have no less than seven (7) days to object to the Cure Amount listed in such Notice of Potential Assumption and Assignment of Executory Contracts.

- h. To the extent any Cure Amount remains unresolved as of the Sale Hearing, such dispute shall be presented to the Court at the Sale Hearing, or such later date and time as the Debtors, the Winning Bidder, and the objecting party may agree or the Court may order, *provided* that the pendency of such dispute shall not affect in any way the closing of any proposed Sale or the effectiveness of any assumption and assignment of the subject Executory Contract under the Winning Bid or Back-up Bid, as applicable.

#### **N. Cooperation and Information Sharing**

35. The Debtors and their advisors shall consult regularly with the Lender Advisors, Committee Advisors, and third-party professionals retained by their respective clients, including, without limitation, any financial advisors or brokers, regarding the status of the Sale process and any potential Bids and provide any related information that may be reasonably requested by the advisors to the DIP Agent, Prepetition Secured Parties, the Committee, and such third-party professionals. To the extent required by Paragraph 37 of the Complex Rules, any information provided to the Advisors or such third-party professionals shall constitute PEO Information subject to the restriction set forth in Paragraph 7, *supra*; *provided, however*, that any PEO Information that becomes known to all Potential Bidders or publicly available, other than as a result of a violation of the restrictions on the use and dissemination of PEO Information, shall no longer be subject to the restrictions provided in the Bidding Procedures. Any DIP Lender or Prepetition Secured Party that elects not to credit bid by the Credit Bid Designation Deadline shall have the right to any and all PEO Information, Consultation Rights, and other information and documentation pertaining to the marketing or Sale of any Assets, including, without limitation, any Bids and related documents, under the Bidding Procedures without restriction, except for a prohibition against sharing such information with any Potential Bidders that do not have such information.

Interim Order,” and together with the First Interim Order, the “Prior Interim Orders”)<sup>2</sup> with respect to the Debtors’ rights to use cash collateral through August 29, 2021, with the following revisions:

A. In addition to the \$5.5 million in postpetition financing previously authorized in the First Interim Order and advanced in full to the Debtors, the Debtors are hereby authorized to (a) obtain additional postpetition financing in an aggregate principal amount not to exceed \$10 million on an interim basis, pursuant to the terms of that certain DIP Credit Agreement, a copy of which was attached to the First Interim Order as Exhibit A, as modified pursuant to the terms of that certain First Amendment to Senior Secured Superpriority Debtor-In-Possession Credit Agreement, a copy of which is attached hereto as **Exhibit A** (the “First Amendment”). The Debtors are authorized to enter into the First Amendment.

B. Attached hereto as **Exhibit B** is the Debtors’ Approved Budget for the period from August 9, 2021 through and including October 31, 2021. *See* First Interim Order ¶ N.

C. Notwithstanding paragraph 15(d) of the First Interim Order or anything contained in the DIP Loan Documents, the Debtors’ failure to obtain entry of the Final Order shall not constitute, or be deemed to cause, a Termination Event unless the Debtors fail to obtain entry of the Final Order by September 17, 2021. Notwithstanding paragraphs 9(g) and 15(p) of the First Interim Order, any breach of paragraph 9(g) of the First Interim Order with respect to a thirteen-week budget is hereby waived and shall not constitute, or be deemed to cause, a Termination Event. The requirements of Paragraph 9(g)(ii) of the First Interim Order are satisfied by the attached Approved Budget.

D. Those certain Events of Default, Defaults, Termination Events, and/or Material Adverse Effect that were alleged in the Reservation of Rights Letter filed at Docket No. 355, and

---

<sup>2</sup> Capitalized terms not otherwise defined herein shall have the meanings given to them in the Prior Interim Orders.

any other Events of Default, Defaults (as such term is defined in the DIP Credit Agreement), Termination Events, and/or Material Adverse Effects of which the DIP Agent or any Lender (as such term is defined in the DIP Credit Agreement) has knowledge as of the date hereof are deemed cured and/or waived.

E. The DIP Lenders ratify and affirm that, as of the date of this Order, the aggregate maximum outstanding principal amount of the DIP Loans, if fully advanced to the Borrower, will be \$25,000,000, and that, subject to the Borrower's satisfaction of the conditions precedent set forth in Section 4.02 of the DIP Credit Agreement, the remaining aggregate Commitment of the DIP Lenders is \$19,500,000. After giving effect to the First Amendment, none of the DIP Agent or the DIP Secured Parties have any knowledge or notice of any Default or Event of Default which would permit the DIP Agent or DIP Lenders to conclude that any of the conditions precedent set forth in Section 4.02 have not been satisfied as of the date hereof. The DIP Lenders, and/or their Administrative Agent (as that term is defined in the First Amendment), shall be entitled to a \$50,000 amendment fee on the terms provided in the First Amendment.

F. Notwithstanding anything to the contrary in Prior Interim Orders, the DIP Loan Documents, or any Approved Budget, all accrued and unpaid professional fees and expenses of the Ad Hoc Term Lender Group, the Term Administrative Agent, the Project Collateral Agent, the Revolver Administrative Agent and J. Aron owed by the Debtors under paragraphs 8(b) and 9(a) – (c) of the First Interim Order shall be included in the Carve-Out, subject to a total aggregate cap of \$1.3 million for the fees of such Prepetition Secured Parties; *provided*, that, for the avoidance of doubt, such cap is subject to further adjustment in connection with any further interim orders or the Final Order, and all rights with respect thereto are preserved.

G. Resolution of Committee Issues.

1. On July 26, 2021, the U.S. Trustee appointed the Official Committee of Unsecured Creditors in these Chapter 11 Cases [Docket No. 189] (the “Committee”).

2. In addition to counsel to the DIP Agent, the DIP Lenders, and the Prepetition Agents, the Debtors shall deliver a copy of the Approved Budget to the Committee.

3. Notwithstanding paragraph 5 of the First Interim Order, the Committee Investigation Budget shall be in an amount up to an aggregate cap of \$200,000. Notwithstanding paragraph 42 of the First Interim Order, all rights of the Committee to seek an extension of the Challenge Period for purposes of the Final Order are preserved.

4. For the avoidance of doubt, the Carve-Out in paragraph 5(i) of the First Interim Order includes all fees and expenses of bankruptcy professionals reflected as accrued in the Budget. The Debtors will work in good faith with the Committee to establish a professional fee escrow consistent with the Approved Budget and the Debtors’ liquidity needs.

5. Notwithstanding paragraphs 6 and 7(a) of the First Interim Order, until the entry of the Final Order, the DIP Superpriority Claims and the DIP Liens shall not attach to or be payable from the Unencumbered Assets (as defined below). Following entry of the Final Order, the DIP Superpriority Claims and the DIP Liens shall attach to the proceeds of, or property recovered in connection with, Unencumbered Assets, *provided that* such proceeds and property shall only be used to satisfy the DIP Superpriority Claims and the DIP Liens, to the extent that all other DIP Collateral is insufficient to satisfy the DIP Obligations in full.

6. Notwithstanding paragraphs 9(a), 9(b) and 9(c) of the First Interim Order, until the entry of the Final Order, (i) the adequate protection liens and security interests granted in paragraphs 9(a)(1), 9(b)(1) and 9(c)(1) shall not attach to or be payable from Avoidance Actions,

Avoidance Proceeds, commercial tort claims, or the proceeds thereof (collectively, the “Unencumbered Assets”) and (ii) the superpriority administrative claims granted in paragraphs 9(a)(4), 9(b)(4) and 9(c)(4) shall not attach to or be payable from the Unencumbered Assets. Notwithstanding the Committee Investigation Budget or anything to the contrary in the First Interim Order, nothing herein shall prevent the Committee from seeking approval of all fees and expenses incurred by its professionals to be payable from the Unencumbered Assets.

7. Notwithstanding paragraph 9(a)(6) of the First Interim Order, the right to credit bid the Prepetition Secured Obligations under the Prepetition Term Documents in connection with any sale of Prepetition Debt Collateral shall be subject to section 363(k) of the Bankruptcy Code.

8. Notwithstanding paragraph 9(b)(6) of the First Interim Order, the right to credit bid the Prepetition Secured Obligations under the Revolver Transaction Documents in connection with any sale of Prepetition Debt Collateral shall be subject to section 363(k) of the Bankruptcy Code.

9. Notwithstanding paragraph 9(c)(6) of the First Interim Order, the right to credit bid the prepetition obligations under the J. Aron Transaction Documents in connection with any sale of Inventory Financing Collateral shall be subject to section 363(k) of the Bankruptcy Code.

10. Notwithstanding paragraph 9(e) of the First Interim Order, the rights of the Prepetition Secured Parties to credit bid their respective Prepetition Secured Obligations in connection with the sale of any of their respective Prepetition Collateral shall be subject to section 363(k) of the Bankruptcy Code.

11. The Debtors shall arrange Weekly Meetings with the Committee and its advisors under paragraph 9(f) of the First Interim Order (which, for the avoidance of doubt, may be conducted as separate calls for the Prepetition Secured Parties and the Committee). The Committee's professionals may reasonably request topics of discussion at the Weekly Meetings.

12. The Committee shall be entitled to the financial reporting and inspection rights described more fully in paragraph 12 of the First Interim Order.

13. Notwithstanding paragraph 16(c) of the First Interim Order, the closing date of a 363 Sale shall not constitute a Cash Collateral Termination Event.

14. Notwithstanding paragraph 19(b) of the First Interim Order, the DIP Collateral and proceeds thereof, proceeds of the DIP Financing, and the Prepetition Collateral and proceeds thereof may be used to investigate the actions described therein for the purposes described in, and a manner consistent with, the terms of paragraph 42 of the First Interim Order.

15. Notwithstanding paragraph 26 of the First Interim Order, the Debtors shall obtain the consent of the Committee before modifying the Approved Budget with respect to the fees and expenses of the Committee professionals, which consent shall not be unreasonably withheld or delayed, or unless such modification is otherwise approved by the Court.

16. Notwithstanding anything contained in paragraph 42 of the First Interim Order:

(a) for the avoidance of doubt, the Challenge and Challenge Period shall not apply to any claims or causes of action of the Debtors with respect to the Insider Creditors;

(b) the Challenge Period will be tolled for the Committee if it formally moves for an order of this Court conferring standing or authority (the "Standing Motion") prior to the Challenge Period, from the date the Committee so moves until five (5) business days from the

date that the Standing Motion is granted or the date when the Standing Motion is denied pursuant to an Order of the Court; *provided*, that the Challenge Period: (i) will only be tolled if such Standing Motion attaches a proposed complaint identifying the specific Challenge(s) that the Committee proposes to assert and the defendant(s) against whom such Challenge(s) are proposed to be asserted, and (ii) will only be tolled with respect to such Challenge(s) and defendant(s) specifically identified therein. Nothing in the First Interim Order or herein shall limit the Committee's ability to (x) file a timely Standing Motion in respect of any timely Challenge for which it cannot obtain standing as a matter of law because the applicable Debtor is a limited liability company (an "LLC Challenge Motion"), and (y) seek pursuant to such LLC Challenge Motion a mechanism by which to prosecute such Challenge, provided that the Committee otherwise satisfies the requirements in paragraph 42(a) of the First Interim Order. In the event the Committee files a timely LLC Challenge Motion for which it cannot obtain standing, and provided that the Committee otherwise satisfies the requirements set forth in paragraph 42(a) of the First Interim Order, the expiration of the Challenge Deadline solely for the specific Challenge set forth in the LLC Challenge Motion, and solely as to the defendant(s) named therein, shall be tolled pending further order of the Court, and applicable parties shall meet and confer with respect to an appropriate process (if any) for the prosecution of any such Challenge. If timely notified of a Challenge for which the Committee cannot gain standing because the applicable Debtor is a limited liability company, the Debtors (or a designated representative) shall, to the extent permitted by applicable law, retain the authority to prosecute such Challenge in the exercise of their business judgment and subject to any applicable further order of the Court.

(c) Any Challenge, Standing Motion, or LLC Standing Motion commenced by the Committee (the "Committee Action") may be pursued by any chapter 7 trustee

in these Cases (a “Chapter 7 Trustee”), appointed subsequent to the filing of the Committee Action, in the Trustee’s sole and exclusive discretion. The filing of a *Notice of Substitution of Trustee* for and in the stead of the Committee in the Committee Action, shall be automatically effective upon filing, without further Order of the Court, and the Chapter 7 Trustee shall be deemed automatically substituted for the Committee, which substitution shall be deemed retroactive to the date of the filing of the Committee Action.

17. Notwithstanding anything to the contrary in paragraph 49 of the First Interim Order, (i) the Terminal Replacement Liens shall not attach to any Unencumbered Assets and (ii) any superpriority administrative claims granted therein shall not attach to or be payable from the Unencumbered Assets.

H. To the extent any of the Terminal Entities have Permitted Prior Liens on Product or goods (as defined under the Uniform Commercial Code) or the proceeds thereof under the Non-Included Locations TSA<sup>3</sup> (the “Terminal Liens”), the Section 364(d)(1) Liens shall be junior to the Terminal Liens on such property. \_\_\_\_\_

I. Resolution of Objection by the United States of America.

1. ---

<sup>3</sup> As that term is defined in the Objection and Reservation of Rights of Terminal Entities to Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Obtain Post-Petition Financing, (II) Authorizing the Debtors to Use Cash Collateral, (III) Granting Liens and Providing Claims with Superpriority Administrative Expense Status, (IV) Approving Adequate Protection to Pre-Petition Secured Creditors, (V) Modifying the Automatic Stay, and (VI) Scheduling a Final Hearing [Doc. No. 252].

that nothing herein shall limit or impair the Debtors' rights to assert defenses under applicable law and nothing herein shall create new defenses to obligations under police or regulatory laws or 28 U.S.C. § 959(b).

2. Notwithstanding anything to the contrary in the Prior Interim Orders, this Third Interim Order or the DIP Loan Documents, nothing in this Third Interim Order, the Prior Interim Orders or the DIP Loan Documents shall impair or adversely affect the United States of America's rights, claims and defenses of set-off and recoupment, if any, or any of its agencies, departments or agents, if any, and all such rights, claims and defenses, if any (the "Setoff/Recoupment Rights") shall be preserved in their entirety; *provided, however*, that the exercise of any such Setoff/Recoupment Rights must be in accordance with the Bankruptcy Code, Bankruptcy Rules, and Local Rules; *provided further, however*, that (a) exercise of such Setoff/Recoupment Rights shall not impair or adversely affect the rights of the DIP Secured Parties and the Prepetition Secured Parties, as applicable, to assert remedies (if any) with respect to any Event of Default or Cash Collateral Termination Event, as applicable, in the event any such governmental unit exercises any such Setoff/Recoupment Rights, (b) nothing in this paragraph shall limit the right of any party in interest to challenge the Setoff/Recoupment Rights of any such governmental unit, and (c) nothing in the Prior Interim Orders, this Third Interim Order, or the DIP Loan Documents shall modify or determine the rights or priority of any governmental unit's Setoff/Recoupment Rights vis-à-vis the rights and liens of the DIP Secured Parties and the Prepetition Secured Parties, as applicable, and all rights of the governmental units and the DIP Secured Parties and Prepetition Secured Parties with respect to the determination of such rights or priority (to the extent such priority is a disputed issue) are preserved.

3. With respect to environmental liabilities to any governmental unit, to the extent that the actions of the DIP Secured Parties or Prepetition Secured Parties constitute, within the meaning of 42 U.S.C. § 9601(20)(F) and (G), actual participation in the management or operational functions of a vessel or facility owned or operated by the Debtors, the rights of such governmental unit under applicable laws are preserved, and all rights of the DIP Secured Parties and the Prepetition Secured Parties to contest such liability or status under applicable law are preserved. For the avoidance of doubt, in determining to make any loan or other extension of credit under the DIP Credit Agreement, permitting the use of Cash Collateral, performing under the Prior Interim Orders, the Third Interim Order and the DIP Loan Documents in the ordinary course, no DIP Secured Party or Prepetition Secured Party shall be deemed to have participated in the management or operational functions of a vessel or facility owned or operated by the Debtors, or to have otherwise caused lender liability to arise or assumed the status of control, responsible person, owner, or operator provided, however, that participating in management within the meaning of 42 U.S.C. § 9601(20)(F) and (G) would not be ordinary course performance.

4. Within one business day of any modification to the Approved Budget, the Debtors must provide notice of the modified budget to the United States by e-mail through its counsel.

J. Reservation of Rights of Universal Plant Services (VI), LLC AltairStrickland V.I., LLC, Vivot Equipment Corporation and Virgin Islands Industrial Services, LLC. LLC (“AltairStrickland”), Vivot Equipment Corporation (“Vivot”) and Virgin Islands Industrial

Services, LLC (“VIIS”) (collectively, the “Construction Lien Objectors”), whose rights, if any, are hereby expressly preserved, except with respect to the DIP Liens granted to the DIP Secured Parties under the circumstances set forth in this paragraph. To the extent that a Construction Lien Objector has a lien on any DIP Collateral as of the Petition Date that is valid, enforceable, nonavoidable, and perfected, including as permitted by section 546(b) of the Bankruptcy Code, and such lien (or any amount owed associated with such lien) was senior in priority to any of the Prepetition Secured Parties Liens, such lien shall be treated as a Permitted Prior Lien and shall not be junior in priority to the DIP Liens or subordinated to any other liens created under this Order, including adequate protection liens granted to any party. The Construction Lien Objectors reserve their rights and nothing in this Third Interim Order limits their rights, if any, to request adequate protection equal to the diminution in value of their interest in collateral, if any, or seek other legal and equitable remedies with respect to the Debtors’ assets. Each of the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties’ rights to contest or otherwise object to such request or exercise of legal or equitable remedies or to any assertion of liens, interest or other claims of the Construction Lien Objectors are hereby reserved.

Upon and after the entry of the Final DIP Order, the Borrower may not request more than two (2) Advances in any ten (10) Business Day period.”

(e) Amendment of Section 6.01(k)(i). Section 6.01(k)(i) of the Credit Agreement is hereby amended by deleting each reference to “Within 30 days of the Closing Date” and replacing it with “Within 14 days of the date of the First Amendment,”

(h) Amendment of Section 7.01(p)(i). Section 7.01(p)(i) of the Credit Agreement is hereby amended by deleting “the date that is forty-five (45) days after the Petition Date” and replacing it with “September [ ], 2021.”

Section 3. Waiver. Counsel to the DIP Agent, Gray Reed, sent a letter to counsel to the Loan Parties, Baker & Hostetler LLP, dated August 9, 2021, alleging the occurrence of certain Events of Default, Defaults, and the occurrence of a Material Adverse Effect said to arise from a change in the value of the Collateral, all as more particularly set forth therein (the “DIP Agent Counsel’s Letter”). As provided in the Third Interim Order, the DIP Agent and DIP Lenders waive any Default or Event of Default referred to, directly or indirectly, in the DIP Agent Counsel’s Letter and further agree that, as of the date hereof, no Material Adverse Effect has arisen due to any change in the value of the Collateral. The DIP Agent and the DIP Lenders have no knowledge or notice of any Default or Event of Default after giving effect to this Amendment and the Third Interim Order.

Section 4. Conditions Precedent. This Amendment shall be deemed effective (subject to the conditions herein contained) as of the First Amendment Effective Date when the Administrative Agent has received counterparts hereof duly executed by Borrower, the Guarantors, the Administrative Agent and the Required Lenders and upon the prior or concurrent satisfaction of each of the following conditions:

(a) the Administrative Agent shall have received for its own account, or for the account of each Lender, as the case may be an amendment fee in the amount of \$50,000.00, which shall be payable either in cash by Borrower or by offsetting the proceeds of the Advance to be made upon the effectiveness of this Amendment. For the avoidance of doubt, if such fee is being paid by offsetting the proceeds of the Advance to be made upon the effectiveness of this Amendment, the Administrative Agent will advance \$9,950,000 to Borrower but Borrower will be deemed to have received an Advance of \$10,000,000. The Borrower shall not be responsible to the DIP Agent or any Lender for the application of the proceeds of such amendment fee by the DIP Agent.

(b) the Administrative Agent shall have received for its own account, or for the account of each Lender, as the case may be (i) all fees, costs and expenses due and payable pursuant to Section 3.02 of the Credit Agreement, if any, and (ii) if then invoiced, any amounts payable pursuant to Section 10.02 of the Credit Agreement;

(c) after giving effect to the Interim DIP Orders and this Amendment, the representations and warranties in Section 4 below are true and correct; and

(d) the Administrative Agent shall have received a certificate, dated as of the

13900629.11

date hereof, of a Responsible Officer of the Borrower certifying as to the matters described in item (b) above.

Section 5. Representations and Warranties. Each of the Loan Parties hereby represents and warrants that after giving effect to this Amendment and to the Third Interim DIP Order:

(a) the representations and warranties of the Loan Parties contained in the Loan Documents are true and correct in all material respects, other than those representations and warranties that expressly relate solely to a specific earlier date, which shall remain correct in all material respects as of such earlier date;

(b) the Loan Parties shall be in compliance with the terms of the Interim DIP Order;

(c) no Material Adverse Effect has occurred since the Petition Date; and

(d) no Default or Event of Default has occurred and is continuing.

Section 6. Loan Document; Ratification.

(a) This Amendment is a Loan Document.

(b) Each Loan Party hereby ratifies, approves and confirms in every respect all the terms, provisions, conditions and obligations of the Credit Agreement as amended hereby and each of the other Loan Documents to which it is a party.

(c) In the event of any conflict between the terms of any Interim DIP Order and the Credit Agreement (as amended hereby), the terms of the Interim DIP Order shall govern and control. Without limiting the foregoing, no “Default” or “Event of Default” shall be deemed to have occurred under the Credit Agreement if a corresponding “Termination Event” (as defined in the DIP Orders) has been amended or waived pursuant to the terms of an DIP Order or other order of the Bankruptcy Court.

Section 7. Costs and Expenses. As provided in Section 10.02 of the Credit Agreement, Borrower agrees to reimburse Administrative Agent for all fees, costs, and expenses, including the reasonable fees, costs, and expenses of counsel or other advisors for advice, assistance, or other representation, in connection with this Amendment and any other agreements, documents, instruments, releases, terminations or other collateral instruments delivered by the Administrative Agent in connection with this Amendment.

Section 8. Incorporation of Certain Provisions by Reference. The provisions of Sections 10.13 and 10.14 of the Credit Agreement captioned “Governing Law; Jurisdiction, Etc.” and “Waiver of Jury Trial” are incorporated herein by reference, *mutatus mutandis*, for all purposes.

Section 9. Severability. Any provision of this Amendment that is prohibited or unenforceable in any jurisdiction shall, as to such provision and such jurisdiction, be ineffective to

13900629.11

the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Amendment or affecting the validity or enforceability of such provision in any other jurisdiction.

Section 10. Counterparts. This Amendment may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party hereto may execute this Amendment by signing one or more counterparts. Any signature hereto delivered by a party by facsimile or electronic transmission shall be deemed to be an original signature hereto.

Section 11. No Waiver. The execution, delivery and effectiveness of this Amendment shall not operate as a waiver of any default of Borrower or any other Loan Party or any right, power or remedy of the Administrative Agent or the other Secured Parties under any of the Loan Documents, nor constitute a waiver of (or consent to departure from) any terms, provisions, covenants, warranties or agreements of any of the Loan Documents. The parties hereto reserve the right to exercise any rights and remedies available to them in connection with any present or future defaults with respect to the Credit Agreement or any other provision of any Loan Document.

Section 12. Successors and Assigns. This Amendment shall be binding upon the Loan Parties and their respective successors and permitted assigns and shall inure, together with all rights and remedies of each Secured Party hereunder, to the benefit of each Secured Party and the respective successors, transferees and assigns.

Section 13. Entire Agreement. THIS AMENDMENT, THE CREDIT AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT OF THE PARTIES WITH RESPECT TO THE SUBJECT MATTER HEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES.

**THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

GRANTING ADEQUATE PROTECTION TO PREPETITION SECURED PARTIES,  
(III) MODIFYING THE AUTOMATIC STAY, (IV) SCHEDULING A FINAL HEARING,

**Emergency relief has been requested. Relief is requested not later than 5:00 p.m. on August 16, 2021.**

**If you object to the relief requested or you believe that emergency consideration is not warranted, you must appear at the hearing if one is set, or file a written response prior to the date that relief is requested in the preceding paragraph. Otherwise, the Court may treat the pleading as unopposed and grant the relief requested.**

Limetree Bay Services, LLC (“**Limetree**”) and its debtor affiliates (collectively, the “**Debtors**”), as debtors and debtors in possession in the above-captioned chapter 11 cases (the “**Chapter 11 Cases**”), respectfully represent as follows in support of this motion (the “**Motion**”).

**Relief Requested**

1. Pursuant to Rule 60 of the Federal Rules of Civil Procedure (the “FRCP”), made applicable in these proceedings by Rule 9024 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), the Debtors request entry of an order, substantially in the form attached

---

<sup>1</sup> The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Limetree Bay Services, LLC (1866); Limetree Bay Refining Holdings, LLC (1776); Limetree Bay Refining Holdings II, LLC (1815); Limetree Bay Refining, LLC (8671); Limetree Bay Refining Operating, LLC (9067); Limetree Bay Refining Marketing, LLC (9222). The Debtors’ mailing address is Limetree Bay Services, LLC, 11100 Brittmoore Park Drive, Houston, TX 77041.

hereto as **Exhibit A** (the “**Proposed Amended Order**”), amending certain terms in the entered Third Interim Order (I) Authorizing the Debtors to (A) Obtain Postpetition Senior Secured Superpriority Financing and (B) Use Cash Collateral, (II) Granting Adequate Protection to Prepetition Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief, entered by this Court on August 11, 2021, as Docket No. 393 (the “**Entered Third Interim DIP Order**”), as follows:

a. Changing the hearing date for a final hearing on the Debtors’ request for postpetition financing from August 31, 2021, to August 27, 2021, at 10:00 a.m., and amending the related objection and filing dates such that the Debtors’ documents requesting relief will be filed by August 24, 2021, no later than 3:00 p.m., and any objection shall be filed by August 26, 2021, no later than noon.

b. Correcting a mistaken date for a termination event that will arise if the Debtors fail to obtain entry of a final DIP financing order. The termination date of September 17, 2021 (the “**Final DIP Termination Date**”), that appears in the Entered Third Interim DIP Order was originally contemplated based on a proposed final hearing date earlier that same week. The Debtors’ extensive negotiations with counsel for the DIP Lenders, the Prepetition Secured Parties, and the Committee (as those terms are used in the Entered Third Interim DIP Order) led to a proposed final hearing date of August 31, 2021 (now to be amended to August 27, 2021, per the prior paragraph), but the parties mistakenly failed to notice that the Final DIP Termination Date was not amended to coincide with the changed hearing date.

c. Attaching a final version of the First Amendment to Senior Secured Superpriority Debtor-In-Possession Credit Agreement, as the version that is attached to the Entered Third Interim DIP Order was not finalized. There are no material changes in the final version attached to the proposed amended order.

2. The Debtors have provided counsel for the Committee, DIP Lenders, and Prepetition Secured Parties with notice of these proposed amendments, and have not received any objections. A redline of the Entered Third Interim DIP Order with these proposed revisions shown in the text of the order is attached hereto as **Exhibit B**.

### **Jurisdiction**

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. § 1334. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

### **Background**

4. On July 12, 2021 (the “**Petition Date**”), each of the Debtors commenced with this Court a voluntary petition for relief under the Bankruptcy Code. The Debtors continue to operate their businesses as debtors in possession pursuant to §§ 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases. The Official Committee of Unsecured Creditors was appointed on July 26, 2021 (Doc. No. 189).

5. Following a hearing held on August 11, 2021, this Court entered the Entered Third Interim DIP Order in the form filed by the Debtors prior to the hearing, with changes made by the Court to Paragraph H, and the insertion of dates related to the final hearing on the Debtors’ request for postpetition financing.

6. On August 12, 2021, the Debtors determined that they would require relief in the form of a final hearing on postpetition financing earlier than the date that appears in the Entered Third Interim DIP Order, and discovered that the Final DIP Termination Date was incorrect. Also on August 12, 2021, the Debtors and DIP Lenders finalized the terms of the First Amendment to Senior Secured Superpriority Debtor-In-Possession Credit Agreement without any material amendments to the version attached as Exhibit A to the Entered Third Interim DIP.

### **Basis for Relief Requested**

7. FRCP 60(b)(1) permits amendments to entered orders on the grounds of “mistake, inadvertence, surprise, or excusable neglect.” In this case, the mistaken Final DIP Termination

Date was a result of the negotiations that concluded only minutes before this Court's hearing on August 11, 2021, and was inadvertent on the part of all parties to the negotiations. The requested change to the final hearing date on postpetition financing arises from the post-hearing discovery that the Debtors require certain relief earlier than the anticipated hearing date of August 31, 2021. In the case of the final version of the First Amendment to Senior Secured Superpriority Debtor-In-Possession Credit Agreement, the Debtors merely wish to ensure that entry of an amended order includes the correct and final exhibit.

8. The Debtors respectfully request emergency consideration of this Motion. The Debtors will shortly embark on negotiations concerning the relief that will be requested at the final hearing on August 27, 2021, and wish to ensure that the current controlling order on postpetition financing leave no open questions during those negotiations. Accordingly, the Debtors respectfully request that the Court approve the relief requested in this Motion on an emergency basis.

9. Pursuant to Local Rule 9013-1(i), this Motion is verified as to its accuracy by Debtors' proposed counsel.
